SASOL'S SUBMISSION TO WINDFALL TAX TASK TEAM
Sasol has today submitted its written submission to the
National Treasury Task Team assessing possible reforms to the
fiscal regime applicable to windfall profits in South Africa's
liquid fuel energy sector, with particular reference to the
synthetic fuel industry.
Sasol's submission to the Task Team has been published on
Sasol's website, www.sasol.com.
Sasol will participate in the public hearings of the Task Team
to be held on, Tuesday, 15 and Wednesday, 16 August 2006.
Sasol welcomes the opportunity for public consultation on the
possible introduction of windfall taxes on companies in the
liquid fuels industry, and in particular, in the synthetic
fuels industry, as this will afford all parties an opportunity
to provide input into an issue of great importance for the
industry and country.
