Item 1.01 Entry into a Material Definitive Agreement.

Merger Agreement

On November 19, 2017, Marvell Technology Group Ltd. (Marvell or Parent) entered into an Agreement and Plan of Merger (the Merger Agreement), by and among Parent, Kauai Acquisition Corp., a Delaware corporation and an indirect wholly owned subsidiary of Parent (Merger Sub), and Cavium, Inc., a Delaware corporation (Cavium or the Company). Pursuant to the Merger Agreement, Merger Sub will be merged with and into the Company (the Merger), with the Company continuing as an indirect wholly owned subsidiary of Parent.

Subject to the terms and conditions set forth in the Merger Agreement, at the effective time of the Merger, each share of common stock, \$0.001 par value per share, of the Company (each, a Company Share) issued and outstanding immediately prior to the effective time of the Merger (other than (i) Company Shares held by the Company (or held in the Company s treasury) or held by Parent, Merger Sub or any other subsidiary of Parent or held, directly or indirectly, by any subsidiary of the Company or (ii) Company Shares with respect to which appraisal rights are properly exercised and not withdrawn under Delaware law) will be converted into the right to receive 2.1757 common shares, \$0.002 par value per share, of Parent (each, a Parent Share) and \$40.00 in cash, without interest.

The consummation of the Merger is subject to customary closing conditions, including, among other things, approval by Parent s shareholders of the issuance of Parent Shares in connection with the Merger (the Parent Share Issuance), adoption by the Company s stockholders of the Merger Agreement and the receipt of certain regulatory approvals, including the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 and the receipt of approval of the Committee on Foreign Investment in the United States (CFIUS) and the Ministry of Commerce of the People s Republic of China (MOFCOM).

The Merger Agreement contains representations, warranties and covenants of the parties customary for a transaction of this type.

The Merger Agreement provides Parent and the Company with certain termination rights and, under certain circumstances, may require Parent or the Company to pay a termination fee. The Merger Agreement provides that the Company will be required to pay to Parent a termination fee of \$180 million if, among other things, the Merger Agreement is terminated (x) by Parent or the Company (i) because (A) the Company failed to obtain the necessary stockholder vote to approve the Merger or (B) the Merger has not been consummated on or prior to 11:59 p.m. (New York City time) on September 19, 2018 (or, if so extended by either party in accordance with the terms of the Merger Agreement, November 19, 2018) (the Outside Date) and (ii)(A) at or prior to termination, a third-party offer or proposal to acquire the Company has been made and (B) within 12 months after the date of such termination, the Company has consummated a transaction with a third party or has entered into a definitive agreement with a third party contemplating a transaction that is subsequently consummated (regardless of whether such consummation occurs within the 12-month period), in each case relating to an acquisition of the Company, (y) by Parent or the Company (other than for inaccuracy of Parent s representations and warranties or a breach of Parent s covenants) at any time during the period commencing on the occurrence of a Company Triggering Event (as defined in the Merger Agreement) and ending on the tenth day after the final vote by the Company s stockholders on a proposal to adopt the Merger Agreement or (z) by the Company in order to accept a Company Superior Offer (as defined in the Merger Agreement) and enter into a definitive agreement providing for consummation of the transaction contemplated by such Company Superior Offer.

The Merger Agreement provides that Parent will be required to pay to the Company a termination fee of \$180 million if, among other things, the Merger Agreement is terminated (x) by Parent or the Company (i) because (A) Parent failed to obtain the necessary shareholder vote to approve the Parent Share Issuance or (B) the Merger has not been consummated on or prior to the Outside Date and (ii)(A) at or prior to termination, a third-party offer or proposal to acquire Parent has been made and (B) within 12 months after the date of such termination, Parent has consummated a

transaction with a third party or has entered into a definitive agreement with a third party contemplating a transaction that is subsequently consummated (regardless of whether such consummation occurs within the 12-month period), in each case relating to an acquisition of Parent, (y) by Parent or the Company (other than for inaccuracy of the Company's representations and warranties or a breach of the Company's covenants) at any time during the period commencing on the occurrence of a Parent Triggering Event (as defined in the Merger Agreement) and ending on the tenth day after the final vote by Parent's shareholders to approve the Parent Share Issuance or (z) by Parent in order to accept a Parent Superior Offer (as defined in the Merger Agreement) and enter into a definitive agreement providing for consummation of the transaction contemplated by such Parent Superior Offer.

The Merger Agreement also provides that Parent will be required to pay to the Company a termination fee of \$180 million if (i)(A) the Merger Agreement is terminated due to a Final CFIUS Turndown (as defined in the Merger Agreement) or on account of a knowing and intentional breach by Parent of its obligations with respect to obtaining CFIUS approval and (B) all of Parent's closing conditions (other than closing conditions with respect to the effectiveness of the registration statement on Form S-4, shareholder approvals, delivery of an officers' certificate, the receipt of approval of CFIUS and MOFCOM with respect to the transaction and the listing of Parent Shares to be issued in connection with the Merger) have been satisfied as of the time of termination or (ii) the Merger has not been consummated on or prior to the Outside Date and all of Parent's closing conditions (other than closing conditions with respect to delivery of an officers' certificate, the receipt of approval of CFIUS and MOFCOM with respect to the transaction and the listing of Parent Shares to be issued in connection with the Merger) have been satisfied as of the time of termination (the termination fee described in this paragraph being referred to as the CFIUS Termination Fee).

Additionally, Parent will be required to pay to the Company a termination fee of \$50 million if (i) the Merger Agreement is terminated on account of a knowing and intentional breach by Parent of its obligations with respect to obtaining MOFCOM approval and all of Parent's closing conditions (other than closing conditions with respect to the effectiveness of the registration statement on Form S-4, shareholder approvals, delivery of an officers' certificate, the receipt of approval of CFIUS and MOFCOM with respect to the transaction and the listing of Parent Shares to be issued in connection with the Merger) have been satisfied as of the time of termination of the Merger Agreement or (ii) the Merger has not been consummated on or prior to the Outside Date and all of Parent's closing conditions (other than closing conditions with respect to delivery of an officers' certificate, the receipt of approval of CFIUS and MOFCOM with respect to the transaction and the listing of Parent Shares to be issued in connection with the Merger) have been satisfied as of the time of termination (the termination fee described in this paragraph being referred to as the MOFCOM Termination Fee).

Under circumstances where both the MOFCOM Termination Fee and the CFIUS Termination Fee would be payable, Parent will be required to pay only the MOFCOM Termination Fee.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 hereto and incorporated herein by reference. The Merger Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about Parent, the Company or any of their respective subsidiaries or affiliates. The representations and warranties and the covenants in the Merger Agreement were made solely for the benefit of the parties to the Merger Agreement. Investors should not rely on the representations and warranties and the covenants as characterizations of the actual state of facts or condition of Parent, the Company or any of their respective subsidiaries or affiliates.

The transaction is expected to be financed with a combination of cash on hand and \$1.75 billion in new debt financing. Each of Goldman Sachs Bank USA and Bank of America Merrill Lynch (collectively, the Lenders) have committed to provide debt financing for the transaction, consisting of an \$850 million bridge loan commitment and a \$900 million committed term loan, in each case, on the terms and subject to the conditions set forth in a commitment letter, dated November 19, 2017 (the Debt Commitment Letter). The obligation of the Lenders to provide debt financing under the Debt Commitment Letter is subject to a number of customary conditions, including, without limitation, execution and delivery by the borrowers and the guarantors of definitive documentation consistent with the Debt Commitment Letter. The Company intends to use the debt financing proceeds to fund a portion of the consideration for the Merger, refinance certain existing debt of the Company and to pay transaction expenses.

Voting Agreements

Concurrently with the execution and delivery of the Merger Agreement, Syed B. Ali, the Chairman and Chief Executive Officer of the Company, entered into a voting agreement with Parent, (the Parent Voting Agreement) with

Under the Company Voting Agreement, the Starboard Shareholders have granted to the Company (and its designees) an irrevocable proxy to vote the Company Voting Agreement Shares as provided above.
