- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On May 14, 2007, Bio-Rad Laboratories, Inc. (the “Company”) entered into a Share Purchase Agreement (the “Share Purchase Agreement”) with certain selling shareholders (the “Sellers”), pursuant to which the Company has agreed to acquire approximately 77.7% of the outstanding shares of DiaMed Holding AG (“DiaMed”). Under the terms of the Share Purchase Agreement, the Company will pay approximately 477 million Swiss francs in cash to acquire these shares from the Sellers. DiaMed holds approximately 9.6% of its outstanding shares as treasury shares. After the closing of this transaction, the Company will conduct a tender offer to acquire the remaining 12.7% of the outstanding shares of DiaMed. A portion of the consideration payable to the Sellers will be placed in escrow to satisfy certain contingent liabilities, including a potential payment adjustment based on DiaMed’s closing financial statements, potential breaches or non-fulfillments of Sellers’ representations and warranties in the Agreement and potential liability under certain Sellers’ indemnities set forth in the Agreement. The transaction is subject to certain closing conditions, including receipt of necessary regulatory approvals and clearances.

On May 16, 2007, the Company issued a press release relating to the execution of the Share Purchase Agreement. The full text of the press release is attached hereto as Exhibit 99.1 and is incorporated into this report as if fully set forth herein.
