Edgar Filing: WISCONSIN POWER & LIGHT CO - Form 8-K

(e) On February 11, 2008, the Compensation and Personnel Committee (the *Committee*) of the Board of Directors (the *Board*) of Alliant Energy Corporation (*Alliant Energy*), Interstate Power and Light Company (*IP&L*) and Wisconsin Power and Light Company (*WP&L*, and together with Alliant Energy and IP&L, the *Company*) set the 2008 performance goals under the Management Incentive Compensation Plan (the *MICP*), which is the annual cash incentive compensation plan in which named executive officers, among others, participate. In general, the eligible cash incentive payment (*bonus*) under the MICP will be based on achieving certain financial performance goals, execution goals, and corporate well-being goals.

The financial performance goals for William D. Harvey, the Chief Executive Officer, Eliot G. Protsch, the Chief Financial Officer and Thomas L. Aller, Senior Vice President include achieving consolidated Alliant Energy earnings per share from continuing operations of \$2.65, which is the midpoint of consolidated Alliant Energy earnings per share from continuing operations guidance provided in Alliant Energy's guidance release dated December 20, 2007 (the *Guidance Release*). The financial performance goals for the rest of the named executive officers include achieving utility earnings per share from continuing operations of \$2.33, the midpoint of the guidance of utility earnings per share provided in the *Guidance Release*. All named executive officers financial goals include achieving cash flows from operations at the utilities and Alliant Energy Corporate Services, Inc. of \$502 million. In addition to these financial performance goals, Mr. Aller has financial goals regarding Alliant Energy's non-regulated transportation operations. The financial performance goals are weighted at 50% for each of the named executive officers in determining the annual bonus.

The execution goals include achieving milestones regarding the planned new coal plants and wind farms at WP&L and IP&L, clean air compliance milestones, environmental targets and Lean Six Sigma goals. Mr. Harvey's execution goals include a goal related to succession planning. Mr. Aller's and Barbara J. Swan's execution goals also include customer service and reliability targets. Ms. Swan's and Dundean K. Doyle's execution goals also include benchmarks related to WP&L's retail rate case. Execution goals are weighted at 30% for all of the named executive officers. The corporate well-being goals focus on meeting specified diversity benchmarks and specified safety benchmarks and are weighted at 20% for all of the named executive officers.

Under the MICP, the Company's named executive officers will be eligible to receive a target bonus equal to a stated percentage of annual base salary, with a maximum possible bonus of two times their target bonus. For 2008, the target bonus percentages for the named executive officers are: William D. Harvey, 95% (or \$802,750); Eliot G. Protsch, 70% (or \$346,500); Barbara J. Swan, 55% (or \$206,500); Thomas L. Aller, 45% (or \$120,375); and Dundean K. Doyle, 40% (or \$102,000).

A summary of the 2008 MICP is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference herein.

2

Also on February 11, 2008, the Committee approved an amended Key Executive Employment and Severance Agreements (the *KEESAs*) for certain officers of the Company, including the named executive officers. The KEESAs were amended to comply with Section 409A of the Internal Revenue Code. The amended KEESAs include a six-month delay in payments of cash benefits of over the limit provided in Section 409A (currently about \$460,000), redefining *Good Reason* to comply with Section 409A, and specifying deadlines by which certain non-cash benefits must be paid. The amended KEESAs do not change the amount of benefits payable to the named executive officers.
