Proxy Statement for the 2019 Annual Meeting of Stockholders

to be Held on June 6, 2019

Important Notice Regarding the Availability of Proxy Materials for the

2019 Annual Meeting of Stockholders to be Held on June 6, 2019:

The Notice of Annual Meeting, this Proxy Statement and the Accompanying Annual Report

are Available on the Internet at: <https://www.cstproxy.com/ccf/2019>

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Citizens Community Bancorp, Inc. (the "Company" or "Citizens") of proxies to be used at the Annual Meeting of Stockholders (the "Annual Meeting") of Citizens for the purposes set forth in the accompanying Notice of Annual Meeting to be held at the Holiday Inn Eau Claire located at 4751 Owen Ayres Ct, Eau Claire, Wisconsin 54701, on Thursday, June 6, 2019, at 4:00 p.m. local time, and any adjournments thereof. Only stockholders of record at the close of business on April 5, 2019 will be entitled to notice of and to vote at the Annual Meeting.

Our principal executive offices are located at 2174 EastRidge Center, Eau Claire, Wisconsin 54701. It is expected that this Proxy Statement and the form of Proxy will be mailed to stockholders on or about April 15, 2019.

GENERAL INFORMATION

Proxies and Voting Procedures

Stockholders can vote by completing and returning a proxy card in the form accompanying this Proxy Statement or, if shares are held in "street name," by completing a voting instruction form provided by your broker.

The shares represented by each validly executed proxy received by Citizens or its authorized agents in time will be voted at the Annual Meeting in accordance with the instructions thereon. If no instructions are specified in a signed proxy returned to Citizens, the shares represented thereby will be voted FOR the election of the directors listed in the enclosed proxy card, FOR the ratification of Baker Tilly Virchow Krause, LLP as Citizens' independent registered public accounting firm for the fiscal year ending December 31, 2019, and FOR the approval of the non-binding advisory proposal on executive compensation. If any other matters are properly presented at the Annual Meeting, including, among other things, consideration of a motion to adjourn the meeting to another time or place, the individuals named as proxies and acting thereunder will have the authority to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. If the Annual Meeting is adjourned or postponed, a proxy will remain valid and may be voted at the adjourned or postponed meeting. As of the date of printing of this Proxy Statement, we do not know of any other matters that are to be presented at the Annual Meeting other than the matters referred to in the accompanying Notice of Annual Meeting. However, if any other matters are properly presented at the Annual Meeting, it is intended that the persons named in the proxy will vote on such matters in accordance with their judgment.

Stockholders may revoke proxies at any time before it is voted by giving us written notice or by a later executed proxy submitted by mail. Attendance at the Annual Meeting will not automatically revoke a proxy, but a stockholder attending the Annual Meeting may request a ballot and vote in person, thereby revoking a prior granted proxy. The cost of solicitation of proxies will be borne by Citizens. Solicitation will be made primarily by use of the mail; however, some solicitation may be made by our employees, without additional compensation, by telephone, by facsimile or in person. We have also retained Regan and Associates to assist us with the solicitation of proxies for the Annual Meeting for a fee of not less than \$8,000 plus a reasonable amount to cover the expenses of such solicitation firm.

Stockholders Entitled to Vote

Citizens common stock, \$0.01 par value per share (the “Common Stock”), is the only class of voting security of the Company. Only stockholders of record at the close of business on April 5, 2019 will be entitled to notice of and to vote at the Annual Meeting. On the record date, we had outstanding 10,990,033 shares of our Common Stock, entitled to one vote per share.

Quorum; Required Vote

Stockholders holding a majority of the shares of Common Stock entitled to vote at the Annual Meeting, either present in person or by proxy, shall constitute a quorum with respect to the meeting. Directors will be elected by a plurality of the votes cast at the Annual Meeting by stockholders present in person or by proxy, meaning that the three individuals receiving the largest number of votes will be elected as directors. The ratification of the appointment of the independent registered public accounting firm and the non-binding advisory proposal on executive compensation each require the affirmative vote of a majority of the votes cast at the Annual Meeting by stockholders present in person or by proxy. Abstentions and broker nonvotes (i.e., shares held by brokers in street name, voting on certain matters due to discretionary authority or instructions from the beneficial owners but not voting on other matters due to lack of authority to vote on such matters without instructions from the beneficial owner) will count as present for purposes of determining quorum, but will not be counted as votes cast with regard to the election of directors or any other proposal. The Inspector of Election appointed by our Board of Directors will count the votes and ballots.

Certain shares of our issued and outstanding Common Stock are held by participants in our 401(k) Profit Sharing Plan (the “401(k) Plan”). If you hold shares of our Common Stock in the 401(k) Plan, the trustee for the 401(k) Plan will vote the shares you hold through the plan as you direct. We will provide plan participants who hold Common Stock through the 401(k) plan with forms on which participants may communicate their voting instructions. In the event that a 401(k) Plan participant fails to give timely voting instructions to the trustee of the 401(k) Plan with respect to the voting of shares of our Common Stock at the Annual Meeting that are allocated to the participant in the 401(k) Plan, then the trustee shall vote such shares in such manner as directed by the Plan Administrator.

PROPOSAL 1:

ELECTION OF DIRECTORS

It is intended that shares represented by proxies in the enclosed form will be voted FOR the election of Stephen Bianchi, James Lang and James Moll to serve as directors for a three year term. Our Board of Directors is divided into three classes, with the term of office of each class ending in successive years. Accordingly, three directors are to be elected at the Annual Meeting to serve as Class I directors for a term of three years expiring at our annual meeting of stockholders in 2022. The continuing directors, the Class II and Class III directors, will serve until the annual meetings of stockholders in 2020 and 2021, respectively, and until their successors are duly elected and qualified. As indicated below, the persons nominated by our Board of Directors are incumbent directors. We anticipate that the nominees for election as directors will be candidates when the election is held. However, if any of the nominees should be unable or unwilling to serve, the proxies, pursuant to the authority granted to them by our Board of Directors, will have discretionary authority to select and vote for substituted nominees (except where the proxy withholds authority with respect to the election of directors). As noted above, our directors are elected by a plurality of the votes cast by holders of our Common Stock, which means the individuals who receive the largest number of votes cast by holders of the Common Stock entitled to vote in the election of directors are elected as directors up to the maximum number of directors (three in the case of the Annual Meeting) to be chosen at the Annual Meeting.

Information with Respect to Nominees and Continuing Directors

Below is information as of the date of this Proxy Statement about each nominee for election to our Board of Directors at the Annual Meeting and each director whose term continues after the Annual Meeting. The information presented includes information each nominee or continuing director has given Citizens about his or her age, his or her principal occupation and business experience for the past five years, and the names of other publicly-held companies of which he or she currently serves as a director or has served as a director during the past five years. The information presented also includes a description for each director of the specific experience, qualifications, attributes and skills that led to the conclusion that he or she should serve as a director. Our Governance and Nomination Committee regularly evaluates the mix of experience, qualifications, attributes and skills of the Company's directors using a matrix of areas that the Committee considers important for Citizens' business. In addition to the information presented below regarding the nominee's specific experience, qualifications, attributes and skills that led the Governance and Nomination Committee to the conclusion that the nominee should serve or continue to serve as a director, the Governance and Nomination Committee also considered the qualifications and criteria described below under "Corporate Governance Matters - Director Nominations" with the objective of creating a complementary mix of directors.

Audit Committee

The Audit Committee is responsible for assisting our Board of Directors with oversight of: (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) our independent auditor's qualifications and independence; (4) the performance of our internal accounting function and independent auditors; and (5) preparing the Audit Committee Report required to be included in this Amendment. Our Audit Committee has the direct authority and responsibility to appoint, compensate, oversee and where appropriate, replace or retain the independent auditor, and is an "audit committee" for purposes of Section 3(a)(58)(A) of the Exchange Act. Each member of our Audit Committee is able to read and understand fundamental financial statements, including our balance sheet, income statement, and cash flow statement. Our Board of Directors has determined that at least one of the members of our Audit Committee qualifies as an "audit committee financial expert" as defined by the rules of the SEC. Our Board of Directors has determined that Mr. Olson qualifies as an "audit committee financial expert" based on his work experience and duties as a vice president of finance and co-owner of businesses and his education and qualification as a certified public accountant.

Our directors that serve as members of our Audit Committee are Ms. Bourget and Messrs. McHugh and Olson. On January 24, 2019, Mr. Olson assumed the role as Audit Committee Chair and Mr. Moll ceased to be a member of the Audit Committee. Based on the review described below under "Corporate Governance Matters - Director Independence," our Board of Directors has determined that each member of the Audit Committee is independent under applicable standards and rules of NASDAQ and the SEC.

Compensation Committee

The Compensation Committee, in addition to such other duties as may be specified by our Board of Directors, (1) determines the compensation levels of our Chief Executive Officer and other executive officers, including salary rates, participation in incentive compensation and benefit plans, fringe benefits, non-cash perquisites and other forms of compensation; (2) reviews and makes recommendations to our Board of Directors with respect to bank wide incentive compensation plans and equity-based plans; and (3) reviews and makes recommendations to our Board of Directors with respect to the compensation of our outside directors. The Compensation Committee also administers our restricted stock, stock option and other stock incentive plans.

Many key compensation decisions are made during the first quarter of the fiscal year as the Compensation Committee meets to: (1) review performance for the prior year under our cash bonus plan for executive officers and senior managers, (2) determine awards under our 2018 Equity Incentive Plan, and (3) set compensation targets and objectives for the coming year. However, our Compensation Committee also views compensation as an ongoing process and may convene special meetings in addition to its regularly scheduled meetings throughout the year for purposes of evaluation, planning and appropriate action.

Our directors that serve as members of our Compensation Committee are Ms. Bourget, Messrs. Lang and Swenson. On January 24, 2019, Mr. Lang joined the Compensation Committee and Mr. Moll ceased to be a member of the Compensation Committee. As such, Mr. Moll attended meetings of the Compensation Committee during the 2018 transition period and fiscal 2018. Based

8

on the review described below under “Corporate Governance Matters - Director Independence,” our Board of Directors has determined that each member of the Compensation Committee is independent, is a non-employee director and is an outside director under the applicable standards and rules of NASDAQ, the SEC and the Internal Revenue Service, respectively.

Governance and Nomination Committee

The Governance and Nomination Committee is responsible for assisting our Board of Directors by: (1) identifying individuals qualified to become members of our Board of Directors and its committees; (2) recommending to our Board of Directors nominees for election to the Board at the annual meeting of stockholders; (3) developing and recommending to our Board of Directors a set of corporate governance principles applicable to Citizens and generally taking a leadership role in shaping the corporate governance of Citizens; and (4) assisting our Board of Directors in assessing director performance and the effectiveness of the Board of Directors as a whole.

Our directors that serve as members of our Governance and Nomination Committee are Messrs. Felber, McHugh and Swenson. Based on the review described below under “Corporate Governance Matters - Director Independence,” our Board of Directors has determined that each member of the Governance and Nomination Committee is independent under the applicable standards and rules of NASDAQ.

Risk Oversight Committee

The Risk Oversight Committee is appointed by the Board of Directors and assists the Board in fulfilling its risk oversight duties and responsibilities. The Risk Oversight Committee is responsible for assisting our Board of Directors by: (1) reviewing, assessing and making recommendations to the Board regarding material issues, trends and circumstances that affect enterprise risks; (2) reviewing and assessing managements risk identification procedures, risk mitigation plans and risk management and control systems; and (3) working in concert with other Board committees to ensure that the Board's risk oversight responsibilities are exercised in an integrated and coordinated manner.

Our directors that serve as members of our Risk Oversight Committee are Ms. Bourget and Mr. Moll. Based on the review described below under "Corporate Governance Matters - Director Independence," our Board of Directors has determined that each member of the Risk Oversight Committee is independent under the applicable standards and rules of NASDAQ.

Charters of Committees

The Board of Directors has adopted, and may amend from time to time, a written charter for each of the Audit Committee, Compensation Committee and Governance and Nomination Committee. Citizens maintains a website at www.ccf.us. Citizens makes available on its website, free of charge, copies of each of these charters. Citizens is not including the information contained on or available through its website as a part of, or incorporating such information by reference into, this proxy statement.

CORPORATE GOVERNANCE MATTERS

Director Independence

Our Board of Directors is comprised of a majority of independent directors as defined in Rule 5605(a)(2) of the Marketplace Rules of the NASDAQ. Our Board of Directors has reviewed the independence of our directors and the nominees for election to the Board at the Annual Meeting under the applicable standards of NASDAQ. Based on this review, our Board of Directors determined that each of the following directors is independent under those standards:

- (1) Richard McHugh
- (2) Kristina M. Bourget
- (3) Francis E. Felber
- (4) James R. Lang
- (5) James D. Moll
- (6) Timothy L. Olson
- (7) Michael L. Swenson

In addition, the Board has determined that (i) each member of our Audit Committee is independent as defined in Exchange Act Rule 10A-3 and (ii) each member of our Compensation Committee is an independent director and is a non-employee director under the applicable standards and rules of NASDAQ and the SEC, respectively.

Board Leadership Structure

In October 2018, the Board of Directors determined that it would serve our best interests and the best interests of our stockholders to appoint Mr. Bianchi to hold the position Chairman of the Board of Directors. Stephen M. Bianchi has

served as the Chief

9

Executive Officer of Citizens since June 2016. In connection with this appointment, Mr. McHugh was appointed as the lead independent director, or “Lead Director,” by the independent directors. Richard McHugh served as the Chairman of the Board since 1988 and is an independent director under the applicable standards of the NASDAQ. The Board believes that this leadership structure is appropriate at this time given Mr. Bianchi’s ability to provide unified leadership for the Company, promote the development and implementation of corporate strategy, and contribute to a more efficient and effective board as both the Chairman and Chief Executive Officer. The Board determined that the combined leadership by our Chief Executive Officer, our experienced Lead Director and our other independent directors facilitates the processes and controls that support a strong and independent Board and strengthens the cohesiveness and effectiveness of the Board as a whole.

Also in October 2018, the Board of Directors adopted Corporate Governance Guidelines which establish the position of Lead Director in the event the positions of Chairman and Chief Executive Officer are held by the same person.

Under our Corporate Governance Guidelines, the Lead Director will:

1. Preside at meetings of the Board at which the Chairman is not present, including the executive sessions of the independent members of the Board, and provide feedback to the Chairman and other senior executives, as appropriate, from such executive sessions of the independent directors.
2. Serve as the principal liaison between the independent directors and the Chairman on Board issues, and facilitate timely communication between the CEO and the Board, without impeding or replacing direct communication between the Chairman and other directors.
3. Collaborate with the Chairman to approve the schedules and agendas for meetings of the Board.
4. Call meetings of the independent directors of the Company and set the agendas for such meetings; and brief the Chairman on issues arising out of such meetings.
5. Recommend to the Governance and Nomination Committee selections for the membership and chairman positions for each Board committee.
6. Respond directly to stockholder and other stakeholder questions and comments that are directed to the Lead Director or the independent directors as a group.
7. Be authorized to communicate directly with and retain outside advisors and consultants to the Board regarding Board-wide issues.
8. As requested by the Chairman of the Governance and Nomination Committee, participate in interviews for nominees to the Board.
9. Provide his or her unique perspective, as Lead Director, in connection with the annual formal evaluation by the Compensation Committee of the CEO’s performance.
10. Receive notice of all committee meetings and have the ability to attend and observe (in an ex officio capacity) from time to time committee meetings where appropriate to facilitate the execution of the Lead Director’s duties.
11. Perform such other duties as the Board may from time to time delegate to the Lead Director.

The Board’s Role in Risk Oversight

The role of our Board of Directors in Citizens’ risk oversight process includes receiving reports and presentations from members of our senior management on areas of material risk to Citizens, including operational, financial, legal and regulatory, strategic and reputational risks, and any measures taken or recommended by our management to mitigate risk. The Board has authorized the Risk Oversight Committee to oversee and periodically review Citizens’ enterprise risk assessment and enterprise risk management policies to engage our management directly in carrying out this risk oversight function.

As noted above, our Risk Oversight Committee is responsible for assisting our Board of Directors with its oversight of enterprise risk assessment and enterprise risk management policies. In addition, the Board has delegated certain oversight responsibilities to our Audit and Compensation Committees. Our Audit Committee has oversight responsibility for major financial risk exposures and management actions taken to monitor, control and report such exposures. This includes oversight responsibility for the quality and integrity of the financial reporting practices of Citizens. Our Compensation Committee has oversight responsibility to ensure that compensation programs and practices of Citizens do not encourage unreasonable or excessive risk-taking and that any risks are subject to appropriate controls. As part of this process, Citizens (with the oversight of the Compensation Committee) designs its

overall compensation programs and practices, including incentive compensation for both executives and non-executive employees, in a manner intended to support its strategic priorities and initiatives to enhance long-term sustainable value without encouraging unnecessary or unreasonable risk-taking. At the same time, we recognize that our goals cannot be fully achieved while avoiding all risk. The Compensation Committee (along with assistance from management) periodically reviews Citizens'

compensation programs and practices in the context of its risk profile, together with its other risk mitigation and risk management programs, to ensure that these programs and practices work together for the long-term benefit of Citizens and its stockholders. Based on its recently completed review of our compensation programs, the Compensation Committee concluded that Citizens' incentive compensation policies for both executive and non-executive employees have not materially and adversely affected Citizens by encouraging unreasonable or excessive risk-taking in the recent past, are not likely to have a material adverse effect in the future and provide for multiple and reasonably effective safeguards to protect against unnecessary or unreasonable risk-taking.

Communications between Stockholders and the Board of Directors

Our stockholders may communicate with the Board or any individual director by directing such communication to our Corporate Secretary at the address of our corporate headquarters, 2174 EastRidge Center, Eau Claire, Wisconsin 54701. Each such communication should indicate that the sender is a stockholder of the Company and that the sender is directing the communication to one or more individual directors or to the Board as a whole.

All communications will be compiled by our Corporate Secretary and submitted to the Board of Directors or the individual directors on a monthly basis unless such communications are considered, in the reasonable judgment of our Corporate Secretary, to be improper for submission to the intended recipient(s). Examples of stockholder communications that would be considered improper for submission include, without limitation, customer complaints, solicitations, communications that do not relate directly or indirectly to Citizens or our business or communications that relate to improper or irrelevant topics. Our Corporate Secretary may also attempt to handle a communication directly where appropriate, such as where the communication is a request for information about Citizens or where it is a specific stockholder matter.

Attendance of Directors at Annual Meetings of Stockholders

We do not have a formal policy regarding the attendance of our directors and nominees for election as directors at our annual meeting of stockholders, but the Company does encourage its directors to attend its annual meeting. All of our directors who were current members of the board and director nominees as of the date of the 2018 Annual Meeting attended the annual meeting of stockholders held on March 27, 2018, except for Ms. Bourget.

Code of Business Conduct and Ethics and Corporate Governance Guidelines

Codes of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our employees, including our Chief Executive Officer and Chief Financial Officer. A copy of our Code of Business Conduct and Ethics is available free of charge on our website at www.ccf.us or in print upon written request to Citizens Community Bancorp, Inc., 2174 EastRidge Center, Eau Claire, Wisconsin 54701, Attention: Stephen M. Bianchi. We intend to disclose any amendment to or waiver from a provision of our Code of Business Conduct and Ethics that requires disclosure on our website at www.ccf.us.

Corporate Governance Guidelines

We adopted Corporate Governance Guidelines in October 2018 to assist our Board, the board of the Company's subsidiary and their respective committees in performing their responsibilities. The Corporate Governance Guidelines address, among other things, our board and board committee composition and responsibilities, director qualifications standards and selection of the Chairman and Lead Director of the Board. A copy of our Corporate Governance Guidelines is available free of charge on our website at www.ccf.us or in print upon written request to Citizens Community Bancorp, Inc., 2174 EastRidge Center, Eau Claire, Wisconsin 54701, Attention: Stephen M. Bianchi.

Stock Ownership Guidelines

We believe that promoting share ownership aligns the interests of our directors with those of our stockholders and provides strong motivation to build stockholder value. Under our Corporate Governance Guidelines established in 2018, directors are expected to own certain target levels of shares of a value equal to at least a director's current yearly base retainer compensation for service on the Board. The Board's stock ownership guidelines for directors of the Company are that (i) within one year of being elected, directors should own Company common stock equal in value to at least a director's current yearly base retainer compensation for service on the Board, (ii) within three years of being elected directors should own Company common stock equal in value to at least 2.5 times a director's then current yearly base compensation for service on the Board, and (iii) within five years of being elected directors should own

Company common stock equal in value to at least 5 times a director's then current yearly base compensation for service on the Board. Each of our current directors is in compliance with the stock ownership guidelines applicable to him or her.

Director Nominations

We have a standing Governance and Nomination Committee. Based on the review described above under “Corporate Governance Matters - Director Independence,” our Board of Directors has determined that each member of the Governance and Nomination Committee is independent under the applicable standards of NASDAQ.

The Governance and Nomination Committee will consider director nominees recommended by stockholders. A stockholder who wishes to recommend a person or persons for consideration as a nominee for election to the Board of Directors must send a written notice by mail, c/o Secretary, Citizens Community Bancorp, Inc., 2174 EastRidge Center, Eau Claire, Wisconsin 54701, that sets forth: (1) the name, address (business and residence), date of birth and principal occupation or employment (present and for the past five years) of each person whom the stockholder proposes to be considered as a nominee; (2) the number of shares of our Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by each such proposed nominee; (3) any other information regarding such proposed nominee that would be required to be disclosed in a definitive proxy statement to stockholders prepared in connection with an election of directors pursuant to section 14(a) of the Securities Exchange Act of 1934 or as is required by the Company’s Bylaws; (4) the name and address as they appear on the Company’s books and of the beneficial owner, if any, on whose behalf the nomination is made; (5) the number of shares of our Common Stock which are owned beneficially or of record by such stockholder or such beneficial owner making the recommendation; (6) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other persons pursuant to which the nomination(s) are to be made; and (7) a representation that the recommending stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice.

We may require any proposed nominee to furnish additional information as may be reasonably required to determine the qualifications of such proposed nominee to serve as a director. Stockholder recommendations will be considered only if received in accordance with the advance notice provisions contained in our Bylaws.

It is the policy of the Governance and Nomination Committee to consider any nominee recommended by a stockholder in accordance with the preceding paragraph under the same criteria as any other potential nominee. The Governance and Nomination Committee believes that a nominee recommended for a position on our Board of Directors must have an appropriate mix of director characteristics, experience, diverse perspectives and skills. Qualifications of a prospective nominee that may be considered by the Governance and Nomination Committee include:

- business experience;
- education;
- integrity and reputation;
- independence;
- conflicts of interest;
- diversity;
- age;
- number of other directorships and commitments;
- tenure on the Board of Directors;
- attendance at Board and committee meetings;
- stock ownership;
- specialized knowledge; and
- commitment to the Company’s communities and shared values.

The Governance and Nomination Committee believes that diversity of viewpoints, backgrounds, skills, experience and expertise is a key attribute for directors. As a result, the committee seeks to have a diverse Board that is representative of our Company’s customer, employee and stockholder base. The committee carefully considers diversity when considering nominees for director and periodically reviews its recruitment and selection protocols to ensure that diversity remains a component of each director search.

AUDIT COMMITTEE MATTERS

Report of the Audit Committee

The Audit Committee is currently comprised of three members of our Board of Directors. Based upon the review described above under “Corporate Governance Matters - Director Independence,” our Board of Directors has determined that each member of the Audit Committee is independent as defined in the applicable standards and rules of NASDAQ and the SEC. The duties and responsibilities of our Audit Committee are set forth in the Audit Committee Charter.

In accordance with its written charter adopted by the Board of Directors, the Audit Committee has oversight responsibility for the quality and integrity of the financial reporting practices of Citizens. While the Audit Committee has oversight responsibility, the primary responsibility for our financial reporting, disclosure controls and procedures and internal control over financial reporting and related internal controls and procedures rests with management, and Citizens’ independent registered public accounting firm is responsible for auditing our financial statements. In discharging its oversight responsibility as to the audit process, the Audit Committee has:

reviewed and discussed our audited consolidated financial statements for the transition period ended December 31, 2018 and the fiscal year ended September 30, 2018 with our management and with our independent registered public accounting firm;

discussed with our independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 1301, “Communications with Audit Committees,” as adopted by the Public Company Accounting Oversight Board in Rule 3200T;

received and discussed with our independent registered public accounting firm the written disclosures and the letter from our independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor’s communications with the audit committee concerning independence; and discussed with our independent registered public accounting firm without management present the auditor’s independence.

Based on such review and discussions with management and with the independent registered public accounting firm, the Audit Committee recommended to our Board of Directors that the audited consolidated financial statements be included in our Transition Report on Form 10-K, for the transition period ended December 31, 2018, and our Annual Report on Form 10-K, for the fiscal year ended September 30, 2018, for filing with the SEC.

AUDIT COMMITTEE:

EXECUTIVE COMPENSATION

On September 25, 2018, the Board of Directors adopted a resolution to change the Company's fiscal year end from September 30 to December 31, commencing December 31, 2018. As a result, on March 8, 2019, we filed our Transition Report on Form 10-K for the three-month transition period (from October 1 to December 31) ended December 31, 2018 (which we sometimes refer to as the "Transition Period"). Accordingly, the following section describes Citizens' executive compensation program for the prior fiscal year ended September 30, 2018 (as also reported on our Form 10-K filed with the SEC on December 10, 2018) and the Transition Period. This analysis provides detailed compensation information for each of our named executive officers, or NEOs. For the Transition Period and fiscal 2018, our NEOs are:

| Name | Title |
|--------------------|--|
| Stephen M. Bianchi | President and Chief Executive Officer |
| James S. Broucek | Executive Vice President, Chief Financial Officer, Treasurer and Secretary |

Executive Summary

Key Executive Compensation Actions. The Compensation Committee took the following key actions in the Transition Period and fiscal 2018:

Salaries: For the Transition Period, annual base salaries for Mr. Bianchi and Mr. Broucek were increased 4.8% and 5.4%, respectively, over fiscal 2018 annual base salary levels. In fiscal 2018, Mr. Broucek entered into an executive employment agreement with a base salary of \$185,000.

Incentive Compensation: In fiscal 2018, Citizens granted restricted shares to certain of its named executive officers and management team. Equity was awarded in recognition of Citizens performance, as well as the need to retain its executives and senior management and align their interests with the interest of our stockholders. Also in fiscal 2018, Citizens granted stock options and restricted shares to Mr. Broucek in connection with his appointment as our Chief Financial Officer.

NEO Employment Agreements:

A summary of the principal terms of our employment agreements with our NEOs is provided below under "Executive Compensation - Employment Agreements."

Our Compensation Philosophy

Citizens recognizes the importance of its employees in fulfilling its role as a successful business enterprise and a responsible corporate citizen. Our compensation philosophy is to compensate all employees (including our named executive officers) at a level sufficient to attract, motivate, and retain the talent we need to achieve or surpass the short-term and long-term goals set forth in our business plan, without promoting irresponsible behavior. Guided by this philosophy, the pay and benefits practices of Citizens reflect our vision and values, and the economic condition of the banking industry, and are built on a framework of pay-for-performance, comprehensive position evaluations, and market-competitiveness. Executive management, with approval of our Board of Directors, fulfills our responsibility to promote the best interests of Citizens through the execution of sensible compensation principles and practices.

Citizens' compensation philosophy is created and sustained on core compensation principles. In determining compensation levels, we consider the key factors to be:

We will not create incentives that foster inappropriate risk nor pay excessive compensation. No Citizens compensation plan, program, or practice will promote excessive risk taking or encourage behavior inconsistent with Citizens' vision, mission, or strategy. We believe all of our compensation elements comply with appropriate banking regulations and sound compensation practices, which we believe neither pays excessive compensation nor encourages inappropriate risk taking.

Citizens does not discriminate on the basis of race, gender, religion, national origin, veteran status, handicap, or sexual orientation in determining pay levels. Demonstrated performance, skills, commitment and results determine pay.

Each pay grade and pay range will have a minimum, a maximum, and a mid-point. The mid-point is the rate we generally will pay a new hire who meets the required standards of education, skills, and experience. The maximum is the highest rate we will pay a fully qualified performing employee in that job. Salary above mid-point will be based upon exemplary performance.

Compensation levels are driven by an employee's level of impact on our organization. Not all positions are created equal. Various positions require different levels of skills, knowledge, and personal attributes that drive different rates of pay and/or variable compensation opportunity. We have established a job structure and job evaluation process that provides a formal hierarchy of grades and salary ranges.

All employees should be paid a wage in line with their position within an assigned range for that position. Salary range minimums are a guideline to pay for an entry point position for that wage range. Any incumbent with the requisite skills to perform the job at minimally acceptable standards should be paid at least this rate. The salary range midpoint is developed to represent the wage paid to an employee performing the expectations of their position.

Pay levels for positions are reviewed periodically.

Our ability to pay drives our compensation program. Profitability is a key driver in determining compensation opportunity. The annual salary is the single largest investment Citizens makes each year. It is incumbent on our compensation professionals and senior management to ensure that our plans provide an appropriate return to Citizens and its stockholders, in addition to appropriately compensating successful performance.

Additionally, as described above under the Section "Corporate Governance Matters - The Board's Role in Risk Oversight," our Compensation Committee has primary oversight responsibility to ensure that our compensation programs and practices do not encourage unreasonable or excessive risk-taking and that any risks are subject to reasonably appropriate controls. We consider the following factors to maintain "at risk" compensation within appropriate levels:

Although profitability is a key driver for compensation opportunities, we do not reward, and in fact discourage, the taking of excessive or inordinate risk. Our Compensation Philosophy is "risk-reflective," meaning we create our pay structure and programs to appropriately reward the returns from acceptable risk-taking through optimal pay mix, performance metrics, calibration and timing.

Employees eligible for incentives or sales performance pay for new business are not permitted to make credit, investment, or consumer pricing decisions independently.

We have no "highly-leveraged" or entirely uncapped incentive plans. Where there are elements of an incentive plan that are uncapped, the performance drivers of these elements are not risk based.

Incentive compensation plans for certain positions which contain significant risk to Citizens (e.g., our CEO and CFO positions) include corporate and individual components, and awards are determined or reviewed by the Compensation Committee prior to any payment.

Plan sponsors, those executives in charge of business lines in which incentive plans exist, are not eligible for awards under the plans they sponsor.

Compensation Process

Our Compensation Committee is independent and involved.

Each member of the committee is an independent director and is a non-employee director under the applicable rules of NASDAQ and the SEC, respectively.

The Committee decides all compensation matters for our named executive officers.

In fulfilling its duties and responsibilities, the Compensation Committee may consult with members of management and hire independent consultants. Our Chief Executive Officer works with our Compensation Committee in making recommendations regarding our overall compensation policies and plans as well as specific compensation levels for our other officers and key employees, other than the Chief Executive Officer. Members of management who were present during Compensation Committee meetings in the 2018 transition period, fiscal 2018 and the first part of fiscal 2019 included our Chief Executive Officer and Chief Financial Officer. The Compensation Committee makes all decisions regarding the compensation of our Chief Executive Officer and Chief Financial Officer without our Chief Executive Officer, Chief Financial Officer or any other member of our management present.

The Compensation Committee's charter provides the Committee with the sole discretion to retain or obtain advice from compensation consultants or other advisers and requires that the Company provide the Committee with adequate funding to engage any compensation consultants or other advisers the Committee deems it appropriate to engage. In September 2017, the Compensation Committee engaged independent compensation consultant McLagan to provide the Compensation Committee with independent advice regarding incentive plan design, performance measurement, design and use of equity compensation and relevant market practices and trends with respect to the compensation of our executive officers and senior management. McLagan prepared reports, delivered presentations and engaged in discussions with the Compensation Committee on executive compensation matters. McLagan reviewed and provided recommendations regarding the 2018 Equity Incentive Plan, LTIP and director compensation. This included a review of a McLagan recommendation of a Midwest based peer group with similar business models to the Company's, which the Board approved. The Compensation Committee considered the recommendations from the independent compensation consultant when reviewing and determining LTIP awards, and the Compensation Committee and Board considered the recommendations from the independent compensation consultant when reviewing and approving the 2018 Equity Incentive Plan for submission to the stockholders at the 2018 Annual Meeting. McLagan provides no other services to the Company. The Compensation Committee assessed the independence of McLagan in accordance with SEC and NASDAQ rules and regulations and concluded that no conflict of interest exists that will prevent them from being independent consultants to the Compensation Committee.

At the Company's 2018 Annual Meeting, pursuant to a non-binding, advisory vote, stockholders approved the compensation of the Company's named executive officers as disclosed in the proxy statement for the meeting by a vote of 3,191,041 shares in favor to 523,193 against. The Compensation Committee has considered the results of this advisory stockholder vote and believes that it shows support by the Company's stockholders for the Company's compensation philosophy and the executive compensation programs that implement the Company's compensation philosophy. Also at the Company's 2018 Annual Meeting, stockholders approved the 2018 Equity Incentive Plan.

Compensation Components

Citizens utilizes three general forms of compensation for our named executive officers: base salary, short-term incentive compensation, and long-term incentive compensation. We deliver compensation at various levels of the organization in different ways. In our most senior positions (including for each of our named executive officers), we have a combination of base salary and short-term and long-term incentives to help us attract and retain talented leaders to ensure continued growth and continuity. In positions where there is a clear ability to impact performance by providing short-term incentives linked to specific goals, we have created incentive plans that we believe are market competitive and in line with our ability to pay. Short-and long-term incentives are tied directly to individual performance and/or business results. Awards are paid only when business performance is strong. At the lowest levels of the organization we rely on base salary and short-term incentives. This array of compensation plans permits greater control over managing our fixed costs, while providing competitive and meaningful rewards. Base salaries are fixed, primarily, based on what we believe are market rates. Based primarily on performance against stated goals, short-and long-term incentive pay gives us the opportunity to reward for performance in a specific year, or over a period of years, without the recurring (and compounding) expense of a base salary adjustment. Each of our compensation components is described in greater detail below.

| Component | Objective/Purpose | Key Features |
|--|--|---|
| Base Salary | <ul style="list-style-type: none"> Provide competitive base compensation to recognize executives' roles, responsibilities, contributions, experience and performance. Our salaries generally are targeted to be within the range of market median. Sufficient to discourage inappropriate risk taking by executives. | <ul style="list-style-type: none"> Fixed cash compensation that is the basis for other compensation elements such as incentive pay Actual salaries and increases reflect an executive's performance, experience and pay level relative to internal and external salary relationships. |
| Short-Term Incentives | <ul style="list-style-type: none"> Motivate and reward achievement of specific annual performance goals to align executives with the Company's strategic plan and critical performance goals Provide meaningful "pay-at-risk" that is earned each year based on performance. | Long-term Incentives | <ul style="list-style-type: none"> Align executive and stockholder interests through stock awards which are tied to the Company's financial performance Time-based restricted shares to help ensure executives have an ownership/equity interest. Performance-based awards to incentivize executives over multi-year periods. | <ul style="list-style-type: none"> Annual awards covering 3-year incentive period 50% of awards are time-based, with pro rata annual vesting over 3-year period 50% of awards are performance-based, with vesting based on 3-year financial performance objective |
| Benefits and Perquisites | <ul style="list-style-type: none"> Be competitive with industry practice and enable the Company to attract, motivate and retain qualified talent. | <ul style="list-style-type: none"> Insurance and retirement security benefits. |
| Employment Agreements and Severance/Change in Control Benefits | <ul style="list-style-type: none"> Be competitive with industry practice. Retain executives in the event of a change in control. | <ul style="list-style-type: none"> Double-trigger change-in-control provisions Restrictive covenants for non-solicitation and non-competition |

The following table illustrates the relative mix of our base salary, target short-term incentive compensation and target long-term incentive compensation for the 2018 transition period and fiscal 2018:

| Named Executive Officer | Period | Compensation Components | | | | |
|-------------------------|---------|-------------------------|-----------------------|----------------------|--|--|
| | | Base Salary | Short-Term Incentives | Long-Term Incentives | | |
| Stephen M. Bianchi | TP 2018 | 64.50% | 19.40 % | 16.10 % | | |
| | FY 2018 | 64.50% | 19.40 % | 16.10 % | | |
| James S. Broucek | TP 2018 | 71.40% | 14.30 % | 14.30 % | | |
| | FY 2018 | 73.00% | 14.60 % | 12.40 % | | |

Base salary

We pay base salaries to attract and retain talented employees, including our named executive officers. Base salary increases are driven primarily by demonstrated value to our organization and are reviewed annually and adjusted from time to time, based on a review of market data and an assessment of company, business unit and individual performance and experience. Merit increases are awarded based on the performance of the employee. The following are the annual base salary levels set by our Compensation Committee for our NEOs:

Named Executive Officer TP 2018 (Annualized Salary) FY 2018

| | | |
|--------------------|-----------|-----------|
| Stephen M. Bianchi | \$330,000 | \$315,000 |
| James S. Broucek | \$195,000 | \$185,000 |

Short-Term Incentives

We pay annual cash incentive compensation under our Executive Short Term Incentive Plan (STIP) to our NEOs for achieving corporate performance targets related to the Bank and individual performance targets. We balance the security provided by base salary with the “at-risk” feature of annual incentive compensation to attract and retain top quality employees and provide proper incentive to enhance the value of the Company’s Common Stock for its stockholders.

Clawback Provisions

Incentive compensation under our STIP is subject to clawback provisions applicable to all participants, including our NEOs. Pursuant to those provisions, if incentive compensation paid to a participant was based on the achievement of financial results that are subsequently restated, and those results would have impacted the incentive payment, contribution or vesting, then we may require the participant to repay any amounts in excess of what would have been paid and/or contributed had the financial results been properly reported. We may seek direct repayment from the participant or reduce his or her other compensation by an amount equal to the repayment obligations.

Fiscal 2018 STIP Awards

In fiscal 2018, our Compensation Committee and Board of Directors approved the STIP for annual incentive compensation to our named executive officers. In order to be eligible for an award under the STIP, the Company must have achieved a minimum return on average equity of 4% and minimum OCC safety and soundness composite rating, and the named executive officer must have received an adequate annual performance review. The STIP awards are determined based on the achievement of corporate performance targets, weighted at 85%, and individual performance targets, weighted at 15%. Corporate performance targets include metrics related to the Bank’s financial performance. The individual performance targets for each NEO considered items such as implementation of strategic priorities, active investor relations outreach, and effective and transparent communication with the Board.

The annual minimum, target and maximum percentages of base salary to be paid to each of our named executive officers under the STIP are as depicted in the table below:

| Named Executive Officer | Minimum (% of Base Salary) | Target (% of Base Salary) | Maximum (% of Base Salary) |
|-------------------------|-------------------------------|------------------------------|-------------------------------|
| Stephen M. Bianchi | 20% | 30% | 40% |
| James S. Broucek | 10% | 20% | 30% |

The Compensation Committee assessed Company performance goals and individual performance for each NEO and authorized the following incentive compensation to be paid to the NEOs under the STIP for fiscal 2018:

| Named Executive Officer | Target STIP Award | Actual STIP Payment | % of Target | |
|-------------------------|-------------------------|------------------------|-------------|---|
| Stephen M. Bianchi | \$94,500 | \$ 82,688 | 87.50 | % |
| James S. Broucek | \$33,184 | \$ 26,920 | 81.12 | % |

Transition Period STIP Awards

We did not make any STIP awards during the transition period. The STIP awards for fiscal 2019, which will be paid in 2020, will be determined based on performance results for the period including the Transition Period and fiscal 2019.

Long-Term Incentives

Our Long-Term Incentive Plan (LTIP) is designed to link compensation levels with performance results and ensure sustained alignment with stockholder interests by providing equity-based awards to our named executive officers under our 2018 Equity Incentive Plan and previously issued under our 2008 Equity Incentive Plan. In addition, we believe equity awards provide an important retention tool for our named executive officers because the awards are subject to multi-year performance periods and vesting. Awards under this plan consist of equity-based awards, including restricted stock, restricted share units, stock appreciation rights and stock options.

Fiscal 2018 LTIP Awards

For fiscal 2018, our Compensation Committee and Board of Directors approved 2018 LTIP awards for a three-year performance periods beginning October 1, 2017. The amount of total equity awards are based on 25% of annual base salary for Mr. Bianchi and 17% of annual base salary for Mr. Broucek, with 50% of awards consisting of time-based restricted share awards and 50% of awards consisting of performance-based awards. The fiscal 2018 LTIP awards had the following components as a percentage of base salary:

| Named Executive Officer | Time-Based Awards (% of Base Salary) | Performance-Based Awards | | | | | |
|-------------------------|---|-------------------------------|------------------------------|-------------------------------|-----------------|----------------|-----------------|
| | | Minimum (% of Base Salary) | Target (% of Base Salary) | Maximum (% of Base Salary) | Minimum (\$) | Target (\$) | Maximum (\$) |

| James S. Broucek | 8.5% | 4.25% | 8.50% | 12.75% | \$7,863 | \$15,725 | \$23,588 |

Time-Based Awards. Time-based awards consist of shares of restricted stock subject to a three-year vesting period, with one-third of each award vesting on the anniversary of the date of grant.

Performance-Based Awards Performance-based awards consist of a right to receive a certain number of shares determined based on the achievement of return on average equity (“ROAE”) objectives for the three-year performance period ending September 30, 2020. The potential number of shares earned under the performance-based awards between the minimum, target and maximum ROAE objectives are determined on a linear basis for performance between the ROAE objectives.

Transition Period and Fiscal 2019 LTIP Awards

In lieu of LTIP awards for the three month transition period, our Compensation Committee and Board of Directors approved LTIP awards for a performance period beginning October 1, 2018 and ending December 31, 2021, providing long-term incentive compensation opportunities for both the transition period and fiscal 2019. The amount of total equity awards are based on 25% of annual base salary for Mr. Bianchi and 20% of annual base salary for Mr. Broucek, with 50% of awards consisting of time-based restricted share awards and 50% of awards consisting of performance-based awards. The LTIP awards for the 2018 transition period and fiscal 2019 had the following components as a percentage of base salary:

| Named Executive Officer | Time-Based Awards (% of Base Salary) | Performance-Based Awards | | | | | |
|-------------------------|---|-------------------------------|------------------------------|-------------------------------|-----------------|----------------|-----------------|
| | | Minimum (% of Base Salary) | Target (% of Base Salary) | Maximum (% of Base Salary) | Minimum (\$) | Target (\$) | Maximum (\$) |
| Stephen M. Bianchi | 12.5% | 6.25% | 12.50% | 18.75% | \$20,625 | \$41,250 | \$61,875 |
| James S. Broucek | 10.0% | 5.00% | 10.00% | 15.00% | \$9,750 | \$19,500 | \$29,250 |

Time-Based Awards. Time-based awards consist of shares of restricted stock subject to a three-year vesting period, with one-third of each award vesting on the anniversary of the date of grant.

Performance-Based Awards. Performance-based awards consist of a right to receive a certain number of shares determined based on the achievement of ROAE objectives for the performance period beginning October 1, 2018 and ending December 31, 2021. The potential number of shares earned under the performance-based awards between the minimum, target and maximum ROAE objectives are determined on a linear basis for performance between the ROAE objectives.

Employment Agreements

Mr. Bianchi's Amended and Restated Employment Agreement

On May 25, 2017, we entered into an Amended and Restated Executive Employment Agreement with Mr. Bianchi for a term from June 24, 2016 to September 30, 2019, with automatic one-year renewal periods thereafter, which provides for the following compensation terms for Mr. Bianchi. Pursuant to the employment agreement, Mr. Bianchi receives a base salary of \$315,000 per year. Mr. Bianchi's base salary may be increased based on Mr. Bianchi's performance and contribution to the Company, as determined by the Board of Directors. Mr. Bianchi is also eligible for an annual incentive award pursuant to the terms of the STIP and his individual incentive goals. Mr. Bianchi is also eligible to receive incentive awards pursuant to the terms of the LTIP and the 2008 Equity Incentive Plan, and any successor plans thereto. Mr. Bianchi is also eligible to participate in the Company's employee benefit plans as in effect from time to time on the same basis as generally made available to other senior executives of the Company.

In addition, Mr. Bianchi's employment agreement provides for certain payments and benefits in the event of a termination of Mr. Bianchi's employment under specific circumstances. If, during the term of Mr. Bianchi's employment, his employment is terminated by the Company other than for "cause", death or disability or by Mr. Bianchi for "good reason" (each as defined in the employment agreement), he would be entitled to his salary earned but unpaid as of his termination date and all vested benefits to which he is entitled under any benefit plans set forth in the Employment Agreement (the "accrued obligations"). Furthermore, Mr. Bianchi would be entitled to (1) a pro-rated incentive award under the STIP for the year in which the termination occurs; (2) a payment equal to 200% of (a) Mr. Bianchi's annual salary at the time of termination, and (b) the pro-rated incentive award under the STIP for the year in which the termination occurs. In addition, Mr. Bianchi would be entitled to continued participation in the Company's medical and dental insurance plans with monthly premiums to be paid by the Company for up to 18 months following the termination of his employment with the Company. If Mr. Bianchi's employment is terminated by the Company for "cause" or by Mr. Bianchi without "good reason," Mr. Bianchi would be entitled to the accrued obligations, and if the employment is terminated by reason of disability or death, Mr. Bianchi would be entitled to the accrued obligations and a pro-rated incentive award under the STIP and LTIP.

The employment agreement amended the previously existing employment agreement with Mr. Bianchi to provide that, in the event of a termination of Mr. Bianchi's employment following a "change in control" by the Company other than for "cause", death or disability or by Mr. Bianchi for "good reason", he would be entitled to the accrued obligations. Furthermore, Mr. Bianchi would be entitled to (1) a pro-rated incentive award under the STIP for the year in which the termination occurs; (2) a payment equal to 200% of (a) Mr. Bianchi's annual salary at the time of termination, and (b) the pro-rated incentive award under the STIP for the year in which the termination occurs. In addition, Mr. Bianchi would be entitled to continued participation in the Company's medical and dental insurance plans with monthly

premiums to be paid by the Company for up to 18 months following the termination of his employment with the Company.

Following any termination of employment, Mr. Bianchi will be subject to an 18-month confidentiality covenant; an 18-month non-solicitation covenant related to clients of the company; an 18-month non-solicitation of employees covenant; and an 18-month non-competition covenant.

Mr. Broucek's Employment Agreement

Effective October 31, 2017, we entered into an Employment Agreement with Mr. Broucek for a term from October 31, 2017 to September 30, 2020, with automatic one-year renewal periods thereafter. Pursuant to the employment agreement, Mr. Broucek receives a base salary of \$185,000 per year. Mr. Broucek's base salary may be increased based on Mr. Broucek's performance and contribution to the Company, as determined by the Board of Directors. If, during the term of Mr. Broucek's employment, his employment is terminated by the Company other than for "cause", death or disability or by Mr. Broucek for "good reason" (each as defined in the employment agreement), he would be entitled to his salary earned but unpaid as of his termination date and all vested benefits to which he is entitled under any benefit plans set forth in the Employment Agreement (the "accrued obligations"). Furthermore, Mr. Broucek would be entitled to (1) a pro-rated performance bonus for the year in which the termination occurs; (2) a payment equal to 50% of (a) Mr. Broucek's annual salary at the time of termination, (b) the pro-rated performance bonus for the year in which the termination occurs, and (c) the fair market value of any stock awards issued pursuant to the employment agreement as of the grant date of such stocks, exclusive of the initial grant of restricted stock pursuant to the terms of the employment agreement. In addition, Mr. Broucek would be entitled to the continuation in coverage of medical insurance benefits that he would otherwise be eligible to receive as an active employee of the Company for 6 months following the termination of his employment with the Company. If Mr. Broucek's employment is terminated by the Company for "cause" or by Mr. Broucek without "good reason," Mr. Broucek would be entitled to the accrued obligations, and if the employment is terminated by reason of disability or death, Mr. Broucek would be entitled to the accrued obligations and a pro-rated performance bonus for the year in which the termination occurs.

In the event of a termination of Mr. Broucek's employment following a "change in control" by the Company other than for "cause", death or disability or by Mr. Broucek for "good reason", he would be entitled to the accrued obligations. Furthermore, Mr. Broucek would be entitled to (1) a pro-rated performance bonus for the year in which the termination occurs; (2) a payment equal to 125% of (a) Mr. Broucek's annual salary at the time of termination, (b) the pro-rated performance bonus for the year in which the termination occurs, and (c) the fair market value of any stock awards issued pursuant to the employment agreement as of the grant date of such stocks, exclusive of the initial grant of restricted stock pursuant to the terms of the employment agreement. In addition, Mr. Broucek would be entitled to the continuation in coverage of medical insurance benefits that he would otherwise be eligible to receive as an active employee of the Company for 15 months following the termination of his employment with the Company.

Post-Employment Compensation

401(k) Plan Benefits

Our executive officers are eligible to participate in our 401(k) plan on the same terms as our other employees. Our 401(k) plan is a qualified, tax-exempt savings plan with a cash or deferred feature qualifying under Section 401(k) of the Internal Revenue Code. All employees who have attained age 21 and completed 90 days of continuous employment, are eligible to participate in the 401(k) plan.

Participants are permitted to make salary reduction contributions to the 401(k) plan of up to 100% of their salary, up to a maximum of \$18,500 (\$24,500 for employees over 50 years of age) and \$18,000 (\$24,000 for employees over 50 years of age) for each of calendar years 2018 and 2017, respectively. We match each contribution in an amount equal to 100% of the participant's 401(k) deferrals for the year up to 4% of their salary, provided the participant must contribute a minimum of 4% of his or her salary as a condition to receiving the matching contribution. All

contributions made by participants are before-tax contributions. All participant contributions and earnings are fully and immediately vested.

Participants may invest amounts contributed to their 401(k) plan accounts in one or more investment options available under the 401(k) plan. Changes in investment directions among the funds are permitted on a periodic basis pursuant to procedures established by the plan administrator. Each participant receives a quarterly statement that provides information regarding, among other things, the market value of all investments and contributions made to the 401(k) plan on the participant's behalf.

Other Stock Benefit Plans

In addition to our 2018 Equity Incentive Plan, directors, officers and other employees of the Company and its subsidiaries were previously eligible to participate in our equity incentive plans, including the Company's 2004 Stock Option and Incentive Plan, the 2004 Recognition and Retention Plan and the 2008 Equity Incentive Plan (collectively, the "Prior Plans"). Eligible awards under the Prior Plans included, without limitation, stock options, stock appreciation rights, restricted stock and restricted stock units. Upon the death or disability of the participant or upon a change in control of Citizens, these awards become 100% exercisable or vested.

In fiscal 2018, the Prior Plans were terminated or expired. No awards will be made under these plans and shares of Common Stock available for issuance under the Prior Plans did not rollover into the 2018 Equity Incentive Plan.

Awards currently outstanding under these plans will continue to remain outstanding in accordance with their terms.

PROPOSAL 2:

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Our Audit Committee has appointed Baker Tilly Virchow Krause, LLP as the independent registered public accounting firm to audit the Company's consolidated financial statements for the fiscal year ending December 31, 2019. Unless otherwise directed, proxies will be voted FOR the ratification of such appointment.

Although this appointment is not required to be submitted to a vote of our stockholders, our Board of Directors believes it appropriate as a matter of policy to request that our stockholders ratify the appointment. If stockholder ratification is not received, the Board of Directors will reconsider the appointment, and may retain that firm or another firm without resubmitting the matter to the Company's stockholders. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different firm at any time during the fiscal year if it determines that such a change would be in the Company's best interests.

It is not expected that a representative of Baker Tilly Virchow Krause, LLP will be present at the Annual Meeting. Citizens Management will be available to respond to relevant questions regarding the appointment of our auditor.

Vote Required for Approval

The approval of the ratification of Baker Tilly Virchow Krause, LLP requires the affirmative vote of a majority of the votes cast at the Annual Meeting by stockholders present in person or by proxy. Abstentions and broker non-votes will not count toward the determination of whether this proposal is approved.

Board of Directors Recommendation

The Board of Directors recommends a vote FOR the ratification of Baker Tilly Virchow Krause, LLP as Citizens' independent registered public accounting firm for the fiscal year ending December 31, 2019.

PROPOSAL 3:

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

We believe that our compensation policies and procedures, which are reviewed and approved by our Compensation Committee, are designed to align our named executive officer's compensation with our short-term and long-term performance and to provide the compensation and incentives needed to attract, motivate and retain key executives who are important to Citizens' continued success. The Compensation Committee periodically reviews all elements of our executive compensation program and takes any steps it deems necessary to continue to fulfill the objectives of our compensation programs.

Stockholders are encouraged to carefully review the "Directors Meetings and Committees - Compensation Committee" and "Executive Compensation" sections of this Proxy Statement for a detailed discussion of our executive compensation programs. These programs have been designed to promote a performance-based culture which aligns the interests of our executive officers and other managers with the interests of our stockholders. This includes equity awards, with long-term vesting requirements based on the executive officers achieving company goals and objectives.

We believe stockholders should consider the following in determining whether to approve this proposal:

• Each member of Citizens' Compensation Committee is independent under the applicable standards of NASDAQ;

• The Compensation Committee continually monitors our performance and adjusts compensation practices accordingly;

• The Compensation Committee regularly assesses our individual and total compensation programs against peer companies, the general marketplace and other industry data points;

• We have maintained base salaries for our named executive officers at modest levels and increased base salaries in line with our peers;

• We do not offer supplemental retirement benefits to any of our named executive officers; and

Our employment agreements with Mr. Bianchi and Mr. Broucek provide for a "double-trigger" rather than a "single-trigger" condition regarding the compensation and benefits received in connection with a qualifying termination in the event of a "change in control."

Congress has enacted requirements commonly referred to as "say on pay" rules under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010. As required by these rules under Section 14A of the Exchange Act, we are asking that the stockholders vote in favor of the following resolution:

"Resolved, that the stockholders of Citizens Community Bancorp, Inc. approve the compensation of Citizens' named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission."

Because this stockholder vote is advisory, it will not be binding on the Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

Vote Required for Approval

The approval of the non-binding advisory proposal on our executive compensation described in this Proxy Statement requires the affirmative vote of a majority of the votes cast at the Annual Meeting by stockholders present in person or by proxy. Abstentions and broker non-votes will not count toward the determination of whether this proposal is approved.

Board of Directors Recommendation

The Board of Directors recommends a vote FOR the non-binding advisory resolution approving our executive compensation.

ANNUAL REPORT TO THE SECURITIES AND EXCHANGE COMMISSION ON FORM 10-K

We are required to file an annual report, called a Form 10-K, with the SEC. A copy of our Transition Report on Form 10-K for the transition period ended December 31, 2018 will be made available, without charge, to any person entitled to vote at the Annual Meeting. Written requests should be directed to Corporate Secretary, Citizens Community Bancorp, Inc., 2174 EastRidge Center, Eau Claire, Wisconsin 54701.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for the proxy materials with respect to two or more stockholders sharing the same address by delivering a single set of proxy materials addressed to those stockholders, unless the affected stockholder has provided contrary instructions. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

A number of brokers with account holders who are Citizens stockholders may be “householding” our proxy materials. A single set of proxy materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate set of proxy materials, please notify your broker or us. Written requests should be directed to Corporate Secretary, Citizens Community Bancorp, Inc., 2174 EastRidge Center, Eau Claire, Wisconsin 54701, or call 715-839-4681. Stockholders who currently receive multiple copies of the proxy materials at their addresses and would like to request “householding” of their communications should contact their brokers.

STOCKHOLDER PROPOSALS

Any stockholder who desires to submit a proposal for inclusion in our proxy statement (our “2020 Proxy Statement”) for our 2020 annual meeting (the “2020 Annual Meeting”) in accordance with Rule 14a-8 must submit the proposal in writing to Corporate Secretary, Citizens Community Bancorp, Inc., 2174 EastRidge Center, Eau Claire, Wisconsin 54701. We must receive a proposal by December 17, 2019 (120 days prior to the anniversary of the mailing date of this Proxy Statement) in order to consider it for inclusion in our 2020 Proxy Statement.

Stockholder proposals that are not intended to be included in the proxy materials for our 2020 Annual Meeting, but that are to be presented by the stockholder from the floor are subject to the advance notice provisions in our Bylaws. According to our Bylaws, in order to be properly brought before the meeting, a proposal not intended for inclusion in our proxy materials must be received at our principal offices after February 7, 2020 (120 days prior to the anniversary of this annual meeting of stockholders) and before March 8, 2020 (90 days prior to the anniversary of this annual meeting of stockholders), except with respect to director nominations. The notice must set forth the following: (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting; (ii) the name and address of the stockholder proposing such business, as they appear on the Company’s books, and of the beneficial owner, if any, on whose behalf the proposal is made; (iii) the class and number of shares of the Company’s capital stock that are beneficially owned or of record by such stockholder and the underlying beneficial owner, if different; (iv) a description of all arrangements or understandings between such stockholder and any other person or persons (including their names) in connection with the proposal of such business by such stockholder and any material interest of such stockholder in such business; and (v) a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting. Stockholder proposals related to director nominations under our Bylaws must be received at our principal offices not less than ninety (90) days prior to the date of the meeting; provided, however, that if less than one hundred (100) days’ notice or prior disclosure of the date of the annual meeting is given or made to stockholders, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or otherwise transmitted or the day on which public announcement of the date of the meeting was first made by the Company, whichever shall first occur. The stockholder’s notice must comply with the same requirements for the notice described above for proposals other than in connection with director nominations, must be in writing and shall set forth: (a) as to each person whom such stockholder proposes to nominate

for election as a director, all information relating to such person that is required to be disclosed in connection with solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, or any successor rule or regulation, (b) as to the stockholder giving the notice: (i) the name and address of such stockholder as they appear on the Company's books and of the beneficial owner, if any, on whose behalf the nomination is made; (ii) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by such stockholder and such beneficial owner, if different; (iii) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which

the nomination(s) are to be made by such stockholder; (iv) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in his, her or its notice; and (v) any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act or any successor rule or regulation. Such notice must be accompanied by a written consent of each proposed nominee to be named as a nominee and to serve as a director of Citizens if elected.

If the notice does not comply with the requirements set forth in our Bylaws, the chairman of the meeting may refuse to acknowledge the matter. If the chairman of the meeting decides to present a proposal despite its untimeliness, the people named in the proxies solicited by the Board of Directors for the 2020 Annual Meeting of Stockholders will have the right to exercise discretionary voting power with respect to such proposal.

OTHER MATTERS

Our directors know of no other matters to be brought before the meeting. If any other matters properly come before the meeting, including any adjournment or adjournments thereof, it is intended that proxies received in response to this solicitation will be voted on such matters in the discretion of the person or persons named in the accompanying proxy form.
