INTRODUCTORY NOTE

As previously disclosed in the Current Report on Form 8-K filed on December 29, 2017 with the Securities and Exchange Commission (SEC) by Lifetime Brands, Inc., a Delaware corporation (the Company), the Company entered into an Agreement and Plan of Merger (the Merger Agreement) by and among the Company, TPP Acquisition I Corp., a Delaware corporation (Merger Sub), TPP Acquisition II LLC, a Delaware limited liability company (Buyer Survivor LLC), Taylor Parent, LLC, a Delaware limited liability company (Taylor Parent), Taylor Holdco, LLC, a Delaware limited liability company (Taylor) and solely for purposes of certain sections of the Merger Agreement, CP Taylor GP, LLC, a Delaware limited liability company, providing for the acquisition of Taylor by the Company (the Acquisition).

The Closing (as defined below) was subject to, among other things, the approval of the issuance of the Acquisition Shares (as defined below) pursuant to the Merger Agreement by the requisite vote of the Company's stockholders, as required by applicable NASDAQ rules. On February 28, 2018, the Company held a special meeting of the Company's stockholders (the Special Meeting) at its principal executive offices in Garden City, New York, at which the Company's stockholders voted to approve the issuance of the Acquisition Shares.

Pursuant to the Merger Agreement and upon the closing of the Acquisition (the Closing), following the Special Meeting, on March 2, 2018, the Company issued to Taylor Parent newly-issued shares representing 27 percent of the Company's common stock (Company Common Stock) on a fully diluted basis after accounting for the issuance of additional shares as more fully described in the Merger Agreement (the Acquisition Shares). In addition, the Company paid \$27.5 million (the Cash Consideration) to Taylor Parent, which was used to (x) repay Taylor's preferred equity holders, (y) fund other transaction-related obligations and (z) repay certain outstanding debt of Taylor.

The foregoing description of the Acquisition does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is included as Exhibit 2.1 to the Company's Current Report on Form 8-K filed on December 29, 2017 and which is incorporated by reference herein.

ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Stockholders Agreement

In connection with the Merger Agreement, the Company entered into a stockholders agreement (the Stockholders Agreement) by and among the Company, Taylor Parent and the stockholders of the Company set forth on Schedule I thereto (such stockholder an Acquisition Share Stockholder), whereby each party to the Stockholders Agreement agreed, among other things, that the Company would provide registration rights with respect to the Acquisition Shares held by Taylor Parent or other Acquisition Share Stockholder, if any, and to certain other governance matters and restrictions on transfer by the Acquisition Share Stockholder of the Acquisition Shares.

Pursuant to the Stockholders Agreement, for so long as Taylor Parent beneficially owns (1) at least 20% of the outstanding Company Common Stock on a Fully Diluted Basis (as defined in the Stockholders Agreement) (the Future Fully Diluted Basis), up to two persons designated by Taylor Parent will be nominated for election or appointment to the Board of Directors of the Company (the Board) at each meeting of stockholders at which members of the Board are elected, (2) less than 20%, but greater than 10% of the outstanding Company Common Stock on a Future Fully Diluted Basis, one person designated by Taylor Parent will be nominated for election or appointment to the Board at each meeting of stockholders at which members of the Board are elected, or (3) less than 10% of the outstanding Company Common Stock on a Future Fully Diluted Basis, then Taylor Parent shall have no right to designate anyone for election or appointment to the Board (any such person so designated, a Board Designee).

The Board is contractually required to nominate any Board Designee for election to the Board and to use commercially reasonable efforts to solicit proxies in favor of the election of the Board Designees in substantially the same manner that it solicits proxies for all other director nominees recommended by the Board.

The Stockholders Agreement also contains certain restrictions on the Company and Taylor Parent. Taylor Parent and its affiliates will be prohibited from, without the express written approval of at least a majority of the disinterested members of our Board, acquiring and making certain transfers of Company Common Stock or other securities issued by the Company, entering into voting agreements or soliciting proxies with respect to its Company Common Stock and taking certain other actions. Further, Taylor Parent may not sell, offer or agree to sell, or otherwise transfer, subject to certain customary exceptions, directly or indirectly, any of the Acquisition Shares through and including December 31, 2019. Additionally, for so long as Taylor Parent continues to beneficially own at least 50% of the Acquisition Shares, neither the Company nor any of its subsidiaries may take the following actions without the approval of the Board Designees, such approval not to be unreasonably withheld: (i) enter into any agreement for a transaction that would result in a change of control of the Company; (ii) consummate any transaction for the sale of all or substantially all of the Company's assets; (iii) file for reorganization pursuant to Chapter 11, or for liquidation pursuant to Chapter 7, of the U.S. Bankruptcy Code; (iv) liquidate or dissolve the business and affairs of the Company; (v) take any Board actions to seek an amendment to the Company Certificate of Incorporation or approve, or recommend that the Company's stockholders approve, an amendment to the Bylaws, except as required by Delaware Law (as defined in the Merger Agreement) or other applicable law and other than amendments that would not materially and disproportionately affect Taylor Parent; (vi) incur additional debt in excess of \$100 million in the aggregate, subject to certain exceptions; (vii) acquire or dispose of assets or a business, in each case with an individual value in excess of \$100 million; (viii) terminate the employment of the Chief Executive Officer, other than for cause (in which case the Company shall consult in good faith with Taylor Parent on a replacement Chief Executive Officer); and (ix) adopt a stockholder rights plan that does not exempt as grandfathered persons the stockholders party to the Stockholders Agreement and their affiliates from being deemed acquiring persons due to their beneficial ownership of the Company Common Stock upon the public announcement of adoption of such stockholder rights plan (it being understood that no such plan shall restrict any stockholder party to the Stockholders Agreement or its affiliates from acquiring, in the aggregate, Company Common Stock up to the level of their aggregate percentage beneficial ownership as of the public announcement of the adoption of such stockholder rights plan).

The foregoing description of the Stockholders Agreement does not purport to be complete and is qualified in its entirety by the full text of the Stockholders Agreement, which is attached hereto as Exhibit 10.1 and is incorporated by reference herein.

Financing of the Merger

In connection with the Acquisition, (1) the Company entered into a new credit agreement (with all exhibits, schedules and attachments thereto, the ABL Credit Agreement) with the Company, as a borrower and a guarantor, the other borrowers (the ABL Borrowers) party thereto, the other guarantors party thereto, JPMorgan Chase Bank, N.A. (JPMorgan), as administrative agent, and the lenders and issuing banks party thereto, evidencing a senior secured asset-based revolving credit facility provided to the Company and the ABL Borrowers in the maximum aggregate principal amount of \$150 million, which facility will mature on March 2, 2023, and (2) the Company entered into a new loan agreement (with all exhibits, schedules and attachments thereto, the TLB Credit Agreement) with the Company, as the borrower and a guarantor, the other guarantors, JPMorgan, as administrative agent, Golub Capital LLC, as syndication agent, and the lenders party thereto, providing for a senior secured term loan credit facility to the Company in the principal amount of \$275 million, which will mature on February 28, 2025. The term loan facility will be repaid, commencing June 30, 2018, in quarterly payments of principal equal to 0.25% of the original aggregate principal amount of the term loan facility. The maximum borrowing under the ABL Credit agreement may be increased to up to \$200 million if certain conditions are met. One or more tranches of additional term loans (the Incremental Facilities) may be added under the TLB Credit Agreement if certain conditions are met. The Incremental Facilities may not exceed the sum of (i) \$50 million plus (ii) an unlimited amount so long as, in the case of (ii) only, the Company's secured net leverage ratio, as defined in and computed pursuant to the TLB Credit Agreement, is no greater than 3.75 to 1.00, subject to certain limitations and for the period defined pursuant to the TLB Credit Agreement.

Borrowings under the revolving credit facility bear interest, at the Company's option, at one of the following rates: (i) base rate, defined as the greater of the prime rate, a federal funds based rate plus 0.5% or one-month LIBOR plus 1.0%, plus a margin of 0.25% to 0.75%, or (ii) LIBOR plus a margin of 1.25% to 1.75%. The respective margins are based upon the Company's total leverage ratio, as defined in and computed pursuant to the ABL Credit Agreement. The margin with respect to the revolving credit facility is, until financial statements for the first full fiscal quarter ending after the Closing are delivered, 0.50% per annum in the case of base rate borrowings and 1.50% per annum in the case of LIBOR borrowings.

The term loan facility bears interest, at the Company's option, at one of the following rates: (i) base rate, defined as the greater of the prime rate, a federal funds based rate plus 0.5% or one-month LIBOR plus 1.0%, plus a margin of 2.50% or (ii) LIBOR plus a margin of 3.50%.

The ABL Credit Agreement and the TLB Credit Agreement provide for customary covenants and events of default. Covenants include limitations on additional indebtedness, liens, acquisitions, investments and payment of dividends, among other things.

The Company utilized the proceeds of borrowings under the revolving credit facility and the proceeds of the term loan (i) to repay in full all existing indebtedness for borrowed money under the Second Amended and Restated Credit Agreement, dated as of January 13, 2014, as amended, by and among the Company, the borrowers from time to time party thereto, the other loan parties from time to time party thereto, the lenders from time to time party thereto and JPMorgan, as administrative agent, and (ii) to finance the Transactions, as defined in the ABL Credit Agreement and the TLB Credit Agreement, including the Acquisition, the refinancing of certain indebtedness of Taylor and its subsidiaries, and the payment of fees and expenses in connection with the foregoing.

The foregoing description of the ABL Credit Agreement and the TLB Credit Agreement does not purport to be complete and is qualified in its entirety by the full text of each of the ABL Credit Agreement and the TLB Credit Agreement, which are attached hereto as Exhibits 10.02 and 10.03, respectively, and are incorporated by reference herein.

ITEM 2.01. COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS.

On March 2, 2018, pursuant to the terms of the Merger Agreement and in accordance with Section 264(c) of the Delaware General Corporation Law and Section 18-209 of the Delaware Limited Liability Company Act (the "Act"), Merger Sub merged with and into Taylor (the "Stage One Merger") with Taylor continuing as the surviving corporation (the "Surviving Corporation"). Immediately following the Stage One Merger, pursuant to the terms of the Merger Agreement and in accordance with Section 18-209 of the Act, the Surviving Corporation merged with and into Buyer Survivor LLC with Buyer Survivor LLC continuing as the surviving corporation (the "Stage Two Merger", and together with the Stage One Merger, the "Mergers"). Upon completion of the Mergers, Buyer Survivor LLC (previously Taylor) became a wholly owned subsidiary of the Company.

The aggregate consideration paid by the Company in the Acquisition consisted of the Acquisition Shares and the Cash Consideration, without giving effect to related transaction fees and expenses.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which was filed as Exhibit 2.1 to the Company's Current Report on Form 8-K filed on December 29, 2017 and which is incorporated by reference herein.
