Section 2 Financial Information

Item 2.02 Results of Operations and Financial Condition.

The information provided pursuant to this Item 2.02 is to be considered “filed” under the Securities Exchange Act of 1934 (“Exchange Act”) and incorporated by reference into those filings of CryoLife, Inc. (“CryoLife” or the “Company”) that provide for the incorporation of all reports and documents filed by CryoLife under the Exchange Act.

On October 11, 2007, CryoLife issued a press release announcing its preliminary revenue results for the third quarter and first nine months of 2007 and projected revenues for 2007. CryoLife hereby incorporates by reference herein the information set forth in its Press Release dated October 11, 2007, a copy of which is attached hereto as Exhibit 99.1. Except as otherwise provided in the press release, the press release speaks only as of its date and does not create any implication that the affairs of CryoLife have continued unchanged since such date.

The press release may be deemed to include non-GAAP financial measures, including combined cardiac and vascular tissue preservation revenues. Management believes this measure is an appropriate and useful means of presenting financial information to investors because the Company recently discontinued procuring and cryopreserving orthopedic tissue, and the performance of the Company’s remaining cryopreserved tissues is particularly relevant to the Company’s potential future performance.

All statements relating to the Company's anticipated revenues for the third quarter and first nine months of 2007 and the Company’s projected revenues for 2007 contained in the attached press release are preliminary and unaudited and may change based on the completion by the Company's management and independent auditors of customary quarter-end closing procedures.
