(iv) Eric M. Ruttenberg, a United States citizen and a managing member of the Manager ("Ruttenberg"), with respect to the Shares held by TCP II.

O'Toole and Ruttenberg are together referred to herein as the "Individual Reporting Persons".

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

The Shares reported herein were acquired for no additional consideration along with \$15,000,000 in aggregate principal amount of Notes (as defined below) in a private transaction.

ITEM 4. PURPOSE OF TRANSACTION

On January 4, 2010 the Reporting Persons retained counsel in connection with TCP II's investment in the Notes, which counsel was the same counsel previously retained by certain other jointly represented Noteholders (together, the "Jointly Represented Noteholders") in connection with their respective investments in the Notes. The Reporting Persons, through TCP II, may act in concert with the Jointly Represented Noteholders solely in their capacity as creditors of the Issuer in connection with the Restructuring (as defined below). However, the Reporting Persons and each Jointly Represented Noteholder will make an independent decision regarding any proposal to or from the Issuer relating to its investment in the Notes. By virtue of such actions and the joint representation, such Noteholders may be deemed to have formed a group within the meaning of Rule 13d-5 of the Act, however the Reporting Persons expressly disaffirm the existence of a group with regard to the Shares.

The Shares reported herein were acquired by TCP II in a private transaction on August 18, 2009 together with \$15,000,000 in aggregate principal amount of the 11% Senior Notes (the "Notes" and the holders of such Notes, the "Noteholders") of GSI Group Corporation (the "Subsidiary") originally issued pursuant to that certain Indenture, dated as of August 20, 2008 (the "Indenture"), between the Subsidiary, the Issuer and Eagle Acquisition Corporation, as guarantors, and The Bank of New York Mellon Trust Company, N.A., as trustee, for investment purposes, in the ordinary course of the Reporting Person's business, because the Reporting Persons believed they represented an attractive investment opportunity.

On November 19, 2009, TCP II entered into a Noteholder Restructuring Plan Support Agreement (the "Plan Support Agreement") with the Issuer, the Subsidiary and certain of their subsidiaries and affiliates (together, the "Issuer Parties"), under which the parties thereto agreed to the terms of a restructuring (the "Restructuring") of the Notes pursuant to a chapter 11 plan of reorganization (the "Plan"). The commitment to support the restructuring is contingent, among other things, upon receipt of a bankruptcy court approved Disclosure Statement (as defined in the Plan Support Agreement) and other solicitation materials in support of the Plan.

Pursuant to the Plan Support Agreement, TCP II agreed, among other things subject to certain exceptions, (i) to vote all claims or shares it holds or asserts against the Issuer Parties in favor of the Plan, (ii) not to object to confirmation of the Plan or object to or otherwise commence any proceeding to oppose or alter the Plan or support an alternative plan, and (iii) not to withdraw, change or revoke its vote with respect to the Plan, except as otherwise provided in the Plan Support Agreement, and (iv) except as otherwise permitted in the Plan Support Agreement, not to take any other action that would materially prevent or delay the consummation of the restructuring contemplated by the Plan Support Agreement. Certain of the other Noteholders (the Noteholders party to the Plan Support Agreement, the "Consenting Noteholders") also entered into the Plan Support Agreement on the same terms and conditions as TCP II.

SCHEDULE 13D

Page 8 of 11 Pages

The Plan Support Agreement is subject to termination upon the occurrence of certain events, including, without limitation, (i) at the option of 66 2/3% of Consenting Noteholders (the "Required Noteholders"), upon the failure of the Issuer Parties to take certain actions by specified milestone dates, (ii) at the option of the Issuer Parties or the Required Noteholders, if the bankruptcy court grants relief that is materially inconsistent with the Plan Support Agreement or the Plan or (iii) at the option of the Required Noteholders, upon the occurrence of a Material Adverse Change (as defined in the Plan Support Agreement).

This description of the Plan Support Agreement is a summary only and is qualified in its entirety by reference to the Plan Support Agreement, a copy of which is referenced as Exhibit 2 hereto (which incorporates by reference Exhibit 10.1 of the Current Report on Form 8-K filed by the Issuer on November 20, 2009) and is incorporated herein by reference.

As more fully described in the Plan, under the Plan the Notes will be exchanged for, among other things, New Senior Secured Notes (as defined in the Plan) and common stock of the reorganized Issuer. This description of the Plan is a summary only and is qualified in its entirety by reference to the Plan, a copy of which was filed as Exhibit A of Exhibit 10.1 of the Current Report on Form 8-K filed by the Issuer on November 20, 2009.

Except to the extent the foregoing may be deemed a plan or proposal, none of the Reporting Persons has any plans or proposals which relate to, or could result in, any of the matters referred to in paragraphs (a) through (j), inclusive, of the instructions to Item 4 of Schedule 13D. The Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto and may (i) acquire additional shares or securities of the Issuer, (ii) dispose of any or all of TCP II's securities of the Issuer, (iii) enter into privately negotiated derivative transactions with institutional counterparties to hedge the market risk of some or all of TCP II's positions in the securities of the Issuer, depending upon the factors described below and/or other investment considerations or (iv) exercise TCP II's rights, if any, as a holder of the Notes in connection with a bankruptcy, restructuring or other case or proceeding of the Issuer.

In addition, the Reporting Persons intend to review TCP II's investment in the Issuer on a continuing basis and may seek to influence or change the Issuer's operations or business development plans, business strategy, management or directors, competitive position, capital structure or capital management policy, including, without limitation, through potential discussions with management, directors, other shareholders and the other Noteholders, existing or potential strategic partners or competitors of the Issuer, industry analysts, investment and financing professionals and/or other third parties. Such matters and discussions may materially affect, and result in, the Reporting Persons modifying TCP II's investment in the Issuer, exchanging information with any of such persons pursuant to appropriate confidentiality or similar agreements or otherwise, working together with any of such persons pursuant to joint agreements or otherwise, proposing changes in the Issuer's operations, governance, capitalization or strategic plans, or in proposing or engaging in one or more other actions set forth under subsections (a) through (j) of Item 4 of Schedule 13D. Factors that may influence the Reporting Persons' actions include, but are not limited to, their view regarding the Issuer's operations, business strategy, prospects, financial position and/or strategic direction, the outcome of the discussions and actions referenced herein, price levels of the
