**RAYOVAC CORPORATION
PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON JULY 24, 2002**

General

We are furnishing this proxy statement to shareholders of record of Rayovac Corporation ("Rayovac" or the "Company") in connection with the solicitation of proxies for use at the annual meeting of shareholders (the "Annual Meeting") to be held on Wednesday, July 24, 2002, at 8:00 a.m., local time, at our headquarters located at 601 Rayovac Drive, Madison, Wisconsin, and at any adjournments or postponements thereof, for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders. The Notice of Annual Meeting of Shareholders, this proxy statement and the enclosed form of proxy are first being mailed to shareholders on or about June 21, 2002.

Voting Securities, Quorum and Vote Required

Only holders of record of common stock, par value \$.01 per share, of Rayovac (the "Common Stock") as of the close of business on June 3, 2002 (the "Record Date") are entitled to receive notice of and to vote at the Annual Meeting. On the Record Date, there were 32,054,523 shares of Common Stock outstanding, constituting all of our outstanding voting securities. Shareholders are entitled to one vote for each share of Common Stock they held as of the Record Date.

Edgar Filing: RAYOVAC CORP - Form DEF 14A

A quorum of shareholders is necessary to hold a valid annual meeting. A quorum will exist at the Annual Meeting if the holders of record of a majority of the number of shares of Common Stock outstanding as of the Record Date are present in person or represented by proxy at the Annual Meeting. Shares held as of the Record Date by holders who are present in person or represented by proxy at the Annual Meeting but who have abstained from voting or not voted with respect to some or all of such shares on any proposal to be voted on at the Annual Meeting will be counted as present for purposes of establishing a quorum.

To be elected as a Class I director at the Annual Meeting (Proposal No. 1), each candidate for election must receive a plurality of the votes cast by the shareholders present in person or represented by proxy at the Annual Meeting. The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting, provided a quorum is present, is required to ratify the Board of Directors' appointment of KPMG LLP as our independent auditors for fiscal 2002 (Proposal No. 2).

Shares represented by proxies which are marked "**WITHHELD**" with regard to Proposal No. 1 will be excluded entirely from the vote and will have no effect. Shares represented by proxies which are marked "**ABSTAIN**" with regard to Proposal No. 2 will be considered present in person or represented by proxy at the Annual Meeting and will have the effect of a negative vote because approval of this proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting.

A broker "non-vote" occurs with respect to shares as to a proposal when a broker who holds shares of record in his name is not permitted to vote on that proposal without instruction from the beneficial owner of the shares and no instruction is given. Brokers holding your shares in their name will be permitted to vote such shares with respect to both of the proposals to be voted on at the Annual Meeting without instruction from you, and, accordingly, broker non-votes will not occur with respect to either proposal.

Proxies

Voting Your Proxy

You may vote in person at the Annual Meeting or by proxy. We recommend that you vote by proxy even if you plan to attend the Annual Meeting. You can always change your vote at the Annual Meeting.

Voting instructions are included on your proxy card. If you properly complete, date and sign your proxy and return it to us in time for it to be voted at the Annual Meeting, one of the individuals named as your proxy, each of whom is one of our officers, will vote your shares as you have directed on the proxy card.

If you sign and timely return your proxy card, but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, your shares will be voted **FOR** each of such proposals. Our Board of Directors has no knowledge of any matters that will be presented for consideration at the Annual Meeting other than those described herein. If any other matter is properly presented at the Annual Meeting upon which a vote may properly be taken, shares represented by duly executed and timely returned proxy cards will be voted on any such matter in accordance with the judgment of the named proxies. The named proxies will also have discretionary authority to vote upon any adjournment or postponement of the Annual Meeting, including for the purpose of soliciting additional proxies.

How to Vote by Proxy

You may vote by proxy by completing, signing, dating and returning your proxy card in the enclosed envelope. If you hold your shares through a broker or other custodian, you should provide written instructions to your broker on how to vote your shares. The proposals to be voted on at the Annual Meeting are routine matters and, accordingly, your broker will be permitted to vote your shares without instruction from you. As a result, if you do not provide your broker with instructions on how to vote your shares, your broker may vote your shares in a different manner than you would have voted if you had provided instructions to your broker.

Revoking Your Proxy

You may revoke your proxy before it is voted by:

sending in a new proxy with a later date;

Edgar Filing: RAYOVAC CORP - Form DEF 14A

notifying the Secretary of the Company in writing before the Annual Meeting that you have revoked your proxy; or

voting in person at the Annual Meeting.

Voting in Person

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a proxy from your nominee authorizing you to vote your "street name" shares held as of the Record Date.

2

Proxy Solicitation

This solicitation of proxies is being made on behalf of our Board of Directors and we will bear the costs of the solicitation. We have engaged Georgeson Shareholder Communications Inc. to assist in soliciting proxies for a fee of approximately \$6,500 plus reasonable out-of-pocket expenses. In addition to the solicitation of proxies by mail, proxies may also be solicited by our directors, officers and employees in person or by telephone or fax, for which they will receive no additional compensation. We will also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to shareholders.

Delivery of Proxy Materials and Annual Report to Households

The Securities and Exchange Commission (the "SEC") recently implemented a new rule permitting companies and brokers, banks or other intermediaries to deliver a single copy of an annual report and proxy statement to households at which two or more shareholders reside. Beneficial owners sharing an address who have been previously notified by their broker, bank or other intermediary and who have consented to householding, either affirmatively or implicitly by not objecting to householding, will receive only one copy of our annual report to shareholders for the last fiscal year (the "Annual Report") and this proxy statement.

If you hold your shares in your own name as a holder of record, householding will not apply to your shares.

Beneficial owners who reside at a shared address at which a single copy of our Annual Report and this proxy statement is delivered may obtain a separate copy of our Annual Report and/or this proxy statement without charge by sending a written request to Rayovac Corporation, 601 Rayovac Drive, Madison, Wisconsin 53711, Attention: Corporate Communications Department, or by calling us at (608) 275-4912. We will promptly deliver an Annual Report and/or this proxy statement upon request.

Not all brokers, banks or other intermediaries may offer the opportunity to permit beneficial owners to participate in householding. If you want to participate in householding and eliminate duplicate mailings in the future, you must contact your broker, bank or other intermediary directly. Alternatively, if you want to revoke your consent to householding and receive separate annual reports and proxy statements for each beneficial owner sharing your address, you must contact your broker, bank or other intermediary to revoke your consent.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

The Board of Directors currently consists of eight members, as determined in accordance with our Amended and Restated By-Laws. In accordance with our Amended and Restated Articles of Incorporation, the Board of Directors is divided into three classes (designated Class I, Class II and Class III, respectively), each consisting, as nearly as possible, of one-third of the total number of directors. There are two vacancies in Class I, whose three-year term will expire at the annual meeting of shareholders to be held in 2005. The three classes are currently comprised of the following directors:

Class I consists of David A. Jones, who will serve until the Annual Meeting, and Scott A. Schoen, who will resign his position immediately prior to the Annual Meeting;

3

Edgar Filing: RAYOVAC CORP - Form DEF 14A

Class II consists of John S. Lupo and Thomas R. Shepherd, who will serve until the annual meeting of shareholders to be held in 2004, and Barbara S. Thomas, who will resign her position immediately prior to the Annual Meeting and will be standing for re-election as a Class I director at the Annual Meeting; and

Class III consists of Kent J. Hussey, Philip F. Pellegrino and Scott L. Jaeckel, who will serve until the annual meeting of shareholders to be held in 2003.

Effective immediately prior to the Annual Meeting, Scott A. Schoen will resign his position as a Class I director and as a member of the Compensation Committee and the Nominating Committee. In order to have each class consist, as nearly as possible, of one-third of the total number of directors, Barbara S. Thomas has agreed to resign her position as a Class II director, effective immediately prior to the Annual Meeting, and stand for re-election as a Class I director this year. Immediately following the Annual Meeting, there will be one vacancy on the Board of Directors.

The shares represented by all proxies received will be voted for these nominees by the named proxies, except to the extent authority to do so is withheld. Shareholders may withhold authority from the named proxies to vote for the entire slate of directors as nominated or, by writing the name of an individual nominee in the space provided on the proxy card, may withhold the authority to vote for any individual nominee. Withholding authority to vote for one or more of the nominees will result in those nominees receiving fewer votes. If any nominee is or becomes unable or unwilling to serve, all proxies received will be voted for the person, if any, as shall be designated by the Board of Directors to replace the nominee. Each nominee has agreed to serve if elected, and the Board of Directors has no reason to believe that any nominee will be unavailable to serve as a director.

The names of the nominees being presented for consideration by the shareholders (all of whom are incumbent directors) and our current directors, their ages, the years in which they became directors of the Company and certain other information about them are set forth below. Except for Thomas H. Lee Partners, L.P., and its related entities, none of the corporations or other organizations referred to below with which a nominee for director has been employed or otherwise associated is a parent, subsidiary or other affiliate of the Company.

each person who is known by us to beneficially own more than 5% of the outstanding shares of our Common Stock (each, a "5% Shareholder");

our Chief Executive Officer and each of the other four most highly compensated executive officers at the end of fiscal 2001 (collectively, the "Named Executive Officers");

each of our directors; and

Edgar Filing: RAYOVAC CORP - Form DEF 14A

Beneficial ownership is determined in accordance with the rules of the SEC. Determinations as to the identity of 5% Shareholders, other than the Thomas H. Except as otherwise indicated, we believe, based on the information furnished or otherwise available to us, that each person or entity named in the table has sole voting and investment power with respect to all shares of Common Stock shown as beneficially owned by them, subject to applicable community property laws. The percentage of beneficial ownership set forth below is based upon 32,054,523 shares of Common Stock outstanding as of the close of business on June 3, 2002. In computing the number of shares of Common Stock beneficially owned by a person and the percentage ownership of that person, shares of Common Stock that are subject to options held by that person that are currently exercisable or exercisable within 60 days of May 31, 2002, are deemed outstanding. These shares are not, however, deemed outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise noted below, the address of each beneficial owner listed in the table is c/o Rayovac Corporation, 601 Rayovac Drive, Madison, Wisconsin 53711.

Option Grants in Fiscal 2001

The following table discloses all grants of stock options to the Named Executive Officers during fiscal 2001. The percentage of the total options granted to employees in fiscal 2001 shown in the table below is based on options to purchase an aggregate of 857,250 shares of Common Stock granted to our employees and directors during fiscal 2001. The exercise price of each option is equal to the fair market value of our Common Stock on the date of grant, as determined by the Compensation Committee.

The potential realizable values in the table are net of the exercise prices and before taxes associated with the exercise and are based on the assumption that our Common Stock appreciates at the annual rate shown from the date of the grant until the expiration of the option term. We have calculated these numbers based on the rules of the SEC, and they do not represent our estimate or projection of future Common Stock prices. The amounts reflected in the table may not necessarily be achieved. The actual amount that each Named Executive Officer may realize will depend upon the extent to which the price of the Common Stock exceeds the exercise price of the options on the exercise date.

Option Exercises in Fiscal 2001 and Fiscal Year-End Option Values

The following table sets forth information concerning the number and value of unexercised options held by the Named Executive Officers at fiscal 2001 year-end. The value of unexercised in-the-money options held at fiscal 2001 year-end represents the total gain which the option holder would realize if he exercised all of the in-the-money options held at fiscal year 2001 year-end, and is determined by multiplying the number of shares of Common Stock underlying the options by the difference between \$15.25, which was the closing price per share of our Common Stock on the New York Stock Exchange on September 28, 2001 (the last trading day of fiscal 2001), and the applicable per share option exercise price. An option is in-the-money if the fair market value of the underlying shares exceeds the exercise price of the option.

Employment Agreements

We have an employment agreement with each of the Named Executive Officers. On October 1, 2000, we entered into amended and restated employment agreements with David A. Jones (the "Jones Employment Agreement") and Kent J. Hussey (the "Hussey Employment Agreement"), as well as employment agreements with each of Luis A. Cancio, Stephen P. Shanesy and Merrell M. Tomlin (together with the Jones Employment Agreement and the Hussey Employment Agreement, the "Executive Employment Agreements").

15

Each of the Executive Employment Agreements:

has a term of three years, expiring on September 30, 2003, and, except for the Jones Employment Agreement, provides for automatic renewal for successive one-year periods, unless terminated earlier upon 90 days' written notice by either the respective Named Executive Officer or us;

provides that the Named Executive Officer has the right to resign and terminate his respective Executive Employment Agreement at any time upon 60-days' notice. Upon such resignation, we must pay any unpaid base salary through the date of termination to the resigning Named Executive Officer;

except in the case of the Jones Employment Agreement, provides that upon termination of the Named Executive Officer's employment without cause or for death or disability, we will pay to the terminated Named Executive Officer, or such Named Executive Officer's estate, two times the Named Executive Officer's base salary and annual bonus, to be paid out over the following twelve months. In addition, each Named Executive Officer shall be entitled to receive insurance and other benefits for the greater of 24 months or the remainder of the term;

provides us with the right to terminate the Named Executive Officer's employment for "cause" (as defined therein), in which event we shall be obligated to pay to the terminated Named Executive Officer any unpaid base salary accrued through the date of termination; and

provides that, during the term of the agreement or the period of time served as an employee or director, and for one year thereafter, the Named Executive Officer shall not engage in or have any business which is involved in the industries in which we are engaged.

Under their respective employment agreements, Mr. Jones is entitled to a base salary of \$550,000 per annum, Mr. Hussey is entitled to a base salary of \$385,000 per annum, Messrs. Shanesy, Tomlin and Cancio are each entitled to a base salary of \$290,000 per annum (such base salaries may be increased from time to time at the discretion of the Board of Directors) and each Named Executive Officer is entitled to an annual bonus based upon our achieving certain annual performance goals established by the Board of Directors.

In addition, pursuant to the Jones Employment Agreement, Mr. Jones was paid a bonus of \$400,000 in October 2000 as compensation for past services and will be paid an additional bonus of \$400,000 on September 30, 2003. The Jones Employment Agreement also provides that Mr. Jones will be granted the option to purchase his Company-owned home for a nominal amount on April 30, 2003. In the event of a "sale" of Rayovac (as defined in the Jones Employment Agreement), Mr. Jones' right to receive the September 30, 2003 bonus and his right to acquire his Company-owned home shall accelerate to the date of the "sale." Pursuant to the Jones Employment Agreement, Mr. Jones purchased 227,895 shares of Common Stock at approximately \$4.39 per share in connection with our 1996 recapitalization. One-half of the purchase price for those shares was paid in cash and one-half was paid with a promissory note from Mr. Jones in the principal amount of \$500,000 (the "Jones Equity Note"). Mr. Jones will receive additional salary at an initial rate of \$35,000 annually as long as the Jones Equity Note remains outstanding.

The Jones Employment Agreement further provides that, upon termination of Mr. Jones' employment due to death or disability, we will pay him or his estate his base salary for the next

24 months following termination and we will continue to pay him or his estate two times the pro rata portion of his annual bonus. In addition, we will continue to pay him his additional salary at an initial rate of \$35,000 annually, as long as the Jones Equity Note is outstanding, for the duration of the term of his agreement, and he shall be entitled to insurance and other specified benefits for the greater of 24 months or the remainder of the term. In the event Mr. Jones is terminated "without cause" (as defined in the Jones Employment Agreement), he shall continue to be paid his base salary for the greater of 24 months or the remainder of the term, and he will continue to be paid his annual bonus for the greater of 24 months or the remainder of the term. Mr. Jones shall also be entitled to receive additional salary at an initial rate of \$35,000 annually, as long as the Jones Equity Note is outstanding, and insurance and other benefits for the greater of 24 months or the remainder of the term.

Compensation Committee Interlocks and Insider Participation

During fiscal 2001, the Compensation Committee of the Board of Directors was comprised of Scott A. Schoen, Thomas R. Shepherd and Warren C. Smith, Jr. As mentioned previously, Mr. Smith resigned from the Compensation Committee effective January 23, 2002, and was replaced by Mr. Jaeckel. Mr. Schoen will resign from the Board of Directors and the Compensation Committee immediately prior to the Annual Meeting. No member of our Compensation Committee is currently or has been, at any time since our formation, one of our officers or employees. No member of our Compensation Committee serves as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is currently comprised of Scott A. Schoen, Thomas R. Shepherd and Scott L. Jaeckel, each of whom is a non-employee director. Mr. Schoen will resign from the Board of Directors and the Compensation Committee immediately prior to the Annual Meeting. The Compensation Committee determines the compensation of all of the executive officers of Rayovac. Decisions by the Compensation Committee relating to stock options are reviewed and approved by the full Board of Directors. The purpose of this report is to inform shareholders of our compensation policies for our executive officers and the rationale for the compensation paid to executive officers in fiscal 2001.

Compensation Procedures and Policies

Our executive compensation philosophy and specific compensation plans tie a significant portion of our executives' compensation to our success in meeting specified profit, growth and performance goals and to appreciation in our stock price. Our compensation objectives include attracting and retaining the best possible executive talent, motivating executive officers to achieve our performance objectives, rewarding individual performance and contributions, and linking executive and shareholder interest through equity-based plans.

Our executive compensation consists of three key components: base salary, annual incentive compensation and stock options, each of which is intended to complement the others and, taken together, to satisfy our compensation objectives. The Compensation Committee's policies with respect to each of the three components, including the basis for the compensation awarded to our Chief Executive Officer, are discussed below.

Base Salary

Each of our Named Executive Officers is party to an employment agreement approved by the Compensation Committee that sets the base salary for each Named Executive Officer as well as other terms and conditions of employment. The base salary of each Named Executive Officer may be adjusted during the term of the agreement, as approved by us. The Compensation Committee periodically reviews the base salary of the Chief Executive Officer and the recommendation of the Chief Executive Officer with regard to the base salary of all our other executive officers. The Compensation Committee reviews available national survey data regarding salaries of persons holding comparable positions at comparably sized consumer goods companies to establish base salary ranges and then approves, with any modifications it deems appropriate, the

base salaries recommended by the Chief Executive Officer for each of the other executive officers.

Mr. Jones' base salary, as well as other terms and conditions of his employment, was reviewed at the July 20, 2000 meeting of the Compensation Committee. The Compensation Committee primarily considered our achievement of annual goals relating to earnings per share, sales growth and return on investment in fiscal 2000. In consideration of Mr. Jones' performance, the Compensation Committee approved Mr. Jones' base salary of \$550,000 for fiscal 2001 and otherwise approved the terms of the Jones Employment Agreement. See "Employment Agreements" above for further information about the Jones Employment Agreement.

18

The amount of base salary paid to each Named Executive Officer in fiscal 2001 is set forth in the summary compensation table on page 13.

Annual Incentive Compensation

Our executive officers may be allowed to participate in an incentive bonus plan which calls for payment to Mr. Jones and Mr. Hussey of up to 60% of their annual salaries and payment to our other executive officers of up to 50% of their annual salaries in the event that we reach 100% of our target financial goals. Bonuses can exceed that amount if we exceed our financial performance target. None of the Named Executive Officers, nor any of our executive vice presidents, were paid a cash bonus under the incentive bonus plan in fiscal 2001.

Stock Options

Our executive officers are also eligible to participate in the Rayovac Corporation 1996 Stock Option Plan (the "1996 Plan") and the 1997 Rayovac Incentive Plan, as amended (the "1997 Plan").

Under the 1996 Plan, stock options to acquire up to 2,318,127 shares of Common Stock, in the aggregate, could be granted to select employees and directors under either or both a time-vesting or a performance-vesting formula at an exercise price equal to the market price of the Common Stock on the date of grant. The time-vesting options become exercisable primarily in equal 20% increments over a five year period. The performance-vesting options become exercisable at the end of ten years with accelerated vesting over each of the first five years if we achieve certain performance goals. Accelerated vesting may also occur upon a sale of Rayovac, as defined in the 1996 Plan. As of June 3, 2002, options with respect to 1,263,867 shares of Common Stock were outstanding under the 1996 Plan. In 1997, the Board of Directors adopted the 1997 Plan, which replaced the 1996 Plan. No further awards will be granted under the 1996 Plan, other than awards to replace options granted under the 1996 Plan that terminate or expire prior to being exercised.

Under the 1997 Plan, we may grant to employees and non-employee directors stock options, stock appreciation rights, restricted stock, and other stock-based awards, as well as cash-based annual and long-term incentive awards. Accelerated vesting will occur in the event of a change in control, as defined in the 1997 Plan. Up to 5,000,000 shares of Common Stock may be issued under the 1997 Plan. As of June 3, 2002, options with respect to 2,855,282 shares of Common Stock were outstanding under the 1997 Plan. The 1997 Plan expires in August 2007.

The options granted to the Named Executive Officers in fiscal 2001 are set forth in the option grant table on page 15.

Policy Regarding Deductibility of Compensation.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally limits the tax deductibility by a company of compensation in excess of \$1,000,000 paid to its chief executive officer and the four next highest compensated executive officers. This limit does not apply, however, to performance-based compensation, provided that certain conditions are satisfied.

The Compensation Committee's general policy is to preserve, when possible, the federal income tax deduction for compensation payable to executives. Accordingly, provided that we satisfy all other

19

conditions under Section 162(m) of the Code and any related regulations, we believe that awards made under the 1997 Plan will be deductible. The Compensation Committee believes that no payments have been made that would fail to be deductible as a result of the application of Section 162(m) of the Code. We reserve the authority, however, to authorize payments that may not be deductible if we believe that it is in the

best interests of Rayovac and our shareholders.

The foregoing report is furnished by the Compensation Committee of the Board of Directors.

AUDIT COMMITTEE REPORT

Our Audit Committee consists of Thomas R. Shepherd, John S. Lupo and Philip F. Pellegrino. Messrs. Lupo and Mr. Pellegrino are independent directors as defined in Sections 303.01(B)(2)(a) and (3) of the New York Stock Exchange Listing Standards, and Mr. Shepherd, a member of the Audit Committee since 1996, remains on the Audit Committee pursuant to the "override" provision of Section 303.02 of the New York Stock Exchange Listing Rules. The Board of Directors believes that Mr. Shepherd's continued membership is essential to the Audit Committee as he possesses significant historical knowledge of Rayovac not currently possessed by the other two members, and he will provide continuity on the Audit Committee. Mr. Shepherd served as a Managing Director of Thomas H. Lee Company from 1986 until 1998. Since 1998, he has served as a Special Partner of Thomas H. Lee Partners, L.P. The Audit Committee operates under, and has the responsibility and authority set forth in, the written charter adopted by the Board of Directors, a copy of which has been filed with the SEC as an appendix to the Company's proxy statement for its 2001 annual meeting of shareholders.

Management is responsible for our internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

With respect to our audited financial statements for the fiscal year ended September 30, 2001, management has represented to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles and the Audit Committee has reviewed and discussed those financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications), including the quality and acceptability of the Company's accounting principles as applied in its financial reporting.

The Audit Committee has received the written disclosures from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as modified or supplemented, and has discussed with the independent auditors the accounting firm's independence. The Audit Committee also considered whether the non-audit services provided by the

20

independent auditors during the last fiscal year described below were compatible with maintaining the independent auditors independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended September 30, 2001 be included in our Annual Report on Form 10-K filed with the SEC for that year. The Audit Committee also recommended to the Board of Directors that KPMG LLP be appointed as our independent auditors for fiscal 2002.

The foregoing report is furnished by the Audit Committee of the Board of Directors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In connection with our recapitalization in 1996, we entered into a Management Agreement with Thomas H. Lee Company (which, together with its affiliates, owns approximately 15.3% of our outstanding Common Stock as of June 3, 2002) pursuant to which Thomas H. Lee Company or its affiliates provided consulting and management advisory services to us for an initial period of five years ending September 12, 2001, which was renewable on a year-to-year basis thereafter. The Management Agreement was renewed for a one-year period ending on September 12, 2002. In consideration of the consulting and management advisory services provided under the Management Agreement in fiscal 2001, we paid Thomas H. Lee Company or its affiliates approximately \$473,000, which includes an annual fee of \$360,000, plus additional expenses of approximately \$113,000. We believe that the Management Agreement is on terms no less favorable to us than could have been obtained from an independent third party.

In addition to the Jones Equity Note, we hold various promissory notes described below (together with the Jones Equity Note, the "Executive Notes") from each of the Named Executive Officers.

In connection with their purchase of shares of Common Stock upon joining the Company, Messrs. Tomlin and Shanesy executed five-year promissory notes dated March 17, 1997 in principal amounts of \$60,000 and \$80,000, respectively, with interest payable at 8% per annum. In connection with the exercise of options to purchase shares of our Common Stock, Messrs. Tomlin and Shanesy executed five-year promissory notes dated August 1, 1997 in principal amounts of \$50,000, and \$20,000, respectively, with interest payable at 8% per annum. In connection with the exercise of options to purchase shares of our Common Stock, Mr. Shanesy executed a five-year promissory note dated September 15, 1997 in the principal amount of \$30,002, with interest payable at 8% per annum. Mr. Shanesy's three 1997 notes were consolidated in May 2002 into one Restated Note, with interest on this note to be adjusted annually to the Internal Revenue Service minimum rate for 3-5 year maturities and this note is secured by a security interest in shares of our Common Stock (including vested options) owned by Mr. Shanesy.

On July 20, 2000, the Board of Directors authorized additional loans to Messrs. Jones, Hussey, Shanesy, Tomlin and Cancio of up to the aggregate principal amounts of \$1,950,000, \$800,000, \$200,000, \$500,000, and \$200,000, respectively. As of June 3, 2002, Messrs. Jones, Hussey, Shanesy, Tomlin and Cancio had each executed a promissory note and had drawn aggregate principal amounts of \$1,700,000, \$675,000, \$200,000, \$200,000 and \$200,000, respectively, under the authorized loan program. Interest on these promissory notes is to be adjusted annually to the Internal Revenue Service minimum rate for 3-5 year maturities. Each of these promissory notes is secured by a security interest in shares of our Common Stock (including vested options) owned by the respective borrower.

The largest aggregate amount of indebtedness outstanding at any time during fiscal 2001 for each of the Named Executive Officers was as follows: Mr. Jones, \$2,200,000; Mr. Hussey, \$700,000; Mr. Shanesy, \$130,002; Mr. Tomlin, \$110,000; and Mr. Cancio, \$200,000. The aggregate amount of indebtedness outstanding as of June 3, 2002 for each of the Named Executive Officers is as follows: Mr. Jones, \$2,200,000; Mr. Hussey, \$675,000; Mr. Shanesy, \$330,002; Mr. Tomlin, \$200,000; and Mr. Cancio, \$200,000.

COMPARISON OF TOTAL SHAREHOLDER RETURN

The following graph demonstrates the total shareholder return on an initial investment of \$100 on November 20, 1997 (the date our Common Stock began to trade on the New York Stock Exchange) through September 28, 2001 (the last trading date of fiscal 2001) for (i) our Common Stock, (ii) the Standard & Poor's Small Cap 600 Index, (iii) the Russell 2000 Index and (iv) the Russell 2000 Consumer Staples Index. The starting point for our Common Stock represents the actual initial offering price of \$14.00 per share. All values assume reinvestment of the full amount of all dividends. **PROPOSAL NO. 2
RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

General

Upon recommendation of the Audit Committee, the Board of Directors has appointed KPMG LLP as our independent auditors for fiscal 2002. The shareholders are asked to ratify this action of the Board of Directors. Shareholder ratification of the selection of KPMG LLP as our independent auditors for fiscal 2002 is not required by our Amended and Restated By-Laws, or otherwise, but is being pursued as a matter of good corporate practice. If shareholders do not ratify the selection of KPMG LLP as our independent auditors for fiscal 2002, the Board of Directors will consider the matter at its next meeting. KPMG LLP has audited our financial statements since September 12, 1996.

It is anticipated that one or more representatives of KPMG LLP will be present at the Annual Meeting with an opportunity to make a statement, if desired, and will be available to answer appropriate questions from shareholders who are present.

Audit Fees

We paid fees in the aggregate of \$179,000 to KPMG LLP for professional services rendered for the audit of our annual financial statements for fiscal 2001, excluding audit-related fees.

Financial Information Systems Design And Implementation Fees

We did not engage KPMG LLP in fiscal 2001 to perform any services for financial information systems design or implementation.

All Other Fees

We paid fees in the aggregate of \$355,000 to KPMG LLP for professional services rendered in fiscal 2001, including fees of \$300,000 for audit-related services and fees of \$55,000 for non-audit services. Audit-related services consisted of statutory audits required for certain of our foreign subsidiaries, reviews of the financial statements included in our quarterly reports on Form 10-Q for the first three quarters of fiscal 2001, review of registration statements, issuance of consents and letters to underwriters, audits of financial statements of employee benefit plans and an information systems review. Non-audit services consisted of tax compliance assistance and tax advice. The Audit Committee considered these activities to be compatible with the maintenance of KPMG LLP's independence.

The Board of Directors recommends a vote FOR Proposal No. 2 to ratify the appointment of KPMG LLP as Rayovac's independent auditors for fiscal 2002.
