- Acquired upon the complete exercise of a grant under the Non-Qualified Employee Stock Purchase Plan, which grant was previously reported at the start of a six month option term, to acquire common stock up to an option amount which is 25% of the optionee's quarterly salary less \$6,250, at a purchase price equal to the lower of 100% of the market value on the date of grant or 85% of the market value on the date of exercise.

The option was granted on the first day of the option term and previously reported as a right to purchase shares of the Company's common stock at an exercise price equal to the market value on the date of grant. In accordance with the Non-Qualified Employee Stock Purchase Plan, the option is ultimately exercisable for an exercise price which is the lower of 100% of the market value on the grant date or 85% of the market value on the day prior to the exercise date. The number of shares exercised is based on the option amount divided by the lower of 100% of the market value on the grant date or 85% of the market value on the day prior to the exercise date.

- (5) The option will be exercisable for that number of shares equal to the option amount (25% of the optionee's quarterly salary less \$6,250)
- (6) divided by the lesser of the market value of the common stock on the grant date or 85% of the market value on the day prior to the exercise date.
