**Item 8.01 Other Events.**

On February 28, 2019, Allergan plc made the following statement in response to a release by Appaloosa LP and another shareholder regarding a shareholder proposal that Appaloosa LP has submitted in connection with Allergan's Annual General Meeting of Shareholders to be held on May 1, 2019:

Allergan's Board of Directors strongly disagrees that an immediate separation of the CEO and Chair positions is warranted. An immediate separation of the role would be highly disruptive to the company and would diminish the company's ability to execute on its strategy to create a world-class global biopharmaceutical business and develop the company's promising product pipeline. It would also do nothing to enhance the Board's effectiveness or the company performance. The Board believes that a separation of the positions with the next leadership change minimizes risk and is in the best interest of shareholders.

Shareholders will be able to obtain free copies of the Proxy Statement and any other documents relating to the Annual General Meeting of Shareholders filed with the SEC by Allergan through the website maintained at the SEC at <http://www.sec.gov/> or on Allergan's website at <http://www.allergan.com>. **Shareholders are advised to read the Proxy Statement when it is available because it contains important information.**
