On August 13, 2014, we entered into an Amended and Restated Distribution Agreement with Nature's Best, our primary supplier of dry grocery and frozen food products. This agreement amends and restates our prior Distribution Agreement with Nature's Best, effective as of April 14, 2010. The new agreement enhances and supplements our prior agreement with Nature's Best, including terms relating to service level arrangements, deficiency cures, product management procedures, and other ordinary course operational terms provided to us by Nature's Best. The term, cost-plus pricing structure, and other material terms of the original agreement with Nature's Best remain unchanged by the new agreement.
