**Report of Independent Registered Public Accounting Firm**

The Administrative Committee  
Canadian National Railway Company  
Management Savings Plan for U.S. Operations:

We have audited the accompanying statements of net assets available for benefits of Canadian National Railway Company Management Savings Plan for U.S. Operations (the Plan) as of December 31, 2004 and 2003, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Plan's management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Canadian National Railway Company Management Savings Plan for U.S. Operations as of December 31, 2004 and 2003, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The Supplemental Schedule H, Line 4i □ Schedule of Assets (Held at End of Year) as of December 31, 2004 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

MANAGEMENT SAVINGS PLAN FOR U.S. OPERATIONS**

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2004 AND 2003

**1. THE COMPANY**

Canadian National Railway Company (CN or the Company), directly and through its subsidiaries, is engaged in the rail transportation business. CN spans Canada and mid-America, from the Atlantic and Pacific oceans to the Gulf of Mexico, serving the ports of Vancouver, Prince Rupert, B.C., Montreal, Halifax, New Orleans and Mobile, Alabama, and the key cities of Toronto, Buffalo, Chicago, Detroit, Duluth, Minnesota/Superior, Wisconsin, Green Bay, Wisconsin, Minneapolis/St. Paul, Memphis, St. Louis and Jackson, Mississippi, with connections to all points in North America. CN's revenues are derived from the movement of a diversified and balanced portfolio of goods, including petroleum and chemicals, grain and fertilizers, coal, metals and minerals, forest products, intermodal and automotive.

**2. DESCRIPTION OF PLAN**

The following brief description of the Canadian National Railway Company Management Savings Plan for U.S. Operations (the "Plan") provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

**GENERAL**

The Plan, as amended through July 1, 2004, covers certain employees of the Illinois Central Railroad Company (ICR), Grand Trunk Western Railroad Incorporated (GTW), IC Rail Marine Terminal Company, Chicago Central and Pacific Company, Duluth, Winnipeg and Pacific Railway Company, Wisconsin Central Limited (WCL) and Sault Ste. Marie Bridge Company (SSM). The Plan also covers employees of the Illinois Railroad Association, which is not an affiliate of CN. Prior to November 1, 2000, ICR maintained the Illinois Central Railroad Company Supplemental Retirement and Savings Plan (the "IC PLAN") and GTW maintained the Grand Trunk Group Employee Savings Plan (the "Grand Trunk Plan") for the benefit of their respective eligible employees. The Plan is a result of the merger of the IC Plan with the Grand Trunk Plan. On July 1, 2004, the WCL and SSM management employees also became participants of the Plan. The Plan covers all full-time, salaried, non-union employees of the Company as of January 1, 1997.

Full-time eligible employees may participate on the first day of the calendar month coinciding with or next, following the first day of employment. Part-time eligible employees may participate once they have completed certain employment requirements. This Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective July 1, 2004, Fidelity Investments Trust Company (the "Trustee") was the appointed trustee and record keeper of the Plan. Until June 30, 2004, American Express Trust Company was the trustee of the Plan under a trust agreement with the Company and also performed administrative services including participant accounting.

There were 1,287 and 1,181 participants in the Plan at December 31, 2004 and 2003, respectively.

## CONTRIBUTIONS

Participants may elect to make contributions to the Plan through periodic payroll deductions in amounts ranging from 1% to 100% (up to 20% prior to July 1, 2002) of their eligible earnings. The total pre-tax contributions by a participant were limited to \$13,000 in 2004 and \$12,000 in 2003 (the limit will increase by \$1,000 each year until it reaches \$15,000 in 2006, after which the limit will be subject to adjustments to reflect increases in the cost of living pursuant to Section 402(g) of the Internal Revenue Code). Effective July 1, 2002, the Plan incorporated the "Catch-up" provisions provided for in the Economic Growth and Tax Relief Reconciliation Act (EGTRRA) for employees meeting the eligibility requirements set forth therein. The "Catch-up" provision allows employees who

are at least age 50 by the end of the plan year to contribute additional pre-tax dollars up to a maximum amount of \$3,000 in 2004 and \$2,000 in 2003 (the maximum amount will be \$4,000 and \$5,000 in 2005 and 2006, respectively, after which the amount will be increased to reflect increases in the cost of living).

Contributions on behalf of employees who have made pre-tax contributions to the Plan during the Plan year are made by the Company, in lieu of an equal amount of salary. The contributions amount to 50% of each participant's contributions up to the first 6% of salary (a maximum Company contribution of 3% of salary). The Company does not match the participants' "Catch-up" contributions.

## INVESTMENT OF CONTRIBUTIONS

The Plan permits participants to invest their own contributions, the Company's matching contributions and the supplemental contributions in various investment funds. Effective December 31, 2004, the funds were as follows:

#### LOANS

Loans must be repaid within 5 years, or 10 years, if the funds are used for the purchase of a primary residence. The interest rate on the loans, as determined by the Pension Committee is at least equal to the rate charged by lenders for similar loans and is adjusted from time to time as circumstances warrant. For the first half of 2004, the loans accrued interest at the rate of prime plus one percent. Interest rates on loans outstanding at December 31, 2004 ranged from 4.0% to 10.5%. Upon termination of service, the unpaid balance is deducted from the account balance to which the participant is entitled. Loans deemed to be in default are recorded as distributions.
