The Company today issued the following press release:

First National Lincoln Corporation Declares Dividend

DAMARISCOTTA, Maine--(BUSINESS WIRE) -- March 12, 2004--The Board of Directors of First National Lincoln Corporation (NASDAQ NM: FNLC), yesterday declared a quarterly dividend of \$0.31 per share. This first quarter dividend, which is payable April 30, 2004, to shareholders of record as of April 9, 2004, represents an increase of 14.8% or \$0.04 per share over the first quarter dividend declared in 2003.

"With this increase of \$0.01 to \$0.31 per share per quarter, the Company has now raised its dividend for 34 consecutive quarters," noted Daniel R. Daigneault, FNLC's President & Chief Executive Officer. "This translates into an annual dividend of \$1.24 per share, and based on today's closing price of \$46.74 per share, our dividend yield is 2.65%.

"Our operating results in 2003 were exceptional," President Daigneault continued, "and I am happy that we are beginning 2004 by continuing to share our profits with our Shareholders in the form of cash dividends. In the current low interest rate environment, the change in tax-treatment of dividends in 2003 continues to be a positive factor for companies like ours which have a healthy dividend yield. For all of these reasons, I continue to view First National Lincoln Corporation as an extremely attractive investment alternative."
