The information included in this Current Report on Form 8-K is presented in connection with the change described above. The information contained in this Current Report on Form 8-K is presented as of December 31, 2006 and, except as indicated above, has not been updated to reflect financial results subsequent to that date or any other changes since the date of the Company's Annual Report. Other than the note to the consolidated financial statements discussed above, there are no changes to the Company's previously reported consolidated operating results, financial position, or cash flows.
