This Amendment No. 3 amends the Statement on Schedule 13D, dated October 31, 2007, as subsequently amended (the "Schedule 13D"), filed by Assicurazioni Generali S.p.A. ("Assicurazioni Generali"), a company incorporated under the laws of the Republic of Italy, and by Alleanza Assicurazioni S.p.A., INA Assitalia S.p.A. (each incorporated under the laws of Italy), Volksfürsorge Deutsche Lebensversicherung A.G. (incorporated under the laws of Germany), and Generali Vie S.A. (incorporated under the laws of France), the latter four companies each belonging to the Assicurazioni Generali group (the "Other Generali Investors" and, together with Assicurazioni Generali, "Generali"), with respect to the ordinary shares, euro 0.55 par value per share, of Telecom Italia S.p.A., a company incorporated under the laws of the Republic of Italy. The relationships between the Generali companies and their interests in the Telecom Italia shares are described in detail in the previously filed Amendment No. 2 to the Schedule 13D. Capitalized terms used in this Amendment No. 3 without definition have the meanings ascribed to them in the Schedule 13D.

Introduction.

On April 28, 2007, a group of investors (the "Investors") made up of Assicurazioni Generali, Sintonia S.A., Intesa Sanpaolo S.p.A. ("Intesa Sanpaolo"), Mediobanca S.p.A. ("Mediobanca" and, together with Generali, Sintonia S.A. and Intesa Sanpaolo, the "Italian Investors") and Telefonica S.A., the Spanish-based telecommunications operator ("Telefonica"), entered into a co-investment agreement (as subsequently amended by an amendment agreement on October 25, 2007 (the "October 25th Amendment"), the "Co-Investment Agreement"). The Other Generali Investors became Investors pursuant to the October 25th Amendment. The Co-Investment Agreement established the terms and conditions for the Investors' participation in Centotrenta 4/6 S.r.l., an Italian company with registered office at Galleria del Corso 2, Milan, Italy, fiscal code n. 05277610969 subsequently transformed into an Italian joint stock company and renamed as Telco S.p.A. ("Telco"), an Italian corporation. On November 15, 2007, the registered office of Telco was transferred to Via Filodrammatici 3, Milan, Italy.

Through Telco, the Investors have purchased the entire share capital of Olimpia S.p.A. ("Olimpia"), which in turn holds 2,407,345,359 ordinary shares, or approximately 18% of the ordinary share capital, of Telecom Italia S.p.A. ("Telecom Italia"), from Pirelli & C. S.p.A. ("Pirelli") and Sintonia S.p.A. and Sintonia S.A. (together, "Sintonia") (the "Transaction"). The closing of the purchase of the Olimpia Shares pursuant to the Share Purchase Agreement occurred on October 25, 2007, following the receipt of the announcement of forthcoming governmental approvals from the Brazilian telecommunications authority on October 23, 2007 (the "Announcement"), an unofficial English translation of which was previously filed on Schedule 13D as Exhibit 11.

In addition to Telco's participation in Telecom Italia's ordinary share capital through its interest in Olimpia, on October 25, 2007 pursuant to the Co-Investment Agreement Generali and Mediobanca contributed to Telco the shares of Telecom Italia they held on that date. These shares amounted to 5.6% of Telecom Italia's ordinary share capital, with the individual contributions of Generali and Mediobanca amounting to 4.06% and 1.54%, respectively, of Telecom Italia's ordinary share capital, and brought Telco's direct and indirect participation in Telecom Italia's ordinary share capital to approximately 23.6%. Copies of the Co-Investment Agreement and the October 25th Amendment were previously filed on Schedule 13D as Exhibits 3 and 9, respectively.

On April 28, 2007, the Investors also entered into a shareholders agreement (as subsequently amended by the Amendment, the "Shareholders' Agreement"), pursuant to which the Investors set out, among other things, the principles of corporate governance of Telco and Olimpia, respectively, the transfer of Telco's shares and any Olimpia Shares or Telecom Shares (each as defined below) directly or indirectly owned by Telco and the principles of designation, among the Investors, of candidates to be included in a common list for the appointment of directors of Telecom Italia under the voting list mechanism provided for by

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

Telecom Italia's by-laws. A copy of the Shareholders' Agreement was previously filed on Schedule 13D as Exhibit 5.

Pursuant to the October 25th Amendment, the Investors acknowledged the content of the Announcement and each of the Investors undertook, for so long as it lies within their respective powers, to implement the content thereof through appropriate actions. On November 19, 2007, the Investors entered into an Amendment to Shareholders Agreement and to the Bylaws (the "November 19th Amendment") to address the content of the Announcement, and each of the Investors undertook to implement such content through appropriate legal measures and actions including amending the Shareholders' Agreement and by-laws of Telco as provided in the November 19th Amendment. A copy of the November 19th Amendment is filed as Exhibit 14 hereto and an unofficial English translation of the amended and restated by-laws of Telco (the "Telco By-laws") is filed as Exhibit 15 hereto (such translation of the Telco By-laws amends and restates and therefore supersedes the prior version filed on Schedule 13D as Exhibit 13).

Separately, on November 6, 2007, pursuant to the Shareholders' Agreement, Telco and Telefónica entered into a Call Option Agreement (the "Option Agreement") to grant to Telefónica an option to purchase Telecom Shares or Olimpia Shares, as the case may be, from Telco in the event that a decision to dispose or encumber Telecom Shares or Olimpia Shares, as the case may be, or any rights attached thereto, including but not limited to voting rights, is taken by the board of directors of Telco by simple majority and Telefónica is a dissenting party. A copy of the Option Agreement is filed as Exhibit 16 hereto. On November 15, 2007, pursuant to Article 5 of the Option Agreement, Olimpia adhered to and accepted all the terms and conditions of the Option Agreement. A copy of the Olimpia adherence letter is filed as Exhibit 17 hereto.

Items 6 and 7 of the Schedule 13D are hereby amended and supplemented to add the following:

Item 6. Contracts, Agreements, Understandings or Relationships with Respect to Securities of the Issuer.

CALL OPTION AGREEMENT

The following summary of certain material provisions of the Option Agreement does not purport to be a full and complete description of such document and is entirely qualified by reference to the full text of such document attached as Exhibit 16 to this filing.

Pursuant to clause 8.5(a) of the Shareholders' Agreement, Telco and Telefónica entered into the Option Agreement on November 6, 2007. The Option Agreement provides that in the event that a decision to dispose, directly or indirectly, in any form or manner (including through measures with equivalent effect, such as mergers and demergers of Telco or Olimpia) or encumber Telecom Shares or Olimpia Shares or any rights attached thereto, including but not limited to voting rights, is taken by the board of directors of Telco by simple majority and Telefónica is a dissenting party, then Telefónica shall have the right, to be

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

exercised within 30 days of such decision being taken, to buy from Telco the Telecom Shares or the Olimpia Shares, as the case may be, at the same price and conditions offered by the third party offering to acquire such Telecom Shares or Olimpia Shares. For any action triggering the option that does not involve cash consideration, the price will be determined based on valuation principles generally accepted for transactions of a similar size and nature. Telefónica's call options with respect to the Telecom Shares and the Olimpia Shares are not exercisable (i) in the event of a merger between Telco and Olimpia, which may take place pursuant to clause 1.1(d)(A) of the Shareholders' Agreement, (ii) in the event of any encumbrance or pledge without voting rights that may be required by lenders in connection with any refinancing of Telco or Olimpia, to the extent that the refinancing documents contain provisions that reasonably protect the rights of Telefónica to acquire the Telecom Shares or the Olimpia Shares, as the case may be, in the event that enforcement of the encumbrance or the pledge is triggered or (iii) as regards only the Telecom Shares, following a decision by Telco or Olimpia's Board of Directors to tender the Telecom Shares in the context of a public tender offer, in which case Clause 28 of Telco's by-laws shall apply. The Option Agreement expires on April 28, 2010, the date of expiry of the Shareholders' Agreement.

On November 15, 2007, Olimpia indicated that it adheres to and accepts all the terms and conditions of the Option Agreement. See Exhibit 17 hereto.

The description of the Option Agreement in the Introduction is incorporated herein by reference.

AMENDMENT TO SHAREHOLDERS AGREEMENT AND TO BYLAWS

The following summary of certain material provisions of the November 19th Amendment does not purport to be a full and complete description of such document and is entirely qualified by reference to the full text of such document attached as Exhibit 14 to this filing and the full text of the Telco By-laws attached as Exhibit 15 to this filing.

Pursuant to the November 19th Amendment, the Investors acknowledged the content of the Announcement by the Brazilian telecommunications authority and undertook to implement the content thereof through appropriate legal measures and actions including amending the Shareholders' Agreement and by-laws of Telco as provided therein. The November 19th Amendment provides among other things that, with respect to Telecom Italia's Brazilian telecommunication operations, for so long as applicable regulatory restrictions and limitations exist: (i) Telefónica may not participate in nor vote or cast a veto at any shareholder meetings of Telco, Olimpia, Telecom Italia or any other company directly or indirectly controlled by Telecom Italia, that involve discussions or proposed resolutions relating to any matters concerning the activities of companies directly or indirectly controlled by Telecom Italia in the rendering of their telecommunication services in the Brazilian market (such matters, the "Brazilian Matters"); (ii) Telefónica will cause the persons designated by it as directors and officers (and members of other corporate bodies having equivalent duties) of Telco, Olimpia, Telecom Italia and any other company directly or indirectly controlled by Telecom Italia to not participate in nor vote or nor cast a veto at meetings held by any such corporate bodies at which there will be discussed or proposed resolutions regarding Brazilian Matters; (iii) Telefónica will not designate any directors or officers (or members of other corporate bodies having equivalent duties) of companies located in Brazil that are directly or indirectly controlled by Telecom Italia and that provide telecommunication services in the Brazilian market; and (iv) Telefónica will prohibit companies directly or indirectly controlled by it and that render telecommunication services in the Brazilian market from participating with companies indirectly or directly controlled by Telecom Italia, in, among other things, significant financing transactions, the transfer of assets under terms or conditions or at prices different from market conditions and prices, the transfer of strategic technological know-how, the provision of telecommunication services or related services under more favorable or privileged conditions and the common use of resources.

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

Telefónica further agreed not to exercise direct or indirect control of any company directly or indirectly controlled by Telecom Italia in Brazil, as per the definition of control under the Brazilian telecommunications regulations in force, even if Telefónica exercises the right to acquire shares of Telco, in the case of a unilateral withdrawal provoked by another shareholder of Telco.

The Investors will instruct the members of the Board of Directors of Telco and Olimpia appointed by each of them, as well as the members of the Board of Directors of Telecom Italia appointed by Telco and/or Olimpia to prepare separate agendas for meetings of the boards of directors of Telco, Olimpia, Telecom Italia, and Telecom Italia International N.V. (“Telecom International”) or any other company located outside of Brazil directly or indirectly controlled by Telecom Italia with investments in the Brazilian telecommunications sector. One of the agendas will be for the meeting in which Telefónica’s participation of the board members that it designated in the respective company is allowed, and the other will be for the meeting in which the participation of board members designated by Telefónica in such company is not allowed (such meeting, the “Prohibited Meeting”). The Investors agreed to cause to be delivered, under appropriate terms of confidentiality, to designated officers of TIM Celular S.A. and TIM Nordeste S.A., within 30 days from the holding of the meetings of the boards of directors of Telco, Olimpia, Telecom Italia, Telecom International or any other company located outside Brazil directly or indirectly controlled by Telecom Italia but with investments in the Brazilian telecommunications sector, a copy of the agendas and of the minutes of the Prohibited Meetings.

The Parties agreed that the above restrictions are to survive the expiration or termination of the Shareholders’ Agreement and/or any merger in which Telco is not the surviving entity.

The Parties further agreed to amend the Telco By-laws to add the following provisions:

“ 5.1.1. While and as long as applicable regulatory restrictions and limitations exist in Brazil, the holder(s) of Class B shares will not be entitled to voting rights with respect to any matters concerning the activities of companies directly or indirectly controlled by Telecom Italia S.p.A. rendering telecommunication services in Brazil, and, accordingly, the participation of such Class B shareholder(s) shall be prohibited at the shareholders meeting when any such resolution is discussed and taken.”

“16.3 As long as applicable regulatory limitations and restrictions exist in Brazil, in accordance with the principles underlying article 2391 of the Civil Code, no director chosen from the list submitted by the Class B shareholders shall be entitled to participate to the discussion and consequently to the vote on any item of the agenda of the meetings of the board of directors – or of any internal committee – regarding activities carried out or to be carried out in the Brazilian telecommunications market by companies directly or indirectly controlled by Telecom Italia S.p.A.”

The description of the November 19th Amendment is incorporated herein by reference.

AMENDED AND RESTATED TELCO BY-LAWS

The following summary of certain amendments to the Telco By-Laws does not purport to be a full and complete description of such document and is entirely qualified by reference to the full text of such document filed as Exhibit 15 hereto.

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

WHEREAS

With an agreement dated April 28, 2007 (the “**Co-investment Agreement**”), basically the Parties established the terms and conditions for (i) their participation in Centrotrenta 4/6 S.r.l, an Italian company with registered office at Galleria del Corso 2, Milan, Italy, fiscal code n. 05277610969, to be subsequently transformed and renamed as Telco S.p.A. (“**Telco**” or “**Newco**”), (ii) the presentation by the Parties also on behalf of Newco of an offer (the “**Offer**”) for the acquisition by Newco from Pirelli&Co. S.p.A and Sintonia S.p.A. and Sintonia S.A. (the “**Acquisition**”) of 100% of the share capital of a holding company named Olimpia S.p.A (“**O**”), which in turn holds a stake of 17,99% of the ordinary share capital of Telecom Italia S.p.A. (“**TI**”); and (iii) the capitalization and funding of Newco in connection with the Acquisition.

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

The Parties entered into a Shareholders Agreement on April 28, 2007, by means of which basically they established the principles relating *inter alia* to (i) the corporate governance of Newco, (ii) the governance of O, (iii) the appointment of directors in TI, (iv) the transfer of the Newco's shares and the O and TI's shares directly or indirectly owned by Newco and (v) the autonomous and independent management of the TI and TE groups, including limitations on the participation of TE or its representatives in any decision-making processes relating to policies, management, and operations of companies directly or indirectly controlled by TI in countries where restrictions apply (the "**Shareholders Agreement**").

After having obtained the necessary previous regulatory authorities approvals, including the decision announced by the Brazilian telecommunications regulator - ANATEL on 23 October 2007 and subsequently published on November 5th, 2007 as ANATEL's Ato n° 68.276, of October 31, 2007 (the "**ANATEL Approval**"), the Parties have proceeded with Closing of the Acquisition and performed the capitalization and funding of Newco in connection with the Acquisition.

On 25 October 2007, the Parties entered into an Amendment to the Co-investment and Shareholders' Agreement (a copy of which is attached hereto) in which, *inter alia*, the Parties acknowledge the content of the ANATEL Approval and each of the Parties have undertaken, for so long as it lies within their respective powers, to implement the content thereof through appropriate legal measures and actions.

The Parties now wish, in furtherance of that undertaking, to amend the Shareholders Agreement and the By-laws of Newco, so as to implement the clauses contemplated in the ANATEL Approval.

Now, therefore, in consideration of the foregoing premises the Parties hereby

AGREE AND CONVENANT

as follows:

1. The Parties hereby agree to amend the Shareholders Agreement by adding the following provisions thereto, as its Paragraph 5 *bis*:

***5bis.* Specific provisions relating to TI and TE's telecommunication services providers in Brazil**

Specifically with respect to TI's Brazilian telecommunication operations, the Parties have agreed as follows:

(iii) TE shall prohibit the companies directly or indirectly controlled by TE which render telecommunication services in the Brazilian market from participating in any of the following relationships with companies directly or indirectly controlled by TI which render telecommunication services in the Brazilian market, when the terms and conditions thereof differ from those contemplated in the Brazilian rules applicable to telecommunication services: (a) significant financing transactions of any kind whatsoever, either as lenders or borrowers; (b) the granting of guaranties or collaterals of any kind whatsoever; (c) the transfer of assets under terms or conditions or at prices different from market conditions and prices; (d) the transfer of strategic technological know-how; (e) the provision of telecommunication services or related services under more favorable or privileged conditions; (f) operational agreements stipulating more favorable or privileged conditions; (g) the common use of resources, whether material, human or technological; (h) the joint contracting of goods or services; (i) the execution of legal instruments designed to permit the transfer or the assignment of shares or stocks among such telecommunication services providers, or the assignment of rights of first refusal with regard to the reciprocal transfer of shares or stocks; (j) the adoption of a common trademark or marketing and advertising strategy;

(v) TE shall not exercise direct or indirect control of any company directly or indirectly controlled by TI in Brazil, as per the definition of control under the Brazilian telecommunications regulations in force, even if TE exercises the right to acquire shares of Newco, in the case of a unilateral withdrawal provoked by another shareholder of Newco;

(vi) The Parties shall instruct the members of the Boards of Directors of Newco and O appointed by each of them, as well as the members of the Board of Directors of TI appointed by Newco and/or O to take such actions and make such deliberations as shall be necessary (a) to direct the preparers of the agendas for meetings of the Boards of Directors and/or the Chairmen of the respective Boards of Directors, as the case may be, of Telco, O, TI, and Telecom Italia International N.V. ("TII") or any other company located outside Brazil directly or indirectly controlled by TI with investments in the Brazilian telecommunications sector, to divide the topics into separate agendas as follows: (i) one agenda for the meeting in which TE's participation, through the Board members that it designated in the respective company, is allowed, and (ii) another agenda for the meeting in which the participation of Board members designated by TE in such company is not allowed and in which the topics dealt with shall necessarily pertain to matters that deal with subjects related to the activities of the companies directly or indirectly controlled by TI in rendering telecommunication services in the Brazilian market and to directly related topics, these latter being,

necessarily, connected to the main topics as regards competition strategy, such as budgets for marketing campaigns and investment plans in product development, assets (*lato sensu*), instruments, all that, in sum, is directed towards the development of activities related to the activities of the companies directly or indirectly controlled by TI in the rendering of telecommunication services in the Brazilian market; and (b) to cause to be delivered, under appropriate terms of confidentiality, to designated officers of TIM Celular S.A. and TIM Nordeste S.A., within thirty (30) days counted from the holding of the meetings of the Boards of Directors of Telco, O, TI, TII or any other company located outside Brazil directly or indirectly controlled by TI with investments in the Brazilian telecommunications sector, a copy of the Agendas and of the Minutes of the meetings referred to in item (a)(ii), above (with a translation into Portuguese), for delivery by them to the Brazilian telecommunications regulator within such term of thirty (30) days and under a requirement of confidentiality as to which they are entitled pursuant to the sole paragraph of article 39 of the Brazil's General Telecommunications Law (Law n° 9.472/97), article 64 of Brazil's Decree n° 2.338/97 and article 36 (VI) of Resolution n° 270/01 of the Brazilian telecommunications regulator.

(B) TE acknowledges and agrees that the restrictions and limitations imposed on TE, as contemplated in this Paragraph 5 bis (A) (i), (ii) and (iv) through (vi) above, shall survive and the prohibitions of (iii), above, be maintained in the event of a De-merger of Newco as provided in Articles 1.2 and 11 hereof, as long as applicable regulatory restrictions and limitations exist at the time of such De-merger;

2. The Parties further agree to amend the Bylaws of Newco to add the following provisions (to be numbered as Paragraph 5.1.1 and Paragraph 16.3, respectively):

“5.1.1. While and as long as applicable regulatory restrictions and limitations exist in Brazil, the holder(s) of Class B shares will not be entitled to voting rights with respect to any matters concerning the activities of companies directly or indirectly controlled by Telecom Italia S.p.A. rendering telecommunication services in Brazil, and, accordingly, the participation of such Class B shareholder(s) shall be prohibited at the shareholders meeting when any such resolution is discussed and taken.”;

“16.3 As long as applicable regulatory limitations and restrictions exist in Brazil, in accordance with the principles underlying article 2391 of the Civil Code, no director chosen from the list submitted by the Class B shareholders shall be entitled to participate to the discussion and consequently to the vote on any item of the agenda of the meetings of the board of directors – or of any internal committee – regarding activities carried out or to be carried out in the Brazilian telecommunications market by companies directly or indirectly controlled by Telecom Italia S.p.A..”

3. Except as provided in Sections 1 and 2 above, all the other provisions, terms and conditions set forth in the Shareholders Agreement and in the By-Laws attached thereto (as Annex 9) shall remain unchanged and are hereby expressly ratified and confirmed by the Parties.

5.1 The share capital is equal to Euro 4,849,038,420.00 and is divided into 1,939,615,368 shares (hereinafter, the “**Shares**”), with a nominal value of Euro 2.50 each, of which 1,119,046,300 Shares belong to Class A (hereinafter “**Class A Shares**”) and 820,569,068 Shares belong to Class B (hereinafter “**Class B Shares**”); Class A Shares and Class B Shares confer upon their holders equal economic and administrative rights, except as indicated in this Article 5 and in Articles 7, 8, 15 and 22 of the By-laws.

5.1.1 While and as long as applicable regulatory restrictions and limitations exist in Brazil, the holder(s) of Class B Shares will not be entitled to voting rights with respect to any matters concerning the activities of companies directly or indirectly controlled by Telecom Italia S.p.A. rendering telecommunication services in Brazil, and, accordingly, the participation of such Class B shareholder(s) shall be prohibited at the shareholders meeting when any such resolution is discussed and taken.

5.2 The shareholders of the Company resolved, at the shareholders’ meeting held on 25 October, 2007, to increase the share capital by a maximum nominal amount of Euro 889,328,065 through the issuance of a total maximum amount of 355,731,226 shares, of which 205,236,419 shares will be Class A Shares and 150,494,807 will be Class B Shares. As more specifically described in the applicable shareholders’ resolution, the increase must be implemented according to the terms indicated for each tranche, in three tranches, of which the first will be in favour of the First Tranche Underwriters, the second will be in favour of the holders of Class A Shares and the third will be in favour of the holders of Class B Shares.

5.3 For the purposes of Article 5.2, “**First Tranche Underwrites**” means entities or persons, who are not Telephone Operators (as defined below), who are qualified primary Italian institutional investors or private persons or entities selected by the holders of Class A Shares and whose participation in the Company has been accepted by the holders of Class B Shares, such acceptance not to be unreasonably withheld.

For the purposes of the By-laws, “**Telephonic Operators**” means entities or persons operating in the telecommunications sector and any entity or person that holds (a) a controlling interest in non-listed entities that operate in the telecommunications sector or (b) more than a 10% interest in the share capital of listed entities that operate in the telecommunications sector, or even if less than a 10% interest in the share capital is held, such holder has the ability to nominate one or more members of the Board of Directors of such listed entity.

For the purposes of the By-laws, “**Class A Founding Shareholders**” means shareholders who are assignees of Class A Shares in the context of the conversion of the Company into a *società per azioni* as resolved during the shareholders’ meeting held on 25 October, 2007.

5.4 The share capital may also be increased by contribution of credits and contribution in kind, pursuant to article 2440 of the Italian Civil Code.

5.5 In the event of an increase of capital with or without consideration, whereby the issuance of Class A Shares and Class B Shares is proportionate to the then issued Class A Shares and Class B Shares, the shareholders that hold Class A Shares shall have the right to receive and subscribe Class A Shares and the shareholders who hold Class B Shares shall have the right to receive and subscribe for Class B Shares. In the event that holders of Class A Shares have not entirely exercised their option rights, the other holders of Class A Shares will have the right to exercise their pre-emption rights with respect to such Class A Shares. Likewise, in the event that holders of Class B Shares have not entirely exercised their option rights, the other holders of Class B Shares will have the right to exercise their pre-emption rights with respect to such Class B Shares. If, following the exercise of option rights and pre-emption rights by the holders of Class A Shares, there are remaining Class A Shares that are unsubscribed, these may be subscribed – in accordance with the procedure applicable to the exercise of option and pre-emption rights – by the holders of Class B Shares in proportion to their interest in Class B shares issued by the Company, with an automatic conversion of such Class A Shares to newly issued Class B Shares (having the same characteristics as the then issued Class B Shares). If, following the exercise of option rights and pre-emption rights by the holders of Class B Shares there are remaining Class B Shares that are unsubscribed, these may be subscribed – in accordance with the procedure applicable to the exercise of option and pre-emption rights – by the holders of Class A Shares in proportion to their interest in Class A shares issued

by the Company, with an automatic conversion of such Class B Shares to newly issued Class A Shares (having the same characteristics as the then issued Class B Shares).

5.6 Without prejudice to the provisions set forth in Article 5.4 of the present by-laws, the share capital increases not fully subscribed by Class A and by Class B shareholders after the exercise of the option rights or the pre-emption rights as the case may be, will be deemed subscribed up to the amount actually subscribed.

5.7 The shares are represented by share certificates.

5.8 The shares are registered; their conversion into bearer shares is not allowed.

Article 6

(Withdrawal)

The right of withdrawal does not belong to the shareholders who have not participated in the decisions regarding:

Article 7

(Transfer of Shares)

7.1 Within the limits provided by this article 7 and by article 8, the shares are transferable to shareholders and to third parties, whether by a deed between living people or by reason of death.

The provisions of this article 7 and of article 8 apply not only to the transfer of Shares, but to the transfer of any right whatsoever relating to them, including, by way of example, **(i)** all shares or potential financial instruments of the Company (including those provided for in article 2346 of the civil code) having voting rights or convertible into shares having voting rights, **(ii)** all bonds or other financial instruments convertible into, exchangeable with, or conferring to the relevant owner the right to subscription or to acquisition of shares or financial instruments with voting rights of the Company, as well as shares originating in the respective conversion or the exercise of the abovementioned rights, **(iii)** any other right, title, and/or financial instrument (including rights of option and/or warrant) that gives a right to the acquisition of and/or subscription to shares and/or financial instruments and/or bonds convertible into/ or exchangeable with, shares or financial instruments having voting rights or convertible into shares having voting rights in the Company, and/or the shares and/or financial instruments acquired on the basis of their exercise. The provisions of this article 7 and article 8 regard – in addition – not only the transfer of full ownership of the Shares and the rights relating thereto, but also the transfer of the bare ownership and whatsoever real rights of enjoyment, exclusive of the real rights of guarantee.

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

For the purposes of this article 7 and article 8, by act of transfer is meant any transfer by deed between living people, in whatever manner (such as, for purely illustrative purposes, sale, barter, contango, fiduciary transfer, and the modification of the entitlement to the relationship underlying a possible fiduciary commission, the conferring or borrowing of titles, or rather title deeds, gratis or out of generosity, amalgamation, splitting) able to be accomplished, directly or indirectly, in whole or part, including in a transitory manner, the ownership or availability of the Shares and whatever rights, interests, including of a non-property nature, deriving from or connected to the entitlement to the Shares.

For the purposes of this Article 7, “**Qualified Italian Investors**” means the entities and persons, that are not Telephonic Operators, that are qualified primary Italian institutional investors or private persons or entities that were previously accepted in writing by the holders of Class B Shares, it being understood that, in the context of the acquisition of shares of the Company they must adhere to the contractual obligations agreed upon by the transferring shareholders with respect the shares being transferred. The provisions of the present article 7 and article 8 do not apply with regard to transfers in favour of companies entirely owned or controlled or controlling pursuant to Article 2359, first paragraph No. 1 of the Civil Code, or operations of partial non-proportional de-merger of the Company, merger by incorporation of entirely owned companies, and merger between companies entirely owned or controlled or controlling pursuant to Article 2359, first paragraph No. 1 of the Civil Code by the same shareholder, provided that the transfer shall be subject to a condition subsequent whereby in case of subsequent change of control of said companies, the Shares shall be deemed not having been transferred and shall have to be transferred back to the original Shareholder Transferring Class A Shares or Shareholder Transferring Class B Shares (as defined below), as the case may be.

To the extent that the rights of redemption of each shareholder provided for in Article 28 of the By-laws and the other rights provided for in the By-laws are not prejudiced, the provisions of the present article 7 and article 8 do not apply also to transfers through derivative transactions or borrowing of titles according to which the original Shareholder Transferring Class A Shares (being a bank, financial company or insurance company), as the case may be (i) shall have the full title and ownership of the Shares upon termination of the relevant transaction, and, in any case, (ii) shall maintain medio tempore all administrative and economic rights on the Shares under the derivative transaction or being object of the borrowing of titles; failure of such conditions will entail the immediate application of this article 7 and following article 8.

7.2 The shareholder who intends to transfer Class A shares (hereinafter the “**Shareholder Transferring Class A shares**”) to a potential third party acquirer, including a shareholder of the Company (hereinafter, a “**Person Bidding for Class A shares**”) must offer them in advance on equal terms to the other shareholders who hold Class A shares and – for the purposes of point (ii) below – to the shareholders who

hold Class B shares, who may acquire them pre-emptively – respectively, in proportion to the number of Class A shares held by each of them compared with the total number of Class A shares issued by the Company and, with regard to Class B shareholders, in accordance to point (ii) below in proportion to the number of Class B shares held by each of them compared with the total number of Class B shares– with regard to the following procedure (hereinafter the **“Right of Pre-emption”**):

(i) The Shareholder Transferring Class A shares must transmit a communication, by registered or certified mail with return receipt requested to the Chairman of the Board of Directors and to the other shareholders holding Class A shares, specifying the number of Class A shares, the price, and the other economic and contractual conditions of the transfer and the personal particulars of the Person Bidding for Class A Shares (the **“Transferring Notice”**). Within 30 days of the date of receipt of the Transferring Notice (the **“Term of Exercise”**), the shareholders holding Class A shares who intend to avail themselves of the Right of Pre-emption must give the appropriate written communication to the Chairman of the Board of Directors and to the Shareholder Transferring Class A shares (the **“Acceptance Notice”**). The shareholders holding Class A shares who exercise the Right of Pre-emption, provided that they make a contextual request in the Notice of Acceptance, will have the right (hereinafter, the **“Right of Increase”**) to acquire the Class A shares remaining on sale once all the Notices of Acceptances have been received (the **“Remaining Class A Shares”**). Any Notice of Acceptance shall specify the number of Remaining Class A Shares in relation to which the relevant shareholder holding Class A shares wishes to exercise the Right of Increase. The Remaining Class A Shares shall be divided among the shareholders who have exercised the Right of Increase in proportion to the number of Class A shares held by each of them, provided that after the exercise of the above mentioned rights any shareholder holding Class A shares will not be entitled to acquire a number of Class A shares higher than the aggregate number indicated into the Acceptance Notice.

(ii) if after the carrying out of the procedure in the preceding point (i) there still remain any Remaining Class A Shares, each holder of Class A shares other than the Shareholder Transferring Class A shares will have the right to procure within 30 days after the expiry of the Term of Exercise (the **“Further Term”**) the Acquisition of the Remaining Class A shares by one or more Qualified Italian Investors, it being understood that the Shareholder Transferring Class A Shares will not have such right if (aa) the Shareholder Transferring Class A Shares is a Telephonic Operator and (bb) as a result of the transfer of Class A Shares, the interest held by the Class A Founding Shareholders falls below 35% of the share capital, it being understood that the loss of such right shall be limited to the portion of shares transferred that determines the decrease in interest of the Class A Founding Shareholders to below 35%. If after the expiration of the Further Term there still remain any Remaining Class A shares, such Remaining Class A shares shall be offered without delay to the shareholders holding Class B shares by means of a

communication made in the form specified in the preceding paragraph (i) of this Article 7.2. The Remaining Class A shares which become pre-empted by the shareholders holding Class B shares must be offered to the holders of Class B shares – in proportion to the number of Class B shares held by each of them compared to the aggregate number of Class B shares issued by the Company – subject to the automatic conversion of the aforesaid Class A shares subject to pre-emption at the rate of one newly issued Class B share (having the same characteristics as the Class B shares in circulation) for each Class A share subject to pre-emption. The exercise of the Right of Pre-emption by the shareholders holding Class B shares, potentially exercised in accordance with this article 7.2 (ii), must be carried out within 15 days of the receipt of the notice of offering in pre-emption by means of an appropriate written communication to the Chairman of the Board of Directors and the Shareholder Transferring Class A shares, specifying the number of shares requested in pre-emption. The conversion of Class A shares into Class B shares takes effect upon the recording of the decision of the Board of Directors (which for this purpose must be convened within 5 days of the expiry of the term for the exercise of the Right of Pre-emption specified in the present article 7.2 (ii)) resulting from the minutes drawn up by the notary, who must proceed to carry out all the necessary formalities for the issuance of Class B shares as well all other formalities provided by the current legal standards.

(iii) Should remain any Class A shares subject to the bid not acquired by Class A shareholders or by Qualified Italian Investors or by Class B shareholders in the sense of the foregoing (the “**Shares A not Purchased**”) and the Person Bidding for Class A shares is accepting to buy the Shares not Purchased, the Shares not Purchased may be transferred from the Shareholder Transferring Class A shares to the Person Bidding for Class A shares, within but not later than 15 days, if the transfer in favour of the Person Bidding for Class A shares has not occurred within the aforesaid term, any later transfer of Class A shares and of the rights related thereto shall be subject again to the procedure specified in the present article 7.2; any act of transfer carried out in violation of the provisions of the present article 7.2 shall be invalid and not opposable to the Company.

(iv) Should remain any Share A not Purchased and the Person Bidding for Class A shares is not accepting to buy only the Shares A not Purchased as set forth in article 7.3(iii), the Shareholder Transferring Class A shares shall be entitled to sell all the Class A shares object of the Class A Transferring Notice to the Person Bidding for Class A shares.

7.3 The shareholder who intends to transfer Class B shares (hereinafter, the “**Shareholder Transferring Class B shares**”) to a potential third-party acquirer as well as to a shareholder of the Company (“**Person Bidding for Class B shares**”) must offer these shares in advance to all the other shareholders holding Class A and Class B shares with regard to the following procedure:

(i) the Shareholder Transferring Class B shares must transmit a communication, by registered or certified mail with return receipt requested to the Chairman of the Board of Directors and other shareholders, specifying the number of Class B shares, the price, and the other economic and contractual conditions of the transfer and the personal particulars of the Person Bidding for Class B shares (the “**Class B Transferring Notice**”). Within 30 days of the date of receipt of the notice, the shareholders who intend to avail themselves of the Right of Pre-emption must give the appropriate written communication to the Chairman of the Board of Directors and the Shareholder Transferring Class B shares, specifying the number of shares requested in pre-emption;

(ii) (a) Should the offer be accepted in its totality by the shareholders, the Class B shares subject to bidding shall be divided among the aforesaid shareholders, in proportion to the number of shares held by each of them compared to the total number of shares (of Class A and Class B) issued by the Company; (b) should the offer be accepted only in part by the shareholders, the Class B shares offered and acquired must be divided among the aforesaid shareholders in proportion to the number of shares held by each of them compared to the total number of shares (of Class A and Class B) issued by the Company. The Class B Shares that are acquired by the holders of Class A Shares in accordance with this Article 7.3, will be transferred to such shareholders in accordance with this Article 7.3 and, in any event, will be subject to automatic conversion to newly issued Class A Shares (having the same characteristics of the then issued Class A Shares). The conversion of Class A Shares to Class B Shares will be in accordance with the provisions of the second and third paragraph of Article 7.2(ii) of the By-laws and

(iii) Should remain any Class B shares subject to the bid not acquired by Class B shareholders or by Class A shareholders (the “**Shares B not Purchased**”) and the Person Bidding for Class B shares is accepting to buy the Shares not Purchased, the Shares B not Purchased may be transferred from the Shareholder Transferring Class B shares to the Person Bidding for Class B shares, within but not later than 15 days, if the transfer in favour of the Person Bidding for Class B shares has not occurred within the aforesaid term, any later transfer of Class B shares and of the rights related thereto shall be subject again to the procedure specified in the present article 7.3; any act of transfer carried out in violation of the provisions of the present article 7.3 shall be invalid and not opposable to the Company.

(iv) Should remain any Share B not Purchased and the Person Bidding for Class B shares is not accepting to buy only the Share B not Purchased, the Shareholder Transferring Class B shares shall be entitled to sell all the Class B shares object of the Class B Transferring Notice to the Person Bidding for Class B shares.

7.4 In the event that the transfer of shares does not provide a corresponding amount, or rather if it does not provide it entirely in money (for example, in the event of donation, barter, or transfer through amalgamation, splitting) the price at which the shareholders in the Company shall be able to acquire the

shares offered to them in pre-emption shall be determined by mutual agreement of the shareholder who intends to transfer and the shareholder or shareholders who have exercised the pre-emption (the **“Interested Shareholders”**). If the Interested Shareholders have not reached an agreement within 30 workdays, elapsing from the moment when the shareholder who intends to transfer has received the communication of the shareholders who intend to exercise the Right of Pre-emption, the price for each share shall be calculated on the basis of the adjusted net worth of the Company to be determined taking into account the price of the ordinary share or savings share held in Telecom Italia S.p.A. (**“TI”**) calculating by means of the arithmetic average of the official stock exchange prices within 30 days preceding the date of the offer in pre-emption and, in case of disputes, the calculation, to be carried out on the basis of the criteria indicated above, shall be remitted to an expert appointed by the President of the Court of Milan, upon application by the most diligent shareholder.

7.5 The transfers provided for in this Article 7 are subject to applicable antitrust regulations and must be effectuated with 10 days of obtaining the relevant antitrust authorizations, where necessary, and, in any event within six months of entering into a binding agreement to transfer the shares.

7.6 Transfers made in violation of the provisions of the present article 7 and the following article 8 shall be invalid and unenforceable with regard to the Company.

Article 8

(iii) If no shareholder has exercised the Right of Pre-emption in the sense of article 7 nor the Tag-Along right in the sense of the present article, the Considerable Shareholder may transfer the shares belonging to him to a potential third-party acquirer on condition that (a) the transfer occurs under the same conditions indicated in his own communication to the other shareholders, here including the same price. and (b) the transfer shall occur within 15 days of the expiry of the different Term of Exercise mentioned in the foregoing article 7, it remaining firm that the aforesaid term shall be reasonably extended, as referred below, if the transfer of the shares is subject to obligations of communication in advance or authorization by an authority; it remains the intention that the aforesaid term of 15 days be considered respected if within the appropriate deadline the Considerable Shareholder has executed with the potential third-party acquirer a purchase and sale contract with deferred efficacy (but not more than 6 months) or conditional solely upon the obtaining of the authorizations required by law or regulation (provided that such

agreement shall terminate if such authorizations have not been obtained within six months following execution of such purchase and sale contract), at a price per share and, in general, on the terms and conditions indicated by the potential third party acquirer in his own bid. If the transfer to the potential third party acquirer has not taken place in conformity with what is indicated in this paragraph and in the terms provided here, the Considerable Shareholder shall not be able to transfer his own shares unless subject to the experiencing of the procedures discussed in articles 7 and 8 and the transfer shall not be valid and enforceable against the Company.

2.5 Exercise of the Call Option

2.5.1 The Call Option on the Olimpia Shares shall become exercisable by TE upon verification of the following conditions:

- (i) the Board of Directors of Telco having resolved in the Relevant Telco's Board of Directors Resolution to dispose, directly or indirectly in any form of manner (including through measures with equivalent effect, such as mergers or demergers of Telco), or encumber, O shares or any rights attached thereto (including, but not limited to, voting rights), pursuant to Clause 1.2(bb) of the Shareholders Agreement; and
- (ii) TE being a Dissenting Shareholder pursuant to Clause 1.2(cc) of the Shareholders Agreement.

2.5.2 It is hereby understood and agreed that the Call Option shall not be exercisable in the following events:

- (i) the merger between Telco and O which may take place pursuant to Clause 1.1(d)(A) of the Shareholders' Agreement; and
 - (ii) any encumbrance or pledge without voting rights which may be required by the lenders in connection with the refinancing of Telco or O, to the extent that the refinancing documents contains provisions, to be agreed and resolved beforehand by Telco's Board of Directors with the

majority provided for by Clause 1.1(c) of the Shareholders Agreement, which reasonably protects the rights of TE to acquire the O shares in the event that the enforcement of the encumbrance or the pledge is triggered.

Without prejudice to Article 2.10 below, following the exercise of the Call Option and upon payment of the Olimpia Purchase Price, TE will become the owner of the Olimpia Shares. Any further actions or steps to be taken following the exercise of the Call Option and the granting of any applicable regulatory and/or antitrust authorisation will be deemed to be merely performance of the obligations to deliver to TE the Olimpia Shares, it being understood that the performance of the aforementioned actions and steps and the fulfilment of the aforementioned obligation will not affect the effectiveness of the transfer which will be deemed to have occurred following the exercise of the Call Option and upon granting of any applicable regulatory and/or antitrust authorisation.

2.6 Time of Exercise TE shall have the right to exercise the Call Option within thirty days following the date of the conditions under Article 2.5.1 above have occurred.

2.7 Notice of Exercise. The Call Option shall be exercised in writing by means of a notice to be sent to the Chairman of the Board of Directors of Telco, including written confirmation that TE has no actual knowledge of any fact or condition such to determine the prohibition of the Olimpia Closing pursuant to Article 2.10 below which cannot be remedied within the 180 days term provided under the same Article 2.10 below.

2.8 Escrow deposit. Immediately upon receipt of the Call Option notice (i) the Olimpia Shares shall be deposited in escrow with a fiduciary company or otherwise, in any case to secure the delivery of the Olimpia Shares, and (ii) subject to deposit in escrow of the full Olimpia Purchase Price, the voting rights thereon shall be exercised in accordance with TE instructions, to the extent permitted by law.

2.9 Closing.

2.9.1 Subject to the exercise of the Call Option, the completion of the acquisition of the Olimpia Shares by TE ("Olimpia Closing") shall take place within 15 Business Days following:

- (a) the relevant written request sent by TE to the Chairman of the Telco Board of Directors, or
- (b) if the transaction is subject to any antitrust and/or regulatory authorisation (and subject to Clause 2.10 below), the earlier of (i) the obtaining of such authorisations, or (ii) 180 days from the exercise of the Call Option, or the longer maximum term provided for in the third party proposal triggering the exercise of the Call Option.

2.9.2 At the Olimpia Closing:

- (a) TE shall pay to Telco the Olimpia Purchase Price, as well as any applicable stamp duty, transfer charges and notary expenses;
-

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

(b) Telco shall meet before the public notary that will be indicated by TE and shall duly endorse in favour of TE and deliver to TE the certificates representing the Olimpia Shares free and clear from any lien, option, charge, or encumbrances of any kind, and a copy of the relevant page of the relevant shareholders' book containing the annotation attesting that TE has been registered therein as the owner and the holder of the Olimpia Shares;

(c) Telco shall execute and deliver all other documents and instruments required to be executed or delivered before or at Olimpia Closing, in order to perfect the delivery of the Olimpia Shares to TE.

2.9.3 It is hereby understood and agreed that TE shall be entitled to appoint any company controlled or controlling pursuant to Article 2359, first paragraph, n. 1, of the Italian Civil Code to close the transaction exercising the above mentioned rights and perform the above mentioned obligations at the Olimpia Closing, provided that TE shall remain responsible toward Telco of the full compliance by such person or entity of the Olimpia Closing pursuant to this Clause 2.9.

2.10 Authorizations. If the Olimpia Closing requires any antitrust and/or regulatory authorisation, TE shall prepare and submit to the competent authorities the relevant filing as soon as reasonably possible and the Parties shall cooperate in good faith to obtain such authorisations. In such event - unless more favourable conditions and/or terms are provided for in the transaction triggering the exercise of the Call Option, in which case TE may opt (at its own unquestionable discretion) to match and benefit of the same conditions and/or terms of such transaction - if, within 180 days from the exercise of the Call Option:

2.10.1 TE is not formally prohibited to proceed with the Olimpia Closing and obtains the necessary EU Commission and/or EU Member State antitrust authorities' authorisations, then TE will have to acquire the Olimpia Shares in accordance with Section 2.9, irrespective of whether one or more authorisations are still pending or have been granted subject to conditions (including conditions imposed by EU Commission and/or EU Member State antitrust authority), provided however that if a decision of the EU Commission or any EU Member State antitrust authority is not obtained, then the Olimpia Closing shall not occur and no Party shall have any liability for or in connection with such circumstances and within the following six month period Telco shall be free to execute an agreement with the original potential buyer or with any other party for the disposal of the relevant Olimpia Shares under the terms and conditions included in the Relevant Telco's Board of Directors Resolution (provided that a consideration that is higher than the Olimpia Purchase Price shall always be admitted with no reserves or further need of approval).

2.10.2 Any competent authority has prohibited TE to proceed with the Olimpia Closing, then:

(a) the relevant Olimpia Closing shall not occur and no Party shall have any liability for or in connection with such circumstances and, within the following six month period, Telco shall be

free to execute an agreement with the original potential buyer or with any other party for the disposal of the relevant Olimpia Shares under the terms and conditions included in the Relevant Telco's Board of Directors Resolution, (provided that a consideration that is higher than the Olimpia Purchase Price shall always be admitted with no reserves or further need of approval), and

(b) in the event Telco receives, at any time, any other unsolicited offer for the acquisition of Olimpia Shares and a new Relevant Telco's Board of Directors Resolution is passed, then TE will only be entitled to exercise the Call Option on the Olimpia Shares to the extent it gives evidence, through a legal opinion of a primary law firm, that all reasons that motivated the prohibition have been removed. Provided that, if, once again, any competent authority prohibits, also for reasons other than those that have motivated the first prohibition, TE to proceed with the Olimpia Closing, then the Olimpia Closing shall occur in accordance with section 2.9, provided further that in this case TE will be entitled to appoint any person or entity to close the transaction exercising the rights and performing the obligations referred to in Section 2.9 above at the Olimpia Closing and provided further that TE shall remain responsible toward Telco of the full compliance by such person or entity of the Olimpia Closing.

ARTICLE III

3. CALL OPTION ON TI SHARES

3.1 Grant of Call Option. Subject to the terms and conditions of this Call Option Agreement, Telco and O hereby irrevocably and unconditionally grant to TE the right to purchase from Telco and/or O (as the case may be) the TI Shares (as defined below) and, provided that the Call Option is exercised in accordance with the terms and conditions of this Call Option Agreement, Telco and O irrevocably and unconditionally agree to transfer the TI Shares for the TI Purchase Price (as defined below) pursuant to the terms set forth in this Article III.

3.2 Consideration. The Call Option is hereby granted to TE by Telco and O in consideration of the investment commitment in Telco and O undertaken by TE pursuant to the Co-Investment Agreement and taking into account the overall balance of the economic interests existing between all parties to the Co-Investment Agreement and the Shareholders Agreement. Accordingly, TE, Telco and O hereby acknowledge and agree that the Call Option on TI Shares shall be deemed to be onerous and not gratuitous.

3.3 Object of the Call Option. Object of the Call Option shall be the number of TI shares (or the relevant rights attaching thereto) which the Board of Directors of Telco and/or the Board of Directors of O will have resolved to dispose or encumber, as specified in the relevant Board of Directors resolution

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

(the "TI Shares" and such relevant Telco/O's Board of Directors resolution, the "Relevant Telco/O's Board of Directors Resolution").

3.4 Purchase Price. Subject to the exercise of the Call Option, the purchase price to be paid upon TI Closing (as defined below) by TE to Telco or O, as the case may be, as consideration for the TI Shares in the event of any transaction which involves a cash purchase price, shall be equal to the price indicated in the Relevant Telco/O's Board of Directors Resolution (the "TI Purchase Price").

In the event of any transaction which involves a non-cash consideration, Telco and/or O Directors (as the case may be), on or before the Telco/O's Board of Directors called pursuant to paragraph 1.1(c) of the Shareholder's Agreement, shall determine and unanimously agree in writing on the TI Purchase Price (to be determined as equivalent cash value of such transaction). In the event Telco/O's Directors do not reach an agreement on the TI Purchase Price on or before the Telco/O's Board of Directors called to resolve upon the transaction pursuant to paragraph 1.1 (c) of the Shareholders' Agreement (the "First Telco/O's Board of Directors"), the TI Purchase Price shall be determined - based on valuation principles generally accepted for transactions similar for size and nature - pursuant to Article 1349, first paragraph, of the Italian Civil Code, by the Arbitrator to be appointed jointly by TE and Telco/O' shareholders or, lacking an agreement within 3 days from the First Telco/O's Board of Directors, by the Chairman of the Tribunal of Milan (in which case, following the referred term of 3 days, any of the parties, any of Telco/O' shareholders or TE, will be entitled to request such appointment from the Chairman of the Tribunal of Milan). The Parties agree that the Arbitrator shall determine the TI Purchase Price within 5 Business Days from its appointment, based on the criteria indicated above.

The Parties agree that the appointment of the Arbitrator for the determination of the TI Purchase Price shall not prejudice the possibility and efforts of the Telco/O's Directors to reach an agreement also after the First Telco/O's Board of Directors up until the date of the Telco/O's Board of Directors pursuant to paragraph 1.2 (bb) of the Shareholders' Agreement which, in any case, shall not be called to resolve on the acceptance of the non-cash offer without a prior determination of the equivalent cash value, which will be the TI Purchase Price.

In the event of any transaction which involves the formation of an encumbrance, except as provided for in section 3.5 below, Telco or O Directors (as the case may be), prior to the Telco/O's Board of Directors called pursuant to paragraph 1.1(c) of the Shareholder's Agreement, shall determine and unanimously agree in writing on the TI Purchase Price. In the event Telco/O's Directors do not reach an agreement on the TI Purchase Price on or before the First Telco/O's Board of Directors, the TI Purchase Price shall be determined - based on valuation principles generally accepted for transactions similar for size and nature - pursuant to Article 1349, first paragraph, of the Italian Civil Code, by the Arbitrator to be appointed jointly by TE and Telco/O' shareholders or, lacking an agreement within 3 days from the First Telco/O's

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

Board of Directors, by the Chairman of the Tribunal of Milan (in which case, following the referred term of 3 days, any of the parties, any of Telco/O' shareholders or TE, will be entitled to request such appointment from the Chairman of the Tribunal of Milan). The Parties agree that the Arbitrator shall determine the TI Purchase Price within 5 Business Days from its appointment, based on the criteria indicated above.

The Parties agree that the appointment of the Arbitrator for the determination of the TI Purchase Price shall not prejudice the possibility and efforts of the Telco/O's Directors to reach an agreement also after the First Telco/O's Board of Directors up until the date of the Telco/O's Board of Directors pursuant to paragraph 1.2 (bb) of the Shareholders' Agreement which, in any case, shall not be called to resolve upon any encumbrance without a prior determination of the TI Purchase Price.

3.5 Exercise of the Call Option

3.5.1 The Call Option on the TI Shares shall become exercisable by TE upon verification of the following conditions:

(a) the Board of Directors of Telco and/or O having resolved in the Relevant Telco's Board of Directors Resolution to dispose, directly or indirectly in any form of manner (including through measures with equivalent effect, such as mergers or demergers of Telco) or encumber TI shares or any rights attached thereto (including but not limited to voting rights), pursuant to Clause 1.2(bb) of the Shareholders Agreement; and

(b) TE being a Dissenting Shareholder pursuant to Clause 1.2(cc) of the Shareholders Agreement.

3.5.2 It is hereby understood and agreed that the Call Option shall not be exercisable in the following events:

(i) the merger between Telco and O which may take place pursuant to Clause 1.1(d)(A) of the Shareholders' Agreement;

(ii) any encumbrance or pledge without voting rights which may be required by the lenders in connection with the refinancing of Telco or O, to the extent that the refinancing documents contains provisions, to be agreed and resolved beforehand by Telco or O Board of Directors, as the case may be, with the majority provided for by Clause 1.1(c) of the Shareholders Agreement, which reasonably protects the rights of TE to acquire the TI shares in the event that the enforcement of the encumbrance or the pledge is triggered;

(iii) following the decision of the Telco/O's Board of Directors to tender the TI shares in the context of a public tender offer, in which case Clause 28 of the Telco's by-laws shall apply.

Without prejudice to Article 3.10 below, following the exercise of the Call Option and upon payment of the TI Purchase Price, TE will become the owner of the TI Shares. Any further actions or steps to be

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

taken following the exercise of the Call Option and the granting of any applicable regulatory and/or antitrust authorisation will be deemed to be merely performance of the obligations to deliver to TE the TI Shares, being it understood that the performance of the aforementioned actions and steps and the fulfilment of the aforementioned obligation will not affect the effectiveness of the transfer which will be deemed to have occurred following the exercise of the Call Option and upon granting of any applicable regulatory and/or antitrust authorisation.

3.6 Time of Exercise TE shall have the right to exercise the Call Option within thirty days following the date of the conditions under Article 3.5.1 above have occurred.

3.7 Notice of Exercise. The Call Option shall be exercised in writing by means of a notice to be sent to the Chairman of the Board of Directors of Telco or O, as the case may be, including written confirmation that TE has no actual knowledge of any fact or condition such to determine the prohibition of the TI Closing pursuant to Article 3.10 below, which can not be remedied within the term provided under the same Article 3.10 below.

3.8 Escrow deposit. Immediately upon receipt of the Call Option notice (i) the TI Shares shall be deposited in escrow with a fiduciary company or otherwise, in any case to secure the delivery of the TI Shares, and (ii) subject to deposit in escrow of the full TI Purchase Price, the voting rights thereon shall be exercised in accordance with TE instructions, to the extent permitted by law.

3.9 Closing.

3.9.1 Subject to the exercise of the Call Option, the completion of the acquisition of the TI Shares by TE ("TI Closing") shall take place within 15 Business Days following:

- (a) the relevant written request sent by TE to the Chairman of the relevant Board of Directors, or
- (b) if the transaction is subject to any antitrust and/or regulatory authorisation (and subject to Clause 3.10 below), the earlier of (i) the obtaining of such authorisations, or (ii) 180 days from the exercise of the Call Option, or the longer maximum term provided for in the third party proposal triggering the exercise of the Call Option.

3.9.2 At the TI Closing:

- (a) TE shall pay to Telco and/or O, as the case may be, the TI Purchase Price, as well as any applicable stamp duty and transfer charges;
 - (b) Telco and/or O, as the case may be, shall deliver the TI Shares to TE, by irrevocably instructing an approved intermediary to credit the TI Shares in dematerialised form in the account which shall be indicated by TE in due advance, free and clear from any lien, option, charge, or encumbrances of any kind;
-

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

(c) Telco and/or O, as the case may be, shall perform any other action required to be performed before or at the TI Closing in order to perfect the acquisition of the TI Shares by TE.

3.9.3 It is hereby understood and agreed that TE shall be entitled to appoint any company controlled or controlling pursuant to Article 2359, first paragraph, n. 1, of the Italian Civil Code to close the transaction exercising the above mentioned rights and perform the above mentioned obligations at the TI Closing, provided that TE shall remain responsible toward Telco and/or O of the full compliance by such person or entity of the TI Closing pursuant to this Clause 3.9.

3.10 Authorizations. If the TI Closing requires any antitrust and/or regulatory authorisation, TE shall prepare and submit to the competent authorities the relevant filing as soon as reasonably possible and the Parties shall cooperate in good faith to obtain such authorisations. In such event - unless more favourable conditions and/or terms are provided for in the transaction triggering the exercise of the Call Option, in which case TE may opt (at its own unquestionable discretion) to match and benefit of the same conditions and/or terms of such transaction - if, within 180 days from the exercise of the Call Option:

3.10.1 TE is not formally prohibited to proceed with the TI Closing and obtains the necessary EU Commission and/or EU Member State antitrust authorities' authorisations, then TE will have to acquire the TI Shares in accordance with Section 3.9, irrespective of whether one or more authorisations are still pending or have been granted subject to conditions (including conditions imposed by EU Commission and/or EU Member State antitrust authority), provided however that if a decision of the EU Commission or any EU Member State antitrust authority is not obtained, then the TI Closing shall not occur and no Party shall have any liability for or in connection with such circumstances and within the following six month period Telco and/or O, as the case may be, shall be free to execute an agreement with the original potential buyer or with any other party for the disposal of the relevant TI Shares under the terms and conditions included in the Relevant Telco/O's Board of Directors Resolution (provided that a consideration that is higher than the TI Purchase Price shall always be admitted with no reserves or further need of approval).

3.10.2 Any competent authority has prohibited TE to proceed with the TI Closing, then:

(i) the relevant TI Closing shall not occur and no Party shall have any liability for or in connection with such circumstances and, within the following six month period, Telco and/or O, as the case may be, shall be free to execute an agreement with the original potential buyer or with any other party for the disposal of the relevant TI Shares under the terms and conditions included in the Relevant Telco/O's Board of Directors Resolution, (provided that a consideration that is higher than the TI Purchase Price shall always be admitted with no reserves or further need of approval) and

(ii) in the event Telco and/or O, as the case may be, receives, at any time, any other unsolicited offer for the acquisition of TI Shares and a new Relevant Telco/O's Board of Directors Resolution is passed, then TE will only be entitled to exercise the Call Option on the TI Shares to the extent it gives evidence, through a legal opinion of a primary law firm, that all reasons that motivated the prohibition have been removed. Provided that, if, once again, any competent authority prohibits, also for reasons other than those that have motivated the first prohibition, TE to proceed with the TI Closing, then the TI Closing shall occur in accordance with section 3.9, provided further that in this case TE will be entitled to appoint any person or entity to close the transaction exercising the rights and performing the obligations referred to in Section 3.9 above at the TI Closing and provided further that TE shall remain responsible toward Telco and/or O, as the case may be, of the full compliance by such person or entity of the TI Closing.
