Items 1 through 9; Item 11.

The Offer to Purchase is hereby amended and supplemented as follows:

1. Clauses (ii), (iii) and (iv) of the second full paragraph on the cover page of the Offer to Purchase are hereby amended and restated in their entirety to read as follows:

(ii) any required approval, permit, authorization or consent of, or notice to, any governmental authority, agency or self-regulatory organization under the laws of any U.S. or foreign jurisdictions applicable to the purchase of Shares pursuant to the Offer shall have been obtained or made on terms reasonably satisfactory to BGC and the Purchaser, and any necessary approvals or waiting periods under the competition laws of any foreign jurisdictions applicable to the purchase of Shares pursuant to the Offer shall have expired or been terminated or obtained, as applicable, as described herein (the Regulatory Condition), (iii) the Purchaser being satisfied, in its reasonable judgment, that nominees of BGC will constitute at least two-thirds of the members of the board of directors of GFI and all of the members of the controlling body of each subsidiary of GFI immediately after the consummation of the Offer (the Board Condition) and (iv) the Purchaser being provided adequate information from GFI so that the Purchaser is satisfied, in its reasonable judgment, that GFI did not, on or after the date of the CME Transaction (as defined below), enter into, modify, terminate, execute, or waive or grant any rights with respect to, any agreement, transaction or rights outside of the ordinary course of business consistent with past practice (other than the entering into the agreements providing for the CME Transaction) having the effect of impairing, in the reasonable judgment of the Purchaser, the Purchaser's or BGC's ability to acquire the Shares or GFI or otherwise diminishing the expected value to BGC of the acquisition of GFI (the Impairment Condition).

2. In the Summary Term Sheet, the second, third and fourth bullets of the first paragraph under the caption **What are the most significant conditions to the Offer?** are hereby amended and restated in their entirety to read as follows:

any required approval, permit, authorization or consent of, or notice to, any governmental authority, agency or self-regulatory organization under the laws of any U.S. or foreign jurisdictions applicable to the purchase of Shares pursuant to the Offer shall have been obtained or made on terms reasonably satisfactory to BGC and the Purchaser, and any necessary approvals or waiting periods under the competition laws of any foreign jurisdictions applicable to the purchase of Shares pursuant to the Offer shall have expired or been terminated or obtained, as applicable, as described herein (the Regulatory Condition);

the Purchaser being satisfied, in its reasonable judgment, that nominees of BGC will constitute at least two-thirds of the members of the board of directors of GFI and all of the members of the controlling body of each subsidiary of GFI immediately after the consummation of the Offer (the Board Condition); and

the Purchaser being provided adequate information from GFI so that the Purchaser is satisfied, in its reasonable judgment, that GFI did not, on or after the date of the CME Transaction, enter into, modify, terminate, execute, or waive or grant any rights with respect to, any agreement, transaction or rights outside of the ordinary course of business consistent with past practice (other than the entering into the agreements providing for the CME Transaction) having the effect of impairing, in the reasonable judgment of the Purchaser, the Purchaser's or BGC's ability to acquire the Shares or GFI or otherwise diminishing the expected value to BGC of the acquisition of GFI (the Impairment Condition).

3. In the Summary Term Sheet, the third paragraph under the caption **What are the most significant conditions to the Offer?** is hereby amended and supplemented by adding the following new paragraph after the current final

paragraph under such caption:

The satisfaction of Board Condition, and therefore the consummation of the Offer, requires action on the part of the GFI Board, but the GFI Special Committee acting alone, without GFI management or the management members of the GFI Board, may take the actions necessary to ensure BGC's nominees constitute two-thirds of the GFI Board. Specifically, the GFI Special Committee, which also constitutes a majority of the GFI Board, can agree to expand the GFI Board to nine persons and immediately following the consummation of this Offer, appoint nominees designated by BGC to fill these new vacancies. Immediately thereafter, two members of the GFI Special Committee can resign allowing the majority of the remainder of the GFI Board (four of seven of whom would be BGC designees) to appoint two replacements, who would also be BGC's designees. Following such actions, BGC would have the required two-thirds representation on the GFI Board.

4. In the Summary Term Sheet, the first sentence under the caption **Until what time can I withdraw tendered Shares** is hereby amended and restated as follows:

You can withdraw tendered Shares at any time until the Offer has expired, and, if we have not agreed to accept your Shares for payment by December 21, 2014, you can withdraw them at any time after such time until we accept such Shares for payment.

5. In the Summary Term Sheet, the first sentence under the caption **When and how will I be paid for my tendered Shares?** is hereby amended and restated as follows:

Subject to the terms and conditions of the Offer, we will pay for all validly tendered and not validly withdrawn Shares promptly after the later of the date of expiration of the Offer and the satisfaction or waiver of any government regulatory approval conditions to the Offer set forth in The Offer Section 14 Conditions of the Offer that remain unsatisfied as of the expiration of the Offer.

6. Under the heading Introduction, clauses (ii), (iii) and (iv) of the second full paragraph are hereby amended and restated in their entirety to read as follows:

(ii) any required approval, permit, authorization or consent of, or notice to, any governmental authority, agency or self-regulatory organization under the laws of any U.S. or foreign jurisdictions applicable to the purchase of Shares pursuant to the Offer shall have been obtained or made on terms reasonably satisfactory to BGC and the Purchaser, and any necessary approvals or waiting periods under the competition laws of any foreign jurisdictions applicable to the purchase of Shares pursuant to the Offer shall have expired or been terminated or obtained, as applicable, as described herein (the Regulatory Condition), (iii) the Purchaser being satisfied, in its reasonable judgment, that nominees of BGC will constitute at least two-thirds of the members of the board of directors of GFI and all of the members of the controlling body of each subsidiary of GFI immediately after the consummation of the Offer (the Board Condition) and (iv) the Purchaser being provided adequate information from GFI so that the Purchaser is satisfied, in its reasonable judgment, that GFI did not, on or after the date of the CME Transaction (as defined below), enter into, modify, terminate, execute, or waive or grant any rights with respect to, any agreement, transaction or rights outside of the ordinary course of business consistent with past practice (other than the entering into the agreements providing for the CME Transaction) having the effect of impairing, in the reasonable judgment of the Purchaser, the Purchaser's or BGC's ability to acquire the Shares or GFI or otherwise diminishing the expected value to BGC of the acquisition of GFI (the Impairment Condition).

7. Under the heading The Offer Section 2 Acceptance for Payment and Payment for Shares, the final paragraph is hereby amended and restated in its entirety to read as follows:

If any tendered Shares are not accepted for payment pursuant to the Offer for any reason, or if certificates are submitted for more Shares than are tendered, certificates for such unpurchased or untendered Shares will be returned (or, in the case of Shares tendered by book-entry transfer, such Shares will be credited to an account maintained at the Book-Entry Transfer Facility), without expense to you, promptly following the expiration or termination of the Offer.

8. Under the heading "The Offer" Section 4 "Withdrawal Rights," the third sentence is hereby amended and restated in its entirety to read as follows:

Thereafter, such tenders are irrevocable, except that they may be withdrawn after December 21, 2014, unless such Shares have been accepted for payment as provided in this Offer to Purchase.

9. The disclosure under the heading "The Offer" Section 11 "Background of the Offer; Other Transactions with GFI," is hereby amended and supplemented by adding the following:

On October 22, 2014, GFI released a press release announcing that the GFI Special Committee would review the Offer and advising GFI stockholders to take no action pending such review.

On October 30, 2014, counsel for BGC sent to the counsel for the GFI Special Committee a draft tender offer support agreement with proposed terms and conditions upon which the GFI Special Committee would agree to change its recommendation for the Offer.

TENDER YOUR SHARES TODAY IN SUPPORT OF BGC'S

\$5.25 PER SHARE ALL-CASH OFFER

November 12, 2014

Dear Fellow GFI Shareholder:

On October 22, 2014, BGC Partners, Inc. ("BGC") launched a \$5.25 per share fully financed, all-cash tender offer to acquire GFI Group Inc. ("GFI"). The launch of the tender followed numerous attempts at constructive dialogue to reach a negotiated agreement with GFI based on our analysis of the value of the company and our view of the compelling strategic benefits of a transaction with BGC.

Following additional recent discussions with the independent board members of GFI (the Special Committee), BGC has actively sought to address their questions and concerns regarding our offer. While our discussions have not yet succeeded in convincing the Special Committee to recommend our transaction, dialogue remains ongoing. Regardless of whether we are able to convince the Special Committee to recommend our tender offer, we remain committed to completing our transaction.

As a shareholder, you are currently faced with a choice between BGC's superior \$5.25 per share all-cash offer and the inferior \$4.55 per share all-stock transaction GFI announced with CME Group Inc. ("CME") which involves serious

conflicts of interest. **The decision is clear and BGC urges GFI shareholders to promptly tender their shares.**

Our intent in launching the tender is unambiguous – we are committed to delivering greater tangible value to GFI shareholders through a transaction with BGC. Consider the following facts about what our offer provides:

Superior Premium. The tender offer represents a premium of 70 cents, or more than 15%, to the \$4.55 per share all-stock transaction announced by CME and GFI Group on July 30, 2014 and a premium of more than 68% to the price of GFI Group shares on July 29, 2014, the last day prior to the announcement of the CME transaction.

Immediate Liquidity at Closing. BGC's all-cash offer provides GFI shareholders who tender their shares with certain liquidity promptly after acceptance for payment.

No Conflicts. In a clear conflict of interest, the CME transaction provides for GFI management to purchase GFI's brokerage business from CME at a discount to what we believe the value of that business should be. We believe the CME transaction would deprive GFI shareholders of the value of their investment.

We also urge you to not be misled by the attempts of GFI's conflicted management team to discredit our tender offer. As an owner of approximately 13.4% of GFI's outstanding shares, we want to maximize the value of our shares, just as you do. Our transaction provides GFI shareholders with the certainty of realizing the value of our clearly superior proposal. We ask you to please consider these important points when making your decision about tendering your shares:

Special Committee is Empowered to Cede Control of GFI's Board to BGC. Both the BGC tender offer and the proposed CME transaction provide the buyer with board control, so BGC's request for a two-thirds majority of GFI's board is not only consistent with the rights CME has in its merger agreement, but a logical and reasonable request for a majority owner. Importantly, new members can be appointed to GFI's board at any time between annual meetings by a majority of its existing directors without the need for approval by GFI management, and their board can have up to nine members. Therefore, the Special Committee holds the ability to achieve our board conditions through an expansion of the board, resignations, and the filling of additional board seats with BGC's nominees. In the context of a superior offer which is supported by a majority of shareholders, we believe that it would be appropriate, reasonable, and consistent for the Special Committee to take these actions.

GFI's Management Cannot Unilaterally Block BGC's Tender Offer. BGC does not need the approval of two-thirds of GFI shareholders in order to complete its proposed transaction, nor does it need the approval of the current management of GFI. Rather, we seek the tender of enough shares of GFI common stock such that, when added to the stock we already own, we would own a majority of the outstanding shares of GFI common stock on a fully diluted basis. Our offer in no way requires a super-majority of GFI shareholders; it only involves the tender of approximately 37% of the fully diluted shares of GFI in addition to the shares we already own, which is a lower threshold than the CME transaction. Shareholders can expect to receive \$5.25 per share, even though BGC and GFI will remain separate companies after the completion of our tender offer.

Similar Protection and Value Preservation. Unlike CME, we are not a party to any agreement with GFI. Our offer therefore seeks nothing more than to establish similar protection as if we were party to an agreement with GFI. Like any acquirer, BGC is seeking to ensure that GFI remains the same valuable asset at closing that it is today. Accordingly, our amended tender offer revises the impairment condition to clarify that it is only intended to protect BGC from actions taken by GFI on or after the announcement of the CME transaction that are outside of the ordinary course of business. Such actions might include new change-of-control agreements with executives or other non-arm's length arrangements that would have a materially negative impact on the value of GFI. BGC is also amending its tender offer to provide for an objective reasonableness standard to determine whether this condition has been satisfied.

No Financing or Anti-Trust Barriers to Completing Tender. BGC has secured committed financing from Morgan Stanley Senior Funding, Inc. and the offer has no financing condition. In addition, BGC has received early termination of the waiting period under the Hart-Scott-Rodino Antitrust Act.

Active Engagement on Regulatory Approvals. BGC is already a similarly regulated financial services company in good standing in most of the jurisdictions in which GFI operates and is actively engaged in obtaining necessary regulatory approvals.

Commitment to Accepting Shares. Until the expiration of the offer, GFI shareholders have the ability to withdraw their shares from the BGC offer at any time. Therefore, there is only upside for GFI shareholders in tendering their shares.

BGC Has Long Desired a Transaction with GFI. Over the course of several years, we have repeatedly expressed an interest in acquiring GFI. We have done this via direct communication with members of GFI's management team, as well as through outside intermediaries. Indeed, on July 29, 2014, the day before the CME transaction was announced, we sent a letter reiterating our interest in a transaction directly to Messrs. Michael Gooch and Colin Heffron. We began to acquire a significant number of shares of GFI common stock more than a year earlier. Our interest in acquiring GFI is therefore neither recent nor did it begin after the CME announcement.

SEND A MESSAGE TO YOUR BOARD NOW

WE URGE YOU TO TENDER YOUR SHARES TODAY!

In summary, GFI's arguments for recommending that shareholders reject our offer simply do not add up: our \$5.25 all-cash offer is clearly superior to the \$4.55 in stock consideration under the CME transaction.

Tendering your shares will send a strong message to the Board that you prefer our superior offer to the proposed CME transaction and will make it clear that you expect GFI to take every action necessary to enable you to realize the value to which you are entitled.

Thank you for your support,

/s/ Howard W. Lutnick
