Pursuant to Rule 425 under the Securities Act of 1933 and deemed filed pursuant to Rule 14a-12 under the Securities Exchange Act of 1934 Subject Company: Cavium, Inc. Commission File No. 001-33435 The following presentation was issued by Marvell Technology Group Ltd. and Cavium, Inc.

Cautionary Statement Regarding Forward Looking Statements This document contains certain forward-looking statements within the meaning of the federal securities laws with respect to the proposed transaction between Marvell and Cavium, including statements regarding the benefits of the transaction, the anticipated timing of the transaction and the products and markets of each company. These forward-looking statements generally are identified by the words “believe,” “project,” “expect,” “anticipate,” “estimate,” “intend,” “strategy,” “future,” “opportunity,” “plan,” “may,” “should,” “would,” “will be,” “will continue,” “will likely result,” and similar expressions. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this document, including but not limited to: (i) the risk that the transaction may not be completed in a timely manner or at all, which may adversely affect Cavium’s business and the price of its common stock and/or Marvell’s business and the price of its common shares, (ii) the failure to satisfy the conditions to the consummation of the transaction, including the adoption of the merger agreement by the stockholders of Cavium, the approval of the issuance of Marvell shares in the transaction by the shareholders of Marvell, and the receipt of certain governmental and regulatory approvals, (iii) the failure of Marvell to obtain the necessary financing pursuant to the arrangements set forth in the debt commitment letters delivered pursuant to the merger agreement or otherwise, (iv) the occurrence of any event, change or other circumstance that could give rise to the termination of the merger agreement, (v) the effect of the announcement or pendency of the transaction on Cavium’s business relationships, operating results, and business generally, (vi) risks that the proposed transaction disrupts current plans and operations of Cavium or Marvell and potential difficulties in Cavium employee retention as a result of the transaction, (vii) risks related to diverting management’s attention from Cavium’s ongoing business operations, (viii) the outcome of any legal proceedings that may be instituted against Marvell or against Cavium related to the merger agreement or the transaction, (ix) the ability of Marvell to successfully integrate Cavium’s operations and product lines, (x) the ability of Marvell to implement its plans, forecasts, and other expectations with respect to Cavium’s business after the completion of the proposed merger and realize the anticipated synergies and cost savings in the time frame anticipated or at all, and identify and realize additional opportunities, and (xi) the risk of downturns in the highly cyclical semiconductor industry. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties that affect the businesses of Marvell and Cavium described in the “Risk Factors” section of their respective Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and other documents filed by either of them from time to time with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and Marvell and Cavium assume no obligation and do not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise. Neither Marvell nor Cavium gives any assurance that either Marvell or Cavium will achieve its expectations. This presentation includes EBITDA and measures derived from EBITDA, which is a non-GAAP financial measure as defined under SEC rules. EBITDA is defined as earnings before interest, taxes, depreciation and amortization. Reconciliations of non-GAAP measures to GAAP are included at the end of this presentation.

Non-GAAP Reconciliation The following information provides reconciliations of non-GAAP financial measures, which are presented in the accompanying presentation, to the most comparable financial measures calculated and presented in accordance with accounting principles generally accepted in the U.S. (“GAAP”). The companies have provided non-GAAP financial measures, which are not calculated or presented in accordance with GAAP, as information supplemental and in addition to the financial measures presented in the accompanying presentation that are calculated and presented in accordance with GAAP. Such non-GAAP financial measures should not be considered superior to, as a substitute for, or as an alternative to, and should be considered in conjunction with, the GAAP financial measures presented in the presentation. The non-GAAP financial measures in the accompanying presentation may differ from similar measures used by other companies. The following tables reconcile the non-GAAP measure of earnings before interest, taxes, depreciation and amortization (“EBITDA”) referred to in this presentation to the most directly comparable GAAP measure reflected in the companies’ financial statements.

Non-GAAP Reconciliation Source: Company filings 1 Other costs of goods sold in the three months ended July 29, 2017 include charges for past intellectual property licensing matters. 2 Restructuring related charges include costs that are a direct result of restructuring. Such charges include employee severance, facilities related costs, contract cancellation charges and impairment of equipment. 3 Other operating expenses in the three months ended July 29, 2017 include costs of retention bonuses offered to employees who remained through the ramp down of certain operations due to the restructuring actions.
