ANNUAL MEETING OF STOCKHOLDERS of COMMON STOCK

THE ANNUAL MEETING

Our Board of Directors is asking for your proxy to use at our Annual Meeting of Stockholders which is scheduled to be held at 10:00 a.m. Central Standard Time on Tuesday, May 11, 2004 at LaSalle Bank, 135 South LaSalle Street, 43rd Floor, Chicago, IL 60603. At the Annual Meeting we will be electing three Class I directors for terms ending in 2007, ratifying the appointment of our independent auditor and approving amendments to our Certificate of Incorporation to allow for a one-for-six reverse stock split and to provide for cash payment for fractional shares. Other business properly brought before the Annual Meeting may also be conducted, but we do not know of any additional business at this time. This proxy statement contains important information about the election of directors, the ratification of the appointment of our independent auditor and amending our Certificate of Incorporation. You should read it carefully and completely.

All record holders of our common stock at the close of business on March 26, 2004 (the "Record Date") will be entitled to vote at the Annual Meeting. There were 3,169,154 shares of our common stock issued and outstanding on February 27, 2004. In order to establish a quorum at the Annual Meeting, the holders of a majority of our outstanding common stock must be present at the Annual Meeting in person or by proxy. Each share of common stock is entitled to one vote on each matter to be voted on at the Annual Meeting. Stockholders do not have the right to cumulate votes in the election of directors.

Even if you plan to attend the Annual Meeting in person, we ask you to complete, sign and date the enclosed proxy and return it to us promptly using the enclosed envelope. This will help ensure that a quorum is present at the Annual Meeting and will save us the cost of additional proxy solicitations. Any share of our common stock that is represented by a properly executed and unrevoked proxy will be considered present at the Annual Meeting for purposes of establishing a quorum. This includes proxies in which votes are withheld, abstentions are cast or which represent broker nonvotes. If you decide to attend the meeting in person, you may withdraw your proxy at any time and vote in person. You can also withdraw your proxy at any time before the Annual Meeting by sending a written notice of termination to our corporate secretary or by filing a later-dated proxy with him.

Our Board of Directors will vote your proxy at the Annual Meeting according to your instructions as long as it is properly executed and has not been revoked by you. If you simply sign and date the proxy, but do not provide any instructions as to how the proxy should be voted, your proxy will be voted "FOR" each of the nominees for the Board of Directors, "FOR" the ratification of Deloitte & Touche LLP as our independent auditor and "FOR" the amendment of our Certificate of Incorporation.

This Proxy Statement and the proxy cards are first being mailed to our stockholders on or about April 8, 2004.

ELECTION OF DIRECTORS

BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors has nominated William F. Wright, William R. Hoppner and Stanley Mayer to serve additional three-year terms as directors. Messrs. Wright, Hoppner and Mayer are each current directors of the Company and have each expressed an intention to continue to serve on the Board, if elected. The Board of Directors does not know of any reason why any of them might be unavailable to continue to serve as directors. If Mr. Wright, Hoppner or Mayer is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute nominee as the Board of Directors may recommend. There are no arrangements or understandings between Messrs. Wright, Hoppner or Mayer and any other person pursuant to which they were nominated to be on the Board of Directors.

The election of a director requires the affirmative vote of a plurality of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote. Consequently, votes withheld and broker nonvotes with respect to the election of directors will have no impact on the election of directors. Proxies submitted pursuant to this solicitation will be voted, unless specified otherwise, for the election of Messrs. Wright, Hoppner and Mayer. THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF Messrs. Wright, Hoppner and Mayer.

4

This Code of Ethical Conduct is available on our website at

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

<http://www.amcon.com>.

The Board of Directors conducts its business through meetings of the Board and actions taken by written consent in lieu of meetings and by the actions of its committees. During the fiscal year ended September 26, 2003, the Board of Directors held nine meetings. During fiscal year 2003, all directors attended at least 75% of the meetings of the Board of Directors and of the committees of the Board of Directors on which they served.

The Board of Directors has established and assigned certain responsibilities to an Audit Committee, Compensation Committee and a Nominating Committee.

AUDIT COMMITTEE. The primary purpose of the Audit Committee is (i) to select the Company's independent auditor based on its assessment of the auditor's qualifications and independence, and (ii) to assist the Board of Directors in the oversight of (a) the integrity of the Company's financial statements, and (b) the Company's compliance with legal and regulatory requirements. Specific functions performed by the Audit Committee include selecting, compensating and evaluating the independent auditor of the Company, reviewing periodically with the independent auditor the performance of the services for which they are engaged, reviewing the scope of the annual audit and its results, reviewing the adequacy of the Company's internal accounting controls with management and the independent auditor, and reviewing with management and the independent auditor the Company's financial statements prior to the filing of quarterly and annual reports with the Securities and Exchange Commission. The Audit Committee operates under a written charter. A copy of the Audit Committee Charter is attached as Exhibit A to this Proxy Statement and is available on our website at <http://www.amcon.com>.

The members of the Audit Committee are Timothy R. Pestotnik (chairperson), John R. Loyack and Stanley Mayer. The Board of Directors has determined that all members of the Audit Committee are independent directors under the rules of the Securities and Exchange Commission and under the new listing standards adopted by the American Stock Exchange. In addition, the Board of Directors has determined that Mr. Loyack and Mr. Mayer qualify as "audit committee financial experts" under the rules of the Securities and Exchange Commission. The Audit Committee held five meetings during fiscal year 2003.

6

COMPENSATION COMMITTEE. The Compensation Committee reviews and approves compensation policies, benefit plans, employment agreements, salary levels, bonus payments and awards under the Company's management incentive plans for our executive officers and recommends compensation for non-employee directors to the full Board. The Compensation Committee also administers our 1994 Stock Option Plan. The Compensation Committee is specifically responsible for determining the compensation of the Company's Chairman. The Compensation Committee operates under a written charter, a copy of which is available on our website at <http://www.amcon.com>.

The members of Compensation Committee during fiscal 2003 were J. Tony Howard (chairperson) and William R. Hoppner. The Board expects to appoint new directors to the Compensation Committee so that it is made up of persons who are independent under the new listing standards adopted by the American Stock Exchange prior to the time these listing standards go into effect. The Compensation Committee held five meetings in fiscal year 2003.

NOMINATING COMMITTEE. The Nominating Committee is responsible for making recommendations to the Board of Directors of persons to serve as directors of the Company and as chairmen and members of committees of the Board of Directors. The Nominating Committee is also responsible for certain

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

corporate governance practices, including the development of ethical conduct standards for our directors, officers and employees and an annual evaluation to determine whether the Board of Directors and its committees are functioning effectively. The Nominating Committee operates under a written charter, a copy of which is available on the Company's website at <http://www.amcon.com>.

The members of the Nominating Committee are Raymond F. Bentele (chairperson), John R. Loyack and Stanley Mayer, each of whom the Board of Directors has determined to be independent under the new listing standards adopted by the American Stock Exchange. The Nominating Committee was only recently formed and held no meetings during fiscal year 2003. The Nominating Committee did meet on December 23, 2003 for the purpose of reviewing candidates for the directorships to be voted on at the Annual Meeting.

The Nominating Committee expects to identify nominees to serve as directors of the Company primarily by accepting and considering the suggestions and nominee recommendations made by directors, management and stockholders. The Nominating Committee has not established specific minimum qualifications for recommended nominees. However, as a matter of practice, the Nominating Committee does evaluate recommended nominees for directors based on their integrity, judgment, independence, financial and business acumen, relevant experience, and their ability to represent and act on behalf of all stockholders, as well as the needs of the Board of Directors. In general, the Nominating Committee would expect to re-nominate incumbent directors who express an interest in continuing to serve on the Board. For the 2005 Annual Meeting, the Nominating Committee will consider stockholder recommendations for director nominees that submitted to our corporate secretary by October 11, 2004. Shareholder nominations must be in writing and should include sufficient biographical and business experience information about the nominee so that the Nominating Committee can evaluate the nominee based on its selection criteria.

7

COMPENSATION OF DIRECTORS

Prior to January 1, 2003, directors who were not employees of the Company were paid an annual fee of \$20,000, plus \$500 for each board meeting (including committee meetings) attended in person or by teleconference. All Other Outside Directors	\$30,000

In addition, all directors are reimbursed for out-of-pocket expenses related to attending board and committee meetings. Non-employee directors are eligible to receive awards of nonqualified stock options which entitle them to purchase shares of our common stock at an exercise price equal to the fair market value of the stock on the date of grant. Option grants to non-employee directors are not issued under the Company's 1994 Stock Option Plan. Such option grants are recommended on an annual basis by the Compensation Committee, subject to approval by the Board of Directors. These stock options also have varying vesting schedules ranging up to five years and expire ten years after the date of grant. During fiscal year 2003, stock options to purchase 5,000 shares of common stock were granted to Mr. Loyack at an exercise price of \$4.71 per share.

The agreement provides for a base salary in each year of the term thereof and provides that Mr. Hinkefent shall be eligible to receive a bonus of up to a maximum of 75% of his base salary based upon performance as determined by the Compensation Committee.

If an employment agreement terminates due to an executive's disability or death, the executive or his or her personal representative are entitled to receive the executive's base salary for a period of six months following the termination. If an employment agreement is terminated for reasons other than serious misconduct (as defined in the agreements), the terminated executive is entitled to receive a severance package equal to such executive's current base salary plus his or her previous year's bonus. Each executive is also be eligible to participate in the Company's 1994 Stock Option Plan and in other employee benefit plans maintained by the Company, including health and life insurance plans. Each agreement contains provisions under which the executive has agreed to maintain the confidentiality of information concerning the Company and its affairs and a covenant not to compete with the Company for a period of one year after such executive's employment with the Company terminates.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

EXECUTIVE OFFICER COMPENSATION. The Compensation Committee endeavors to establish total compensation packages for each executive officer that fairly reflects the value of that executive officer's services to the Company and that will permit the Company to attract, retain and motivate high quality individuals in its key executive positions, taking into consideration both the prevailing competitive job market and the current size and expected growth of the Company.

Executive officer compensation contains three principal components: (i) a base salary; (ii) a cash bonus; and (iii) grants of options to purchase common stock under the Company's 1994 Stock Option Plan. Mr. Wright's, Ms. Evans' and Mr. Hinkefent's base salaries are set forth in their employment agreements and are subject to annual increases as recommended by the Compensation Committee. The base salaries of other officers are determined as a function of their prior base salaries and the Compensation Committee's view of base salary levels for executive officers with comparable positions and responsibilities in other companies and are not a function of any specific performance criteria. The Compensation Committee periodically compares base salaries paid to the Company's executive officers with those paid by other public companies engaged in similar industries and that generate revenues in the same range as the Company. These companies are not necessarily the same companies that are included in the peer group index (Standard & Poor's 600 Food Distributors Index) used in the Performance

12

Graph included in this Proxy Statement. In general, the Compensation Committee determined that the base salaries paid to the Company's executive officers for fiscal year 2003 fell within the median range of base salaries paid by such comparable companies.

The Compensation Committee has adopted an executive compensation plan which established performance goals and criteria relating to the amounts of cash bonuses paid to its executive officers in future years. Stock option awards will continue to be determined on an annual basis. The bonus portion of Mr. Wright's, Ms. Evans's and Mr. Hinkefent's compensation is paid based upon the performance goals established by the Compensation Committee and approved by the Board of Directors. In addition to bonuses paid in accordance with the executive compensation plan, the Compensation Committee may award additional bonus amounts on a discretionary basis if the Compensation Committee deems it to be appropriate.

The bonus portion of Mr. James's compensation is paid on a discretionary basis based upon the Compensation Committee's assessment of his individual performance and the overall performance of the Company during the most recently completed fiscal year with respect to stockholder value, stock price, sales growth and net income. In general, the Compensation Committee's practice has been to award cash bonuses to the executive officers with respect to a particular fiscal year in amounts consistent with cash bonuses awarded in prior fiscal years as long as the Company achieves stock price, sales and net income levels specified in the Company's budget for such fiscal year.

Because ownership of the Company's common stock serves to align the economic interests of its executive officers with those of its stockholders, executive officers who, in the opinion of the Compensation Committee, contribute to the growth, development and financial success of the Company may be awarded options to purchase common stock. Any grant of options to purchase common stock must be made with an exercise price no less than the closing sale price of the common stock on the date of grant. Therefore, the compensation value

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

of these stock options is directly related to the long-term performance of the Company as measured by its future return to stockholders. The amounts of stock option awards granted to executive officers are also determined on a discretionary basis by the Compensation Committee considering the same criteria used to award cash bonuses.

COMPLIANCE WITH SECTION 162(M) OF THE INTERNAL REVENUE CODE. The current tax law imposes an annual, individual limit of \$1 million on the deductibility of the Company's compensation payments to the Chairman and to the four most highly compensated executive officers other than the Chairman. Specified compensation is excluded for this purpose, including performance-based compensation, provided that certain conditions are satisfied. The Compensation Committee has determined to preserve, to the maximum extent practicable, the deductibility of all compensation payments to the Company's executive officers.

13

COMPENSATION OF CHAIRMAN. Mr. Wright's base salary is set by his employment agreement and is subject to annual increases as recommended by the Compensation Committee. It is the view of the Compensation Committee, based upon its periodic review of base salaries paid to chief executive officers of similarly situated companies, that Mr. Wright's base salary is reasonable and within the median range paid by such other companies. Based on the performance criteria set forth in the executive compensation plan, Mr. Wright was awarded a cash bonus of \$102,400, which was equal to 25% of his base salary for fiscal year 2003. No stock option grants were awarded to Mr. Wright in fiscal year 2003.

REVERSE STOCK SPLIT AND RELATED AMENDMENT TO OUR CERTIFICATE OF INCORPORATION

GENERAL

Our Board of Directors has authorized, deems advisable and recommends a reverse 1-for-6 stock split of our common stock, \$0.01 par value (collectively, the "Transaction"). In connection with the Transaction, our Board of Directors has adopted a resolution approving, deeming advisable and recommending to stockholders for approval, an amendment to our certificate of incorporation to effect the proposed Transaction. The form of amendment is attached hereto as Exhibit B.

If the stockholders approve the Transaction, we intend to file the amendment to our certificate of incorporation with the Secretary of State of Delaware. The Transaction will become effective on the date the amendment is filed with the Secretary of State of Delaware, or such later date as is specified in the filing (the "Effective Date"). We expect the amendment to become effective as soon as practicable following the annual meeting. However, our Board of Directors reserves the right to abandon the Transaction even if approved by the stockholders. See "Reservation of Rights". Once our Board implements the Transaction, we will publicly announce in a press release and post on our website at <http://www.amcon.com> the Effective Date of the Transaction.

PURPOSE AND REASONS FOR TRANSACTION

Our Board of Directors decided to propose the Transaction in order to (a) reduce administrative costs incurred by us in connection with the mailing of reports to stockholders and maintenance of small stockholder accounts, and (b) allow small stockholders to liquidate their shares easily.

COST SAVINGS TO COMPANY AND STREET NAME HOLDERS; ADMINISTRATIVE EXPENSES TO MAINTAIN SMALL STOCKHOLDER ACCOUNTS. We have a large number of stockholders that own relatively few shares. As of February 27, 2004, approximately 630 stockholders of record owned fewer than six (6) shares of our common stock each or approximately 1,280 shares of our common stock in the aggregate. Although holders of fewer than six (6) shares constitute approximately 66% of the stockholders of record, such stockholders own only 0.04% of the outstanding shares of our common stock. As of February 27, 2004, we also estimate that approximately 1,800 persons beneficially owned shares of our common stock in accounts at banks or brokerage firms in so-called "street name" ("Street Name Holders") and many of these Street Name Holders beneficially own fewer than six (6) shares of our common stock. We would like to have these Street Name Holders also enjoy the benefit of this Transaction. However, they will not participate in the Transaction unless they either: (i) direct their broker or bank to change their ownership to record title prior to the Effective Date of the Transaction, or (ii) instruct their broker or bank owning record title to the shares to participate in the Transaction by following the appropriate procedures of the Depository Trust Company ("DTC"). Note, a fee may be associated with changing a Street Name Holder's ownership from beneficial to record title. If you direct your bank

17

or broker to participate in the Transaction, we anticipate that the administrative expense of such instruction will be lower than if you direct your broker or bank to convert your ownership to record title. See "Structure Of The Transaction-Effect On Street Name Holders."

LIQUIDITY FOR CERTAIN SMALL STOCKHOLDERS. We believe that holders of fewer than six (6) shares of our common stock (the "Liquidated Stockholders") may be deterred from selling their shares because of disproportionately high brokerage costs. The Transaction gives stockholders of record, who own fewer than six (6) shares of our common stock immediately prior to the Transaction, the opportunity to receive cash for their shares without having to pay any brokerage commissions. Stockholders of record who do not want to cash out their holdings of our common stock, may avoid this result by purchasing additional shares or consolidating accounts so that each record account owning our common stock holds at least six (6) shares prior to 4:00 p.m. (central standard time) on the Effective Date. See "Procedures To Cash-Out Fractional Shares How to Avoid Cash-Out." Street Name Holders may also enjoy the benefits of this Transaction, if they either: (i) direct their broker or bank to change their ownership to record title prior to the Effective Date of the Transaction, or (ii) instruct their broker or bank and instructions of the broker or bank to participate in the Transaction by following the appropriate procedures of DTC. If a Street Name Holder does not want participate in the Transaction, no additional shares need to be purchased and no additional action needs to be taken to avoid being cashed-out.

DETERMINATION OF CASH-OUT PRICE

The Board has set the Cash-Out Price per share of our common stock to equal the average of the closing prices per share of our common stock on the American Stock Exchange ("AMEX") for a period of ten consecutive AMEX trading days ending on (and including) the Effective Date, without interest ("Cash-Out Price").

Acquisitions of fractional shares by corporations in lieu of issuing fractional shares to stockholders is governed by Section 155 of the Delaware Corporation Law ("Section 155"). Section 155 requires a corporation purchasing fractional shares to pay "fair value" for such shares. The Delaware Supreme Court in *Applebaum v. Avaya, Inc.*, 812 A.2d 880 (Del. Sup. Ct. 2002) held that when a corporation is purchasing fractional shares pursuant to a reverse stock split not resulting in going private, the purchase price for the fractional shares will constitute "fair value" if it is equal to the preceding ten-day average of the trading price of the corporation's stock. The Court also found that a "going concern" analysis or other analysis to determine the intrinsic value of the corporation is not necessary.

STRUCTURE OF THE TRANSACTION

The Transaction consists of a one-for-six reverse stock split of our common stock and a cash payment for fractional shares of less than one full share. If the Transaction is approved by stockholders and implemented by the Board, the reverse stock split is expected to occur at 8:00 p.m. on the Effective Date.

EFFECT ON THE COMPANY. The Board of Directors has determined that AMCON has no current plan or intention to take AMCON private. We have designed the size of the reverse stock split to (a) maintain the public registration of

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

our common stock with the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, by maintaining at least 300 stockholders of record, and (b) continue the listing of our common stock on the AMEX, by maintaining at least 400 beneficial or record stockholders.

The number of authorized shares of our common stock will not change as a result of the Transaction. On February 27, 2004, there were 3,169,154 shares of our common stock issued and outstanding. As a result of the Transaction, the total number of outstanding shares of our common stock will be reduced to an amount equal to one-sixth of the amount of current outstanding shares and the fractional shares cashed-out. The rights and preferences of the outstanding shares of our common stock will remain the same after the Transaction. Each share of our common stock issued pursuant to the Transaction will be fully paid and non-assessable. The par value of our common stock will remain at \$0.01 per share after the Transaction.

We do not know what the average daily closing price per share of our common stock as traded on the AMEX will be for the ten trading day period preceding and including the Effective Date. We also do not know the number of shares they will own to be cashed-out as a result of the Transaction, which will vary from the respective numbers on February 27, 2004. We, therefore, cannot determine the total amount to be paid by us in the Transaction.

However, by way of illustration only, the following examples demonstrate how we will determine the amount of money to be paid to stockholders owning fractional shares immediately after the reverse stock split (the "Cashed-Out Stockholders"). Assuming that on the Effective Date immediately prior to the Transaction:

- the total number of record holders has not changed since the record date, there are 630 Liquidated Stockholders who own an aggregate of 1,284 shares, 400 remaining record holders holding 990 shares which will become fractional shares following the Transaction, 120 remaining beneficial holders who have instructed their broker or bank to participate in the Transaction holding 360 shares which will become fractional shares following the Transaction, and the cash-out price is \$4.49 (based on the closing price on January 9, 2004), the Company will be obligated to pay the Cashed-Out Stockholders approximately \$11,826.66 in the aggregate; or

- the total number of record holders has increased to 1,500, there are 1,030 Liquidated Stockholders who own an aggregate of 3090 shares, 400 remaining record holders holding 990 shares which will become fractional shares following the Transaction, 120 remaining beneficial holders who have instructed their broker or bank to participate in the Transaction holding 360 shares which will become fractional shares following the Transaction, and the cash-out price is \$4.49 (based on the closing price on January 9, 2004), the Company will be obligated to pay the Cashed-Out Stockholders \$19,935.91 in the aggregate.

- the total number of record holders has not changed since the record date, 230 Street Name Holders owning less than six (6) shares of our common stock prior to the Transaction instruct their bank or broker to participate in the Transaction, resulting in 890 Liquidated Stockholders and Street Name Holders who own an aggregate of 2,434 shares, and the cash-out price is \$4.49

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

(based on the closing price on January 9, 2004), 400 remaining record holders holding 990 shares which will become fractional shares following the Transaction, 120 remaining beneficial holders who have instructed their broker or bank to participate in the Transaction holding 360 shares which will become fractional shares following the Transaction, the Company will be obligated to pay the Cashed-Out Stockholders \$16,990.16 in the aggregate.

EFFECT ON STOCKHOLDERS OF RECORD WITH FEWER THAN SIX (6) SHARES OF COMMON STOCK. Upon consummation of the reverse stock split portion of the Transaction, each stockholder of record on the Effective Date will own one share of our common stock for each six (6) of shares of our common stock held in his or her account immediately prior to the reverse stock split. Any Liquidated Stockholder will receive a cash payment instead of a fractional share. This cash payment will be determined and paid as described below under "Determination Of Cash-out Price".

After the Transaction, if you are a Liquidated Stockholder, you will have no further interest in the Company with respect to your cashed-out shares. These shares will no longer entitle you to the right to vote as a stockholder, to share in our assets, earnings, or profits, to receive any dividends declared or paid after the Transaction or to any other rights as a stockholder. In other words, you will be deemed to no longer hold or own shares of our common stock you owned immediately prior to the Transaction, you will have only the right to receive cash for these shares. In addition, you will not be entitled to receive interest with respect to the period of time between the Effective Date and the date you receive your payment for the cashed-out shares.

Any stockholder of record currently owning fewer than six (6) shares of our common stock who desires to retain an equity interest in the Company after the Effective Date of the Transaction may do so by purchasing, prior to the Effective Date, a sufficient number of shares of our common stock so that the total number of shares held of record in the stockholder's name immediately prior to the Transaction is equal to or greater than six, or, if applicable, consolidating or transferring all accounts of record held by the stockholder into one account with six or more shares of our common stock.

EFFECT ON REGISTERED STOCKHOLDERS WITH SIX (6) OR MORE SHARES OF COMMON STOCK. Stockholders of record holding six (6) or more shares of our common stock in his or her account immediately prior to the Transaction will remain stockholders of the Company, but will receive the Cash-Out Price for any fractional share resulting from the Transaction. After the Transaction, continuing stockholders will hold approximately one-sixth of the number of shares held prior to the Transaction, but the value of one post-Transaction share will equal the value of six (6) pre-Transaction shares.

20

EFFECT ON STREET NAME HOLDERS. Street Name Holders will not participate in the Transaction unless they either: (i) direct their broker or bank to change their ownership to record title prior to the Effective Date of the Transaction, or (ii) instruct their broker or bank owning record title to the shares to participate in the Transaction by following the appropriate procedures of DTC. The direction to change beneficial ownership to record ownership must be given in a timely manner to permit the change in ownership to record title to occur prior to 4:00 p.m. (central standard time) on the effective date of the Transaction. The instruction to the broker or bank to participate in the Transaction must be given in accordance with the

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

procedures of the broker or bank. If a Street Name Holder provides the (a) timely direction to change beneficial ownership to record ownership or (b) appropriate instruction to his or her broker or bank to participate in the Transaction as provided in this proxy statement, the Street Name Holder will receive cash for the fractional share resulting from the Transaction. If immediately prior to the Transaction you are a Street Name Holder beneficially owning less than six (6) shares of our common stock who follows one of the above procedures to take advantage of the Transaction, your shares will also be cashed out and you will no longer have any further interest in the Company with respect to your fractional share. Note, if you are a Street Name Holder who is considering participating in this Transaction, you should check with your broker or bank to determine what, if any, fee would be associated with converting your ownership to record title or instructing your broker or bank to participate in the Transaction. If you direct your bank or broker to participate in the Transaction by following the appropriate procedures of DTC, we anticipate that the administrative expense of such instruction will be lower than if you direct your broker or bank to convert your ownership to record title. If a Street Name Holder does not want participate in the Transaction, no additional shares need to be purchased and no additional action needs to be taken to avoid being cashed-out.

EFFECT ON OPTIONS, WARRANTS AND OTHER SECURITIES. In addition, all outstanding options, warrants and other securities entitling holders to purchase shares of our common stock, if any, will be adjusted as a result of the Transaction, as required by the terms of these securities. In particular, the conversion ratio for each instrument would be reduced, and the exercise price, if applicable, would be increased in accordance with the terms of each instrument and based on the exchange ratio of the Transaction. Also, the number of shares reserved for issuance under our existing stock option and employee stock purchase plans would be reduced proportionally based on the exchange ratio of the Transaction. None of the rights currently accruing to holders of the common stock, options, warrants or other securities convertible into common stock would be affected by the Transaction.

Examples. In general, the effect of the Transaction can be illustrated by the examples set forth on the following table. Note that for illustrative purposes only, we have assumed a Cash-Out Price of \$4.49 (based on an assumed ten-day trading average that is equal to the on the closing price on January 9, 2004).

HYPOTHETICAL SCENARIOS

(1) Mr. Brown is a stockholder of record who holds five (5) shares of our common stock in his account immediately prior to the Transaction.

RESULT

Instead of receiving a fractional share of our common stock immediately after the Transaction, Mr. Brown's shares will be converted into the right to receive cash. Mr. Brown would receive a check for \$22.45 ($5 \times \$4.49 = \22.45). Note: If Mr. Brown wants to continue his investment in the Company, immediately prior to the Effective Date, he can buy at least one (1) more share. Mr. Brown would have to act far enough in advance of the transaction so that the purchase is completed and the additional share is credited in his account by the close of business (central standard time) on the Effective Date.

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

(2) As of the Effective Date, Ms. Green has two separate record accounts. She holds:

- 3 shares of our common stock in one account, and
- 2 shares of our common stock in the other.

All of her shares are registered in her name only.

RESULT

Ms. Green will receive cash payments equal to the Cash-Out Price of our common stock in each record account instead of receiving fractional shares. Ms. Green would receive two checks totaling \$22.45 ((2 x \$4.49 = \$8.98) + (3 x \$4.49 = \$13.47)). Note: If Ms. Green wants to continue her investment in the Company, she can consolidate or transfer her two record accounts immediately prior to the Effective Date into one account and purchase one (1) or more additional shares so her single account owns at least six (6) shares of our common stock. Alternatively, she can buy three (3) or more shares for the first account and four (4) or more shares for the second account, and continue to hold them in separate accounts. She would have to act far enough in advance of the transaction so that the consolidation or the purchase is completed by the close of business (central standard time) on the Effective Date.

(3) Mr. Blue holds 10 shares of our common stock as of the Effective Date.

RESULT

After the Transaction, Mr. Blue will continue to hold 1 share of our common stock and will be entitled to a cash payment for the fractional share in connection with the Transaction of \$17.96 (4 x \$4.49).

(4) Ms. Orange is a Street Name Holder holding 4 shares of our common stock in her name in a brokerage account as of the Effective Date.

22

RESULT

Ms. Orange will hold 2/3rds of one share of our common stock in her name in an account unless she either (i) directs her broker or bank to change her ownership to record title prior to the Effective Date of the Transaction, or (ii) instructs her broker or bank to participate in the Transaction by following the appropriate procedures of DTC. If Ms. Orange becomes the record owner, she will receive directly a check for \$17.96 (4 shares x \$4.49). If Ms. Orange simply instructs her broker or bank to participate in the Transaction, she will receive, through her broker or bank, a check for \$17.96 (4 shares x \$4.49).

(5) Mr. Purple is a Street Name Holder holding 15 shares of our common stock in his name in a brokerage account as of the Effective Date.

RESULT

If Mr. Purple follows either of the procedures described above to take advantage of the Transaction, he will continue to hold 2 shares of our common stock in street name and he will receive directly, or through his broker or bank, as applicable, a check for \$13.47 (3 shares x \$4.49). If he does nothing, he will beneficially own 2 and 1/2 shares of our common stock after the Transaction.

PROCEDURES TO EXCHANGE CERTIFICATES AND CASH-OUT FRACTIONAL SHARES

EXCHANGING CERTIFICATES FOR REMAINING STOCKHOLDERS. Our transfer agent will act as the exchange agent for purposes of implementing the exchange of stock certificates. As soon as practicable after the effective date, stockholders will be notified of the effectiveness of the Transaction. Stockholders of record will receive a letter of transmittal requesting them to surrender their stock certificates for new stock certificates reflecting the adjusted number of shares as a result of the Transaction. Street Name Holders who do not want to participate in the Transaction will not be required to take any further actions. However, Street Name Holders who want to participate in the Transaction may receive cash for their fractional share resulting from the Transaction by either (i) directing their broker or bank to change their ownership to record title prior to the Effective Date of the Transaction, or (ii) instructing their broker or bank to participate in the Transaction by following the appropriate procedures of DTC. See "Structure of the Transaction-Effect On Street Name Holders."

PAYMENT FOR FRACTIONAL SHARES. As soon as practical after the Effective Date, our transfer agent will mail to all stockholders:

- a notice of the filing of the amendment to our certificate of incorporation,
- a letter of transmittal which contains instructions on how to surrender your certificate(s) to our transfer agent to receive your cash payment, along with
- other documents described below. See "How to Get Paid."

23

No certificates or scrip representing fractional shares of our common stock adjusted for the Transaction will be issued in connection with the Transaction. Instead, each Cashed-Out Stockholder who is not a Street Name Holder, upon surrender of their stock certificates and delivery to our transfer agent of the documents discussed below, will receive cash for the fractional share resulting from the Transaction. Brokerage firms and banks holding instructions to participate in the Transaction should follow DTC procedures to receive cash for the fractional shares the Street Name Holders will beneficially own as a result of the Transaction. Please do not send your certificates until you receive your letter of transmittal.

The amount of the cash payment to record and participating beneficial stockholders owning a fractional share will equal:

- the fractional share owned immediately after the Transaction, times six (6) times
- the Cash-Out Price. See "Determination of Cash-Out Price."

At the same time we pay stockholders for the fractional share resulting from the Transaction, we plan to send them any cash dividends for which they are entitled, including dividends declared prior to the Effective Date. See "Financial Information Dividends." FINANCIAL INFORMATION

INCORPORATION BY REFERENCE. We hereby incorporate by reference (a) the financial statements and the notes thereto contained on pages F-2 through F-33 of our Annual Report to Stockholders for the fiscal year ended September 26, 2003 ("Annual Report to Stockholders") included with this Proxy Statement and attached as Exhibit 13.1 to our Annual Report on Form 10-K, (b) the report of independent certified public accountants thereon contained on page F-1 of the Annual Report to Stockholders, (c) supplemental financial information contained on pages 2 through 3 of the Annual Report to Stockholders, (d) Management's Discussion and Analysis or Plan of Operation contained on pages 5 through 22 of the Annual Report to Stockholders and (e) quantitative and qualitative disclosures about market risks contained on pages 22 through 23 of the Annual Report to Stockholders.

DIVIDENDS. During fiscal years 2003 and 2002, the Board of Directors declared cash dividends of \$0.03 per share per quarter or \$0.12 per share for each year. The Board of Directors will evaluate payment of future dividends at their regular meetings. Our revolving credit facility provides that we may not pay dividends in excess of \$0.12 per share on an annual basis. For the last three years, we have maintained a policy of instructing our transfer agent to hold any dividend checks payable in an amount less than \$3.00. In connection with paying the Cash-Out Price to each stockholder for a fractional share, we plan to direct the transfer agent to pay with the Cash-Out Price any dividends which have been held by the transfer agent for the benefit of these stockholders.

VOTE REQUIRED

The Transaction must be approved by the holders of a majority of the outstanding shares of our common stock entitled to vote thereon. Any abstention or broker non-vote will have the effect of a vote against the

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

Transaction.

As of February 27, 2004, our executive officers and directors beneficially owned a total of approximately 45% of the outstanding our common stock entitled to vote at the Annual Meeting. Each of our executive officers and directors has advised the Company that he or she intends to vote his or her shares in favor of the Transaction.

APPRAISAL AND DISSENTERS' RIGHTS

No appraisal or dissenters' rights are available under Delaware law to stockholders who dissent from the Transaction. We will not independently provide our stockholders of record with any appraisal or dissenters' right.

RESERVATION OF RIGHTS

Even if the Transaction has been authorized by our stockholders at the Annual Meeting, we reserve the right to abandon the Transaction without further action by our stockholders at any time before the filing of the necessary

25

amendments to our certificate of incorporation with the Delaware Secretary of State. By voting in favor of the Transaction you are also expressly authorizing us to determine not to proceed with the Transaction if we should so decide.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

GENERAL. We have summarized below certain federal income tax consequences to the Company and stockholders of record resulting from the Transaction. This summary is based on U.S. federal income tax law existing as of the date of this Proxy Statement, and such tax laws may change, even retroactively. This summary does not discuss all aspects of federal income taxation which may be important to you in light of your individual circumstances. Many stockholders of record (such as financial institutions, insurance companies, broker-dealers, regulated investment companies, personal holding companies, tax-exempt organizations, foreign entities and foreign persons) may be subject to special tax rules. Other stockholders of record may also be subject to special tax rules, including but not limited to:

- stockholders who received our common stock as compensation for services or pursuant to the exercise of an employee stock option, or
- stockholders who have held, or will hold, stock as part of a straddle, hedging, or conversion transaction for federal income tax purposes.

In addition, this summary does not discuss any state, local, foreign, or other tax considerations. This summary assumes that you are a U.S. citizen and have held, and will hold, your shares as capital assets (i.e. generally property held for investment) under the Code. You should consult your tax advisor as to the particular federal, state, local, foreign, and other tax consequences, in light of your specific circumstances.

We believe that the Company will be able to treat the Transaction as a tax-free "recapitalization" for federal income tax purposes.

FEDERAL INCOME TAX CONSEQUENCES TO STOCKHOLDERS WHO ARE NOT CASHED OUT BY THE TRANSACTION. If you (1) continue to hold our common stock immediately after

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

the Transaction, and (2) receive no cash as a result of the Transaction, you will not recognize any gain or loss as a result of the Transaction and you will have the same adjusted tax basis and holding period in our common stock as you had in such stock immediately prior to the Transaction.

FEDERAL INCOME TAX CONSEQUENCES TO STOCKHOLDERS WHO RECEIVE CASH. In general, Cashed-Out Stockholders will recognize a gain or loss as a result of the Transaction equal to the difference between the total Cash-Out Price received by them and their adjusted basis in the shares of common stock eliminated in the Transaction. The characterization of this gain or loss as a long-term capital gain or loss or short-term capital gain or loss will depend on the period of time such shares were held by a stockholder prior to the transaction.

26

THE FOREGOING IS A GENERAL DISCUSSION ONLY AND YOUR OWN TAX CONSEQUENCES COULD BE DIFFERENT IN CERTAIN CASES. ACCORDINGLY, YOU SHOULD CONSULT YOUR TAX ADVISOR AS TO THE PARTICULAR FEDERAL, STATE, LOCAL, FOREIGN, AND OTHER TAX CONSEQUENCES OF THE TRANSACTION, IN LIGHT OF YOUR SPECIFIC CIRCUMSTANCES.

RECOMMENDATION

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS AND DEEMS ADVISABLE THAT STOCKHOLDERS VOTE "FOR" THE TRANSACTION AND THE RELATED AMENDMENT TO OUR CERTIFICATE OF INCORPORATION.

SUBMISSION OF STOCKHOLDER PROPOSALS

Under our Bylaws, any stockholder may submit a proposal for presentation at the Annual Meeting by delivering the proposal to our corporate secretary at our home office by no later than Tuesday, April 6, 2004. Such proposals should set forth: (i) a brief description of the business desired to be brought before the Annual Meeting and the reason for conducting such business at the Annual Meeting; (ii) the name and address of the stockholder proposing such business; (iii) the number of shares of the Company's common stock beneficially owned by such stockholder; and (iv) any material interest of such stockholder in the business matter being proposed. Our Bylaws also allow stockholders to submit nominations for directors by delivering the nominations in writing to our corporate secretary at our home office by no later than Tuesday, April 6, 2004. Only stockholders of record as of the Record Date (March 26, 2004) are entitled to bring business before the Annual Meeting or make nominations for directors.

Stockholders may also ask us to include proposals in the proxy materials that we send out in connection with our annual meetings, subject to the proxy rules adopted by the SEC. We anticipate mailing our proxy materials for next year's Annual Meeting on or about February 8, 2005. Based on that schedule, the deadline for Stockholder proposals to be included in the proxy statement for that meeting is October 11, 2004. If you intend to submit such a proposal, it must be received by our corporate secretary, no later than that date. If you intend to submit a matter for consideration at next year's meeting, other than by submitting a proposal to be included in our proxy statement, you must give timely notice according to our bylaws.

OTHER MATTERS

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

We do not intend to bring any matters before the Annual Meeting other than those disclosed in the Notice of Annual Meeting of Stockholders, and we do not know of any business which persons, other than the management, intend to present at the Annual Meeting. The enclosed proxy for the Annual Meeting confers discretionary authority on the Board of Directors to vote on any matter proposed by stockholders for consideration at the Annual Meeting.

27

We will bear the cost of soliciting proxies for use by our Board of Directors at the Annual Meeting. To the extent necessary, proxies may be solicited by our directors, officers and employees in person, by telephone or through other forms of communication, but these persons will not receive any additional compensation for this solicitation. We will reimburse brokerage firms, banks and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of our common stock. We will supply banks, brokers, dealers and other custodian nominees and fiduciaries with proxy materials to enable them to send a copy of such materials by mail to each beneficial owner of shares of our common stock which they hold of record and will, upon request, reimburse them for their reasonable expenses in so doing.

Stockholders may communicate with any director, including the Chairman of the Board and the chairman of any committee of the Board, by sending a letter to the attention of the appropriate person (which may be marked as confidential) addressed to our corporate secretary at our home office. All communications received by the corporate secretary will be forwarded to the appropriate directors. In addition, it is the policy of our Board of Directors that directors attend, and be available to discuss stockholder concerns, at the Annual Meeting. All directors attended last year's Annual Meeting on March 13, 2003.

The Company's Annual Report, including the financial statements, is being mailed, together with this Proxy Statement, to all stockholders entitled to vote at the Annual Meeting. The Company has incorporated provisions of its Annual Report into this Proxy Statement; however, such Annual Report is not to be considered part of this proxy solicitation material. In addition, any stockholder who wishes to receive a copy of the Form 10-K filed by the Company with the Securities and Exchange Commission, or a copy of any document incorporated by reference into the Proxy Statement, may obtain a copy without charge by contacting the Company at 402-331-3727 or by writing to the Company at 7405 Irvington Road, Omaha, Nebraska 68122. Requests should be directed to Mr. Michael D. James at the Company's principal executive office.

None of the information set forth in this Proxy Statement under the headings "Report of the Compensation Committee on Executive Compensation," "Report of the Audit Committee" or "Company Performance" is deemed to be "soliciting material" or to be "filed" with the SEC or subject to the SEC's proxy rules or to the liabilities of Section 18 of the Securities Exchange Act of 1934 (the "1934 Act"), and this information will not be deemed to be incorporated by reference into any prior or subsequent filing by the Company under the Securities Act of 1933 or the 1934 Act.

II. AUDIT COMMITTEE COMPOSITION AND MEETINGS

A. INDEPENDENCE

The Audit Committee shall be comprised of three or more directors as determined by the Board. Except as set forth below, each member of the Audit Committee must:

- qualify as an independent director (as defined in Section 121(A) of the AMEX listing standards), who is not an officer or employee of the Company or any of its subsidiaries and does not, in the view of the Board, have any material relationship with the Company that would interfere with the exercise of the director's independent judgment.

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

- qualify as independent under the requirements of Rule 10A-3 under the Securities Exchange Act of 1934.

- not be an AMEX employee or Floor Member as provided under Section 802 of the AMEX listing standards.

The Board may appoint one member to the Audit Committee who is not independent as defined under Section 121A of the AMEX listing standards as long as such member satisfies the independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934 and the Board has determined, under exceptional and limited circumstances, in accordance with the requirements of Section 121B(2)(b) of the AMEX listing standards, that membership on the Audit Committee by such individual is required by the best interest of the Company and its stockholders. In such case, the Board must disclose in the annual meeting proxy statement subsequent to such determination, the nature of the relationship that makes that individual not independent and the reasons for the Board's determination. A member of the Audit Committee appointed pursuant to this provision may not serve in excess of two consecutive years and may not be the Audit Committee Chair of the Audit Committee.

B. QUALIFICATIONS; FINANCIALLY SOPHISTICATED

All members of the Audit Committee must also be able to read and understand fundamental financial statements, including the Company's balance sheets, income statements and cash flow statements. At least one member of the Audit Committee must at all times be financially sophisticated, in that he or she has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including but not limited to being or having been a chief executive officer, chief financial officer, or other senior officer with financial oversight responsibilities. A member of the Audit Committee who qualifies as an "Audit Committee Financial Expert" under Item 401(h) of Regulation S-K is presumed to qualify as financially sophisticated.

C. AUDIT COMMITTEE CHAIR

The Nominating Committee shall recommend to the Board, and the Board shall designate, one member of the Audit Committee as Audit Committee Chair. The Audit Committee Chair shall preside over meetings and proceedings of the Audit Committee. If the Audit Committee Chair is not present, the members of the Audit Committee may designate an Audit Committee Chair by majority vote of the Audit Committee membership.

D. MEETINGS

The Audit Committee shall meet at least quarterly, prior to the filing of each quarterly report on Form 10-Q or annual report on Form 10-K, as applicable, or more frequently as circumstances dictate or the Audit Committee Chair deems appropriate, or as required by law or applicable rules and regulations. The Audit Committee Chair shall prepare and/or approve an

agenda in advance of each meeting. A majority of the members of the Audit Committee shall constitute a quorum. The vote of a majority of the members present at any meeting at which a quorum is present shall be the act of the

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

Audit Committee. The Audit Committee may meet in person or telephonically. The Audit Committee shall establish its own rules of procedure which shall be consistent with the Bylaws of the Company and this Charter. The Audit Committee Chair or a majority of the members of the Audit Committee may call a special meeting of the Audit Committee.

The Audit Committee should meet privately in executive session at least annually with management and the independent auditors, and as an Audit Committee to discuss any matters that the Audit Committee, management or the independent auditors believe should be discussed. In addition, the Audit Committee, or at least its Audit Committee Chair, should communicate with management and the independent auditors quarterly to review the Company's financial statements and significant findings based upon the auditors' review procedures.

The Company's independent auditor will attend at least four of the Audit Committee's meetings each year. The Audit Committee may request members of management or others to attend meetings and provide such information as the Audit Committee deems appropriate.

E. APPOINTMENT; REMOVAL; RESIGNATION

Members of the Audit Committee shall be appointed by the Board at its annual meeting and shall generally serve until their failure to qualify, resignation, or retirement, their removal by the Board or until their successors shall be duly appointed and qualified.

No member of the Audit Committee shall be removed except by a majority vote of the independent directors or upon failure of such member to meet the independence or qualification requirements of this Charter. A member of the Audit Committee shall be deemed to have resigned from the Audit Committee at such time that the member shall have been removed from the Board pursuant to the Bylaws of the Company or such member has resigned or otherwise terminated his or her membership on the Board.

F. MINUTES; REPORTS TO BOARD OF DIRECTORS

The Audit Committee shall keep minutes of its proceedings and the names and places of residence of its members. Following each of its meeting, the Audit Committee shall deliver a report on the meeting to the Board, including a description of all actions taken by the Audit Committee at the meeting. The report will also include any significant issues arising with respect to (i) the quality or integrity of the Company's financial statements, (ii) the Company's compliance with legal or regulatory requirements, or (iii) the performance and independence of the Company's independent auditors.

31

G. SUBCOMMITTEES

Review the significant reports to management prepared by the independent auditor, together with management's responses, including the status of previous recommendations, and follow up on these reports.
5. Discuss with management and the independent auditor the quality and adequacy of the Company's internal controls and internal control over financial reporting, including any significant deficiencies in the design or operation of those controls which could adversely affect the Company's

32

10. Discuss earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies. The Audit Committee need not discuss in advance each earnings release or each instance in which the Company may provide earnings guidance.

11. Discuss policies regarding risk assessment and risk management. While it is the job of Company management to assess and manage the Company's exposure to risk, the Audit Committee will discuss guidelines and policies that govern the process. This discussion may include the Company's financial risk exposures and the steps management has taken to monitor and control exposures. The Audit Committee is not required to be the sole body responsible for risk assessment and management.

33

12. While the fundamental responsibility for the Company's financial statements and disclosures rests with management and the independent auditor, the Audit Committee will review: (i) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal control, internal control over financial reporting and any special audit steps adopted in light of material control deficiencies, (ii) analyses prepared by management or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements and the treatment preferred by the independent auditor, (iii) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Company, and (iv) earnings press releases (paying particular attention to any use of pro-forma information and non-GAAP information), as well as financial information and earnings guidance provided to analysts and rating agencies.

Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

34

4. The Audit Committee shall confirm that neither the lead audit partner nor the primary reviewing partner of the independent auditor has performed audit services for the Company for each of the five previous fiscal years.

5. The Audit Committee shall consider results of the independent accountant's last peer review, litigation status, and disciplinary actions, if any.

DOES HEREBY CERTIFY:

FIRST: that at a meeting of the Board of Directors of AMCON Distributing Company resolutions were duly adopted setting forth a proposed amendment of the Certificate of Incorporation of said corporation, declaring said amendment to be advisable and calling a meeting of the stockholders of said corporation for consideration thereof. The resolution setting forth the proposed amendment is as follows:

RESOLVED, that the Certificate of Incorporation of this corporation be amended by changing the Article thereof numbered "Article IV" so that, as amended, the following Section 7 shall be added to the end of said Article and shall be and read as follows:
