Item 1.01 Entry into a Material Definitive Agreement.

On July 30, 2010 (the "Closing Date"), DST Systems, Inc. ("DST" or the "Company"), completed its previously announced plans with respect to dsicmm Group Limited ("dsicmm"), a U.K. company offering integrated print and communication solutions. The business of dsicmm is being combined with the print and mail business of DST Output UK, a wholly-owned subsidiary of DST. The combined business is named Innovative Output Solutions Limited ("IOS"). On a pro-forma basis, the transaction is not expected to have a material impact on DST's net income or earnings per share for 2010. DST will consolidate IOS' financial results beginning on the Closing Date.

As part of the closing of the transaction, the Company also entered into a Shareholders Agreement with the other IOS shareholders, who are certain of the previous owners of dsicmm. The Shareholders Agreement details the composition of the IOS board of directors. The Shareholders Agreement includes certain restrictions on the transfer of a shareholder's shares in IOS and provides for certain circumstances which would require a shareholder to transfer its shares. The Shareholders Agreement includes a procedure that may be used to resolve a deadlock on the board or among the IOS shareholders in certain circumstances.

This summary does not purport to be complete, and is qualified in its entirety by reference to the Shareholders Agreement, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
