**Item 1.01. Entry into a Material Definitive Agreement.**

*Overview*

On December 3, 2017, CVS Health Corporation, a Delaware corporation (“**CVS Health**”), Aetna Inc., a Pennsylvania corporation (“**Aetna**”), and Hudson Merger Sub Corp., a Pennsylvania corporation and a wholly-owned subsidiary of CVS Health (“**Merger Sub**”), entered into an Agreement and Plan of Merger (the “**Merger Agreement**”) pursuant to which, subject to the satisfaction or waiver of certain conditions, Merger Sub will be merged with and into Aetna, with Aetna surviving the merger as a wholly-owned subsidiary of CVS Health (the “**Merger**”).

At the effective time of the Merger (the “**Effective Time**”), each Aetna common share (other than treasury shares held by Aetna and any shares beneficially owned by CVS Health or any of CVS Health’s subsidiaries unless such shares are owned in a fiduciary, representative or other capacity on behalf of other persons) will be converted into the right to receive (i) 0.8378 (the “**Exchange Ratio**”) shares of CVS Health common stock (the “**Share Consideration**”) and (ii) \$145.00 in cash, without interest (the “**Cash Consideration**” and, together with the Share Consideration, the “**Merger Consideration**”).

*Treatment of Equity Awards*

At the Effective Time, each outstanding stock appreciation right representing the right to receive a payment in Aetna common shares (each, an “**Aetna Stock Appreciation Right**”) that is vested or that, pursuant to its terms as in effect as of the date of the Merger Agreement, would become vested as of the Effective Time, with a per share exercise price less than the Equity Award Cash Consideration (as defined below), will be cancelled and converted into the right to receive an amount in cash, without interest, equal to the product of (i) the excess, if any, of (a) the sum of the Cash Consideration plus the value equal to the product of the Parent Stock Price (as defined below) multiplied by the Exchange Ratio (the sum of these amounts, the “**Equity Award Cash Consideration**”) over (b) the applicable per share exercise price of such Aetna Stock Appreciation Right multiplied by (ii) the total number of Aetna common shares subject to such Aetna Stock Appreciation Right.

Each Aetna Stock Appreciation Right that is not cancelled pursuant to the provisions described in the preceding paragraph or is granted after the date of the Merger Agreement (to the extent permitted by the Merger Agreement), at the Effective Time will, by virtue of the Merger and without further action on the part of any holder, be assumed by CVS Health and become, as of the Effective Time, a stock appreciation right (an “**Assumed Stock Appreciation Right**”) representing the right to receive a payment in shares of CVS Health common stock, on the same terms and conditions (including with respect to vesting, exercise and expiration provisions) as applied to each such Aetna Stock Appreciation Right immediately prior to the Effective Time, except that the number of shares of CVS Health common stock subject to such Assumed Stock Appreciation Right will equal the number of Aetna common shares that were subject to such Aetna Stock Appreciation Right immediately prior to the Effective Time, multiplied by the Equity

Award Exchange Ratio (as defined below), rounded down to the nearest whole share, and the per share exercise price, rounded up to the nearest whole cent, will equal the quotient of the exercise price per Aetna common share at which such Aetna Stock Appreciation Right was exercisable immediately prior to the Effective Time, divided by the Equity Award Exchange Ratio.

Immediately prior to the Effective Time, for each outstanding restricted stock unit award with respect to Aetna common shares that vests solely based on the passage of time (each, an “**Aetna RSU Award**”) and pursuant to its terms as in effect on the date of the Merger Agreement, provides for accelerated vesting upon the consummation of the transactions contemplated by the Merger Agreement, the restrictions and vesting conditions applicable to such Aetna RSU Award will lapse and each such Aetna RSU Award will, by virtue of the Merger and without any action on the part of the holder, be converted as of the Effective Time into the right to receive, with respect to each Aetna common share underlying such Aetna RSU Award, the Merger Consideration, less applicable tax withholdings.

Each Aetna RSU Award that is not converted into a right to receive the Merger Consideration or is granted after the date of the Merger Agreement (to the extent permitted by the Merger Agreement), at the Effective Time will, by virtue of the Merger and without further action on the part of any holder, be assumed by CVS Health and will be

converted into a restricted stock unit award (each, an “**Assumed Restricted Stock Unit Award**”), except that each Assumed Restricted Stock Unit Award will cover whole shares of CVS Health common stock equal to the whole number of Aetna common shares underlying such Assumed Restricted Stock Unit Award immediately prior to the Effective Time, multiplied by the Equity Award Exchange Ratio, rounded down to the nearest whole share. Except as provided in the immediately preceding sentence, each Assumed Restricted Stock Unit Award will continue to have, and be subject to, the same terms and conditions as applied to the corresponding Aetna RSU Award immediately prior to the Effective Time (including any terms and conditions relating to accelerated vesting upon a termination of the holder’s employment in connection with or following the Merger).

Immediately prior to the Effective Time, for each outstanding stock unit award with respect to Aetna common shares that vests based on the achievement of performance goals (each, an “**Aetna PSU Award**”) and pursuant to its terms as in effect on the date of the Merger Agreement, provides for accelerated vesting upon the consummation of the transactions contemplated by the Merger Agreement, the restrictions and vesting conditions applicable to such Aetna PSU Award will lapse and each such Aetna PSU Award will, by virtue of the Merger and without any action on the part of the holder, be converted as of the Effective Time into the right to receive, with respect to each Aetna common share underlying such Aetna PSU Award, the Merger Consideration, less applicable tax withholdings.

Each Aetna PSU Award that is not converted into a right to receive the Merger Consideration or is granted after the date of the Merger Agreement (to the extent permitted by the Merger Agreement), at the Effective Time will, by virtue of the Merger and without further action on the part of any holder, be assumed by CVS Health and will be converted into a time-vesting restricted stock unit award (each, an “**Assumed Performance Stock Unit Award**”), except that each Assumed Performance Stock Unit Award will cover whole shares of CVS Health common stock equal to the whole number of Aetna common shares underlying such Assumed Performance Stock Unit Award immediately prior to the Effective Time (determined in accordance with the applicable award agreement), multiplied by the Equity Award Exchange Ratio, rounded down to the nearest whole share. Except as provided in the immediately preceding sentence, each Assumed Performance Stock Unit Award will continue to have, and be subject to, the same terms and conditions as applied to the corresponding Aetna PSU Award immediately prior to the Effective Time (including any terms and conditions relating to accelerated vesting upon a termination of the holder’s employment in connection with or following the Merger).

For purposes of the Merger Agreement, the “**Parent Stock Price**” means the average of the volume weighted averages of the trading prices of CVS Health common stock on the New York Stock Exchange (as reported by Bloomberg L.P. or, if not reported therein, in another authoritative source mutually selected by CVS Health and Aetna in good faith) on each of the five consecutive trading days ending on the trading day that is two trading days prior to the closing date of the Merger.

For purposes of the Merger Agreement, the “**Equity Award Exchange Ratio**” means the sum of (i) the Share Consideration, *plus* (ii) the quotient of (x) the Cash Consideration *divided by* (y) the Parent Stock Price, rounded to the nearest one thousandth.

The Merger Agreement provides that, effective at the Effective Time, the number of members of the board of directors of CVS Health will be increased by three (3) and the vacancies created thereby will be filled by Mark T. Bertolini, the Chairman and Chief Executive Officer of Aetna, and two other individuals who are serving on the board of directors of Aetna immediately prior to the Effective Time, who are jointly designated by Aetna and CVS Health and who meet CVS Health's independence criteria as in effect as of such time. The Merger Agreement also provides that, for at least three years following the closing of the Merger, CVS Health will preserve Aetna Foundation, Inc. in a manner consistent in all material respects with the past practice of Aetna, including by maintaining its name and its charitable mission, and for at least five years following the closing of the Merger, CVS Health will maintain "Aetna" as the primary brand for the insurance businesses of CVS Health and its subsidiaries (including Aetna, as the surviving corporation of the Merger, and its subsidiaries).

CVS Health and Aetna each made customary representations, warranties and covenants in the Merger Agreement, including, among others, covenants by each of CVS Health and Aetna to, subject to certain exceptions,

conduct its business in the ordinary course during the interim period between the execution of the Merger Agreement and the consummation of the Merger. Under the Merger Agreement, both CVS Health and Aetna have agreed that their respective quarterly dividends will not exceed \$0.50 per share prior to the Effective Time. Declaration and payment of future Aetna dividends is at the discretion of Aetna's board of directors and may be adjusted as business needs or market conditions change.

Under the Merger Agreement, each of CVS Health and Aetna has agreed to use its reasonable best efforts to take all actions and to do all things necessary, proper or advisable under applicable law to consummate the Merger, including obtaining as promptly as practicable and thereafter maintaining all consents required to be obtained from any governmental authority or other third party that are necessary, proper or advisable to consummate the Merger. Notwithstanding such general obligation to obtain such consents of governmental authorities, in connection with obtaining any required regulatory approval, CVS Health is not required by the Merger Agreement to take actions that would have or would reasonably be expected to have, individually or in the aggregate, a Regulatory Material Adverse Effect on CVS Health or Aetna. "**Regulatory Material Adverse Effect**" means, with respect to CVS Health or Aetna, a material adverse effect on the financial condition, business, revenue or earnings before interest, taxes, depreciation and amortization ("**EBITDA**") of such person and its subsidiaries, taken as a whole. For purposes of determining whether any action would have or would reasonably be expected to have a Regulatory Material Adverse Effect on Aetna, Aetna and its subsidiaries will collectively be deemed to be a company the size of (and with revenue and EBITDA equal to those of) CVS Health and its subsidiaries, taken as a whole (excluding, for the avoidance of doubt, Aetna and its subsidiaries). In addition, for purposes of determining whether any action would have or would reasonably be expected to have a Regulatory Material Adverse Effect on CVS Health or on Aetna, impacts on CVS Health, Aetna or any of their respective subsidiaries will be aggregated.

#### *Closing Conditions*

The obligation of the parties to consummate the Merger is subject to customary conditions, including (i) the approval and adoption of the Merger Agreement by Aetna's shareholders, (ii) the approval by CVS Health's stockholders of the issuance of CVS Health common stock in the transaction (the "**Stock Issuance**"), (iii) the absence of any U.S. law enacted after the date of the signing of the Merger Agreement, injunction, judgment, order or decree prohibiting or enjoining the consummation of the Merger, (iv) the early termination or expiration of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (v) the receipt of specified governmental consents and approvals, (vi) compliance by Aetna and CVS Health in all material respects with their respective obligations under the Merger Agreement and (vii) subject in most cases to exceptions that do not rise to the level of a "**Company Material Adverse Effect**" or "**Parent Material Adverse Effect**" (each as defined in the Merger Agreement), as applicable, the accuracy of representations and warranties made by Aetna and CVS Health, respectively. The obligation of CVS Health and Aetna to consummate the Merger is also subject to there not having occurred an event that has had or would reasonably be expected to have, individually or in the aggregate, a "Company Material Adverse Effect" or "Parent Material Adverse Effect," respectively. The obligation of the parties to consummate the Merger is not subject to any financing condition.

#### *Shareholder and Stockholder Meetings; Non-Solicitation; Intervening Events*

The Merger Agreement requires Aetna and CVS Health to convene a shareholders meeting and a stockholders meeting, respectively, for purposes of obtaining the necessary Aetna shareholder approval and CVS Health stockholder approval, and, subject to certain exceptions, each of Aetna and CVS Health have agreed (i) not to solicit alternative transactions or enter into discussions concerning, or provide information in connection with, any alternative transaction and (ii) that its board of directors will recommend that its shareholders or stockholders, as applicable, approve and adopt the Merger Agreement or the Stock Issuance, as applicable.

Prior to the approval of the Stock Issuance by CVS Health's stockholders or the approval and adoption of the Merger Agreement by Aetna's shareholders, as applicable, the CVS Health board of directors or the Aetna board of directors, as applicable, may, in connection with the receipt of a "**Parent Superior Proposal**" or "**Company Superior Proposal**" (each as defined on the Merger Agreement), respectively, change its recommendation in favor of the Stock Issuance or the Merger Agreement, respectively, or terminate the Merger Agreement to enter into a definitive agreement providing for such Parent Superior Proposal or Company Superior Proposal, as applicable, subject to

payment of the termination fee described below, in each case, subject to complying with notice and other specified conditions, including giving the other party the opportunity to propose changes to the Merger Agreement in response to such Parent Superior Proposal or Company Superior Proposal, as applicable, if the failure to make such change in recommendation would be reasonably likely to be inconsistent with its fiduciary duties.

In addition, prior to the approval of the Stock Issuance by CVS Health's stockholders or the approval and adoption of the Merger Agreement by Aetna's shareholders, as applicable, the CVS Health board of directors or the Aetna board of directors, as applicable, may, in connection with a "**Parent Intervening Event**" or a "**Company Intervening Event**" (each as defined in the Merger Agreement), respectively, change its recommendation in favor of the Stock Issuance or the Merger Agreement, respectively, subject to complying with notice and other specified conditions, including giving the other party the opportunity to propose changes to the Merger Agreement in response to such Parent Intervening Event or Company Intervening Event, as applicable, if the failure to make such change in recommendation would be reasonably likely to be inconsistent with its fiduciary duties.

#### *Termination; Termination Fees*

As described above, prior to the approval of the Stock Issuance by CVS Health's stockholders or the approval and adoption of the Merger Agreement by Aetna's shareholders, as applicable, CVS Health or Aetna may terminate the Merger Agreement to enter into a definitive agreement providing for a Parent Superior Proposal or Company Superior Proposal, respectively, subject to complying with notice and other specified conditions and payment of the termination fee described below. In addition, if either party's board of directors changes its recommendation that its shareholders or stockholders, as applicable, approve and adopt the Merger Agreement or approve the Stock Issuance, as applicable, the other party may terminate the Merger Agreement. However, a party whose board of directors changes its recommendation in connection with a Parent Intervening Event or Company Intervening Event, as applicable, does not have the right to terminate the Merger Agreement.

The Merger Agreement contains certain other termination rights, including, among others, the right of each party to terminate the Merger Agreement (i) if the Merger has not been consummated by the "end date" of December 3, 2018, subject to each party's right to extend the end date to March 3, 2019 if all closing conditions (other than receipt of antitrust and other specified regulatory approvals) have been satisfied by December 3, 2018, and CVS Health's right to extend the end date to June 3, 2019 if all closing conditions (other than receipt of antitrust and other specified regulatory approvals) have been satisfied by March 3, 2019, (ii) if a governmental authority in the United States has issued a law enacted after the date of the signing of the Merger Agreement, injunction, judgment, order or decree which prohibits or enjoins the Merger and which, in the case of a judgment, order or decree, has become permanent, final and nonappealable, (iii) if the required vote of Aetna shareholders is not obtained, (iv) if the required vote of the CVS Health stockholders is not obtained or (v) due to the other party's breach in any material respect of the provisions of the Merger Agreement relating to non-solicitation of alternative transactions or convening of stockholder or shareholder meetings, as applicable.

In the event of a termination of the Merger Agreement under certain circumstances, CVS Health or Aetna may be required to pay a termination fee to the other.

CVS Health would be required to pay to Aetna a termination fee of \$2.1 billion if the Merger Agreement is terminated (i) by Aetna as a result of a change in the recommendation of CVS Health's board of directors to its stockholders to approve the Stock Issuance, (ii) by Aetna due to CVS Health's breach in any material respect of the provisions of the Merger Agreement relating to non-solicitation of alternative transactions or convening CVS Health's stockholder meeting or (iii) by CVS Health in order to enter into a definitive agreement providing for a Parent Superior Proposal. In addition, CVS Health would be required to pay to Aetna a termination fee of \$2.1 billion if (w) the required vote of CVS Health's stockholders is not obtained, (x) an acquisition of CVS Health were publicly proposed or disclosed prior to such vote, (y) the Merger Agreement is terminated by either party and (z) within twelve months after such termination, CVS Health enters into a definitive agreement providing for, or consummates, an alternative transaction with a third party.

Aetna would be required to pay to CVS Health a termination fee of \$2.1 billion if the Merger Agreement is terminated (i) by CVS Health as a result of a change in the recommendation of Aetna's board of directors to its

shareholders to approve and adopt the Merger Agreement, (ii) by CVS Health due to Aetna's breach in any material respect of the provisions of the Merger Agreement relating to non-solicitation of alternative transactions or convening Aetna's shareholder meeting or (iii) by Aetna in order to enter into a definitive agreement providing for a Company Superior Proposal. In addition, Aetna would be required to pay to CVS Health a termination fee of \$2.1 billion if (w) the required vote of Aetna's shareholders is not obtained, (x) an alternative acquisition of Aetna were publicly proposed or disclosed prior to such vote, (y) the Merger Agreement is terminated by either party and (z) within twelve months after such termination, Aetna enters into a definitive agreement providing for, or consummates, an alternative transaction with a third party.

In the event the Merger Agreement is terminated (i) as a result of the failure of the Merger to occur on or before the end date (as it may be extended) due to the failure to achieve antitrust or other specified regulatory approvals, (ii) as a result of a final and non-appealable order or injunction relating to antitrust or other specified regulatory approvals or (iii) as a result of CVS Health's failure to take appropriate proceedings to contest an order or injunction in respect of antitrust or other specified regulatory matters within certain specified time periods, then CVS Health would be required to pay Aetna a termination fee of \$2.1 billion.
