PROSPECTUS

GENIUS BRANDS

INTERNATIONAL, INC.

3,600,000 Shares of Common Stock

This prospectus relates to the resale of up to an aggregate of 3,600,000 shares of our common stock issuable upon the conversion of certain secured convertible notes and the exercise of certain outstanding warrants. Of this total, (i) 1,800,000 shares of our common stock are issuable upon the conversion of our 10% secured convertible notes due August 20, 2019 (the “Secured Convertible Notes”) issued by Genius Brands International, Inc. (the “Company”), and (ii) 1,800,000 shares of our common stock are issuable upon exercise of warrants (the “Warrants,” and, together with the Secured Convertible Notes, the “Securities”) at an exercise price of \$3.00 per share. The Securities were issued by the Company to (i) accredited investors pursuant to or in connection with a Securities Purchase Agreement, dated August 17, 2018, by and among the Company and the purchasers named therein.

These shares of common stock will be resold from time to time by the entities and persons listed in the section titled “Selling Securityholders” on page 6, which we refer to as the selling securityholders. The shares of common stock offered under this prospectus by the selling securityholders will be issued upon the conversion of the Secured Convertible Notes and exercise of the Warrants. We are not selling any securities under this prospectus and we will not receive any of the proceeds from the sale of shares of our common stock by the selling securityholders. The selling securityholders will receive all of the proceeds from any sales of the shares of our common stock offered hereby. However, we will incur expenses in connection with the registration of the shares of our common stock offered hereby, including legal and accounting fees. Moreover, we will receive the exercise price upon any exercise of the

Warrants, to the extent exercised on a cash basis. If the Warrants are exercised in full, we would receive gross proceeds of approximately \$5.4 million. We currently intend to use such proceeds, if any, for general corporate purposes and working capital. The holder of the Warrant is not obligated to exercise the Warrant, and we cannot predict whether or when, if ever, the holder of the Warrant will choose to exercise the Warrant, in whole or in part.

The selling securityholders may sell the shares of common stock described in this prospectus in a number of different ways and at varying prices. We provide more information about how a selling securityholder may sell its shares of common stock in the section titled “Plan of Distribution” on page 9.

Our common stock is quoted on The Nasdaq Capital Market, or Nasdaq, under the symbol “GNUS.” On September 11, 2018, the last reported sale price of our common stock was \$2.14 per share.

In addition, the Company acts as licensing agent for Llama Llama, leveraging its existing licensing infrastructure to expand this brand into new product categories, and new territories.

Recent Developments

Private Placement Offering

On August 17, 2018, we entered into a Securities Purchase Agreement (the “Purchase Agreement”) with certain investors (the “Investors”), pursuant to which we agreed to sell (the “Offering”) (i) an aggregate principal amount of \$4.50 million in secured convertible notes, convertible into shares of our common stock, at a conversion price of \$2.50 per share (the “Secured Convertible Notes”) and (ii) warrants to purchase 1,800,000 shares of our common stock at an

exercise price of \$3.00 per share (the “Warrants,” and, together with the Secured Convertible Notes, the “Securities”). We received approximately \$4,500,000 in gross proceeds from the Offering.

Secured Convertible Notes and Warrants

The Secured Convertible Notes are our senior secured obligations and are secured by certain tangible and intangible property of the Company as described in the Purchase Agreement. Unless earlier converted or redeemed, the Secured Convertible Notes will mature on August 20, 2019. The Secured Convertible Notes bear interest at a rate of 10% per annum, and are convertible at any time until a Secured Convertible Note is no longer outstanding, in whole or in part, at the option of the holders into shares of common stock at a conversion price of \$2.50 per share. The Secured Convertible Notes have a beneficial ownership limitation such that none of the Investors have the right to convert any portion of their Secured Convertible Notes if the Investor (together with its affiliates or any other persons acting together as a group with the Investor) would beneficially own in excess of 9.99% of the number of shares of our common stock outstanding immediately after giving effect to the issuance of our common stock issuable upon conversion of such Secured Convertible Notes. In addition, the Secured Convertible Notes provide for a conversion cap such that we may not issue any shares of our common stock upon conversion of Secured Convertible Notes which would exceed the aggregate number of shares of our common stock we could issue upon conversion of the Secured Convertible Notes without breaching our obligations, if any, under Nasdaq Stock Market LLC rules and regulations.

Interest under the Secured Convertible Notes is payable in arrears beginning on September 1, 2018 and thereafter on each of December 1, 2018, March 1, 2019, June 1, 2019 and at maturity when all amounts outstanding under the Secured Convertible Notes become due and payable. Subject to certain equity conditions, we may redeem the Secured Convertible Notes at any time prior to maturity. If we do not meet such equity conditions at maturity, we are obligated to repay in cash one-sixth of the then outstanding principal amount of the Secured Convertible Notes each month for the six months following the date of maturity, with the first such payment due on the date of maturity, followed by payments each month thereafter.

The Secured Convertible Notes contain certain negative covenants, including prohibitions on the incurrence of indebtedness or liens. The Secured Convertible Notes also contain standard and customary events of default including, but not limited to, failure to make payments when due, failure to observe or perform covenants or agreements contained in the Secured Convertible Notes or the bankruptcy or insolvency of the Company or any of our subsidiaries.

The Warrants entitle the holders to purchase 1,800,000 shares of common stock. The Warrants are not exercisable until after six months from the date of issuance and expire five and half years from the date of issuance. The Warrants have an exercise price of \$3.00 per share. In the event of a “Fundamental Transaction” (as defined in the Warrants), the Investors have the right to receive the value of the Warrants as determined in accordance with the Black Scholes option pricing model.

Company Information

We were incorporated in California on January 3, 2006 and reincorporated in Nevada in October 2011. We commenced operations in January 2006, assuming all of the rights and obligations of our then Chief Executive Officer, under an Asset Purchase Agreement between the Company and Genius Products, Inc., in which we obtained all rights, copyrights, and trademarks to the brands “Baby Genius,” “Kid Genius,” “123 Favorite Music” and “Wee Worship,” and all then existing productions under those titles.

Our principal executive offices are located at 131 S. Rodeo Drive, Suite 250, Beverly Hills, California 90212. Our telephone number is 310-273-4222. We maintain an Internet website at www.gnusbrands.com. The information contained on, connected to or that can be accessed via our website is not part of this prospectus. We have included our website address in this prospectus as an inactive textual reference only and not as an active hyperlink.

RISK FACTORS

Investing in our securities involves a high degree of risk. You should carefully review and consider the following risk factors and in the sections entitled “Risk Factors” contained in our most recent annual report on Form 10-K, which has been filed with the SEC and is incorporated by reference in this prospectus, as well as any updates thereto contained in subsequent filings with the SEC, and all other information contained in this prospectus and incorporated by reference into the prospectus before purchasing our securities. The risks and uncertainties described below are not the only ones facing our Company. Additional risks and uncertainties of which we are unaware, or that we currently deem immaterial, also may become important factors that affect us. If any of the following risks occur, our business, financial condition or results of operations could be materially and adversely affected. In that case, the trading price of our common stock could decline, and you may lose some or all of your investment.

The exercise of a substantial number of warrants or the conversion of a substantial amount of convertible notes by our security holders may have an adverse effect on the market price of our common stock.

Should any warrants outstanding and Secured Convertible Notes outstanding as of August 28, 2018 be exercised or converted, as applicable, there would be an additional 7,699,389 shares of common stock eligible for trading in the public market. Such securities, if exercised or converted, as applicable, will increase the number of issued and outstanding shares of our common stock. Therefore, the sale of the shares of common stock underlying the warrants and Secured Convertible Notes could have an adverse effect on the market price for our securities and/or on our ability to obtain future financing.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), that involve substantial risks and uncertainties. You can identify these statements by the fact that they do not relate strictly to historic or current facts. They use words, such as “anticipate,” “could,” “continue,” “contemplate,” “estimate,” “expect,” “will,” “may,” “potential,” “intend,” “plan,” “believe,” and other words and terms of similar meaning. These include statements, among others, relating to the sufficiency of our financial resources, our planned future actions, and expected outcomes, our products under development, our intellectual property position, our plans with respect to funding operations, projected expense levels, and the outcome of contingencies.

Any or all of our forward-looking statements in this report may turn out to be wrong. They can be affected by inaccurate assumptions we might make or by known or unknown risks and uncertainties. Consequently, no forward-looking statement can be guaranteed. Actual results may vary materially from those set forth in forward-looking statements. The uncertainties that may cause differences include, but are not limited to: our need for additional funds to finance our operations; our history of losses; anticipated continuing losses and uncertainty of future financing; market acceptance of our services; the sufficiency of our existing capital resources; competition from other companies; the risk of technological obsolescence; uncertainties related to our ability to obtain intellectual property protection for our technology; and dependence on officers, directors and other individuals.

We will not update forward-looking statements, whether as a result of new information, future events or otherwise, unless required by law. You are advised to consult any further disclosures we make in our reports to the SEC, including our reports on Forms 10-K, 10-Q and 8-K. Our filings list various important factors that could cause actual results to differ materially from expected results. We note these factors for investors as permitted by the Private Securities Litigation Reform Act of 1995. You should understand that it is not possible to predict or identify all such factors. Consequently, you should not consider any such list to be a complete set of all potential risks or uncertainties.

USE OF PROCEEDS

We are not selling any securities in this offering and we will not receive any of the proceeds from the sale of shares of our common stock by the selling securityholders. The selling securityholders will receive all of the proceeds from any sales of the shares of our common stock offered hereby. However, we will incur expenses in connection with the registration of the shares of our common stock offered hereby, including legal and accounting fees.

We will receive the exercise price upon any exercise of the Warrants, to the extent exercised on a cash basis. If the Warrants are exercised in full, we would receive gross proceeds of approximately \$5.4 million. We currently intend to use such proceeds, if any, for general corporate purposes and working capital. The holder of the Warrant is not obligated to exercise the Warrant, and we cannot predict whether or when, if ever, the holder of the Warrant will choose to exercise the Warrant, in whole or in part.

SELLING SECURITYHOLDERS

The shares of common stock being offered by the selling securityholders are those issuable to the selling securityholders upon conversion of the Secured Convertible Notes and exercise of the Warrants. We are registering (i) 1,800,000 shares of our common stock which are issuable upon the conversion of Secured Convertible Notes, and (ii) 1,800,000 shares of our common stock which are issuable upon exercise of the Warrants. The Securities were issued by the Company to the Investors pursuant to the Purchase Agreement.

The table below lists the selling securityholders and other information regarding the beneficial ownership (as determined under Section 13(d) of the Exchange Act and the rules and regulations thereunder) of the shares of common stock held by each of the selling securityholders. The second column lists the number of shares of common stock beneficially owned by the selling securityholders, based on their respective ownership of shares of common stock, as of September 12, 2018, assuming conversion of the Secured Convertible Notes and exercise of the Warrants held by each such selling securityholder on that date but taking account of any limitations on exercise set forth therein. The percentage of shares beneficially owned prior to the offering is based on 9,130,986 shares of our common stock outstanding as of September 12, 2018. The number of shares in the column “Maximum Number of Shares of Common Stock to be Sold Pursuant to this Prospectus” represents all of the shares that the selling securityholder may offer under this prospectus and does not take into account any limitations on the conversion of Secured Convertible Notes and exercise of Warrants set forth therein.

Under the terms of the Secured Convertible Notes and the Warrants, a selling securityholder may not convert the Secured Convertible Notes or exercise the Warrants to the extent (but only to the extent) such selling securityholder or any of its affiliates would beneficially own a number of shares of our common stock which would exceed 9.99% of the total number of shares of our common stock then issued or outstanding. The numbers in the fourth column reflects these limitations. The selling securityholders may sell all, some or none of their shares in this offering. See “Plan of Distribution.”

The selling securityholder's address is 11755 Wilshire Blvd., Suite 1650, Los Angeles, CA 90025.

PLAN OF DISTRIBUTION

We are registering the shares of common stock that may be issued upon conversion of the Secured Convertible Notes issued pursuant to the Purchase Agreement and upon exercise of the Warrants issued pursuant to the terms of the Purchase Agreement to permit the resale of these shares of common stock by the holders of such Secured Convertible Notes and Warrants from time to time after the date of this prospectus. We will not receive any of the proceeds from the sale by the selling stockholders of the shares of common stock. We will bear all fees and expenses incident to our obligation to register the shares of common stock.

The selling stockholders may sell all or a portion of the shares of common stock beneficially owned by them and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents. If the shares of common stock are sold through underwriters or broker-dealers, the selling stockholders will be responsible for underwriting discounts or commissions or agent's commissions. The shares of common stock may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions, pursuant to one or more of the following methods:

- on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale;
- in the over-the-counter market;
- in transactions otherwise than on these exchanges or systems or in the over-the-counter market;
- through the writing of options, whether such options are listed on an options exchange or otherwise;
- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;

- privately negotiated transactions;

- short sales;

- sales pursuant to Rule 144;

- broker-dealers may agree with the selling securityholders to sell a specified number of such shares at a stipulated price per share;

- a combination of any such methods of sale; and

- any other method permitted pursuant to applicable law.

If the selling stockholders effect such transactions by selling shares of common stock to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the selling stockholders or commissions from purchasers of the shares of common stock for whom they may act as agent or to whom they may sell as principal (which discounts, concessions or commissions as to particular underwriters, broker-dealers or agents may be in excess of those customary in the types of transactions involved). In connection with sales of the shares of common stock or otherwise, the selling stockholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the shares of common stock in the course of hedging in positions they assume. The selling stockholders may also sell shares of common stock short and deliver shares of common stock covered by this prospectus to close out short positions and to return borrowed shares in connection with such short sales. The selling stockholders may also loan or pledge shares of common stock to broker-dealers that in turn may sell such shares.

The selling stockholders may pledge or grant a security interest in some or all of the shares of common stock, Secured Convertible Notes or Warrants owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of Common Stock from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act, amending, if necessary, the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders also may transfer and donate the shares of common stock in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The selling stockholders and any broker-dealer participating in the distribution of the shares of common stock may be deemed to be "underwriters" within the meaning of the Securities Act, and any commission paid, or any discounts or concessions allowed to, any such broker-dealer may be deemed to be underwriting commissions or discounts under the Securities Act. At the time a particular offering of the shares of common stock is made, a prospectus supplement, if required, will be distributed which will set forth the aggregate amount of shares of common stock being offered and the terms of the offering, including the name or names of any broker-dealers or agents, any discounts, commissions and other terms constituting compensation from the selling stockholders and any discounts, commissions or concessions allowed or re-allowed or paid to broker-dealers.

Under the securities laws of some states, the shares of common stock may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the shares of common stock may not be sold unless such shares have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with.

There can be no assurance that any selling stockholder will sell any or all of the shares of common stock registered pursuant to the registration statement, of which this prospectus forms a part.

The selling stockholders and any other person participating in such distribution will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including, without limitation, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the shares of common stock by the selling stockholders and any other participating person. Regulation M may also restrict the ability of any person engaged in the distribution of the shares of common stock to engage in market-making activities with respect to the shares of common stock. All of the foregoing may affect the marketability of the shares of common stock and the ability of any person or entity to engage in market-making activities with respect to the shares of common stock.

We will pay all expenses of the registration of the shares of common stock pursuant to the Registration Rights Agreement, estimated to be approximately \$10,000 in total, including, without limitation, SEC filing fees and expenses of compliance with state securities or "blue sky" laws; provided, however, that a selling stockholder will pay

all underwriting discounts and selling commissions, if any. We will indemnify the selling stockholders against liabilities, including some liabilities under the Securities Act, in accordance with the Registration Rights Agreement, or the selling stockholders will be entitled to contribution. We may be indemnified by the selling stockholders against civil liabilities, including liabilities under the Securities Act, that may arise from any written information furnished to us by the selling stockholder specifically for use in this prospectus, in accordance with the Registration Rights Agreement, or we may be entitled to contribution.

Once sold under the registration statement, of which this prospectus forms a part, the shares of common stock will be freely tradable in the hands of persons other than our affiliates.

Item 15. Indemnification of Directors and Officers

The Nevada Revised Statutes provide that:

a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with the action, suit or proceeding if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful;

a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture,

trust or other enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by him or her in connection with the defense or settlement of the action or suit if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper; and

to the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding, or in defense of any claim, issue or matter therein, the corporation must indemnify him or her against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the defense.

The Nevada Revised Statutes provide that we may make any discretionary indemnification only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances. The determination must be made:

·by our stockholders;

·by our board of directors by majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding;

if a majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding so orders, by independent legal counsel in a written opinion;

if a quorum consisting of directors who were not parties to the action, suit or proceeding cannot be obtained, by independent legal counsel in a written opinion; or

by court order.

Our Bylaws provide that our company shall indemnify each director, officer, and employee of our company, (i) against all the expenses (including attorneys' fees, court costs and expert witness fees), judgments, decrees and fines actually paid in settlement in connection with any action, suit or proceeding, provided that the Board of Directors shall first have determined, in its sole judgment, that the person acted in good faith and in a manner that he or she reasonably believed to be in the best interests of the company. Our Bylaws also provide that our company may, in its discretion, pay the expenses (including attorneys' fees) incurred in defending proceeding civil action, suit or proceeding in advance of its final disposition, provided, however, that the payment of expenses incurred by a director or officer in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by the director or officer to repay all amounts advanced if it should be ultimately determined that the director or officer is not entitled to be indemnified under the Bylaws.

Item 17.Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(ii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 (§239.13 of this chapter) or Form F-3 (§239.33 of this chapter) and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) (§230.424(b) of this chapter) that is part of the registration statement.

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective (2) amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the registrant is relying on Rule 430B (§230.430B of this chapter):

Each prospectus filed by the registrant pursuant to Rule 424(b)(3) (§230.424(b)(3) of this chapter) shall be (A) deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) (§230.424(b)(2), (b)(5), or (b)(7) of this chapter) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) (§230.415(a)(1)(i), (vii), or (x) of this chapter) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be (B) deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

- If the registrant is subject to Rule 430C (§230.430C of this chapter), each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A (§230.430A of this chapter), shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however,
- (ii) that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424 (§230.424 of this chapter);
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

- The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against

public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
