## FORWARD-LOOKING STATEMENTS

This announcement contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are, by their nature, subject to significant risks and uncertainties. These forward-looking statements include, without limitation, statements relating to:

- our business objectives and strategies, including those relating to the development of our terminal procurement and distribution business;
- our operations and prospects;
- our network expansion and capital expenditure plans;
- the expected impact of any acquisitions or other strategic transactions;
- our provision of services, including fourth generation, or 4G, services, wireline broadband services and services based on technological evolution, and the ability to attract customers to these services;
- the planned development of future generations of mobile technologies, including 5G technologies, and other technologies and related applications;
- the anticipated evolution of the industry chain of 4G and future generations of mobile technologies, including future development in, and availability of, terminals that support our provision of services based on 4G and future generations of mobile technologies, and testing and commercialization of future generations of mobile technologies;
- the expected benefit from our investment in and any arrangements with China Tower Corporation Limited;
- the expected impact of the implementation in Mainland China of the policy of “speed upgrade and tariff reduction” on our business, financial condition and results of operations;
- the expected impact of tariff changes on our business, financial condition and results of operations;
- the expected impact of new service offerings on our business, financial condition and results of operations; and
- future developments in the telecommunications industry in Mainland China, including changes in the regulatory and competitive landscape.

The words “aim”, “anticipate”, “believe”, “could”, “endeavor”, “estimate”, “expect”, “intend”, “may”, “plan”, “seek”, “should”, “will” and similar expressions, as they relate to us, are intended to identify certain of these forward-looking statements. We do not intend to update these forward-looking statements and are under no obligation to do so.

These forward-looking statements are subject to risks, uncertainties and assumptions, some of which are beyond our control. In addition, these forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. Actual results may differ materially from information contained in the forward-looking statements as a result of a number of factors, including the risk factors set forth in the “Risk Factor” section of our latest Annual Report on Form 20-F, as filed with the U.S. Securities and Exchange Commission.

ANNOUNCEMENT IN RELATION TO

THE AUDIT OF NATIONAL AUDIT OFFICE

In 2017, the National Audit Office of the People's Republic of China (the "National Audit Office") conducted an audit mainly on the financial revenue and expenditures for the year 2016 of China Mobile Communications Group Co., Ltd. (formerly known as China Mobile Communications Corporation, "CMCC"), the ultimate controlling shareholder of China Mobile Limited (the "Company", including its subsidiaries, the "Group") (the "Audit").

The Audit results indicated that CMCC had deepened its strategy of "Four-Network" coordination, realized its business transformation from voice-oriented operations to data traffic-oriented operations, improved overall budget management and internal controls to continuously enhance its operations and management. The Audit also found that there were still some issues with CMCC requiring further improvement in areas such as its financial management and accounting as well as operations management, including certain isolated items involving several subsidiaries of the Group.

The Group attaches great importance to those issues identified as involving the Group, and has formulated effective rectification measures and plans for each issue. At present, all relevant issues have already been rectified in accordance with the requirements of the National Audit Office and the relevant responsible persons have been held accountable.

The Group will take the Audit as an opportunity to review various aspects of its operations. Taking the Audit findings as examples for areas of improvement, the Group will continue strengthening the construction and implementation of its systems for an enhanced risk preventive mechanism and improving its corporate management to promote its corporate strategic transformation and sustainable healthy development.

The issues identified in the Audit have no material impact on the overall operating results, financial reports and effectiveness of internal controls of the Group.

A-1

---

The National Audit Office has publicly announced the audit results of CMCC for the year 2016 in the form of an “Audit Results Announcement”. CMCC has also announced its rectification made on its official website.
