Item 1. Security and Issuer

The class of equity securities to which this statement relates is the common shares, no par value (the “Shares”), of TIM Participações S.A., a Brazilian corporation (the “Issuer”). The Shares are traded on the New York Stock Exchange (the “NYSE”) in the form of American Depositary Shares (the “ADSs”) represented by American Depositary Receipts. The principal executive offices of the Issuer are located at Avenida das Américas, 3.434 - 6º andar, 22640-102 Rio de Janeiro, RJ, Brazil.

Item 2. Identity and Background

The name of the person filing this statement is Telecom Italia S.p.A., an Italian corporation (“TI”).

The address of the principal office of TI is Piazza degli Affari 2, 20123 Milan, Italy. TI and its subsidiaries operate mainly in Europe, the Mediterranean Basin and South America. The TI group is engaged principally in the communications segment and, particularly, in the fixed and mobile national and international telecommunications segments, the television segment and the office products segment.

TI owns the Shares through Telecom Italia International N.V. (“TII”) and TIM Brasil Serviços e Participações S.A. (“TIM BSP” and, together with TI and TII, the “TI Group”). TII, a Netherlands corporation with registered office in Strawinskyalaan 1627, 1077 XX Amsterdam, The Netherlands is a wholly-owned subsidiary of TI. TIM BSP, a Brazilian corporation with registered office in Avenida das Américas, 3434, Bloco 1, 6.º andar, Barra de Tijuca, Rio de Janeiro, RJ, Brazil is a wholly-owned subsidiary of TII, with the exception of one share held by each of the current three Directors of TIM BSP. Both TII and TIM BSP are holding companies.

The name, business address, present principal occupation or employment, principal business address and citizenship of each director and executive officer of TI, TII and TIM BSP is set forth on Schedule A.

During the last five years, none of TI, TII or TIM BSP and to the best of their knowledge, any of the persons listed on Schedule A attached hereto, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject, to federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

Not applicable. Please see “Purpose of Transaction” below.

Item 4. Purpose of Transaction

On August 3, 2011 the Issuer completed the “migration” of its Shares (the “Migration”) to the “Novo Mercado”, a special listing segment of BM&FBovespa –Bolsa de Valores, Mercadorias e Futuros S.A., Brazil’s main stock exchange. Prior to the Migration 843,986,514 common shares of the Issuer (the “Existing Common Shares”) were outstanding, of which the TI Group owned 651,145,640, and 1,633,818,420 preferred shares of the Issuer without voting rights (the “Preferred Shares”) were outstanding, of which the TI Group owned 991,164,522. The Existing Common Shares owned by the TI Group represented 77.15% of the voting rights and, together with the Preferred Shares owned by the TI Group, represented 66.28% of the total capital of the Issuer. The remaining Existing Common Shares and Preferred Shares were owned by the public. Both the Existing Common Shares and the Preferred Shares were listed on the São Paulo Stock Exchange and the Preferred Shares were listed on the NYSE in the form of ADSs.

As required by Brazilian law, all the outstanding Preferred Shares were retired as a condition to completion of the Migration and exchanged for Shares. In compliance with this requirement, the Preferred Shares were exchanged for 1,373,387,764 Shares (the “Newly Issued Shares”) as of August 3, 2011, of which the TI Group received 833,172,907.

As a result of the Migration and the exchange of the Preferred Shares for Newly Issued Shares in connection thereof, the Issuer has now listed its Shares on the NYSE, which trade in the form of ADSs.

Prior to the Migration, the TI Group had control of the Issuer through its ownership of a majority of the Existing Common Shares. As a result of the Migration, the TI Group now only holds Shares. The total amount of Shares held by the TI Group following the Migration is 1,484,318,548, representing 66.94% of the total capital and the voting rights of the Issuer, as compared to 66.28% of the total capital prior to the Migration. The TI Group's total voting rights have declined from 77.15% to 66.94% following the Migration. In the context of the Migration, the Issuer has also (i) converted the Preferred Shares of the preferred shareholders who exercised the withdrawal right granted to them by Brazilian law in connection with the Migration into Shares, and (ii) aggregated the fractions of shares resulting from the exchange of the Preferred Shares for Newly Issued Shares and treated the aggregated shares as whole Shares. The new Shares of the Issuer resulting from (i) and (ii) above, representing 0.04% of the Issuer's total capital and voting rights, are now treated by the Issuer as treasury shares (the "New Treasury Shares"). The Issuer plans to cancel the New Treasury Shares through a resolution by the extraordinary shareholders' meeting of the Issuer, to be held by the end of October 2011, in compliance with Brazilian law. This will result in a corresponding reduction in the stock capital of the Issuer.

The exchange of the Preferred Shares for the Newly Issued Shares in connection with the Migration and the completion of the Migration have not, and will not affect, the TI Group's control of the Issuer. The TI Group's control of the Issuer, and the nature of such control, has been fully set out in the Issuer's Annual Report on Form 20-F for many years.

TI is filing this statement as a consequence of the Migration, the related exchange of the Preferred Shares for the Newly Issued Shares and the listing of the Shares on the NYSE in the form of ADSs. As a result, therefore, TI, TII and TIM BSP now hold directly or indirectly voting shares in the Issuer which, following the Migration, became subject to the reporting requirements under Section 13D of the Act. This statement is not filed in relation to any acquisition or disposition of the Shares by TI, TII or TIM BSP or any change in the TI Group's control of the Issuer.

#### Item 5. Interest in Securities of the Issuer

(a) TI, for the purpose of Rule 13d-3 promulgated under the Act, indirectly owns 1,484,318,548 Shares, representing 66.94% of the outstanding Shares.

Except as set forth in this Item 5(a), none of TI, TII or TIM BSP or, to the best of their knowledge, any persons named in Schedule A hereto, owns beneficially any Shares.

(b) TI, through its wholly-owned subsidiaries TII and TIM BSP, has sole power to vote and to dispose of 1,484,318,548 Shares.

(c) No transaction in the Shares has been effected since June 13, 2011 by TI, TII or TIM BSP or, to their best knowledge, by any of the persons named in Schedule A hereto, other than in connection with the Migration.

(d) Inapplicable.

(e) Inapplicable.

#### Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Not applicable.

Item 7. Material to be Filed as Exhibits

Not applicable.
