- This transaction was executed in multiple sales at prices ranging from \$38.41 to \$38.91, as reported on the original Form 4. However, the weighted average price reflected on the original Form 4, based on information provided by the broker who executed the transactions, was
- (1) incorrect. This amendment is being filed solely to reflect the correct weighted average price based on updated transaction information provided by the broker. The reporting person hereby undertakes to provide upon request to the SEC staff, the issuer or a security holder of the issuer full information regarding the number of shares and prices at which the transaction was effected.
 - (2) This report includes non-reportable acquisitions by the reporting person pursuant to the 1999 Employee Stock Purchase Plan of Forest Oil Corporation.
 - (3) On March 2, 2006, Forest completed a spin-off transaction involving a wholly-owned subsidiary, which was subsequently merged with a subsidiary of Mariner Energy, Inc. The number and the exercise price of all outstanding stock options granted under Forest's equity incentive plans, including the options exercised by the reporting person and reported herein, were adjusted to reflect the spin-off.
 - (4) This option is exercisable in four equal installments on each of the first four anniversaries of the date of grant.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.
