- (1) Acquired upon the complete exercise of a grant under the Non-Qualified Employee Stock Purchase Plan, which grant was previously reported at the start of a six month option term, to acquire common stock up to an option amount which is 25% of the optionee's quarterly salary less \$6,250, at a purchase price equal to the lower of 100% of the market value on the date of grant or 85% of the market value on the date of exercise.
- (2) Includes shares of common stock acquired from the non-reportable exercise under a Qualified Employee Stock Purchase Plan.
- (3) Granted under the Company's Non-Qualified Employee Stock Purchase Plan.
- (4) The option was granted on the first day of the option term and previously reported as a right to purchase shares of the Company's common stock at an exercise price equal to the market value on the date of grant. or 85% of the market value on the day prior to the exercise date. The number of shares exercised is based on the option amount divided by the lower of 100% of the market value on the grant date or 85% of the market value on the day prior to the exercise date.

The option will be exercisable for that number of shares equal to the option amount (25% of the optionee's quarterly salary less \$6,250) divided by the lesser of the market value of the common stock on the grant date or 85% of the market value on the day prior to the exercise date.

- (6) The stock options become exercisable in three equal installments, commencing one year from the grant date.
- (7) The stock options will vest according to predetermined milestones which must be achieved prior to specified dates after which the stock options will be cancelled.
