Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 5, 2019, the compensation committee of the board of the directors of Giga-tronics Incorporated (the “Company”) adopted three new forms of agreements with respect to the granting of stock options to directors, executive officers and employees under the Giga-tronics Incorporated 2018 Equity Incentive Plan (the “2018 Plan”). The Company expects these forms of agreements will be used for future grants under the 2018 Plan, though the Company may use different forms from time to time as approved by the board of directors or its compensation committee.

The three new forms of option agreements generally provide that options will vest over four years, with 25% of the options vesting on the first anniversary of the grant date and the balance of the options vesting in equal parts over the following 36 months, subject to the optionholders’ continuing service with the Company. The form of executive officers’ option agreement further provides that the options will vest in full if the executive’s employment is either terminated by the Company or by the executive with good reason, as defined in the agreement, in connection with a change of control. The Company anticipates that it may grant options to its executive officers using either the form for executive officers or the form for employees generally, as determined by the board of directors or its compensation committee from time to time.

The foregoing description of the forms of option agreements is qualified in its entirety by reference to the forms attached hereto as Exhibits 10.1, 10.2 and 10.3 and incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.

Reference is made to the exhibits listed in the Exhibit Index included with this Form 8-K.
