### ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

On June 16, 2006, Orpheus, MNLIC and NACOLAH acquired warrants (the "Warrants") immediately exercisable for 1,892,857, 964,286 and 642,857 shares of Common Stock respectively, pursuant to the Warrants Purchase Agreement (the "Purchase Agreement"), dated June 16, 2006, among TAG, Orpheus, MNLIC, NACOLAH, and Durham Capital Corporation, a New York corporation. Pursuant to the Purchase Agreement, on June 16, 2006, TAG issued the Warrants in connection with the execution of a \$65 million credit facility (the "Credit Facility") described in the Credit Agreement (the "Credit Agreement"), dated June 16, 2006, among TAG, certain subsidiary borrowers and guarantors, Guggenheim Corporate Funding, LLC, an affiliate of GIM, as administrative agent and collateral agent for the lenders, and Orpheus, MNLIC and NACOLAH as lenders. The Credit Facility under the Credit Agreement consists of an initial term loan facility with availability of up to \$25 million and an additional term loan of up to \$40 million will be available under this facility to finance acquisitions acceptable to Guggenheim. All amounts under the term loans become due and payable in December 2010. The Credit Facility contains financial covenants, including covenants that TAG maintain minimum levels of EBITDA and interest coverage ratios and limitations on additional indebtedness, and negative covenants.

The Warrants have a term of 10 years. The Warrants are exercisable at a

price of \$1.88 per share with respect to 20% of the shares of Common Stock underlying the Warrant, \$2.00 per share with respect to 20% of the shares, \$3.00 per share with respect to 20% of the shares, \$3.75 per share with respect to 20% of the shares and \$4.50 per share with respect to 20% of the shares. The exercise prices are subject to adjustment for certain dilutive issuances pursuant to the terms of the Warrants.

The terms of the Warrants provide that upon the borrowing of an additional amount of up to \$2.5 million under the Credit Facility pursuant to Section 2.3 of the Credit Agreement, the Warrants shall become exercisable for 178,571, 107,143 and 71,429 additional shares of Common Stock for Orpheus, MNLIC and NACOLAH, respectively. The Credit Agreement provides that additional Warrants will be issued to the lenders under the Credit Agreement in connection with the funding of additional amounts under the Credit Facility.

#### ITEM 4. PURPOSE OF TRANSACTION.

The information contained in Item 6 of this Statement is hereby incorporated by reference herein.

The Reporting Persons have acquired the Warrants in connection with providing the commitments and term loans under the Credit Facility. The Warrants were acquired for investment purposes. suggestions concerning TAG's operations, prospects, business and financial strategies, assets and liabilities, business and financing alternatives and such other matters as the Reporting Persons may deem relevant to their extension of credit. Each Reporting Person expects that it will, from time to time, review its investment position in TAG and may, depending on market and other conditions, choose to exercise the Warrants to obtain the underlying shares of TAG Common Stock.

Whether the Reporting Persons exercise the Warrants, purchase any additional securities of TAG, or dispose of any securities of TAG, and the amount and timing of any such transactions, will depend upon the Reporting Persons' individual continuing assessments of pertinent factors, including the availability of securities of TAG for purchase at particular price levels, TAG's and the particular Reporting Person's business and prospects, other business investment opportunities available to the particular Reporting Person, economic conditions, stock market conditions, money market conditions, the attitudes and actions management of TAG, the availability and nature of opportunities to dispose of the particular Reporting Person's interest in TAG, to realize trading profits or minimize trading losses, and other plans and requirements of the particular Reporting Person. Depending upon its individual assessments of these factors from time to time, each Reporting Person may change its present intentions as stated above, including determining to acquire additional securities of TAG (by means of open market or privately negotiated purchases) or to dispose of some or all of the securities of TAG held by or under the control of such Reporting Person. In addition, each Reporting Person may from time to time enter into equity swap or other derivative transactions with respect to its investment in the securities of TAG. Each Reporting Person may have discussions with the Company or take actions with respect to the covenants and agreements, and any future draw-downs, under the Credit Agreement and related documents with respect to the Credit Facility, and may waive or fail to waive any covenants and take actions, including calling a default, with respect to its commitments under

the Credit Facility in its sole discretion.

Except as described herein, at the present time the Reporting Persons have no plans or proposals which relate to or would result in (a) the acquisition by any person of additional securities of TAG, or the disposition of securities of TAG, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving TAG or any of its subsidiaries, (c) a sale or transfer of a material amount of the assets of TAG or any of its subsidiaries, (d) any change in the present board of directors or management of TAG, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the present capitalization or dividend policy of TAG, (f) any other material change in TAG's business or corporate structure, (g) changes in TAG's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of TAG by any person, (h) a class of securities of TAG being delisted from a national securities exchange or ceasing to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of TAG becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act or (j) any action similar to any of those enumerated above. The Reporting Persons, however, expect to evaluate on an ongoing basis TAG's financial condition, business, operations and prospects, the market price of TAG Common Stock, conditions in the securities markets generally, general economic and industry conditions and other factors it deems appropriate. Accordingly, the Reporting Persons reserve the right to change its plans and intentions at any time, as it deems

appropriate, subject to relevant legal restrictions and certain contractual restrictions described in Item 6 below.

### ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

The information contained in Item 6 of this Statement is hereby incorporated by reference herein.

(a) Percentage interest calculations for each Reporting Person are based upon TAG having 30,543,763 total outstanding shares of Common Stock as of May 12, 2006, according to TAG's most recent Form 10-Q filing (the "10-Q") on May 16, 2006, plus such additional number of shares as would be created if the respective Reporting Person exercised all of its Warrants.

Each Reporting Person disclaims beneficial ownership of all shares of Common Stock in which such Reporting Person does not have a pecuniary interest.

(b) Orpheus is the owner of Warrants corresponding to 1,892,857 underlying shares of Common Stock. NACOLAH is the owner of Warrants corresponding to 642,857 underlying shares of Common Stock. MNLIC is the owner of Warrants corresponding to 964,286 underlying shares of Common Stock.

As the parent of GIM and MAC, GC may be deemed to beneficially own Warrants corresponding to 3,500,000 underlying shares of Common Stock.

Edgar Filing: GUGGENHEIM CAPITAL LLC - Form SC 13D

The Reporting Persons disclaim membership in a group, as defined in Section 13(d)(3) of the Act. The amount of shares of Common Stock held by all Reporting Persons in the aggregate hereunder equals 10.3% of TAG's Common Stock, which percentage is calculated based upon the 30,543,763 shares of Common Stock reported outstanding by TAG as of May 12, 2006, as disclosed in the 10-Q, and the additional 3,500,000 shares of Common Stock that would be created if all Reporting Persons exercised their Warrants.

(c) The Reporting Persons have not effected any transactions in TAG Common Stock directly or indirectly during the 60 days prior to the date of this Schedule 13D.

(d) No one other than the Reporting Persons has the power to exercise the Warrants described in Item 3.
