**Item 1.01. Entry into a Material Definitive Agreement.**

Gulfport previously announced that on December 17, 2012 it entered into a definitive agreement to purchase approximately 30,000 net acres in the Utica Shale in Eastern Ohio for approximately \$302 million. On December 19, 2012, the parties amended that agreement (the Amendment) to provide for Gulfport's acquisition of approximately 7,000 additional net acres for approximately \$70 million, resulting in a total purchase price of approximately 372 million, subject to certain adjustments. Under the Amendment, approximately \$53.9 million will now be placed in escrow pending completion of title review after the closing. The transaction, which will increase Gulfport's leasehold interests in the Utica Shale to approximately 137,000 gross (106,000 net) acres, excludes 14 existing wells, along with certain acreage surrounding each well. The proposed transaction is expected to close prior to year-end. Gulfport will continue to serve as operator of its acreage in the Utica Shale. The transaction was approved by a special committee of Gulfport's Board of Directors, which engaged independent financial advisors and counsel to assist with its review. Gulfport intends to fund this acquisition with a portion of the net proceeds from its common stock offering that priced on December 18, 2012. That offering is expected to close on December 24, 2012, subject to customary closing conditions.

The preceding summary of the Amendment is qualified in its entirety by reference to the full text of the Amendment, a copy of which is attached as Exhibit 2.1 hereto and incorporated herein by reference.

**Item 7.01. Regulation FD Disclosure**

On December 20, 2012, Gulfport issued a press release announcing its agreement to acquire additional working interests in the Utica Shale described in Item 1.01 above and providing an updated 2013 guidance. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.
