Explanatory Note

On November 17, 2017, CBS Corporation (CBS) announced that it had consummated its previously announced agreement to combine CBS's radio business, which is operated by CBS Radio Inc. (CBS Radio), with Entercom Communications Corp. (Entercom). The combination was effected through the split-off of CBS Radio to CBS shareholders through an exchange offer (the Exchange Offer), followed by the merger of CBS Radio with a wholly owned subsidiary of Entercom, with CBS Radio surviving the merger as a wholly owned subsidiary of Entercom (the Merger). The Exchange Offer was consummated at 11:59 p.m. New York City time on November 16, 2017, and the Merger was consummated effective as of 12:01 a.m. New York City time on November 17, 2017.

The Exchange Offer and Merger were consummated in accordance with the Master Separation Agreement (the Separation Agreement), by and between CBS and CBS Radio, dated February 2, 2017, and the Agreement and Plan of Merger (the Merger Agreement), by and among CBS, CBS Radio, Entercom and Constitution Merger Sub Corp. (Merger Sub), a wholly owned subsidiary of Entercom, dated February 2, 2017 and amended July 10, 2017 and September 13, 2017.

Item 1.01 Entry into a Material Definitive Agreement.

On November 16, 2017, immediately prior to the expiration and consummation of the Exchange Offer, and in accordance with the Separation Agreement and the Merger Agreement:

CBS and Entercom entered into a Tax Matters Agreement (the Tax Matters Agreement), which will govern CBS, Entercom's and CBS Radio's respective rights, responsibilities and obligations with respect to taxes, tax attributes, the preparation and filing of tax returns, tax contests, preservation of the expected tax-free status of the transactions contemplated by the Merger Agreement and the Separation Agreement and certain other tax matters, subject in each case to the terms and conditions of the Tax Matters Agreement.

CBS and Entercom entered into a Transition Services Agreement (the Transition Services Agreement), pursuant to which CBS will provide certain services to Entercom, and Entercom will provide certain services to the Company on a transitional basis.

CBS and Entercom entered into a Joint Digital Services Agreement (the Joint Digital Services Agreement), pursuant to which CBS will continue to operate the digital presences for CBS Radio's sports and news radio stations, subject to the terms and conditions of the Joint Digital Services Agreement.

Certain subsidiaries of CBS also entered into three agreements with CBS Radio and certain subsidiaries of CBS Radio to license the use of certain intellectual property after the closing of the Merger. CBS Broadcasting Inc. (CBS Broadcasting), an indirect wholly owned subsidiary of CBS, will license the use of the CBS RADIO trademark for CBS Radio's use for up to 12 months (the Business Name License Agreement), subject in each case to the terms and conditions of the Business Name License Agreement. CBS Broadcasting and certain of its subsidiaries will also enter into an agreement to license the use of certain station call letters and brands at certain radio stations by CBS Radio and certain of its subsidiaries (the Station License Agreement), subject in each case to the terms and conditions of the Station License Agreement. The rights pursuant to the Station License Agreement will expire with respect to WCBS and

KCBS 20 years after the closing of the Merger and endure perpetually for certain other brands. Third, CBS Broadcasting and certain of its subsidiaries will enter into an agreement to license the use of the CBS SPORTS RADIO and certain other trademarks used in connection with the CBS Radio Sports Network for use by CBS Radio and CBS Radio Sports Network, Inc. (the Sports Radio License Agreement), subject in each case to the terms and conditions of the Sports Radio License Agreement.

The Tax Matters Agreement, the Transition Services Agreement, the Joint Digital Services Agreement, Business Name License Agreement, Station License Agreement and Sports Radio License Agreement are filed as Exhibits 2.1, 2.2, 2.3, 2.4, 2.5 and 2.6 to this Current Report on Form 8-K, respectively, and are incorporated herein by reference. The foregoing description is qualified in its entirety by reference to such filed exhibits.

Item 2.01 Completion of Acquisition or Disposition of Assets.

The Exchange Offer expired at 11:59 p.m., New York City time, on November 16, 2017. Under the terms of the Exchange Offer, 5.6796 shares of CBS Radio common stock were exchanged for each share of CBS Class B common stock accepted in the Exchange Offer. CBS accepted 17,854,689 shares of its Class B common stock in exchange for the 101,407,494 shares of CBS Radio common stock owned by CBS.

Because the Exchange Offer was oversubscribed, CBS accepted tendered shares of CBS Class B common stock on a pro rata basis in proportion to the total number of shares validly tendered and accepted for exchange. Shareholders who owned fewer than 100 shares of CBS Class B common stock, or an odd lot of such shares, and who validly tendered all of their shares, were not subject to proration in accordance with the terms of the exchange offer. The final proration factor of approximately 10.3721% was applied to all other shares of CBS Class B common stock that were validly tendered and not validly withdrawn to determine the number of such shares that were accepted from each tendering shareholder.

Based on the final count by the exchange agent Wells Fargo Bank, N.A., the final results of the exchange offer are as follows:

Total number of shares of CBS Class B common stock validly tendered and not validly withdrawn:	161,855,335
Shares tendered and not validly withdrawn that were subject to proration:	160,664,993
Odd-lot shares tendered that were not subject to proration:	1,190,342
Total number of shares of CBS Class B common stock accepted:	17,854,689

Immediately following the consummation of the Exchange Offer, the Merger closed effective as of 12:01 a.m., New York City time, on November 17, 2017. In the Merger, each share of CBS Radio common stock outstanding immediately following the Exchange Offer was converted into one share of Entercom Class A common stock (with shareholders entitled to cash in lieu of fractional shares). As of the completion of the Merger, holders of CBS common stock who participated in the Exchange Offer owned approximately 72% of Entercom's common stock on a fully-diluted basis.

As a result of the foregoing transactions, CBS reduced its common stock outstanding by 17,854,689 shares of CBS Class B common stock.
