Item 2.01 Completion of Acquisition or Disposition of Assets.

As previously disclosed by Sangamo BioSciences, Inc. (the Company) in a Form 8-K filed on August 26, 2013 (the August 26, 2013 Form 8-K), the Company and its wholly-owned subsidiary CG Acquisition Sub, Inc., a Delaware corporation (Merger Sub), entered into an Agreement and Plan of Merger (the Merger Agreement) with Ceregene, Inc., (Ceregene) and a stockholders representative of Ceregene, pursuant to which the Company will acquire Ceregene (the Acquisition), a privately held biotechnology company focused on the development of adeno-associated virus (AAV) gene therapies. The acquired assets include all of Ceregene's therapeutic programs, including CERE-110, an AAV vector delivery system for the treatment of Alzheimer's disease that is currently in a Phase 2 clinical trial, certain intellectual property rights relating to the manufacturing of AAV, and certain toxicology and safety data from Ceregene's human clinical trials.

On October 1, 2013 (the Closing Date), all closing conditions under the Merger Agreement were satisfied and the Company closed the Acquisition.

Pursuant to the Merger Agreement, on the Closing Date, Merger Sub merged with and into Ceregene, with Ceregene continuing as the surviving company and a wholly-owned subsidiary of the Company. Also on the Closing Date, each share of Ceregene's issued and outstanding capital stock held by its stockholders was converted to the right to receive a portion of the merger consideration for the Acquisition, which consisted initially of (i) 100,000 shares of common stock of the Company, par value \$0.001 per share, and (ii) amount of cash and cash equivalent of Ceregene on the Closing Date less certain liabilities and expenses. In addition to such initial merger consideration, the Company is required to make certain contingent earn-out payments to the stockholders of Ceregene if the Company grants a third-party license to develop and commercialize certain Ceregene's product candidates, or if the Company commercializes such product candidates itself. For a more detailed description of the terms and conditions of the Merger Agreement, please see the August 26, 2013 Form 8-K.

The description above is only a summary and qualified in its entirety by the Merger Agreement, a copy of which is filed as Exhibit 2.1 herein.
