On November 8, 2002 Navistar International Corporation (the "Company" and the parent company International Truck and Engine Corporation ("International")) sold an aggregate amount of 7,755,030 shares of the Company's Common Stock, par value \$.10 per share, in three separate sales; 4,653,018 shares to the Non-Contributory Retirement Plan Trust (the "Hourly Trust"), 1,551,006 shares to the International for Salaried Employees Trust (the "Salaried Trust"), and 1,551,006 shares to the International Retirement Benefit Trust (the "Health Benefit Trust"), for an aggregate purchase price of \$175,000,000. Each trust is a funding trust for an employee benefit plan sponsored by International. The trust agreements of the Hourly Trust and the Salaried Trust provide that the trustee of the trust is only a directed trustee with respect to the stock held by the trusts and that the Pension Fund Investment Committee of International (the "PFIC") is the investment manager designated by the PFIC, is to direct the

trustee with respect to the voting or disposition of employer securities. The trust agreement for the Health Benefit Trust provides that International, or an investment manager appointed by International, is the trustee with respect to voting and disposition of employer securities. International has delegated such matters to the Base Plan Investment Committee of International (the "BPIC"), which currently consists of members as the PFIC; all who are executive officers of the Company. The Company stock acquired by the trusts under employer securities under these provisions. Jennison Associates LLC has been appointed an investment manager for each trust with respect to the Company stock, and Jennison has been given discretionary authority over the acquisition and disposition of the stock. However, the Committee and the Company have the power to revoke or terminate the appointment of Jennison and therefore reacquire the voting and dispositive control over the Company stock. For this reason the Committees, International or the Company might be considered "beneficial owners" of the Company stock.

In addition, because of the relationship among the respective committees, the reporting person is deemed to constitute a "group" for purposes of Section 13(d)(3) of the Act. The reporting person disclaims that they have agreed to act as a group except for purposes of filing this Schedule 13G.
