Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On November 6, 2018, MiMedx Group, Inc. (the *Company*) received a letter from The Nasdaq Stock Market LLC (*Nasdaq*) indicating that, as a result of the interim progress report submitted by the Company on October 31, 2018, the Nasdaq Hearings Panel (the *Panel*) has reconsidered the Company's request for continued listing and has determined that Nasdaq will suspend trading in the Company's common stock at the opening of business on November 8, 2018. The notification indicates that Nasdaq intends to file a Form 25 with the Securities and Exchange Commission (the *SEC*) to effect the delisting after the applicable Nasdaq appeal and review periods have expired. The Company does not intend to appeal the delisting determination.

As previously reported, the Company is not in compliance with Nasdaq's Listing Rule 5250(c)(1) because the Company is not current in filing its periodic reports. On September 20, 2018, the Panel granted the Company's request for continued listing of its common stock pursuant to an extension through February 25, 2019. The extension was subject to the condition that the Company regain compliance with its SEC reporting obligations and Nasdaq listing rules by February 25, 2019 and provide the Panel with certain interim progress reports. In its interim progress report submitted on October 31, 2018, the Company indicated that it has determined that, for the restatement period, it must conduct an assessment of revenue recognition for all of the Company's sales, which will prolong the amount of time it will take for the Company to prepare the restated financial statements. As a result, the Company no longer believes that it is likely that it will be able to regain compliance with SEC reporting obligations and Nasdaq listing rules by February 25, 2019. In its report, the Company also indicated that the fact-finding stage of the Audit Committee's investigation is substantially complete with respect to most areas, but some work remains on certain potential issues.
