About This Prospectus

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission (the “SEC”) using a “shelf” registration process. Under the shelf process, the selling securityholders referred to in the prospectus and identified in supplements to this prospectus may offer and resell from time to time our American Depositary Shares under this prospectus.

This prospectus does not cover the issuance of any of our preferred shares by us to the selling securityholders, and we will not receive any of the proceeds from any sale of American Depositary Shares by the selling securityholders. Except for any underwriting discounts, selling commissions, transfer taxes and fees, which are to be paid by the selling securityholders, we have agreed to pay the expenses incurred in connection with the registration of the American Depositary Shares owned by the selling securityholders covered by this prospectus.

This prospectus only provides you with a general description of the American Depositary Shares the selling securityholders may offer. Each time the selling securityholders sell the American Depositary Shares described in the prospectus we will provide a supplement to this prospectus that will contain specific information about the terms of that offering, including the specific amounts, prices and terms of the American Depositary Shares offered. The prospectus supplement may also add, update or change information contained in this prospectus. You should carefully read both this prospectus and any accompanying prospectus supplement or other offering materials, together with the additional information described under the heading “Where You Can Find More Information.”

Unless otherwise indicated, the term “selling securityholders” as used in this prospectus means the selling security-holders referred to in this prospectus and their donees, pledgees, transferees and other successors-in-interest. Unless otherwise indicated, references in this prospectus to the “company,” “we,” “us” and “our” and similar terms refer to Gol Linhas Aéreas Inteligentes S.A. and its subsidiaries.

This prospectus and any accompanying prospectus supplement or other offering materials do not contain all of the information included in the registration statement as permitted by the rules and regulations of the SEC. We are subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and, therefore, file reports and other information with the SEC, including annual reports on Form 20-F and reports on Form 6-K. Statements contained in this prospectus and any accompanying prospectus supplement or other offering materials about the provisions or contents of any agreement or other document are only summaries. If SEC rules require that any agreement or document be filed as an exhibit to the registration statement, you should refer to that agreement or document for its complete contents.

You should assume that the information in this prospectus, any applicable prospectus supplement or any related free writing prospectus is accurate only as of the date on the front of the document and that any information that we have incorporated by reference is accurate only as of the date of the document incorporated by reference, regardless of the time of delivery of this prospectus, any applicable prospectus supplement or any related free writing prospectus, or any sale of a security.

The SEC allows us to “incorporate by reference” the information we submit to it, which means that we can disclose important information to you by referring you to those documents that are considered part of this prospectus. An investment in our securities involves a high degree of risk. Use Of Proceeds

We will not receive any of the proceeds from the sale of American Depositary Shares by the selling securityholders under this prospectus and any related prospectus supplement. Please see “Selling Securityholders.”

selling securityholders

This prospectus covers the offering for resale of up to 14,000,000 American Depositary Shares by selling securityholders. These American Depositary Shares represent 28,000,000 preferred shares issued by us and purchased by the selling securityholders in capital increases that occurred on December 7, 2011, December 21, 2011, August 12, 2013, May 28, 2014, July 10, 2015 and September 4, 2015, in each case, pursuant to subscription forms under Brazilian law, in each case, in transactions exempt from registration under the Securities Act prior to the original filing date of the registration statement of which this prospectus forms a part.

The registration of the preferred shares under the registration statement of which this prospectus is a part will allow for the potential conversion of such preferred shares, if any, into ADSs that are fungible with the ADSs that trade on the New York Stock Exchange.

DESCRIPTION OF SHARE CAPITAL

General

As of December 31, 2017, our share capital consisted of 2,863,682,710 common shares and 265,899,432 preferred shares, each with no par value.

On March 23, 2015, our shareholders approved, among other amendments to our by-laws intended to improve corporate governance, the split of 143,858,204 common shares in the proportion of 35 common shares for each common share, upon the issuance of 4,891,178,936 new common shares, without modification to our capital stock. In December 2017, our major shareholder, Fundo de Investimento em Participações Volluto, converted 2,171,354,430 common shares into preferred shares.

Issued Share Capital

Under our by-laws, our authorized capital as of December 31, 2017 was R\$4.0 billion, and can be increased by the issuance of preferred or common shares, after approval by our board of directors. Our shareholders must approve any capital increase that exceeds our authorized capital. Under our by-laws and the Brazilian corporation law, if we issue additional shares in a private transaction, the existing shareholders have preemptive rights to subscribe for shares on a pro rata basis according to their holdings. See “Description of Capital Stock—Preemptive Rights.”

Regulation of Foreign Investment

There are no general restrictions on ownership of our preferred shares or common shares by individuals or legal entities domiciled outside Brazil, except for those regarding airline companies (see “Item 4B. Business Overview—Regulation of the Brazilian Civil Aviation Market”). However, the right to convert dividend payments and proceeds from the sale of preferred shares or common shares into foreign currency and to remit such amounts outside Brazil is subject to restrictions under foreign investment legislation which generally requires, among other things, the registration of the relevant investment with the Central Bank.

Foreign investors may register their investment under Law No. 4,131, dated September 3, 1962, or Law No. 4,131, or Resolution No. 4,373 of January 26, 2000 of the National Monetary Council (Conselho Monetário Nacional), or Resolution No. 4,373. Registration under Law No. 4,131 or under Resolution No. 4,373 generally enables foreign investors to convert dividends, other distributions and sales proceeds received in connection with registered investments into foreign currency and to remit such amounts abroad. Resolution No. 4,373 affords favorable tax treatment to foreign investors who are not residents in a Low or Nil Tax Jurisdiction, which is defined under Brazilian tax laws as a country or location or other jurisdiction that does not impose tax or where the maximum income tax rate is lower than 20%.

Under Resolution No. 4,373, foreign investors may invest in almost all financial assets and engage in almost all transactions available in the Brazilian financial and capital markets, provided that certain requirements are fulfilled. In accordance with Resolution No. 4,373, the definition of foreign investor includes individuals, legal entities, mutual funds and other collective investment entities that are domiciled or headquartered abroad. Investors may not transfer the ownership of investments made under Resolution No. 4,373 to other non-Brazilian holders through private transactions.

Pursuant to Resolution No. 4,373, foreign investors must:

Edgar Filing: Gol Intelligent Airlines Inc. - Form F-3

- appoint at least one representative and a custodian in Brazil with powers to perform actions relating to the foreign investment;
- complete the appropriate foreign investor registration form;
- register as a foreign investor with the CVM;
- register the foreign investment with the Central Bank;
- appoint a tax representative in Brazil; and
- obtain a taxpayer identification number from the Brazilian federal tax authorities.

6

Amounts invested in our preferred shares by a non-Brazilian holder who qualifies under Resolution 4,373 and obtains registration with the CVM, or by the depositary representing an ADS holder, are eligible for registration with the Central Bank. This registration (the amount so registered is referred to as registered capital) allows the remittance outside Brazil of foreign currency, acquired with the proceeds of distributions on, and amounts realized through, dispositions of our preferred shares. The registered capital per preferred share purchased in the form of an ADS, or purchased in Brazil and deposited with the depositary in exchange for an ADS, will be equal to its purchase price (stated in U.S. dollars). The registered capital per preferred share withdrawn upon cancellation of an ADS will be the U.S. dollar equivalent of (i) the average price of a preferred share on the Brazilian stock exchange on which the most preferred shares were traded on the day of withdrawal or (ii) if no preferred shares were traded on that day, the average price on the Brazilian stock exchange on which the most preferred shares were traded in the 15 trading sessions immediately preceding such withdrawal. The U.S. dollar equivalent will be determined on the basis of the average rates quoted by the Central Bank on these dates.

A non-Brazilian holder of preferred shares may experience delays in effecting Central Bank registration, which may delay remittances abroad. This delay may adversely affect the amount in U.S. dollars, received by the non-Brazilian holder.

A registration has been obtained in the name of the depositary with respect to the ADSs and is maintained by the custodian on behalf of the depositary. Pursuant to the registration, the custodian and the depositary are able to convert dividends and other distributions with respect to the preferred shares represented by our ADSs into foreign currency and remit the proceeds outside Brazil. In the event that a holder of ADSs exchanges such ADSs for preferred shares, such holder will be entitled to continue to rely on the depositary's registration for five business days after such exchange, following which, such holder must seek to obtain its own registration with the Central Bank.

Thereafter, any holder of preferred shares may not be able to convert into foreign currency and remit outside Brazil the proceeds from the disposition of, or distributions with respect to such preferred shares, unless the holder is a duly qualified investor under Resolution No. 4,373.

If the shareholder does not qualify under Resolution No. 4,373 by registering with the CVM and the Central Bank and appointing a representative and a custodian in Brazil, the holder will be subject to less favorable Brazilian tax treatment than a holder of ADSs. Regardless of qualification under Resolution No. 4,373, residents in a Low or Nil Tax Jurisdiction are subject to less favorable tax treatment than other foreign investors.

Under current Brazilian legislation, the federal government may impose temporary restrictions on remittances of foreign capital abroad in the event of a serious imbalance or an anticipated serious imbalance of Brazil's balance of payments. For approximately six months in 1989 and early 1990, the Brazilian government froze all dividend and capital repatriations held by the Central Bank that were owed to foreign equity investors, in order to conserve Brazil's foreign currency reserves. These amounts were subsequently released in accordance with federal government directives. There can be no assurance that the Brazilian government will not impose similar restrictions on foreign repatriations. See "Item 3. Risk Factors—Risks Relating to Brazil."

Description of Preferred Shares

According to our by-laws, our preferred shares are non-voting and have the right to receive dividends per share equal to 35 times the value of the dividends received per common share. However, under certain limited circumstances provided for in the Brazilian corporation law and as described in this section, holders of our preferred shares may be entitled to vote. Upon liquidation, holders of preferred shares are entitled to receive distributions prior to the holders of our common shares and at value of 35 times the value attributable to each common share.

According to our by-laws, holders of our preferred shares are entitled to be included in a public tender offer in case our controlling shareholder sells its controlling stake in us and the minimum price to be offered for each preferred share is 35 times the price paid per share of the controlling stake.

Under Brazilian law, the protections afforded to minority shareholders are different from those in the United States. In particular, judicial guidance with respect to shareholder disputes is less established under Brazilian law than U.S. law and there are different procedural requirements for bringing shareholder lawsuits, such as shareholder derivative suits. As a result, in practice it may be more difficult for our minority shareholders to enforce their rights against us or our directors or controlling shareholder than it would be for shareholders of a U.S. company.

Redemption and Rights of Withdrawal

Under the Brazilian corporation law, a dissenting or non-voting shareholder has the right to withdraw from a company and be reimbursed for the value of the preferred or common shares held whenever a decision is taken at a general shareholders' meeting by a vote of shareholders representing at least 50% of the total outstanding voting capital to:

- create a new class of preferred shares or increase disproportionately an existing class of preferred shares relative to the other classes of shares, unless such action is provided for or authorized by our by-laws (our by-laws allow us to do so);
- modify a preference, privilege or condition of redemption or amortization conferred on one or more classes of preferred shares or create a new class with greater privileges than the existing classes of preferred shares;
- reduce the mandatory distribution of dividends;
- merge or consolidate us with another company;
- participate in a group of companies as defined in the Brazilian corporation law and subject to the conditions set forth therein;
- change our corporate purpose, including a sale of the voting control to a third party;
- transfer all of our shares to another company or receive shares of another company in order to make the company whose shares were transferred a wholly owned subsidiary of such company, known as *incorporação de ações*;
- conduct a spin-off that results in (a) a change of our corporate purposes, except if the assets and liabilities of the spin-off company are contributed to a company that is engaged in substantially the same activities, (b) a reduction in the mandatory dividend or (c) any participation in a centralized group of companies, as defined under the Brazilian corporation law; or
- dissolution of the company or terminating a state of liquidation.

In the event that the entity resulting from a merger, consolidation, or *incorporação de ações*, or spin-off of a listed company fails to become a listed company within 120 days of the shareholders' meeting at which such decision was taken, the dissenting or non-voting shareholders may also exercise their withdrawal right.

If there is a resolution to (a) merge or consolidate us with another company; (b) conduct a *incorporação de ações*; (c) participate in a group of companies, as defined under the Brazilian corporation law; or (d) acquire control of another company, the withdrawal rights are exercisable only if our shares do not satisfy certain tests of liquidity and dispersal of the type or class of shares in the market at the time of the general meeting.

Only holders of shares adversely affected by the changes mentioned in the first and second items above may withdraw their shares.

The right of withdrawal lapses 30 days after publication of the minutes of the relevant general shareholders' meeting that approved the corporate actions described above. In the case of the changes mentioned in items (a) and (b) above, the resolution is subject to confirmation by the preferred shareholders, which must be obtained at a special meeting held within one year. In those cases, the 30-day term is counted from the date of publication of the minutes of the special meeting. We would be entitled to reconsider any action triggering appraisal rights within 10 days following the expiration of such rights if the redemption of shares of dissenting or non-voting shareholders would jeopardize our

financial stability. Shares to be purchased by us from the dissenting or non-voting shareholders exercising appraisal rights will be valued at an amount equal to the lesser of the portion attributable to such shares of our shareholders' equity as shown on the last balance sheet approved at a general shareholders' meeting (book value) and the portion attributable to such shares of the economic value of the company, pursuant to an appraisal report produced in accordance with the provisions of the Brazilian corporation law. If more than 60 days have elapsed since the date of such balance sheet, dissenting shareholders may require that the book value of their shares be calculated on the basis of a new balance sheet. As a general rule, shareholders who acquire their shares after the first notice convening the general shareholders' meeting or after the relevant press release concerning the meeting is published will not be entitled to appraisal rights.

For purposes of the right of withdrawal, the concept of “dissenting shareholder,” under the Brazilian corporation law, includes not only those shareholders who vote against a specific resolution, but also those who abstain from voting, who fail to attend the shareholders’ meeting or who do not have voting rights.

Preemptive Rights

Each of our shareholders generally has a preemptive right to subscribe for shares or convertible securities in any capital increases, in proportion to its shareholdings. A minimum period of 30 days, unless a shorter period is established by our board of directors, following the publication of notice of the capital increase is allowed for the exercise of the right and the right is negotiable. In the event of a capital increase which would maintain or increase the proportion of capital represented by preferred shares, holders of ADSs or preferred shares would have preemptive rights to subscribe only to newly issued preferred shares.

In the event of a capital increase which would reduce the proportion of capital represented by preferred shares, holders of ADSs or preferred shares would have preemptive rights to subscribe for preferred shares, in proportion to their shareholdings, and for common shares, only to the extent necessary to prevent dilution of their equity participation. (See “Item 3D. Risk Factors—Risks Relating to the ADSs and Our Preferred Shares—Holders of ADSs may be unable to exercise preemptive rights with respect to our preferred shares”). Our by-laws provide that our board of directors may, within the limit of our authorized capital, withdraw preemptive rights to existing shareholders in connection with an increase in share capital through sale in stock exchanges, public offerings or public exchange offers. In addition, Brazilian corporation law provides that the granting or exercise of stock options pursuant to certain stock option plans is not subject to preemptive rights.

Voting Rights

Each common share entitles its holder to one vote at our shareholders’ meetings. Preferred shares have no voting rights, except that each preferred share entitles its holder to one vote at our shareholders’ meeting to decide on certain specific matters, such as:

- any transformation of the company into another corporate type;
- any merger, consolidation or spin-off of the company;
- approval of any transactions between the company and its controlling shareholder or parties related to the controlling shareholder;
- approval of any evaluation of assets to be delivered to the company in payment for shares issued in a capital increase;
- appointment of an expert to ascertain the fair value of the company in connection with any deregistration and delisting tender offer;
- changes to the rights attributable to preferred shares approved by shareholders on March 23, 2015;

9

- any changes to these voting rights; and
- approval of a change of our corporate purpose.

In case our controlling shareholder holds our shares that represent an economic interest equal to or less than 50%, the approval of the certain matters referred to above will depend on the prior approval by an extraordinary meeting.

Holders of preferred shares are entitled to attend shareholders' meetings and to participate in the discussions. The Brazilian corporation law provides that non-voting shares, such as preferred shares, may acquire voting rights if the company fails to distribute fixed or minimum dividends in connection with such shares for three consecutive fiscal years and will retain such voting rights until the distribution of such fixed or minimum dividends. (See "Item 3D. Risk Factors—Risks Relating to the ADSs and Our Preferred Shares—Holders of the ADSs and our preferred shares may not receive any dividends").

According to the Brazilian corporation law, any change in the preferences or rights of our preferred shares, or the creation of a class of shares having priority over our preferred shares, unless such change is authorized by our by-laws, would require the approval of our preferred shareholders in a special shareholders' meeting in addition to approval by a majority of the holders of our outstanding voting shares. The holders of preferred shares would vote as a class at the special meeting.

The Brazilian corporation law grants (i) holders of preferred shares without voting rights (or with restricted voting rights) representing 10% of the total issued capital stock and (ii) holders of our common shares that are not part of the controlling group, and represent at least 15% of the voting capital stock, the right to appoint a member to the board of directors, by voting during the annual shareholders' meeting. If none of our non-controlling holders of common or preferred shares meets the respective thresholds described above, holders of preferred or common shares representing at least 10% of the share capital would be able to combine their holdings to appoint one member and an alternate to our board of directors. Such rights may only be exercised by those shareholders who prove that they have held the required stake with no interruption during at least the three months directly preceding our annual shareholders' meeting.

Holders of common shares are entitled to certain rights that cannot be amended by changes in the by-laws or at a general shareholders' meeting, which include (i) the right to vote at general shareholders' meetings; (ii) the right to participate in distributions of dividends and interest attributable to shareholders' equity and to share in the remaining assets of the company in the event of liquidation; (iii) preemptive rights in certain circumstances; and (iv) the right to withdraw from the company in certain cases. In addition to those rights, the by-laws or a majority of the voting shareholders may establish additional rights and, likewise, remove them. The Level 2 of Differentiated Corporate Governance Practices, which we comply with, provides for the granting of voting rights to holders of preferred shares in connection with certain matters, including corporate restructurings, mergers and related party transactions.

Controlling shareholders may nominate and elect a majority of the members of the board of directors of Brazilian companies. In a Brazilian company, management is not entitled to nominate directors for election by the shareholders. Non-controlling shareholders and holders of non-voting shares are entitled to elect representatives to the board, as described above. Holders of a threshold percentage of the voting shares may also request, up to 48 hours prior to any general shareholders' meeting, that the election of directors be subject to cumulative voting. The threshold percentage required for cumulative voting for a corporation such as ours is currently 5% of the outstanding shares. Shareholders who vote to elect a representative of the non-controlling shareholders may not cast cumulative votes to elect other members of the board.

Also, recent amendments to our by-laws estipulate that if the controlling shareholder at any time holds an economic interest in us equal to or less than 35% and greater than 15%, at least 40% of the directors shall be independent and the preferred shareholders shall have the right to elect one of the independent directors. Also, if the controlling shareholder at any time holds an economic interest in us equal to or less than 15% and greater than 7.5%, at least 50% of the directors shall be independent and the preferred shareholders shall have the right to elect two of the independent directors. If the controlling shareholder at any time holds an economic interest in us equal to or less than 7.5%, at least 60% of the directors shall be independent and the preferred shareholders shall have the right to elect two of the independent directors.

Conversion Right

Our shareholders may, at any time, convert common shares into preferred shares, at the rate of 35 common shares to one preferred share, to the extent such shares are duly paid and provided that the amount of preferred shares does not exceed 50% of the total amount of shares outstanding. Any request for conversion must be delivered to our board of executive officers and, once accepted by the board of executive officers, must be confirmed by our board of directors at the first meeting after the date of the request for conversion. The conversion is subject to transfer restrictions, as explained below.

Transfer Restrictions

The controlling shareholder, as established on March 23, 2015, shall observe the following restrictions concerning the transfer of preferred shares held on March 23, 2015:

- 31,463,850 preferred shares must be held by the controlling shareholder until March 23, 2016; and
 - after March 23, 2016, the controlling shareholder shall hold at least 15,731,925 preferred shares.
- Until March 23, 2017, the controlling shareholder shall only be allowed to transfer the preferred shares held on March 23, 2015 in private transactions, outside of a stock exchange or organized over-the-counter market, to acquirers who agree to comply with the same restriction. Any subsequent private transfer of preferred shares initially transferred by the controlling shareholder, shall only occur if the new acquirer of these preferred shares agrees to comply with the restrictions above.

The transfer restrictions of preferred shares provided above shall not apply to preferred shares that are acquired by the controlling shareholder after March 23, 2015.

The transfer of common shares owned by the controlling shareholder or of preferred shares resulting from the conversion of common shares, shall be subject to the restrictions below:

- The transfer of common shares owned by the controlling shareholder or of preferred shares resulting from the conversion of common shares, in one or more private transactions, outside of an exchange or organized over-the-counter market, shall only be allowed, independently of the percentage of common shares or preferred shares subject to such transaction, if the acquirer of those common shares or preferred shares agrees not to transfer the acquired shares on an exchange or organized over-the-counter market for 12 months commencing on the date of the transaction. In these cases, the controlling shareholder shall not make a new private transfer, outside of a stock exchange or a block trade, of common shares or preferred shares resulting from the conversion of common shares for six months commencing on the date of the transaction.
- Any subsequent private transfer of the shares initially transferred by the controlling shareholder pursuant to the terms of item (a) above within the 12-month period shall only occur if the new acquirer agrees not to transfer such shares on an exchange or organized over-the-counter market until the end of the 12 months commencing on the date that such shares were transferred by the controlling shareholder.
- Except in the case of an organized sale process, as provided below, the controlling shareholder shall not transfer, in any transaction on an exchange or organized over-the-counter market, a number of preferred shares that represents an economic interest greater than 3%. Any sale on an exchange or organized over-the-counter market shall automatically impede the controlling shareholder from making a new transfer of preferred shares, on an exchange or organized over-the-counter market, for at least six months commencing on the date such sale occurs.

- The transfer of preferred shares that represent an economic interest greater than 3% shall only be made through a public offering registered with the CVM. In this case, the controlling shareholder will be subject only to the transfer restrictions that are part of the public offering.

All transfer restrictions above shall cease definitively and immediately at the moment in which (a) a public tender offer for the acquisition of shares occurs as a result of the transfer of control of our company; or (b) the controlling shareholder holds an amount of shares in our company that represents an economic interest equal to or less than 15%.

Special and General Meetings

Unlike the laws governing corporations incorporated under the laws of the State of Delaware, the Brazilian corporation law does not allow shareholders to approve matters by written consent obtained as a response to a consent solicitation procedure. All matters subject to approval by the shareholders must be approved in a general meeting, duly convened pursuant to the provisions of Brazilian corporation law. Shareholders may be represented at a shareholders' meeting by attorneys-in-fact who are (i) shareholders of the corporation, (ii) a Brazilian attorney, (iii) a member of management or (iv) a financial institution.

General and special shareholders' meetings may be called by publication of a notice in the *Diário Oficial do Estado de São Paulo* and in a newspaper of general circulation in our principal place of business at least 15 days prior to the meeting. Special meetings are convened in the same manner as general shareholders' meetings and may occur immediately before or after a general meeting.

At duly called and convened meetings, our shareholders are empowered to take any action regarding our business. Shareholders have the exclusive right, during our annual shareholders' meetings required to be held within 120 days of the end of our fiscal year, to approve our financial statements and to determine the allocation of our net income and the distribution of dividends related to the fiscal year immediately preceding the meeting. The members of our board of directors are generally elected at annual shareholders' meetings. However, according to Brazilian corporation law, they can also be elected at extraordinary shareholders' meetings. At the request of shareholders holding a sufficient number of shares, a fiscal board can be established and its members elected at any shareholders' meeting.

An extraordinary shareholders' meeting may be held concurrently with the annual shareholders' meeting and at other times during the year. Our shareholders may take the following actions, among others, exclusively at shareholders' meetings:

- election and dismissal of the members of our board of directors and our fiscal board, if the shareholders have requested the set-up of the latter;
- approval of the aggregate compensation of the members of our board of directors and board of executive officers, as well as the compensation of the members of the fiscal board, if one has been established;
- amendment of our by-laws;
- approval of our merger, consolidation or spin-off;
- approval of our dissolution or liquidation, as well as the election and dismissal of liquidators and the approval of their accounts;
- granting stock awards and approval of stock splits or reverse stock splits;
- approval of stock option plans for our management and employees, as well as for the management and employees of other companies directly or indirectly controlled by us;

- approval, in accordance with the proposal submitted by our board of directors, of the distribution of our net income and payment of dividends;
- authorization to delist from the Level 2 of Differentiated Corporate Governance Practices and to become a private company, except if the cancellation is due to a breach of the Level 2 regulations by management, and to retain a specialized firm to prepare a valuation report with respect to the value of our shares, in any such events;
- approval of our management accounts and our financial statements;
- approval of any primary public offering of our shares or securities convertible into our shares; and
- deliberate upon any matter submitted by the board of directors.

Anti-Takeover Provisions

Our by-laws require any party that acquires our control to extend a tender offer for common and preferred shares held by non-controlling shareholders to the controlling shareholder. The price of the public tender offer (a) shall be the price paid per share of the block of control, for the holders of our common shares, and (b) shall be equal to 35 times the price paid for the block of control for the owners of our preferred shares.

Arbitration

In connection with our listing with Level 2 of Differentiated Corporate Governance Practices, we and our controlling shareholder, directors, officers and members of our fiscal board have undertaken to refer to arbitration any and all disputes arising out of the Level 2 rules or any other corporate matters. See “Item 9. The Offer and Listing—Markets.” Under our by-laws, any disputes among us, our shareholders and our management with respect to the application of Level 2 rules, the Brazilian corporation law or the application of the rules and regulations regarding Brazilian capital markets, will be resolved by arbitration conducted pursuant to the B3 Arbitration Chamber. Any disputes among shareholders, including holders of ADSs, and disputes between us and shareholders, including holders of ADSs, will be submitted to arbitration in accordance with the B3 Arbitration Chamber.

Going Private Process

Pursuant to our by-laws, we may become a privately-held company only if we, our controlling shareholder or our group of controlling shareholders make a public tender offer for all outstanding shares.

According to the Level 2 regulations and our by-laws, the minimum price of the shares in the public tender offer required to be made in case we go private shall be equivalent to the economic value determined in the appraisal report prepared by a specialized and independent company, with renowned expertise, to be selected at the annual shareholders’ meeting from among the three companies suggested by the board of directors.

In addition to the requirements set out in the Level 2 regulations and our by-laws, according to the Brazilian corporation law, our registration as a publicly held company with shares traded on stock exchanges will be canceled only if we or our direct or indirect controlling shareholder make a public tender offer for the total outstanding shares in the market (which may be the same tender offer required by Level 2 regulations and our by-laws), at a fair value, for a price at least equal to our evaluation, determined based on the following criteria, separately or jointly adopted: (i) shareholders’ equity book value, shareholders’ equity at market price, (ii) discounted cash flow, (iii) multiple comparisons and (iv) market price of our shares or any other criteria accepted by the CVM. Shareholders holding at least 10% of our outstanding shares may require our management to review the price offered for the shares and, in this event, our management shall call a special shareholders’ meeting to determine whether to perform another valuation using the same or a different valuation method. Such request must be made within 15 days following the disclosure of

the price to be paid for the shares in the public tender offer, and shall be duly justified. The shareholders who make such request, as well as those who vote in its favor, shall reimburse us for any costs involved in preparing the new valuation if the valuation price is lower than or equal to the original valuation price. If the new valuation price is higher than the original valuation price, the public tender offer must be made at the new valuation price.

Delisting from Differentiated Corporate Governance Practices Level 2

We may, at any time, delist our shares from the Level 2 segment, provided that this is approved by shareholders representing the majority of our voting share capital at an annual shareholders' meeting and that we provide written notice to the B3 at least 30 days in advance. If we decide to delist from the Level 2 segment, in order to make our shares available to be traded outside the Level 2 segment, our controlling shareholder must conduct a public tender offer for the acquisition of our shares within the legal timeframe, based on the economic value calculated in the appraisal report prepared by a specialized and independent company, to be selected at an annual shareholders' meeting from among three companies suggested by the board of directors. The public tender offer notice must be communicated to the B3 and immediately disclosed to the market after the shareholder's meeting during which the delisting was approved. If the delisting from the Level 2 segment is a result of the cancellation of our registration as a publicly held company, our controlling shareholder must follow the other requirements applicable to going private.

The delisting from the Level 2 segment does not imply the cancellation of the trading of our shares on the B3.

If our share control is transferred within the 12 months subsequent to the delisting from the Level 2, the selling controlling shareholder and the buyer shall offer to our other shareholders the acquisition of their shares at the price and conditions provided to the controlling shareholder selling the shares, adjusted for inflation.

After delisting from the Level 2 segment, we may not request the listing of our shares in the Level 2 segment for two years subsequent to the cancellation, except if there is a change of our share control after delisting from the Level 2 segment.

30% Tender Offer

Any person or group of persons who acquires or becomes the beneficial owner of our shares that represents an economic interest equal to or greater than 30%, independent of whether the shareholder was a shareholder of our company prior to the specific transaction that results in the ownership of these shares, shall launch a public tender offer for the acquisition of all shares of our company.

Form and Transfer

Because our preferred shares are in registered book-entry form, Banco Itaú S.A., as registrar, must effect any transfer of shares by an entry made in its books, in which it debits the share account of the transferor and credits the share account of the transferee. When our shares are acquired or sold on a Brazilian stock exchange, the transfer is effected on the records of our registrar by a representative of a brokerage firm or the stock exchange's clearing system. Transfers of shares by a foreign investor are executed in the same way by that investor's local agent on the investor's behalf except that, if the original investment were registered with the Central Bank pursuant to Resolution No. 4,313, the foreign investor should also seek amendment through its local agent, if necessary, of the electronic registration to reflect the new ownership. The B3 operates a clearinghouse through CBLC. The fact that such shares are subject to custody with the relevant stock exchange will be reflected in our registry of shareholders. Each participating shareholder will, in turn, be registered in the register of our beneficial shareholders that is maintained by CBLC and will be treated in the same way as registered shareholders.

American Depositary Receipts

The Bank of New York Mellon, who on April 17, 2017 replaced Citibank, N.A. as depositary, has executed and delivered the ADRs representing our preferred shares. Each ADR is a certificate evidencing a specific number of American Depositary Shares, also referred to as ADSs. As of the date hereof, each ADS represents two preferred

shares (or a right to receive two preferred shares) deposited with the principal São Paulo office of Banco Itaú S.A., as custodian for the depositary in Brazil. Each ADS also represents any other securities, cash or other property which may be held by the depositary. The depositary's office at which the ADRs are administered is located at 399 Park Avenue, New York, New York 10043.

You may hold ADSs either directly (by having an ADR registered in your name) or indirectly through your broker or other financial institution. If you hold ADSs directly, you are an ADR holder. We do not treat ADR holders as our shareholders and ADR holders have no shareholder rights, which are governed by Brazilian law. The depositary is the holder of the preferred shares underlying the ADSs. Holders of ADRs have ADR holder rights. A deposit agreement among us, the depositary and you, as an ADR holder, and the beneficial owners of ADRs, sets out ADR holder rights as well as the rights and obligations of the depositary. New York law governs the deposit agreement and the ADRs.

DESCRIPTION OF AMERICAN DEPOSITARY SHARES

In the United States, our preferred shares trade in the form of ADSs. The ADSs commenced trading on the NYSE on June 24, 2004. Currently, each ADS represents two preferred shares, issued by the depositary pursuant to a deposit agreement. In February 2016, we changed the ratio of our ADSs to preferred shares from one ADS to one preferred share to one ADS to ten preferred shares. In April 2017, the ratio was amended to one ADS to five preferred shares. In November 21, 2017, we further reduced the ratio to one ADS to two preferred shares.

We do not treat ADR holders as our shareholders and ADR holders have no shareholder rights, which are governed by Brazilian law. The depositary is the holder of the preferred shares underlying the ADSs. Holders of ADRs have ADR holder rights.

In February 2016 we changed the ratio of our ADSs to preferred shares from one ADS to one preferred share to one ADS to ten preferred shares. In April 2017 we reduced the ratio of our preferred shares to one ADS to five preferred shares and in November 2017 we reduced the ratio of our preferred shares to one ADS to two preferred shares. Therefore, after November 2017, each ADS represents two preferred shares, issued by the depositary pursuant to a Deposit Agreement. Our ADSs commenced trading on the NYSE on June 24, 2004. As of December 31, 2017, the ADSs represented 21.2% of our preferred shares and 43.4% of our current global public float.

The following is a summary of the material provisions of the deposit agreement. For more complete information, you should read the entire deposit agreement and the form of ADR. See “Where You Can Find More Information” for directions on how to obtain copies of those documents.

Dividends and Other Distributions

How will you receive dividends and other distributions on the shares?

The depositary has agreed to pay to you the cash dividends or other distributions it or the custodian receives on preferred shares or other deposited securities, after deducting its fees and expenses described below. You will receive these distributions in proportion to the number of preferred shares your ADSs represent.

- **Cash.** The depositary will convert any cash dividend or other cash distribution we pay on the preferred shares into U.S. dollars, if it can do so on a reasonable basis and can transfer the U.S. dollars to the United States. If that is not possible or if any government approval is needed and cannot be obtained, the deposit agreement allows the depositary to distribute the foreign currency only to those ADR holders to whom it is possible to do so. It will hold the foreign currency it cannot convert for the account of the ADR holders who have not been paid. It will not invest the foreign currency and it will not be liable for any interest.

Before making a distribution, the depositary will deduct any withholding taxes that must be paid. It will distribute only whole U.S. dollars and cents and will round fractional cents to the nearest whole cent. If the exchange rates fluctuate during a time when the depositary cannot convert the foreign currency, you may lose some or all of the value of the distribution.

- **Shares.** The depositary may distribute additional ADSs representing any preferred shares we distribute as a dividend or free distribution. The depositary will only distribute whole ADSs. It will sell preferred shares, which would require it to deliver a fractional ADS and distribute the net proceeds in the same way as it does with cash. If the depositary does not distribute additional ADSs, the outstanding ADSs will also represent the new preferred shares.

- *Rights to purchase additional preferred shares.* If we offer holders of our securities any rights to subscribe for additional preferred shares or any other rights, the depositary may make these rights available to you. If the depositary decides it is not legal and practical to make the rights available but that it is practical to sell the rights, the depositary will use reasonable efforts to sell the rights and distribute the proceeds in the same way as it does with cash. The depositary will allow rights that are not distributed or sold to lapse. In that case, you will receive no value for them.

If the depositary makes rights to purchase preferred shares available to you, it will exercise the rights and purchase the preferred shares on your behalf. The depositary will then deposit the shares and deliver ADSs to you. It will only exercise rights if you pay it the exercise price and any other charges the rights require you to pay.

U.S. securities laws may restrict transfers and cancellation of the ADSs representing preferred shares purchased upon exercise of rights. For example, you may not be able to trade these ADSs freely in the United States. In this case, the depositary may deliver restricted depositary shares that have the same terms as the ADRs described in this section except for changes needed to put the necessary restrictions in place.

- *Other Distributions.* The depositary will send to you anything else we distribute on deposited securities by any means it thinks is legal, fair and practical. If it cannot make the distribution in that way, the depositary has a choice. It may decide to sell what we distributed and distribute the net proceeds in the same way as it does with cash. Or, it may decide to hold what we distributed, in which case ADSs will also represent the newly distributed property. However, the depositary is not required to distribute any securities (other than ADSs) to you unless it receives satisfactory evidence from us that it is legal to make that distribution.

The depositary is not responsible if it decides that it is unlawful or impractical to make a distribution available to any ADR holders. We have no obligation to register ADSs, preferred shares, rights or other securities under the Securities Act. We also have no obligation to take any other action to permit the distribution of ADRs, preferred shares, rights or anything else to ADR holders. (See “Risk Factors—Risks Relating to the ADSs and Our Preferred Shares”). This means that you may not receive the distributions we make on our preferred shares or any value for them if it is illegal or impractical for us to make them available to you.

Deposit, Withdrawal and Cancellation

How are ADSs issued?

The depositary will deliver ADSs if you or your broker deposits preferred shares or evidence of rights to receive preferred shares with the custodian. Upon payment of its fees and expenses and of any taxes or charges, such as stamp taxes or stock transfer taxes or fees, the depositary will register the appropriate number of ADSs in the names you request and will deliver the ADRs at its office to the persons you request.

How do ADS holders cancel ADSs and obtain shares?

If you surrender ADSs to the depositary, upon payment of its fees and expenses and of any taxes or charges, such as stamp taxes or stock transfer taxes or fees, the depositary will deliver the preferred shares and any other deposited securities underlying the surrendered ADSs to you or a person you designate at the office of the custodian. Or, at your request, risk and expense, the depositary will deliver the deposited securities at its office, if feasible.

Voting Rights

How do you vote?

If the preferred shares acquire voting rights, you may instruct the depositary to vote the shares underlying your ADRs. If we ask for your instructions, the depositary will notify you of the upcoming vote and arrange to deliver our voting materials to you. The materials will describe the matters to be voted on and explain how you may instruct the

depository to vote the shares or other deposited securities underlying your ADRs as you direct by a specified date. For instructions to be valid, the depository must receive them on or before the date specified. The depository will try, as far as practical, subject to Brazilian law and the provisions of our by-laws, to vote or to have its agents vote the shares or other deposited securities as you instruct. Otherwise, you will not be able to exercise your right to vote unless you withdraw the shares. However, you may not know about the meeting far enough in advance to withdraw the shares. We will use our best efforts to request that the depository notify you of upcoming votes and ask for your instructions.

The depositary will not vote or attempt to exercise the right to vote that attaches to the ADSs other than in accordance with instructions given by an ADS holder and received by the depositary.

Fees and Expenses

The following table summarizes the fees and expenses payable by holders of ADRs:

Persons depositing preferred shares or ADR For: holders must pay:

| | | |
|--|---|---|

| | • | Cancellation of ADSs for the purpose of withdrawal, including if the deposit agreement terminates |
| US\$0.05 (or less) per ADS (to the extent not prohibited by the rules of any stock exchange on which the ADSs are listed for trading) | • | Any cash distribution to you |
| A fee equivalent to the fee that would be payable if securities distributed to you had been preferred shares and the shares had been deposited for issuance of ADSs | • | Distribution of securities distributed to holders of deposited securities which are distributed by the depositary to ADR holders |
| US\$0.05 (or less) per ADS per calendar year (to the extent the depositary has not collected a cash distribution fee of US\$0.05 per ADS during the year) | • | Depository services |
| Registration or transfer fees | • | Transfer and registration of preferred shares on our preferred share register to or from the name of the depositary or its agent when you deposit or withdraw preferred shares. |

| Any charges incurred by the depositary or its agents for servicing the deposited securities | • | No charges of this type are currently made in the Brazilian market |

Payment of Taxes

The depositary may deduct the amount of any taxes owed from any payments made to ADS holders. It may also sell deposited securities, by public or private sale, to pay any taxes owed. ADS holders will remain liable if the proceeds

of the sale are not sufficient to pay the taxes. If the depositary sells deposited securities, it will, if appropriate, reduce the number of ADSs to reflect the sale and pay to you any proceeds, or send to you any property, remaining after it has paid the taxes.

Reimbursement of Fees

The Bank of New York Mellon, as depositary, has agreed to reimburse us for expenses we incur that are related to establishment and maintenance expenses of the ADS program. The depositary has agreed to reimburse us for our continuing annual stock exchange listing fees. The depositary has also agreed to pay the standard out-of-pocket maintenance costs for the ADRs, which consist of the expenses of postage and envelopes for mailing annual and interim financial reports, printing and distributing dividend checks, electronic filing of U.S. federal tax information, mailing required tax forms, stationery, postage, facsimile and telephone calls. It has also agreed to reimburse us annually for certain investor relationship programs or special investor relations promotional activities. In certain instances, the depositary has agreed to provide additional payments to us based on any applicable performance indicators relating to the ADR facility. There are limits on the amount of expenses for which the depositary will reimburse us, but the amount of reimbursement available to us is not necessarily tied to the amount of fees the depositary collects from investors.

The depositary collects its fees for delivery and surrender of ADSs directly from investors depositing shares or surrendering ADSs for the purpose of withdrawal or from intermediaries acting for them. The depositary collects fees for making distributions to investors by deducting those fees from the amounts distributed or by selling a portion of distributable property to pay the fees. The depositary may collect its annual fee for depositary services by deduction from cash distributions or by directly billing investors or by charging the book-entry system accounts of participants acting for them. The depositary may generally refuse to provide fee-attracting services until its fees for those services are paid.

Reclassifications, Recapitalizations and Mergers

If we:

- Change the nominal of par value of our preferred shares
- Reclassify, split up or consolidate any of the deposited securities
- Distribute securities on the preferred shares that are not distributed to you
- Recapitalize, reorganize, merge, liquidate, sell all or substantially all of our assets, or take any similar action

Then:

The cash, shares or other securities received by the depositary will become deposited securities. Each ADS will automatically represent its equal share of the new deposited securities.

The depositary may distribute some or all of the cash, shares or other securities it received. It may also deliver new ADRs or ask you to surrender your outstanding ADRs in exchange for new ADRs identifying the new deposited securities.

Amendment and Termination

How may the deposit agreement be amended?

We may agree with the depositary to amend the deposit agreement and the ADRs without your consent for any reason. If an amendment adds or increases fees or charges, except for taxes and other governmental charges or expenses of the depositary for registration fees, facsimile costs, delivery charges or similar items, or prejudices a substantial right of ADR holders, it will not become effective for outstanding ADRs until 30 days after the depositary notifies ADR holders of the amendment. At the time an amendment becomes effective, you are considered, by continuing to hold your ADR, to agree to the amendment and to be bound by the ADRs and the deposit agreement as amended.

How may the deposit agreement be terminated?

19

The depositary will terminate the deposit agreement if we ask it to do so. The depositary may also terminate the deposit agreement if the depositary has told us that it would like to resign and we have not appointed a new depositary bank within 60 days. In either case, the depositary must notify you at least 30 days before termination.

After termination, the depositary and its agents will do the following under the deposit agreement but nothing else: (a) advise you that the deposit agreement is terminated, (b) collect distributions on the deposited securities, (c) sell rights and other property, and (d) deliver preferred shares and other deposited securities upon cancellation of ADRs. At any time after termination, the depositary may sell any remaining deposited securities by public or private sale. After that, the depositary will hold the money it received on the sale, as well as any other cash it is holding under the deposit agreement for the pro rata benefit of the ADR holders that have not surrendered their ADRs. It will not invest the money and has no liability for interest. The depositary's only obligations will be to account for the money and other cash. After termination our only obligations will be to indemnify the depositary and to pay fees and expenses of the depositary that we agreed to pay.

Limitations on Obligations and Liability

Limits on our Obligations and the Obligations of the Depositary; Limits on Liability to Holders of ADRs

The deposit agreement expressly limits our obligations and the obligations of the depositary. It also limits our liability and the liability of the depositary. We and the depositary:

- are only obligated to take the actions specifically set forth in the deposit agreement without negligence or bad faith;
- are not liable if either of us is prevented or delayed by law or circumstances beyond our control from performing our obligations under the deposit agreement;
- are not liable if either of us exercises discretion permitted under the deposit agreement;
- have no obligation to become involved in a lawsuit or other proceeding related to the ADRs or the deposit agreement on your behalf or on behalf of any other party; and
- may rely upon any documents we believe in good faith to be genuine and to have been signed or presented by the proper party.

In the deposit agreement, we agree to indemnify the depositary for acting as depositary, except for losses caused by the depositary's own negligence or bad faith, and the depositary agrees to indemnify us for losses resulting from its negligence or bad faith.

Requirements for Depositary Actions

Before the depositary will deliver or register a transfer of an ADR, make a distribution on an ADR, or permit withdrawal of preferred shares, the depositary may require:

- payment of stock transfer or other taxes or other governmental charges and transfer or registration fees charged by third parties for the transfer of any preferred shares or other deposited securities;
- satisfactory proof of the identity and genuineness of any signature or other information it deems necessary; and
- compliance with regulations it may establish, from time to time, consistent with the deposit agreement, including presentation of transfer documents.

The depositary may refuse to deliver ADSs or register transfers of ADSs generally when the transfer books of the depositary or our transfer books are closed or at any time if the depositary or we think it advisable to do so.

Your Right to Receive the Preferred Shares Underlying your ADRs

You have the right to surrender your ADSs and withdraw the underlying preferred shares at any time except:

- When temporary delays arise because: (i) the depositary has closed its transfer books or we have closed our transfer books; (ii) the transfer of preferred shares is blocked to permit voting at a shareholders' meeting; or (iii) we are paying a dividend on our preferred shares.
- When you owe money to pay fees, taxes and similar charges.
- When it is necessary to prohibit withdrawals in order to comply with any laws or governmental regulations that apply to ADRs or to the withdrawal of preferred shares or other deposited securities.

This right of withdrawal may not be limited by any other provision of the deposit agreement.

Pre-release of ADRs

The deposit agreement permits the depositary to deliver ADSs before deposit of the underlying preferred shares. This is called a pre-release of the ADSs. The depositary may also deliver preferred shares upon cancellation of pre-released ADSs (even if the ADSs are surrendered before the pre-release transaction has been closed out). A pre-release is closed out as soon as the underlying preferred shares are delivered to the depositary. The depositary may receive ADRs instead of preferred shares to close out a pre-release. The depositary may pre-release ADSs only under the following conditions: (a) before or at the time of the pre-release, the person to whom the pre-release is being made represents to the depositary in writing that it or its customer owns the preferred shares or ADSs to be deposited; (b) the pre-release is fully collateralized with cash or other collateral that the depositary considers appropriate; and (c) the depositary must be able to close out the pre-release on not more than five business days' notice. In addition, the depositary will limit the number of ADSs that may be outstanding at any time as a result of pre-release, although the depositary may disregard the limit from time to time, if it thinks it is appropriate to do so. We intend to limit pre-release at our discretion.

Plan of Distribution

The selling securityholders may sell the securities in one or more of the following ways (or in any combination) from time to time:

- through underwriters or dealers;
- directly to a limited number of purchasers or to a single purchaser;
- in “at-the-market” offerings, within the meaning of Rule 415(a)(4) of the Securities Act, to or through a market maker or into an existing trading market on an exchange or otherwise;
- through agents; or
- through any other method permitted by applicable law and described in the applicable prospectus supplement.

The prospectus supplement will state the terms of the offering of the securities, including:

- the name or names of any underwriters, dealers or agents;
- the purchase price of such securities;
- any underwriting discounts or agency fees and other items constituting underwriters’ or agents’ compensation;
- any public offering price;
- any discounts or concessions allowed or reallocated or paid to dealers; and
- any securities exchanges on which the securities may be listed.

Any public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

If underwriters are used in the sale, the securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including:

- negotiated transactions;
- at a fixed public offering price or prices, which may be changed;
- at market prices prevailing at the time of sale;
- at prices related to prevailing market prices; or
- at negotiated prices.

Unless otherwise stated in a prospectus supplement, the obligations of the underwriters to purchase any securities will be conditioned on customary closing conditions and the underwriters will be obligated to purchase all of such series of securities, if any are purchased.

The securities may be sold through agents from time to time. The prospectus supplement will name any agent involved in the offer or sale of the securities and any commissions paid to them. Generally, any agent will be acting on a best efforts basis for the period of its appointment.

Sales to or through one or more underwriters or agents in at-the-market offerings will be made pursuant to the terms of a distribution agreement among the Company, the selling securityholders and the underwriters or agents. Such underwriters or agents may act on an agency basis or on a principal basis. During the term of any such agreement, preferred shares may be sold on a daily basis on any stock exchange, market or trading facility on which the ADSs are traded, in privately negotiated transactions or otherwise as agreed with the underwriters or agents. The distribution agreement will provide that any preferred share sold will be sold at negotiated prices or at prices related to the then prevailing market prices for our ADSs. Therefore, exact figures regarding proceeds that will be raised or commissions to be paid cannot be determined at this time and will be described in a prospectus supplement. Pursuant to the terms of the distribution agreement, the selling securityholders may also agree to sell, and the relevant underwriters or agents may agree to solicit offers to purchase, blocks of our ADSs or other securities. The terms of each such distribution agreement will be described in a prospectus supplement.

The selling securityholders may authorize underwriters, dealers or agents to solicit offers by certain purchasers to purchase the securities at the public offering price set forth in the prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. The contracts will be subject only to those conditions set forth in the prospectus supplement, and the prospectus supplement will set forth any commissions paid for solicitation of these contracts.

Underwriters and agents may be entitled under agreements entered into with us or the selling securityholders to indemnification by us and/or the selling securityholders, if applicable, against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments which the underwriters or agents may be required to make.

The prospectus supplement may also set forth whether or not underwriters may over-allot or effect transactions that stabilize, maintain or otherwise affect the market price of the securities at levels above those that might otherwise prevail in the open market, including, for example, by entering stabilizing bids, effecting syndicate covering transactions or imposing penalty bids.

Underwriters and agents may be customers of, engage in transactions with, or perform services for us and our affiliates in the ordinary course of business.

Our ADSs are listed on the New York Stock Exchange. Any underwriters to whom securities are sold for public offering and sale may make a market in the securities, but such underwriters will not be obligated to do so and may discontinue any market making at any time without notice.

In connection with offerings made through underwriters or agents, the selling securityholders may enter into agreements with such underwriters or agents pursuant to which they receive our outstanding securities in consideration for the securities being offered to the public for cash. In connection with these arrangements, the underwriters or agents may also sell securities covered by this prospectus to hedge their positions in these outstanding securities, including in short sale transactions. If so, the underwriters or agents may use the securities received from the selling securityholders under these arrangements to close out any related open borrowings of securities.

The selling securityholders may enter into derivative transactions with third parties or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with those derivatives, such third parties (or affiliates of such third parties) may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, such third parties (or affiliates of such third parties) may use securities pledged by the selling securityholders or borrowed from the selling securityholders or others to settle those sales or to close out any related open borrowings of shares, and may use securities received from the selling securityholders in settlement of those derivatives to close out any related

open borrowings of shares. The third parties (or affiliates of such third parties) in such sale transactions will be underwriters and, if not identified in this prospectus, will be identified in the applicable prospectus supplement (or a post-effective amendment).

The selling securityholders may loan or pledge securities to a financial institution or other third party that in turn may sell the securities using this prospectus. Such financial institution or third party may transfer its short position to investors in our securities or in connection with a simultaneous offering of other securities offered by this prospectus or in connection with a simultaneous offering of other securities offered by this prospectus.

LEGAL MATTERS

Unless otherwise indicated in the applicable prospectus supplement, certain legal matters with respect to the laws of The Federative Republic of Brazil will be passed upon for us by Mattos Filho, Veiga Filho, Marrey Jr. e Quiroga Advogados, São Paulo, Brazil.

Service of Process and Enforcement of Judgments

Service of Process and Enforcement of Civil Liabilities in Brazil

We are a corporation organized under the laws of Brazil. Substantially all of our directors and officers reside in Brazil or elsewhere outside the United States. In addition, all or a substantial portion of our assets and substantially all of the assets of our directors and officers are likely located outside the United States. As a result, it may not be possible for investors to effect service of process upon these persons within the United States or other jurisdictions outside Brazil, which may be time-consuming, or to enforce against them judgments predicated upon the civil liability provisions of the U.S. federal securities laws or the laws of such other jurisdictions.

In the terms and conditions of the offered securities, we will (i) agree that the courts of the State of New York and the federal courts of the United States, in each case sitting in the Borough of Manhattan, City of New York, will have jurisdiction to hear and determine any suit, action or proceeding, and to settle any disputes, which may arise out of or in connection with the offered securities and, for such purposes, irrevocably submit to the jurisdiction of such courts; and (ii) name an agent for service of process in the Borough of Manhattan, City of New York.

We have been advised by Mattos Filho, Veiga Filho, Marrey Jr. e Quiroga Advogados that judgments of non-Brazilian courts for civil liabilities predicated upon the securities laws of countries other than Brazil, including U.S. securities laws, may be enforced in Brazil subject to certain requirements, as described below. A judgment against us or any of our directors and officers obtained outside Brazil would be enforceable in Brazil against us or any such person without retrial or reexamination of the merits, upon confirmation of that judgment by the Brazilian Superior Court of Justice (*Superior Tribunal de Justiça*). That confirmation, generally, will occur if:

- the foreign judgment is issued by a competent jurisdiction, court and/or authority, according to the law of the jurisdiction of origin;
- the foreign judgment is not rendered in an action upon which Brazilian courts have exclusive jurisdiction, pursuant to the provisions of Article 23 of the Brazilian Code of Civil Procedure (*Código de Processo Civil*) (Law No. 13,105/2015);
- proper service of process is made on the defending party(ies) and, when made in Brazil, such service of process must be made in accordance with Brazilian law, or after sufficient evidence of the defendant's absence has been given, as required under applicable law;
- where a Brazilian court has jurisdiction, there is no conflict between the foreign judgment and a previous domestic judgment involving the same parties, cause of action or claim brought in Brazil that has reached the status of *res judicata*;
- the foreign judgment has become final and is not subject to appeal (*res judicata*) and is legally allowed to be enforced, fulfilling all formalities required for its enforceability under the jurisdiction in which it was issued;
- the original or a certified copy of the foreign judgment is authenticated by a Brazilian consular office in the country where the foreign judgment is issued, except if it is apostilled by a competent authority of the state in which the decision was issued, according to the Hague Convention Abolishing the Requirement of Legalization for Foreign Public Documents of 5 October 1961, and, in any event, is accompanied by a sworn translation into Portuguese in Brazil; and
- the foreign judgment is not contrary to Brazilian national sovereignty, public policy and/or human dignity.

The confirmation process may be time-consuming and may also give rise to difficulties in enforcing the foreign judgment in Brazil. Accordingly, we cannot assure you that confirmation would be obtained, that the confirmation

process would be conducted in a timely manner or that a Brazilian court would enforce a monetary judgment for violation of the securities laws of countries other than Brazil, including U.S. securities laws.

We have also been advised that:

- the ability of a judgment creditor to satisfy a judgment by attaching certain assets of us and/or our directors and officers is limited by provisions of Brazilian bankruptcy, insolvency, moratorium, liquidation, judicial or extrajudicial recovery and similar laws if those assets are located in Brazil; and
- civil lawsuits may be brought before Brazilian courts in connection with the offered securities based solely on U.S. federal securities laws and that, subject to applicable law, Brazilian courts may enforce such liabilities in such lawsuits against us, provided that the provisions of the federal securities laws of the United States do not contravene Brazilian national sovereignty, public policy, good morals or public morality; however, under Brazilian law, Brazilian courts can assert jurisdiction when the defendant is domiciled in Brazil, the obligation has to be performed in Brazil or the subject matter under dispute originates in Brazil.

A plaintiff, whether Brazilian or non-Brazilian, who resides outside Brazil or is outside Brazil during the course of litigation in Brazil regarding the offered securities must provide a bond to guarantee the payment of court expenses and defendant's legal fees, if the plaintiff owns no real property in Brazil that may secure such payment, except for (i) lawsuits seeking to enforce titles and judgments; (ii) counterclaims; or (iii) when an international treaty or agreement to which Brazil is a party otherwise provides, as established under Article 83 *caput* and §§1, I, II and III of the Brazilian Code of Civil Procedure. The bond must be sufficient to satisfy the payment of court fees and the defendant's attorney fees, as determined by a Brazilian judge. This requirement does not apply to the enforcement of foreign judgments which have been confirmed by the Brazilian Superior Court of Justice.

Item 10. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i)

- (ii) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the “Securities Act”);
- To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement.
- Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission (the “Commission”), pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20-percent change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement;

II-1

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that:

Paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) To file a post-effective amendment to the registration statement to include any financial statements required by Item 8.A of Form 20-F at the start of any delayed offering or throughout a continuous offering. Financial statements and information otherwise required by Section 10(a)(3) of the Securities Act need not be furnished, provided that the registrant includes in the prospectus, by means of a post-effective amendment, financial statements required pursuant to this paragraph and other information necessary to ensure that all other information in the prospectus is at least as current as the date of those financial statements. Notwithstanding the foregoing, with respect to registration statements on Form F-3, a post-effective amendment need not be filed to include financial statements and information required by Section 10(a)(3) of the Securities Act or Rule 3-19 of Regulation S-K if such financial statements and information are contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the Form F-3.
- (5) That, for the purpose of determining liability under the Securities Act of 1933, as amended, to any purchaser:
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this Registration Statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), or (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

II-2

- (6) That, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (7) That, for purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this Registration Statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
- (9) That, for the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (b) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
