Item 3. Source and Amount of Funds or Other Consideration.

## Edgar Filing: MKS INSTRUMENTS INC - Form SC 13D

Emerson and Astec received the shares of Common Stock in connection with the sale of the ENI Business (as defined in Item 4) as follows:

- o 8,963,389 shares of Common Stock were issued to Astec in exchange for all the capital stock of ENI Technology, Inc., a wholly-owned subsidiary of Astec;

- o 2,528,136 shares of Common Stock were issued to Emerson in exchange for all of the issued and outstanding capital stock of MKS Instruments (Hong Kong) Limited; and

- o 508,475 shares of Common Stock were issued to Emerson in exchange for \$10.5 million paid by Emerson.

### Item 4. Purpose of Transaction.

On January 31, 2002, MKS issued a total of 12,000,000 shares of Common Stock to Emerson and Astec (the "Stock Sale") in connection with the sale by Emerson of the business of Emerson and its subsidiaries operating as the "ENI Division" of Emerson and its subsidiaries (the "ENI Business"). The

Stock Sale was made pursuant to an Agreement and Plan of Merger with respect to the Acquisition of the ENI Business dated as of October 30, 2001 between Emerson and MKS (the "Master Agreement", attached hereto and made a part hereof as Exhibit 2).

The consideration was paid under the Master Agreement as follows:

- o 8,963,389 shares of Common Stock were issued to Astec in exchange for all the capital stock of ENI Technology, Inc., a wholly-owned subsidiary of Astec;

- o 2,528,136 shares of Common Stock were issued to Emerson in exchange for all of the issued and outstanding capital stock of MKS Instruments (Hong Kong) Limited;

- o 508,475 shares of Common Stock were issued to Emerson in exchange for \$10.5 million;

- o \$9 million was paid by a subsidiary of MKS to ENI Japan Limited ("ENI Japan") in exchange for certain assets of ENI Japan which were used in the ENI Business; and

- o \$1.5 million was paid by a subsidiary of MKS to Astec Germany GmbH in exchange for certain assets of Astec Germany GmbH which were used in the ENI Business.

As an inducement for Emerson to enter into the Master Agreement, on October 30, 2001, John R. Bertucci, his wife, the trustees of trusts for the benefit of Mr. and Mrs. Bertucci, and their immediate family, who beneficially own an aggregate of 14,887,542 shares of Common Stock, excluding vested options, or 39.51% of the outstanding shares of Common Stock, on October 31, 2001, entered into a Voting Agreement with Emerson (the "Voting Agreement", attached hereto and made a part hereof as Exhibit 4). On December 14, 2001, Robinson Hill L.P. became a party to the Voting Agreement as a result of a transfer by Mrs. Bertucci of 500,000 shares of Common Stock pursuant to a Joinder Agreement to the Voting Agreement dated as of December 14, 2001 (the "Joinder Agreement", attached hereto and made a part hereof as Exhibit 5). Mr. and Mrs. Bertucci, Robinson Hill L.P., and the relevant trusts shall hereafter be referred to collectively as the "Stockholders". The scope of the Voting Agreement is limited to the agreement of the Stockholders to vote (i) in favor

## Edgar Filing: MKS INSTRUMENTS INC - Form SC 13D

of the issuance of Common Stock to Emerson or its designees pursuant to the Master Agreement; and (ii) in relation to board representation matters (described below). The Voting Agreement does not limit or prohibit the Stockholders from acquiring additional shares of Common Stock or disposing of shares of Common Stock, and does not require them to vote in any way on any matter except as set forth above.

MKS and Emerson also entered into a Shareholder Agreement dated as of January 31, 2002 (the "Shareholder Agreement", attached hereto and made a part hereof as Exhibit 3) on the terms and conditions set forth below.

**Board Representation.** Under the terms of the Shareholder Agreement, Emerson has the right to nominate one person to serve as a member of the MKS board of directors effective as of January 31, 2002. The MKS board of directors has agreed to nominate Mr. James G. Berges, or other designee nominated by Emerson and reasonably acceptable to MKS, for election to the board at all meetings of stockholders at which MKS stockholders will vote on the election of directors following the closing of the acquisition. MKS' obligation to nominate Mr. Berges, or other designee nominated by Emerson, will terminate when Emerson and its subsidiaries cease to beneficially own at least 12.5% of the outstanding shares of Common Stock for 30 consecutive days. Under the terms of the Voting Agreement, the Stockholders have agreed to vote their shares of Common Stock in favor of the election of, or against the removal of, any person nominated by Emerson to serve as a member of the MKS board of directors for as long as Emerson is entitled to designate an individual to serve on the MKS board of directors under the terms of the Shareholder Agreement, as described above.

Emerson nominated Mr. Berges to serve as a director of MKS, and Mr. Berges has been appointed as a director of MKS effective from January 31, 2002, with a term which expires at the annual meeting of MKS stockholders to be held in 2004.

**Lock Up Agreement.** The Shareholder Agreement provides that for a period of one year after January 31, 2002, Emerson and each of its subsidiaries has agreed not to, directly or indirectly, sell, transfer, pledge, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, transfer the economic risk of ownership or otherwise dispose of any shares of Common Stock, unless MKS during such one year period makes a public announcement of, or effects a transaction which would result in the issuance or sale of shares of Common Stock that would possibly result in reducing Emerson's ownership to less than 20% of the outstanding shares of Common Stock. In such an event, the lockup period set forth above would end on the later of (i) July 31, 2002 or (ii) earlier of the public announcement or the closing of such dilutive transaction.

**Standstill Agreement.** Pursuant to the Shareholder Agreement, for a period of three years after January 31, 2002, Emerson and its subsidiaries shall not, and shall not assist anyone else to:

- o acquire or take any action to acquire any additional shares of Common Stock or property of MKS (other than property acquired in the ordinary course of business), except for shares or property acquired due to a merger, consolidation or similar transaction involving MKS or a stock split, or other similar adjustment affecting the shares of Common Stock or upon the prior approval of a majority of the board of directors, excluding any director nominated by Emerson;
- o solicit a proxy or become a participant in a proxy solicitation in opposition to any matter which has been recommended by a majority of the members of the board of directors or propose or otherwise solicit

## Edgar Filing: MKS INSTRUMENTS INC - Form SC 13D

stockholders of MKS for approval of any stockholder proposals, or otherwise seek to influence the management of MKS; or

- o take any action to seek control of MKS.

Restrictions on Resale. The Shareholder Agreement provides that Emerson shall not, and shall not permit its subsidiaries to, transfer any of the shares of Common Stock received pursuant to the Master Agreement to any person or entity that competes in any of the same principal markets as MKS or any person or entity (other than "Institutional Shareholders", as defined in the Shareholder Agreement) which Emerson knows that, as a result of such transaction, would own more than 5% of the then outstanding shares of Common Stock. These restrictions do not apply to any block trade crossed through the Nasdaq National Market unless the broker or market-maker effecting such sale has actual knowledge that as a result of such sale the eventual buyer would own 5% of the outstanding Common Stock.

None of the foregoing restrictions on the transfer or disposition of shares of Common Stock by Emerson shall apply to:

- o any transfer to Emerson or its subsidiaries; or
- o any transfer under a tender or exchange offer made by MKS or recommended by the MKS board of directors to its stockholders.

Registration Rights. Under the Shareholder Agreement, Emerson is entitled to require MKS to register the shares of Common Stock issued in connection with the Master Agreement under the Securities Act of 1933 (the "Securities Act"). Under the Shareholder Agreement, Emerson may, on up to three occasions, require MKS to register its shares of Common Stock for resale under the Securities Act in an underwritten offering (a "Demand Registration"). Emerson shall not make more than one request for a Demand Registration in any twelve month period. MKS will not, subject to certain exceptions, be required to register more than four million shares of Common Stock prior to the date which is one year after the expiration of the lock-up period, eight million shares of Common Stock prior to the date which is two years after the expiration of the lock-up period, and twelve million shares of Common Stock prior to the time which is three years after the expiration of the lock-up period.

In addition, under the Shareholder Agreement, if MKS proposes to register any of its Common Stock under the Securities Act, either for its account or for the account of other security holders, Emerson is entitled to notice of the registration and to include its, and its subsidiaries, shares of Common Stock in the registration (a "Piggyback Registration"). The registration rights held by Emerson are subject to conditions and limitations, including the right of the underwriters of an offering to limit the number of shares included in such registration and MKS' right not to effect a requested registration if it has a bona fide intention to file a registration statement for an underwritten public offering within 60 days of receiving a registration request.

In connection with any Demand Registration or Piggyback Registration, MKS is responsible for paying all of the expenses of any such registration, except that any underwriters fees, discounts or commissions or out-of-pocket expenses relating to the sale of Emerson's or its subsidiaries' shares of Common Stock shall be borne by Emerson.

The Reporting Persons intend to review their holdings in the Issuer on a continuing basis and, depending upon the price of the Issuer's securities, subsequent developments affecting the Issuer, the business prospects of the Issuer, general stock market and economic conditions, tax considerations and other factors deemed relevant, may consider increasing or decreasing their

investment in the Issuer, subject to the limitations of the Shareholder Agreement. As part of this ongoing review, the Reporting Persons have engaged and/or may in the future engage, legal and financial advisors to assist them in such review and in evaluating strategic alternatives that are or may become available with respect to their holdings in the Issuer.

Except as set forth in this Statement and in connection with the transactions described above, none of the Reporting Persons has any plan or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

(a) For the purposes of Rule 13d-3 promulgated under the Exchange Act, Emerson may be deemed to beneficially own 26,887,542 shares of Common Stock, or approximately 54.0% of the outstanding shares of Common Stock.

Emerson disclaims the existence of a group (pursuant to the Shareholder Agreement, Voting Agreement or otherwise) and the Reporting Persons are filing this Statement jointly pursuant to Rule 13d-1(k) (1) promulgated under the Exchange Act.

Except as set forth in this Item 5(a), none of the Reporting Persons, and, to the best of the knowledge of each Reporting Person, any persons named in Schedule A or Schedule B hereto, owns beneficially any Shares.

(b) By virtue of the relationship set forth under Item 2 of this Statement, Emerson may be deemed to have the sole power to vote or direct the vote and sole power to dispose or direct the disposition of 3,036,611 shares of Common Stock held by it directly and the shared power to direct the disposition of and vote of the 8,963,389 shares of Common Stock held by Astec.

By virtue of the Voting Agreement, the details of which are set forth under Item 4 of this Statement, Emerson may be deemed to have the shared power to vote or direct the vote of the 14,887,542 shares of Common Stock held by the Stockholders for the limited purposes described in Item 4 of this Statement.

Astec has the shared power to vote or direct the vote and the shared power to dispose or direct the disposition of the 8,963,389 shares of Common Stock held by it.

(c) None of the Reporting Persons or any of the persons set forth in Schedule A or Schedule B has effected any transaction in the shares of Common Stock during the past 60 days.

(d) Emerson and Astec each shall be entitled to receive dividends declared on their respective shares of Common Stock and proceeds from the sale of the shares of Common Stock.
