## **1- Objective of the appraisal**

This report is issued with the objective of calculating, in accordance with the accounting practices adopted in Brazil, the shareholders' equity of CSN Aços Longos S.A. on December 31, 2010, for the purpose of its merger by Companhia Siderúrgica Nacional, and should not be used for any other purpose.

## **2 Scope of the work**

The appraisal report of shareholders' equity is being issued in connection with the audit of the balance sheet with the reference date of December 31, 2010, which was prepared under the responsibility of the Company's Management.

Our audit was conducted in accordance with the Rules for the Independent Audit of Financial Statements applicable in Brazil, and included, among other procedures: (a) the planning of the work, considering the relevance of the balances, the volume of transactions and the Company's internal accounting and control systems; (b) the confirmation, based on tests, of the evidence and records that support the values presented; and (c) the valuation of the representative accounting practices and estimates adopted by the Company's Management.

## **3 Result of the appraisal**

Based on the works conducted, we conclude that the value of the goods, rights and liabilities of the Company's shareholders' equity on December 31, 2010, summarized in Appendix I, is two hundred and sixty-four million, three hundred and sixteen thousand, seven hundred and fifty-eight reais and seventy-nine centavos (R\$ 264,316,758.79). The net book value, as indicated in Appendix I, is registered in the accounting books, in accordance with the accounting practices adopted in Brazil.
