#### Item 4. Description of Securities.

Not applicable.

#### Item 5. Interests of Named Experts and Counsel.

The legality of the shares of Common Stock being registered pursuant to this Registration Statement will be passed upon for the Registrant by Paul T. Dacier, Executive Vice President and General Counsel of the Registrant. Mr. Dacier holds options to purchase Common Stock, owns shares of Common Stock and is eligible to participate in the Registrant's equity plans.

#### Item 6. Indemnification of Directors and Officers.

Section 2.02(b)(4) of the Massachusetts Business Corporation Act (the “MBCA”) provides that a Massachusetts corporation may, in its articles of organization, eliminate or limit the personal liability of a director to the corporation for monetary damages for breach of fiduciary duty notwithstanding any law to the contrary, except

---

for liability for (i) any breach of duty of loyalty to the corporation or to the shareholders, (ii) acts or omissions not in good faith, intentional misconduct or knowing violations of law, (iii) certain improper distributions or (iv) any transaction from which the director derived an improper personal benefit.

Section 8.51 of the MBCA authorizes a Massachusetts corporation to indemnify a director of the corporation against liability in such capacity if the director (i) conducted himself in good faith, (ii) reasonably believed his conduct was in, or at least not opposed to, the best interests of the corporation, and (iii) in the case of a criminal proceeding, had no reasonable cause to believe his conduct was unlawful. Section 8.51 also allows for indemnification of a director if the liability in question was eliminated by the corporation's articles of organization pursuant to Section 2.02(b)(4) of the MBCA. Section 8.52 of the MBCA requires that a Massachusetts corporation indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which such director was a party because he was a director of the corporation.

Section 8.53 of the MBCA authorizes a Massachusetts corporation to pay for, in advance, a director's reasonable expenses in a proceeding if, among other things, the director delivers to the corporation (i) a written confirmation of his good faith belief that he has met the relevant standard of conduct in Section 8.51 of the MBCA or the proceeding involves conduct for which liability has been eliminated under the corporation's articles of organization as permitted by Section 2.02(b)(4) of the MBCA, and (ii) a written undertaking to repay any funds advanced if he is not entitled to mandatory indemnification under Section 8.52 and it is ultimately determined, pursuant to procedures further laid out in the MBCA, that he has not met the standard of conduct for under Section 8.51.

Section 8.56 of the MBCA authorizes a corporation to indemnify, and advance expenses to, an officer of the corporation to the same extent as a director, and if such officer is not a director of the corporation, or if such officer is also a director but the basis on which he is made a party to the proceeding is an act or omission solely as an officer, to such further extent as may be provided in the corporation's articles of organization, bylaws, board resolution or contract provided that the officer may not be indemnified for acts or omissions not in good faith, intentional misconduct or knowing violations of law. Section 8.56 of the MBCA requires that a Massachusetts corporation indemnify an officer of the corporation who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which such officer was a party because he was an officer of the corporation.

The Registrant's Restated Articles of Organization (the "Articles") include a provision that eliminates the personal liability of each of its directors to the Registrant or its shareholders for monetary damages for breach of fiduciary duty as a director to the extent provided by applicable law, notwithstanding any provision of law imposing such liability, except for liability, to the extent required by Section 13(b)(1 1/2) or any successor provision of the Massachusetts Business Corporation Law, (i) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under the Massachusetts Business Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit.

The Registrant's Amended and Restated Bylaws (the "Bylaws") provide that the Registrant shall, to the extent legally permissible, indemnify each of its directors and officers (including persons who act at its request as directors, officers or trustees of another organization or in any capacity with respect to any employee benefit plan) against all liabilities and expenses, including amounts paid in satisfaction of judgments, in compromise or as fines and penalties, and counsel fees, reasonably incurred by such director or officer in connection with the defense or disposition of any action, suit or other proceeding, whether civil or criminal, in which such director or officer may be involved or with which such director or officer may be threatened, while in office or thereafter, by reason of such individual being or having been such a director or officer, except with respect to any matter as to which such director or officer shall have been adjudicated in any proceeding not to have acted in good faith in the reasonable belief that such individual's action was in the best interests of the Registrant (any person serving another organization in one or more of the indicated

capacities at the request of the Registrant who shall have acted in good faith in the reasonable belief that such individual's action was in the best interests of such other organization to be deemed as having acted in such manner with respect to the Registrant) or, to the extent that such matter relates to

---

service with respect to any employee benefit plan, in the best interests of the participants or beneficiaries of such employee benefit plan; provided, however, that as to any matter disposed of by a compromise payment by such director or officer, pursuant to a consent decree or otherwise, no indemnification either for said payment or for any other expenses shall be provided unless such compromise shall be approved as in the best interests of the Registrant, after notice that it involves such indemnification: (i) by a disinterested majority of the directors then in office; or (ii) by a majority of the disinterested directors then in office, provided that there has been obtained an opinion in writing of independent legal counsel to the effect that such director or officer appears to have acted in good faith in the reasonable belief that such individual's action was in the best interests of the Registrant; or (iii) by the holders of a majority of the outstanding stock at the time entitled to vote for directors, voting as a single class, exclusive of any stock owned by any interested director or officer. Expenses, including counsel fees, reasonably incurred by any director or officer in connection with the defense or disposition of any such action, suit or other proceeding may be paid from time to time by the Registrant in advance of the final disposition thereof upon receipt of an undertaking by such director or officer to repay to the Registrant the amounts so paid by the Registrant if it is ultimately determined that indemnification for such expenses is not authorized under the Bylaws. The right of indemnification provided under the Bylaws shall not be exclusive of or affect any other rights to which any director or officer may be entitled.

The Registrant has entered into indemnification agreements with each of its directors and executive officers providing for the indemnification of such director or executive officer to the extent legally permissible and for the payment of any and all expenses, including counsel fees, paid or incurred in connection with the defense or disposition of any action, suit or other proceeding in which such individual may be involved by reason of such individual being or having been a director or officer of the Registrant.

The foregoing summaries are necessarily subject to the complete text of the statute, the Articles, the Bylaws and the agreements referred to above and are qualified in their entirety by reference thereto.

It is the opinion of the Commission that indemnification of directors and officers for liabilities arising under the Securities Act of 1933, as amended (the "Securities Act"), is against public policy and is unenforceable pursuant to Section 14 of the Securities Act.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The following exhibits are filed as part of or incorporated by reference into this Registration Statement:

5.1 Opinion of Paul T. Dacier, Executive Vice President and General Counsel to the Registrant, as to the legality of the securities being registered.

23.1 Consent of PricewaterhouseCoopers LLP, Independent Registered Public Accounting Firm.

23.2 Consent of Paul T. Dacier, Executive Vice President and General Counsel to the Registrant (contained in the opinion filed as Exhibit 5.1 to this Registration Statement).

24.1 Power of Attorney (included on the signature pages to this Registration Statement).

Item 9. Undertakings.

The Registrant hereby undertakes:

---

(a)(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i). To include any prospectus required by Section 10(a)(3) of the Securities Act;

To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii). To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

That, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
