A.M. BEST AFFIRMS A (EXCELLENT) RATING OF LINCOLN GENERAL

Toronto, Ontario (September 17, 2003) Kingsway Financial Services Inc. (TSX:KFS, NYSE:KFS) announced today that A.M. Best Co. has affirmed the financial strength rating of its largest insurance subsidiary, Lincoln General Insurance Company, of A- (Excellent). The rating was removed from under review and assigned a negative outlook. This rating action is a result of Lincoln's strengthened capital position, following Kingsway's capital raising initiatives and the infusion of new capital into Lincoln. A.M. Best remains concerned about Lincoln's underwriting leverage position as well as its ability to effectively manage the additional volume of business. A.M. Best's negative outlook reflects its concern that Lincoln may need additional capital by year-end if Lincoln continues to strain surplus through premium growth or if loss reserves continue to adversely develop.

We are committed to maintaining our A.M. Best ratings and ensuring that our insurance subsidiaries are strongly capitalized, said Bill Star, President and Chief Executive Officer.

A.M. Best represents independent opinions of an insurer's financial strength and ability to meet policyholder obligations. According to A.M. Best, companies rated as A and A- (Excellent) have an excellent ability to meet their ongoing obligations to policyholders.
