### Edgar Filing: HARLEY DAVIDSON INC - Form 8-K

Harley-Davidson, Inc. (the Company) at this time does not believe it has the obligation to report pursuant to Item 2.05 of Current Report on Form 8-K the workforce reduction plan described in Item 8.01. If it is determined at a later time, however, that the Company has the obligation to report such matters pursuant to Item 2.05 of Current Report on Form 8-K, then the text of Item 8.01 describing the workforce reduction plan is incorporated by reference herein.

#### Item 8.01. Other Events.

In response to U.S. retail trends and uncertainty regarding the future of the economy, the Company now plans to ship fewer motorcycles to its worldwide dealer network in 2008 than it shipped in 2007. The Company intends to achieve the shipment reduction through temporary plant shutdowns and adjusted daily production rates. Those changes will in turn result in a reduction of its workforce by approximately 370 unionized production employees. The Company also plans to reduce its non-production workforce by approximately 360 employees. The planned workforce reductions represent approximately 6.5% of the Company s North American unionized production employees and approximately 10% of the Company s North American non-production employees. The Company expects to complete the workforce reductions in 2008. The Company committed to the workforce reduction plan on April 16, 2008 and disclosed it in its April 17, 2008 press release and conference call relating to its results of operations for the quarter ended March 30, 2008.

The Company anticipates that it will record charges of approximately \$20 million to \$25 million in connection with the workforce reductions, all of which involve severance benefits (one-time termination benefits). The Company believes substantially of all of such charges will result in cash expenditures, although the timing of the expenditures will vary. The Company anticipates that it will record all of the charges in 2008.
