**Our Company**

We are a biomedical device company that develops, manufactures, and markets lasers in dentistry and medicine and also markets and distributes dental imaging equipment, including cone beam digital x-rays and CAD/CAM intra-oral scanners, and in-office, chair-side milling machines and three-dimensional printers; products that are focused on technologies that advance the practice of dentistry and medicine and offer benefits and value to healthcare professionals and their patients. Our proprietary dental laser systems allow dentists, periodontists, endodontists, oral surgeons, and other specialists to perform a broad range of dental procedures, including cosmetic, restorative, and complex surgical applications. Our systems are designed to provide clinically superior performance for many types of dental procedures with less pain and faster recovery times than are generally achieved with drills, scalpels, and other conventional instruments. We have clearance from the U.S. Food and Drug Administration to sell our laser systems in the United States and also have the necessary registration to sell our laser systems in Canada, the European Union, and various other international markets. Our licensed dental imaging equipment and other related products are designed to improve diagnoses, applications, and procedures in dentistry and medicine.

We offer two categories of laser system products: WaterLase systems and Diode systems. Our flagship product category, the WaterLase system, uses a patented combination of water and laser energy to perform most procedures currently performed using dental drills, scalpels, and other traditional dental instruments for cutting soft and hard tissue. We also offer our Diode laser systems to perform soft tissue, pain therapy, and cosmetic procedures, including teeth whitening. We currently have approximately 185 issued and 115 pending U.S. and international patents, the majority of which are related to our core WaterLase technology and dental and medical

lasers. From 1998 through June 30, 2014, we have sold over 26,200 laser systems in over 80 countries around the world. Contained in this total is over 10,400 WaterLase systems, which includes more than 6,400 WaterLase MD® and iPlus® systems.

**RISK FACTORS**

We face a variety of significant and diverse risks, many of which are inherent in our business. You should carefully consider the risks described under the caption **Risk Factors** in our annual reports on Form 10-K, quarterly reports on Form 10-Q and other filings we make with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, as amended (the **Exchange Act**), incorporated by reference herein, before making an investment decision. **DESCRIPTION OF CAPITAL STOCK**

The following summary description sets forth some of the general terms and provisions of our capital stock. Because this is a summary description, it does not contain all of the information that may be important to you. For a more detailed description of our capital stock, you should refer to the provisions of our Restated Certificate of Incorporation, as amended (our **charter**), and our Sixth Amended and Restated Bylaws (our **bylaws**).

**General**

Under our charter, we are authorized to issue 50,000,000 shares of our common stock, par value \$0.001 per share, and 1,000,000 shares of preferred stock, par value \$0.001 par value per share. As of August 14, 2014, there were 43,899,035 shares of our common stock issued and outstanding and no shares of our preferred stock issued and outstanding.

*Common Stock*

Holders of our common stock are entitled to one vote per share. Each of our directors is elected by the affirmative vote of a majority of the votes cast with respect to such director in uncontested elections and by an affirmative vote of a plurality of the votes cast for such director in a contested election. A **contested election** is defined in our bylaws as an election with respect to which, as of the record date for the meeting at which directors are to be elected, the number of nominees exceeds the number of directors to be elected at such meeting. Vacancies on the Board of Directors may be filled by an affirmative vote of two-thirds of the remaining members of the Board of Directors or at a meeting of the stockholders in the manner set forth in the second preceding sentence.

Subject to any preferential rights of any outstanding shares of our preferred stock to receive dividends before any dividends may be paid on our common stock, the holders of our common stock will be entitled to share ratably in any dividends that may be declared by our Board of Directors out of funds legally available for the payment of dividends. Subject to any preferential rights of any outstanding shares of our preferred stock, in the event of our liquidation, dissolution or winding up, holders of our common stock are entitled to share ratably in the assets remaining after payment of liabilities and the liquidation preferences of any outstanding preferred stock. Our common stock does not carry any redemption rights or any preemptive rights enabling a holder to subscribe for, or receive shares of, any class of our common stock or any other securities convertible into shares of any class of our common stock.

*Preferred Stock*

Our charter authorizes our Board of Directors to provide for the issuance of shares of preferred stock in one or more series. Prior to issuance of shares of each series, our Board of Directors is required by the Delaware

---

**Table of Contents**

General Corporation Law (the "DGCL") and our charter to fix the designation, powers, preferences and rights of the shares of such series and the qualifications, limitations or restrictions thereof. Thus, our Board of Directors could authorize the issuance of shares of preferred stock that have priority over our common stock with respect to dividends or rights upon liquidation or with terms and conditions that could have the effect of delaying, deferring or preventing a transaction or a change of control of our company that might involve a premium price for holders of our common stock or otherwise be in their best interests.

Of the 1,000,000 authorized shares of preferred stock, 100 shares have been designated as Series A 6% Redeemable Cumulative Convertible Preferred Stock ("Series A Preferred Stock"). Holders of shares of Series A Preferred Stock are entitled to one vote per share of Series A Preferred Stock held. All of the votes of holders of shares of Series A Preferred Stock are counted together with all other shares of our stock and not separately as a class. The holders of Series A Preferred Stock are entitled to receive cash dividends at the quarterly rate of \$750 per share. In the event of the Company's liquidation (subject to the rights of any senior-ranking stock), the holders of shares of our Series A Preferred Stock shall be entitled to receive, per share of Series A Preferred Stock held, a liquidation payment in an amount equal to the sum of (i) \$50,000 and (ii) an amount equal to the difference calculated by subtracting all dividends paid on such share of Series A Preferred Stock since the issuance of such share through the date of liquidation from 6% per annum return on \$50,000 for the period from the date of issuance of the shares through the date of liquidation. Shares of our Series A Preferred Stock are subject to redemption at any time on or after the 180<sup>th</sup> day following the initial issuance of shares of Series A Preferred Stock. At the option of the holder, each share of our Series A Preferred Stock is convertible into 18,182 shares of our common stock for the first 30 days following the initial issuance. Shares of our Series A Preferred Stock are also convertible into shares of our common stock after 90 days following such initial issuance at a conversion price determined by formula. Shares of our Series A Preferred Stock automatically convert into shares of our common stock on the second anniversary of initial issuance at the conversion price then in effect.

Of the 1,000,000 authorized shares of preferred stock, 500,000 shares have been designated as Series B Junior Participating Cumulative Preferred Stock ("Series B Preferred Stock"). Holders of shares of Series B Preferred Stock are entitled to 100 votes per share of Series B Preferred Stock held. Subject to the rights of any senior-ranking stock, commencing upon the first quarterly dividend payment date after the first issuance of shares of Series B Preferred Stock, holders of our Series B Preferred Stock are entitled to receive quarterly dividends in an amount per share equal to the greater of (i) \$0.25 per share or (ii) subject to certain provisions, 100 times the aggregate per share amount of all cash dividends and 100 times the aggregate per share amount of all non-cash dividends or other distributions (other than a dividend payable in shares of common stock) declared on our common stock since the immediately preceding quarterly dividend payment date or, with respect to the first quarterly dividend payment date, since the first issuance of any shares of Series B Preferred Stock, all subject to adjustment in the event of a subdivision or combination of the outstanding shares of our common stock. In the event of the Company's liquidation, the holders of shares of our Series B Preferred Stock shall be entitled to receive a liquidation payment in an amount equal to the greater of (1) \$1.00 per Share of Series B Preferred Stock, plus all accrued and unpaid dividends and distributions on the shares of our Series B Preferred Stock, or (2) an amount equal to 100 times the aggregate amount to be distributed per share of our common stock. The charter may not be amended in any manner that would materially alter the powers, preferences or special rights of the Series B Preferred Stock without the affirmative vote of the holders of at least two-thirds of the outstanding shares of Series B Preferred Stock, voting together as a single class. For additional information about the Series B Preferred Stock, see "Rights Plan" below.

As of the date hereof, no shares of our Series A Preferred Stock or Series B Preferred Stock are outstanding.

### **Anti-Takeover Provisions of Delaware Law and Our Governing Documents**

#### *Delaware Law*

We are subject to Section 203 of the DGCL ( Section 203 ). In general, Section 203 prohibits a publicly held Delaware corporation from engaging in business combination transactions with any interested stockholder for a period of three years following the time that the stockholder became an interested stockholder, unless:

prior to the time the stockholder became an interested stockholder, either the applicable business combination or the transaction which resulted in the stockholder becoming an interested stockholder is approved by the corporation's board of directors;

upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the voting stock outstanding (but not the voting stock owned by the interested stockholder) shares owned by directors who are also officers of the corporation and shares owned by employee stock plans in which the employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or

at or subsequent to the time that the stockholder became an interested stockholder, the business combination is approved by the corporation's board of directors and authorized at an annual or special meeting of stockholders by the affirmative vote of at least 66  $\frac{2}{3}$ % of the outstanding voting stock which is not owned by the interested stockholder.

A business combination is defined to include, in general and subject to exceptions, a merger of the corporation with the interested stockholder; a sale of 10% or more of the market value of the corporation's consolidated assets to the interested stockholder; certain transactions that result in the issuance of the corporation's stock to the interested stockholder; a transaction that has the effect of increasing the proportionate share of the corporation's stock owned by the interested stockholder; and any receipt by the interested stockholder of loans, guarantees or other financial benefits provided by the corporation. An interested stockholder is defined to include, in general and subject to exceptions, a person that (1) owns 15% or more of the outstanding voting stock of the corporation or (2) is an affiliate or associate (as defined in Section 203) of the corporation and was the owner of 15% or more of the corporation's outstanding voting stock at any time within the prior three year period.

A Delaware corporation may opt out of Section 203 with an express provision in its original certificate of incorporation or by an amendment to its certificate of incorporation or bylaws expressly electing not to be governed by Section 203 and approved by a majority of its outstanding voting shares. We have not opted out of Section 203. As a result, Section 203 could delay, deter or prevent a merger, change of control or other takeover of our company that our stockholders might consider to be in their best interests, including transactions that might result in a premium being paid over the market price of our common stock, and may also limit the price that investors are willing to pay in the future for our common stock.

#### *Undesignated Preferred Stock*

The ability to authorize undesignated preferred stock makes it possible for our Board of Directors to issue one or more series of preferred stock with voting or other rights or preferences. These and other provisions may have the effect of deferring hostile takeovers or delaying changes in control or management of our company.

*Requirements for Advance Notification of Stockholder Nominations and Proposals*

Our bylaws establish advance notice procedures with respect to stockholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of the Board of Directors or a committee of the Board of Directors.

## **Table of Contents**

### *Stockholder Action by Written Consent; Special Meetings of Stockholders*

Our stockholders may take action by written consent in lieu of a meeting as provided in our bylaws. Our bylaws provide that certain procedures, including notifying the Board of Directors and awaiting a record date, must be followed for stockholders to act by written consent. A special meeting of our stockholders may be called only by our Board of Directors, the Chairman of the Board, the Executive Vice Chairman, the Chief Executive Officer or the President. A special meeting may also be called at the request of stockholders holding a majority of the aggregate number of shares of capital stock of the Company issued and outstanding and entitled to vote at that meeting (subject to certain timeliness and content requirements of the demand).

### *Amendment of Certificate of Incorporation and Bylaws*

Our charter may be amended by the affirmative vote of a majority of the aggregate number of shares of each class of our capital stock issued and outstanding after a resolution of our Board of Directors declaring the advisability of such amendment has been adopted in accordance with Delaware law. Our bylaws may be amended by the affirmative vote of a majority of the aggregate number of shares of each class of our capital stock issued and outstanding (and entitled to vote on the subject matter) present in person or represented by proxy at a meeting of stockholders provided that notice thereof is stated in the written notice of the meeting. Our bylaws may also be amended by a majority of the Board of Directors in accordance with Delaware law and our charter, except that certain sections of our bylaws (including but not limited to certain provisions regarding special meetings, voting, officers, and approval of securities issuances) require either the affirmative vote of two-thirds of the persons then serving as directors on the Board of Directors or our stockholders.

### *Forum Selection*

Unless the Board of Directors acting on behalf of the Company selects an alternative forum, the Court of Chancery of the State of Delaware (or, if the Court of Chancery does not have jurisdiction, another state court located within the State of Delaware or, if no court located within the State of Delaware has jurisdiction, the federal district court for the District of Delaware) shall be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim of breach of a fiduciary duty owed by any of our directors, officers or other employees to the Company or our stockholders, (iii) any action asserting a claim against the Company or any of our directors, officers or other employees arising pursuant to any provision of the DGCL, our charter or our bylaws or (iv) any action asserting a claim against the Company or any of our directors, officers or other employees governed by the internal affairs doctrine of the State of Delaware, in all cases subject to the court's having personal jurisdiction over all indispensable parties named as defendants.

If any action the subject matter of which is within the scope of the immediately preceding paragraph is filed in a court other than a court located within the State of Delaware in the name of any stockholder, such stockholder will be deemed to have consented to (i) the personal jurisdiction of the state and federal courts located within the State of Delaware in connection with any action brought in any such court to enforce the exclusive forum provision (an Enforcement Action) and (ii) having service of process made upon such stockholder in any such Enforcement Action by service upon such stockholder's counsel in the action outside of the State of Delaware as agent for such stockholder.

## **Rights Plan**

We are a party to a rights agreement, dated December 31, 1998, with Computershare Trust Company, N.A. (as successor to U.S. Stock Transfer Corporation), as amended on December 19, 2008 and March 17, 2014 (the Rights Agreement). Under the Rights Agreement, holders of our common stock are entitled to one preferred stock purchase

right (a right ) per share of our common stock held. The Rights Agreement defines a 20% Ownership Date as the first date of public announcement that a person has become the beneficial owner of 20%

## **Table of Contents**

or more of our then outstanding shares of common stock (any such beneficial owner, a 20% stockholder ), and the Rights Agreement provides that if a 20% Ownership Date has occurred and neither the Rights Agreement has expired nor the rights are redeemed within 10 business days after such 20% Ownership Date, each right will entitle the holder thereof (other than a 20% stockholder or affiliate or associate thereof), upon payment of the then current exercise price:

to purchase shares of our common stock at a 50% discount; or

to purchase shares of common stock of the acquiring person at a 50% discount, if the Company (a) sells more than 50% of its assets or earning power or (b) the Company consolidates or merges with and into any other person and either the Company is not the surviving corporation or if the Company is the surviving corporation, Company common stock is changed into or exchanged for cash, securities or other property in connection with such consolidation or merger (any event described in clause (a) or (b) being a flip-over event ).

In addition, on the tenth business day (or such later day as designated by the Board of Directors) (the Tender Offer Trigger Date ) following the commencement of, or the first public announcement of the intent of any person to commence, a tender or exchange offer, the consummation of which would cause any person to become a 20% stockholder, holders of rights (other than rights that were beneficially owned by a 20% stockholder or any affiliate or associate thereof at any time after the Tender Offer Trigger Date) are entitled to purchase one one-hundredth of a share of Series B Preferred Stock upon payment of the then current exercise price. The rights are subject to redemption at \$0.001 per right at any time prior to the earliest of (a) a flip-over event, (b) the tenth business day after the 20% Ownership Date and (c) December 31, 2018. The Rights Agreement sets the initial exercise price of the rights at \$30.00 per right. The exercise price, number of rights outstanding and the number and kind of securities that may be purchased upon exercise of a right are subject to adjustment, as specified in the Rights Agreement. The Rights Agreement expires on December 31, 2018.

In connection with the sale of our common stock or interests therein, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of our common stock in the course of hedging the positions they assume. The selling stockholders may also sell our common stock short and deliver these shares of our common stock to close out their short positions, or loan or pledge our common stock to broker-dealers that in turn may sell our common stock. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of the shares of our common stock covered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The selling stockholders and any broker-dealers or agents that are involved in selling the shares may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. In such event, any compensation received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. While neither we nor any selling stockholder can presently estimate the amount of such compensation, in compliance with the guidelines of the Financial Industry Regulatory Authority, Inc. ( FINRA ), the aggregate maximum discount, commission, agency fees or other items constituting underwriting compensation to be received by any FINRA member or independent broker-dealer will not exceed 8% of any offering pursuant to this prospectus and any related prospectus supplement. However, it is anticipated that the maximum commission or discount to be received in any particular offering of securities will be less than this amount.

Because selling stockholders may be deemed to be underwriters within the meaning of Section 2(a)(11) of the Securities Act, the selling stockholders will be subject to the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of NASDAQ pursuant to Rule 153 under the Securities Act.

We have agreed to indemnify certain of the selling stockholders against certain liabilities, including liabilities arising under the Securities Act. The selling stockholders may agree to indemnify any agent, dealer or broker-dealer that participates in transactions involving sales of shares of common stock against certain liabilities, including liabilities arising under the Securities Act.

The resale securities will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale securities covered hereby may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale securities may not simultaneously engage in market making activities with respect to the common stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the selling stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of the common stock by the selling stockholders or any other person. We will make copies of this prospectus available to the selling stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

Each selling stockholder has informed the Company that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the shares of our common stock covered by this prospectus. Upon being notified by a selling stockholder that any material arrangement has been entered into with a broker-dealer or underwriter for the sale of shares of common stock through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, we will file a supplement to this prospectus, if required, pursuant to Rule 424(b) under the Securities Act, disclosing (i) the name of each such selling stockholder and of the participating broker-dealer(s) or underwriter(s), (ii) the number of shares of common stock involved, (iii) the price at which such shares were or will be sold, (iv) the commissions paid or to be paid or discounts or concessions allowed to such broker-dealer(s) or underwriter(s), where applicable, (v) that, as applicable, such broker-dealer(s) or underwriter(s) did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus and (iv) other facts material to the transaction.

We have agreed to use commercially reasonable efforts to keep this prospectus effective until the later of (i) the date by which all of the shares of common stock covered by this prospectus may be sold without volume or manner of sale

restrictions which may be applicable to affiliates under Rule 144, (ii) all of the shares covered by this prospectus have been sold, or (iii) July 22, 2016. There can be no assurance that the selling stockholders will sell any or all of the shares of common stock registered pursuant to the registration statement, of which this prospectus or any related prospectus supplement forms a part.
