**Item 1.01. Entry into a Material Definitive Agreement.**

***Contribution Agreement***

On August 14, 2015, NJNR Pipeline Company (“NJNR”), a wholly-owned subsidiary of New Jersey Resources Corporation (“NJR”), entered into a Contribution Agreement (the “Contribution Agreement”) with Dominion Midstream Partners, LP (the “Partnership”) and Iroquois GP Holding Company, LLC, a wholly owned subsidiary of the Partnership. Pursuant to the Contribution Agreement, NJNR will contribute to the Partnership its 5.53 percent partnership interests in Iroquois Gas Transmission System, L.P. (“IGTS”) in exchange for 1,838,932 common units representing limited partner interests in the Partnership (“Common Units”). The aggregate value of the Common Units to be issued to NJNR is approximately \$61.1 million, determined as provided in the Contribution Agreement.

NJNR has agreed to certain transfer restrictions applicable to the Common Units to be issued to NJNR, including, subject to certain exceptions, a general 12-month lock up following the closing of such Common Units.

***Registration Rights Agreement***

In connection with the Contribution Agreement, NJNR and the Partnership expect to enter into a registration rights agreement (the “Registration Rights Agreement”) at closing. The Partnership has agreed to grant NJNR certain registration rights and piggyback registration rights with respect to future offerings of Common Units by the Partnership. The rights to be granted under the Registration Rights Agreement will not affect the lock-up period under the Contribution Agreement described in this Item 1.01. The Registration Rights Agreement will also include provisions dealing with holdback agreements, indemnification and contribution and allocation of expenses. These registration rights will be transferable to affiliates, and in certain circumstances, to third parties.

Each of the foregoing descriptions of the Contribution Agreement and the Registration Rights Agreement is qualified in its entirety by reference to the full text of the Contribution Agreement and the Registration Rights Agreement. A copy of the Contribution Agreement, which includes as an exhibit the form of Registration Rights Agreement, is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated in this Item 1.01 by reference.

***Closing***

The closing of the transactions described on this Form 8-K is conditioned upon the closing of separate but related transactions between the Partnership and other parties owning partnership interests in ITGS, as well as upon clearance under the Hart-Scott Rodino Act and other customary closing conditions.

**Item 7.01 Regulation FD Disclosure**
