Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Arrangements of Certain Officers.

On November 28, 2006, the Human Resources Committee (the "Committee") of Ingram Micro Inc. ("Ingram Micro") approved increases in the base salaries of the Ingram Micro executive officers named below, and established performance-based target bonus and long-term incentive opportunities for such officers, all as set forth below, in each case effective in or beginning with Ingram Micro's 2007 fiscal year. These target bonus and long-term incentive opportunities reflect achievement at 100% of pre-established financial performance goals. In addition, no awards will be earned if threshold performance levels are not met; however, amounts actually earned could be increased if actual performance exceeds pre-established targeted financial goals.

On the same date, the Committee approved changing the grant date for Ingram Micro's annual equity-based management awards from the first trading day of each January and July to the first trading day of January only (the "Regular Award Date"), which awards, if issued in the form of stock options, shall continue to be granted at an exercise price equal to the close of Ingram Micro's common stock on the New York Stock Exchange on the Regular Award Date, vest over three years from the Regular Award Date and generally terminate ten years from the Regular Award Date. In addition, the Committee approved a special award of restricted stock units with a target value of \$1,000,000 to Mr. Bradley, to be granted on the next Regular Award Date, subject to his continued employment, and which will vest 100% on the third anniversary of the Regular Award Date only if Mr. Bradley remains employed in good standing at Ingram Micro on such anniversary.

* The Committee approved the base salary and target bonus opportunity for Messrs. Monié and Maquet in Singapore dollars and Euros, respectively (802,200 SGD and 561,540 SGD, respectively, for Mr. Monié and 355,058 EUR and 195,282 EUR, respectively, for Mr. Maquet). Messrs. Monié and Maquet's base salary and target bonus opportunity amounts in the table have been converted to US dollars, from Singapore dollars and Euros respectively, using a conversion rate of the average year-to-date exchange rate as of November 3, 2006 of 1 SGD = .627046 USD and 1 EUR = \$1.248452 USD.
