Item 7.01.Regulation FD Disclosure.

Penumbra, Inc. (the “Company”) is participating in a call with certain investors today, April 12, 2019. During the call, the Company plans to disclose that on March 18, 2019, the U.S. Food and Drug Administration (the “FDA”) granted the Company FDA 510(k) clearance for the REAL Immersive System, an immersive virtual reality and display system that interactively displays and tracks upper-extremity rehabilitation exercises for adult patients using a combination of virtual environments and full presence tracked avatars for visual feedback. These rehabilitation exercises are intended to be conducted in a seated position in a clinical environment and prescribed and supervised by a medical professional trained in rehabilitation therapy.

The information appearing in this Item 7.01 shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. This report will not be deemed an admission as to the materiality of any information in the report that is required to be disclosed solely by Regulation FD.
