This proxy statement is furnished to the shareholders of Colony Bankcorp, Inc. in connection with the solicitation of proxies by its Board of Directors to be voted at the 2003 Annual Meeting of Shareholders and at any adjournments thereof (the "Annual Meeting"). The Annual Meeting will be held on Tuesday, April 22, 2003, at Colony Bankcorp, Inc. Corporate Offices at 115 South Grant Street, Fitzgerald, Georgia, at 6:00 p.m. local time.

As used in this proxy statement, the terms Colony Bankcorp, Company, we, our and us all refer to Colony Bankcorp, Inc. and its subsidiaries.

VOTING

General

The securities which can be voted at the Annual Meeting consist of Colony Bankcorp's \$1.00 par value common stock ("Colony Bankcorp stock"), with each share entitling its owner to one vote on each matter submitted to the stockholders. The record date for determining the holders of Colony Bankcorp stock who are entitled to notice of and to vote at the Annual Meeting is March 15, 2003. On the record date, 4,583,382 shares of Colony Bankcorp stock were outstanding and eligible to be voted.

Quorum and Vote Required

Edgar Filing: COLONY BANKCORP INC - Form DEF 14A

In voting for the proposal to elect ten directors (Proposal No. 1), you may vote in favor of all nominees or withhold your votes as to all or as to specific nominees. The vote required to approve Proposal No. 1 is governed by Georgia law and is a plurality of the votes cast by the holders of shares entitled to vote, provided a quorum is present. Any other matter which may be submitted to shareholders at the meeting will be determined by a majority of the votes cast at the meeting. You should specify your choices on the proxy card. **If no specific instructions are given with regard to the matter to be voted upon, the shares represented by a signed proxy card will be voted for the proposals listed on the proxy card.** If any other matters properly come before the Annual Meeting, the persons named as proxies will vote upon such matters according to their judgment.

All proxy cards delivered pursuant to this solicitation are revocable at any time before they are voted by giving written notice to our Secretary, Harold E. Kimball, at 115 South Grant Street, Fitzgerald, Georgia 31750, by delivering a later dated proxy card, or by voting in person at the Annual Meeting.

Directors of Colony Bank of Fitzgerald were able to defer all or a portion of director's fees in return for a deferred income agreement. Under the agreement, a Director agrees to serve for either five or ten years without director's fee compensation in exchange for an agreement by the Bank to pay the director deferred income at death, or upon attaining age 65. With the deferred compensation, the Bank has purchased key man insurance on the participating directors which will pay the Bank a death benefit equal in value to the projected cost of the deferred income. Management believes the program will have no net cost to the Bank. Liabilities accrued under the plan totaled \$761,659 as of December 31, 2002. Benefit payments under the contracts were \$60,890 in 2002. Provisions charged to operations totaled \$103,284 in 2002. All fees covered by the deferred compensation plan have been deferred and all directors are now receiving director fees. Colony Bank of Fitzgerald continues to pay premiums on the insurance policies. All directors are participating in the plan, except new directors elected since 1990.

Directors of Colony Bank Quitman, FSB adopted a deferred compensation plan effective December 15, 1996 for the benefit of its officers and directors. The bank funds the plan with general bank assets. The bank acquired life insurance policies to serve as the primary funding source. As of December 31, 2002, the cash values of those policies were \$996,051. The liability accrued for benefits payable under the plan was \$75,938 as of December 31, 2002. The purposes of the plan are to provide key person life insurance to the bank and to provide retirement benefits to key employees. A total of six directors participate in the plan. Annual future retirement payments for non-employee directors have limits based on the participant's highest annual compensation. During 2002, the bank recognized deferred compensation expense of \$44,867. Income recognized on plan assets was \$41,726. Thus, net expense for calendar 2002 was \$3,141. All directors are participating in the plan, except new directors elected since 2002.

Employees are eligible to participate after completion of one year of service. The contribution by the Bank is allocated among the participants according to the ratio of the participant's compensation to the total compensation of all employees. The employee's interest vests over a period of seven years; prior to 1989 an employee's interest in its individual account vested over a period of eleven years. For the year ending December 31, 2002, the Board of Directors of the Company and subsidiary banks voted to contribute in the aggregate \$408,476 of the profits of the Company to the Company's profit sharing plans.

Other Compensation and Benefit Plans

Incentive Cash Plan. Bonuses for our Cash Incentive Plan are tied to a weighting factor, of which one-half of the bonus award is based on the Company's return on equity, along with other weighting factors of loan growth, problem asset reduction, net interest margin, net overhead, past due loan levels and charge-off loan levels with the reward potential within a range of 6.25% to 50% of salary. The compensation listed as bonus in the summary compensation table for executive compensation represents payments under the cash incentive plan to the listed executive officers.

Transactions with the Company

Loans. The Company's directors and officers from time to time have borrowed funds from the Company's subsidiaries for various business and personal reasons. Such loans are made in strict compliance with state and Federal statutes and regulations of the Federal Deposit Insurance Corporation and the Georgia Department of Banking and Finance.

As of December 31, 2002, certain officers, executive officers, directors, and companies in which they are an executive officer or partner or in which they have a 10% or more beneficial interest, were indebted to the bank in the aggregate amount of \$12,698,926. Such loans were (1) made in the ordinary course of business; (2) were made on substantially the same terms, including interest rates and collateral, as were prevailing at the time for comparable transactions with other persons; and (3) did not involve more than normal risk of collectibility or present other unfavorable features.

The Company and its subsidiaries utilized the services of Mills and Chasteen, P.C. during 2002. Mr. Ben B. Mills, Jr. is a director of the Company and a partner in that law firm.

The Company and its subsidiaries utilized the services of Martin, Snow, LLP during 2002. Mr. Edward J. Harrell is a director of the Company and a partner in that law firm.

Legal Proceedings

There are no material pending legal proceedings, other than ordinary routine litigation incidental to the business of the Company, to which the Company or any of its subsidiaries is a party or of which any of their property is subject. Material proceedings are defined as claims for damages where the amount involved, exclusive of interest and cost, exceeds ten percent of the current assets of the Company and its subsidiaries on a consolidated basis.

During the previous five years, no director, person nominated to become a director, or executive officer of the Company was the subject of a legal proceeding that is material to an evaluation of the ability or integrity of any such person.

Report on Executive Compensation

The Colony Bankcorp Compensation Committee makes this report on executive compensation for the fiscal year ended December 31, 2002.

One of the committee's responsibilities is to determine the compensation of the executive officers of Colony Bankcorp, Inc. and its subsidiaries (Colony Bankcorp), including those named in the Summary Compensation Table which appears elsewhere in this proxy statement. The components of executive compensation are salary, bonus awards under the Company's Incentive Cash Plan, contributions by the Company to its Profit Sharing Plan, director fees and the dollar value of our group term life insurance and company vehicles provided to executive officers.

It is our policy to determine the salary components of executive compensation principally upon the basis of corporate performance, although the elements of corporate performance may vary from year to year. Among the performance factors which we consider are corporate profitability, asset quality, growth and corporate performance relative to industry standards such as problem asset levels, past due loan levels, loan production, net interest rate margin and net overhead. We do not use a formula to calculate the relative weight of these performance factors in establishing base salary, but do give significant subjective weight to the overall value of Colony Bankcorp from year to year.

We also take into account how the overall level of Colony Bankcorp's executive compensation compares to similar-sized bank holding companies in the Southeastern United States. It was determined that the salary and bonus component of executive compensation was generally within competitive market limits of similar-sized bank holding companies. All other employment benefits of the executive officers were found to be generally within competitive limits.

In setting the compensation for fiscal year 2002 of James D. Minix, the Company's President and Chief Executive Officer, which included a 22.90% salary increase and a continuation of the bonus award with the Company's Cash Incentive Plan within a range of 12.50% to 50.00% of salary, we did not apply an objective formula, but did take into account the following factors:

1. During the fiscal year 2001, Colony Bankcorp continued to increase in value as reflected by an approximate 4.38% increase in stockholder's equity from fiscal year 2000. During that same period, the market value of the Company's common stock increased by approximately 34.00%.
2. Colony Bankcorp posted record earnings for fiscal year 2001. Net income for 2001 increased by approximately 8.00% from 2000.

3. Colony Bankcorp's total assets increased by approximately 19.60% from fiscal 2000 to fiscal 2001.

The compensation committee considered similar factors in setting the compensation for Messrs. Hester, Patten, Ross and Williams.

The Board of Directors of the Company did not modify or reject any recommendations we made in 2002 with respect to compensation decisions.

I. PURPOSE

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing: the financial reports and other financial information provided by the Corporation to any governmental body or the public; the Corporation's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Corporation's auditing, accounting and financial reporting processes generally. Consistent with this function, the Audit Committee should encourage continuous improvement of and should foster adherence to the corporation's policies, procedures and practices at all levels. The Audit Committee's primary duties and responsibilities are to:

Serve as an independent and objective party to monitor the Corporation's financial reporting process and internal control system.

Review and appraise the audit efforts of the Corporation's independent accountants and internal auditing department.

Provide an open avenue of communications among the independent accountants, financial and senior management, the internal auditing department, and the Board of Directors.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this Charter.

II. COMPOSITION

The Audit Committee shall be comprised of three or more directors as determined by the Board, each of whom shall be independent directors, and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. Independent director means a person other than an officer or employee of the company or its subsidiaries or any other individual having a relationship which, in the opinion of the company's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

As part of its job to foster open communication, the Committee should meet at least annually with management, the director of the internal auditing department and the independent accountants to discuss any matters that the Committee or each of these groups believe should be discussed privately. IV. RESPONSIBILITIES AND DUTIES

1. Review and update this Charter periodically, at least annually, as conditions dictate.

Independent Accountants

5. Recommend to the Board of Directors the selection of the independent accountants, considering independence and effectiveness and approve the fees and other compensation to be paid to the independent accountants. The committee shall receive annually from the independent accountants, a formal written statement delineating all relationships between the auditor and the company consistent with Independence Standards Board Standard 1. The Committee shall actively engage in a dialogue with the independent auditor with respect to any disclosed relationships or service that may impact the objectivity and independence of the auditor and for taking or recommending that the full board take appropriate action to ensure the independence of the outside auditor.
6. The Committee shall ensure the outside auditor's ultimate accountability to the Board of Directors and the audit committee, as representatives of shareholders and these shareholder representatives shall have ultimate authority and responsibility to select, evaluate, and where appropriate, replace the outside auditor (or to nominate the outside auditor to be proposed for shareholder approval in any proxy statement).

7. Periodically consult with the independent accountants out of the presence of management about internal controls and the fullness and accuracy of the organization's financial statements.

Financial Reporting Processes

8. In consultation with the independent accountants and the internal auditors, review the integrity of the organization's financial reporting processes, both internal and external.
9. Consider the independent accountant's judgments about the quality and appropriateness of the Corporation's accounting principles as applied in its financial reporting.
10. Consider and approve, if appropriate, major changes to the Corporation's auditing and accounting principles and practices as suggested by the independent accountants, management, or the internal auditing department.

Process Improvement

11. Establish regular and separate systems of reporting to the Audit Committee by each of management, the independent accountants and the internal auditors regarding any significant judgments made in management's preparation of the financial statements and the view of each as to appropriateness of such judgments.

Our Board of Directors has selected McNair, McLemore, Middlebrooks & Co., LLP, to serve as our independent accountants for the fiscal year ending December 31, 2003. Representatives of that firm will be present at the Annual meeting and will have the opportunity to make a statement if they desire to do so. They will be available to answer your questions at that time.

Audit Fees. In connection with services rendered in connection with the audit of the Company's annual financial statements and the review of the Company's interim financial statements, the Company has estimated that its total audit fees for fiscal year 2002 were approximately \$111,685. This figure is based on an estimate provided by our accountants, McNair, McLemore, Middlebrooks & Co., LLP, and includes fees for services that were billed to the Company in fiscal year 2002 and 2003 in connection with the 2002 fiscal year audit.

Financial Information Systems Design and Implementation Fees. The Company did not retain its principal accountant to perform Financial Information Systems Design or Implementation services in fiscal year 2002.

Other Fees. During fiscal year 2002, the company was billed \$47,658 by its principal accountants for services not described above. These other fees were for services including tax advice, consulting services, etc.

The Audit Committee has considered the provision of non-audit services by our principal accountants and has determined that the provision of such services were consistent with maintaining the independence of the Company's principal accountants.

Changes in and Disagreement with Accountants on Accounting and Financial Disclosure. There was no accounting or disclosure disagreement or reportable event with the former or current auditors that would have required the filing of a report on Form 8-K.

Shareholder Proposals for 2002 Meeting

Any notice of a shareholder proposal not received by us on or before February 4, 2004, will not be considered timely and will not be submitted to the shareholders at the 2004 annual meeting. Any such proposal must comply with the rules and regulations of the Securities and Exchange Commission.
