**PROXY STATEMENT FOR THE
ANNUAL MEETING OF SHAREHOLDERS
MAY 11, 2006**

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Tasty Baking Company (the "Company") to be used in voting at the Annual Meeting of Shareholders to be held on Thursday, May 11, 2006 at 11:00 a.m., at The Union League of Philadelphia, 140 South Broad Street, Philadelphia, Pennsylvania 19102, or at any adjournment or adjournments thereof. This Proxy Statement, the Notice of Annual Meeting, the Proxy and the Company's 2005 Annual Report, which includes the Company's Form 10-K for the fiscal year ended December 31, 2005, have been mailed on or about April 7, 2006 to each shareholder of record at the close of business on March 13, 2006.

Please sign, mark and complete the enclosed Proxy and return it in the addressed reply envelope which is furnished for your convenience. If any matters that are not specifically set forth on the Proxy and in this Proxy Statement properly come before the Annual Meeting, the proxies intend to vote on those matters in accordance with their reasonable business judgment.

A Proxy in the form enclosed, if duly signed, marked, and received in time for voting, will be voted in accordance with the directions of the shareholder. The persons designated as the proxies shall have the discretionary authority to vote cumulatively for the election of directors and to distribute such votes among the nominees standing for election (except as otherwise instructed by a shareholder in the accompanying Proxy) to assure the election of the nominees of the Board of Directors. The giving of a Proxy does not prevent you from voting in person should you so desire. Under Pennsylvania law, a shareholder may revoke a Proxy by giving written notice to the Secretary of the Company at the address of the principal executive offices or in open meeting, but the revocation will not affect any vote previously taken.

Proxies in the form enclosed are solicited by or on behalf of the Board of Directors. The expense of this solicitation, including the cost of preparing, assembling and mailing the Notice of Annual Meeting, Proxy and Proxy Statement, will be borne by the Company. In addition to the solicitation of proxies by use of the mails, some of the officers and regular employees of the Company, without extra remuneration, may solicit proxies personally, or by telephone or other otherwise. In addition, arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxies and proxy materials to their principals, and the Company will reimburse them for their expenses in forwarding soliciting materials. In addition, the Company has agreed to engage Georgeson Shareholder Communications, Inc. for \$7,500 plus expenses, to assist in soliciting proxies. At the Annual Meeting, in accordance with past practice, shareholders will be requested to approve the minutes of the 2005 Annual Meeting of Shareholders. The approval requested will be for the minutes, and not the underlying actions taken by the shareholders at that meeting.

In this Proxy Statement, and unless otherwise provided, the term "executive officers" refers to the President and Chief Executive Officer; the Senior Vice President and Chief Financial Officer; the Senior Vice President and Chief Marketing Officer; the Vice President, Route Sales; the Vice President, Direct Sales; and the Chief Information Officer.

VOTING SECURITIES

General

Each holder of record of the Company's Common Stock, par value \$0.50 per share, at the close of business on March 13, 2006, is entitled to one vote per share on matters that come before the meeting, except that cumulative voting rights may be exercised with respect to the election of directors. At the close of business on March 13, 2006, there were outstanding 8,264,626 shares of the Company's Common Stock entitled to vote at the Annual Meeting.

Under the Pennsylvania Business Corporation Law of 1988, as amended, and the Company's By-Laws, the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast on a particular matter constitutes a quorum to take action at a shareholders' meeting. Shares which are present, or represented by a proxy, will be counted for quorum purposes regardless of whether the holder of the shares or proxy fails to vote on a matter ("Abstentions") or whether a broker with discretionary authority fails to exercise its discretionary authority to vote shares with respect to the matter ("Broker Non-Votes"). The nominees receiving the highest number of votes, up to the number of directors to be elected (three), will be elected. The affirmative vote of at least a majority of the votes cast at the Annual Meeting of Shareholders by all shareholders entitled to vote thereon, is required to adopt any other proposal. For purposes of determining the number of votes cast at the Annual Meeting, only those votes cast "FOR," "AGAINST" or, in the case of the election of directors, "WITHHOLD," will be counted in determining whether a proposal is approved or a director is elected. Abstentions and Broker Non-Votes will not be counted as votes cast and, as a consequence, Abstentions and Broker Non-Votes will have no effect on the adoption of a proposal or the election of a director.

Cumulative Voting

A shareholder wishing to exercise cumulative voting rights in the election of directors may multiply the number of shares which he or she is entitled to vote by the total number of directors to be elected (three) to determine the total number of votes he or she may cast. The shareholder may then distribute the total number of votes among one or more nominees in the proportion he or she desires. The proxies shall have the discretionary authority to vote cumulatively and to distribute such votes among the nominees so as to assure the election of the nominees of the Board of Directors, except for nominees as to whom a shareholder withholds authority to vote and except where a shareholder has directed that votes be cast cumulatively by specific instructions to the proxies.

DIRECTOR ATTENDANCE AND COMPENSATION

Attendance

During the fiscal year ended December 31, 2005, eight meetings of the Board of Directors were held. In addition, an aggregate of 18 meetings of the committees of the Board of Directors were held in that period. During 2005, each incumbent director attended 100% of the regularly scheduled and special meetings of the Board and its committees on which he or she served. While the Company does not have a formal, written attendance policy requiring directors to attend the annual meeting of shareholders, the Board of Directors strongly encourages all directors to attend the annual meeting. All incumbent directors of the Company who were directors as of the meeting date attended the 2005 Annual Meeting of Shareholders.

Executive Sessions

The Board of Directors meets at least once annually in an executive session of the independent directors of the Board. Mr. Ksansnak, the independent Chairman of the Board, presides over the executive sessions of the independent directors.

Compensation

During fiscal year 2005, the Company paid an annual retainer fee of \$15,000 to non-officer directors and an additional retainer fee of \$5,000 for the independent Chairman of the Board, \$4,000 for the Chair of the Audit Committee, \$2,500 for the Chair of the Compensation Committee, \$2,500 for the Chair of the Nominating and Corporate Governance Committee, and \$2,500 for the Chair of the Strategic Planning Committee. Non-officer directors were paid a fee of \$1,000 for each Board and committee meeting attended.

On August 7, 2003, upon the approval of the Board of Directors, the Compensation Committee awarded stock options to all non-officer directors pursuant to the 2003 Long Term Incentive Plan. Messrs. Aldridge, Baur, Kozich and Ksansnak and Ms. von Seldeneck were awarded 7,000, 5,000, 10,000, 15,000 and 7,000 stock options, respectively, with an exercise price of \$10.78 equal to the closing price for the Company's Common Stock on the date of grant. On December 5, 2003, Mr. West was elected to the Board of Directors, and on February 4, 2004, he was granted 5,000 stock options with an exercise price of \$10.32 equal to the closing price for the Company's Common Stock on the date of grant. On May 12, 2005, Messrs. Hellauer and Nevels were elected to the Board of Directors and on August 1, 2005, they were granted 5,000 stock options with an exercise price of \$8.65 equal to the closing price for the Company's Common Stock on the date of grant. The stock option grants to Ms. von Seldeneck and Messrs. Aldridge, Baur, Hellauer, Kozich, Ksansnak, Nevels and West, when granted, vested in equal one-third increments on the first, second and third anniversaries of the date of grant. In addition, any shares obtained through the exercise of these options may not be sold or transferred, other than for the payment of taxes incurred in the exercise of such options, for a five-year holding period which ends on the fifth anniversary of the date of grant. Upon his appointment to the Board on March 24, 2006, Mr. Conish was granted 2,000 restricted shares of the Company's Common Stock with a Grant Date of March 24, 2006 that, provided Mr. Conish remains a director, will vest and become nonforfeitable on the fifth anniversary of the Grant Date.

On December 16, 2005, the Company's Board of Directors and its Compensation Committee approved the acceleration of vesting of all outstanding, unvested stock options previously awarded to the Company's employees, officers (including executive officers) and directors under the Company's 1994, 1997 and 2003 Long Term Incentive Plans. The purpose of this accelerated vesting was to enable the company to avoid recognizing compensation expense associated with these options in future periods as required by Statement of Financial Accounting Standards (SFAS) No. 123R, *Share Based Payment*, which the Company was required to adopt by January 1, 2006. Of the total number of shares underlying the accelerated stock options, approximately 27,998 were held by directors and 114,394 were held by executive officers. All other terms and conditions applicable to these stock options, including exercise prices and holding period requirements, remained unchanged.

Non-officer directors who have ceased to be directors and who have reached age 65 with five or more years of service on the Board of Directors are entitled to receive an annual retirement benefit equal to the amount of the annual retainer fee in effect on the date the director ceases to be a director (but not less than \$16,000 for directors

-serving on June 30, 1993). This benefit will be paid monthly to the retired director until the earlier of the death of the retired director or for the number of years of credited service of such director as a member of the Board of Directors of the Company.

The Company has entered into a Trust Agreement with Wachovia Bank, N. A. for the benefit of directors. Under this Trust Agreement the Company is obligated to deposit sufficient funds with the Trustee to enable it to purchase annuity contracts to fund the directors' retirement benefits in the event of a change in control of the Company.

Director Independence

The Board has determined that, except for Charles P. Pizzi, President and Chief Executive Officer of the Company, each of the directors, including those up for re-election at the 2006 Annual Meeting of Shareholders, are independent under the listing standards of the NASDAQ stock market ("NASDAQ Listing Standards"). Accordingly, eight of the nine directors are independent. This determination is based upon the Board's opinion that none of the independent directors has a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors has a standing Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Strategic Planning Committee consisting of directors who the Board has affirmatively determined are "independent," except for Mr. Pizzi, as defined in the NASDAQ Listing Standards. Each Committee operates pursuant to a charter approved by the Board of Directors, copies of which are available on the Company's website at www.tastykake.com, under the "Corporate Info-Corporate Governance" captions, or upon written request directed to the Secretary of the Company at 2801 Hunting Park Avenue, Philadelphia, Pennsylvania 19129.

The Company has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) under the Securities Exchange Act of 1934, as amended ("Exchange Act"). The Audit Committee has the responsibility to assist the Board of Directors in its oversight of (i) the integrity of the Company's financial statements; (ii) the independent registered public accounting firm's qualifications and independence; (iii) the performance of the Company's internal audit function and independent registered public accounting firm; and (iv) the Company's compliance with legal and regulatory requirements. The Committee's duties and responsibilities are outlined in its Charter and include, among other things, (i) the review of the Company's financial statements and the independent audit process; (ii) the review of critical accounting policies and practices used by the Company; (iii) the effect of any proposed changes in accounting principles or practices upon the Company; (iv) the consideration and review of the Company's assessment of the effectiveness of its internal accounting controls; and (v) the selection, retention and termination of the Company's independent registered public accounting firm. In addition, the Committee reviews with management and the Company's independent registered public accounting firm the financial statements to be included in the Company's Quarterly Reports on Form 10-Q and Annual Report on Form 10-K, including the "Management's Discussion and Analysis" section thereof, and those matters required by Statement of Auditing Standards ("SAS") No. 61, as amended by SAS No. 90, *Communication with Audit Committees*. In addition, pursuant to its Charter, the Committee performs an annual evaluation of its performance and the adequacy of the Committee's Charter. Ronald J. Kozich is Chairman of the Audit Committee and Fred C. Aldridge, Jr., James C. Hellauer and James E. Ksansnak are members of the Committee. During the fiscal year 2005, Mr. Philip J. Baur, Jr. was a member of the Audit Committee until his retirement from the Board of Directors in May, 2005 after which he was elected a Director Emeritus and no longer sits on any Board committees. The Board of Directors has determined that each member of the Audit Committee is "independent" and financially literate as the Board of Directors has interpreted such qualifications in its business judgment, all as required by the applicable NASDAQ Listing Standards. The Board of Directors has also determined that each member of the Committee is "independent" as defined under Section 301 of the Sarbanes-Oxley Act of 2002, and the regulations thereunder. In addition, the Board of Directors has determined that Ronald J. Kozich is an "audit committee financial expert" as defined by the rules of the SEC and is "independent" as defined in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act. During the fiscal year ended December 31, 2005, the

Judith M. von Seldeneck is Chairperson of the Compensation Committee and Ronald J. Kozich, James E. Ksansnak and James E. Nevels are members of the Committee. Philip J. Baur, Jr. was a member of the Committee until his retirement from the Board of Directors in May 2005, after which he was elected a Director Emeritus and no longer sits on any Board committees. Fred C. Aldridge, Jr. was elected Chairman of the Nominating and Corporate Governance Committee on February 11, 2005. G. Fred DiBona, Jr. was Chairman of the Nominating and Corporate Governance Committee prior to his death on January 11, 2005. James E. Ksansnak, James E. Nevels and David J. West are members of the Committee. During the fiscal year ended December 31, 2005, the Committee held three meetings.

The Strategic Planning Committee has the responsibility (i) to review and recommend to the Board the strategic planning process, long-range objectives and strategic plan for the Company; (ii) to meet with the Chief Executive Officer and other members of management on at least an annual basis and review management's strategic planning process and the long-range financial and strategic plan of the Company; and (iii) to review and advise the Board regarding strategic business issues, including acquisitions, mergers, divestitures, financing, capital structure and dividend policy. David J. West is the Chairman and James C. Hellauer, James E. Ksansnak, Charles P. Pizzi and Judith M. von Seldeneck are members of the Committee. CORPORATE GOVERNANCE

Code of Business Conduct

Each of the Company's directors, officers and employees are required to comply with the Tasty Baking Company Code of Business Conduct adopted by the Company. The Code of Business Conduct sets forth policies covering a broad range of subjects and requires strict adherence to laws and regulations applicable to the Company's business. The Code of Business Conduct is available on the Company's website at www.tastykake.com, under the "Corporate Info-Investor Relations-Corporate Governance" captions. A copy of the Company's Code of Business Conduct may also be obtained, without charge, by any shareholder upon written request directed to the Secretary of the Company at 2801 Hunting Park Avenue, Philadelphia, Pennsylvania 19129. The Company will post to its website any amendments to the Code of Business Conduct, or waiver from the provisions thereof for principal executive officers or directors, under the "Corporate Info-Investor Relations-Corporate Governance" caption.

Corporate Governance Guidelines

The Board of Directors has adopted the Tasty Baking Company Corporate Governance Guidelines which outline the responsibilities of the Board of Directors, director selection criteria and procedures, board composition criteria and various policies and procedures designed to ensure effective governance. These Guidelines are reviewed annually by the Nominating and Corporate Governance Committee to determine effective compliance and

implementation and may be revised from time to time. The Corporate Governance Guidelines are available on the Company's website at www.tastykake.com, under the "Corporate Info-Investor Relations-Corporate Governance" captions, or upon written request directed to the Secretary of the Company at 2801 Hunting Park Avenue, Philadelphia, Pennsylvania 19129.

Nomination Process and Qualifications for Director Nominees

The Nominating and Corporate Governance Committee has established certain procedures and criteria for the selection of nominees for election to the Board of Directors. The Committee determines, and reviews with the Board on an annual basis, the desired skills and characteristics for directors as well as the composition of the Board as a whole. Nominees should satisfy at a minimum the following criteria in order to qualify for consideration to serve on the Board of Directors: possess the highest personal and professional ethics, integrity and judgment; have the ability and willingness to commit the necessary time and energy to prepare for, attend and participate in the meetings of the Board and one or more of its standing committees; have relevant background and experience that complement the background and experience of the other directors; have a proven record of competence and accomplishment through demonstrated leadership in a profession, business, education or government service as a director, chief executive officer or senior management executive, including financial, accounting, legal, sales, marketing, supply chain and other relevant experience, that will enhance the perspective and effectiveness of the Board, including perspectives resulting from diversity in the experience and background of such nominee; be a shareholder or be willing to become a shareholder of the Company; and have the willingness and ability to represent the interests of all shareholders rather than any special interest or constituency while keeping in perspective the interests of the Company's employees, customers, local communities and other constituencies.

If nominations are required for election at an annual meeting of shareholders, the Committee will first consider the nomination of the current directors whose terms are expiring, including their past performance on the Board along with the criteria set forth above, in determining whether to nominate them for re-election. In connection with nominations for elections at annual meetings of shareholders or to fill vacancies in the Board at special or annual meetings of shareholders, the Committee may solicit the current members of the Board for the names of potentially qualified candidates. In addition, the Committee may ask the directors to pursue their own business contacts for the names of potentially qualified candidates. The Committee may retain director search firms as it determines necessary in its own discretion.

The Committee will also consider director candidates recommended by shareholders in the same manner in which the Committee would evaluate director nominees recommended through the process described above; provided that the following requirements are met: the shareholder provides documentation evidencing his or her ownership interest in the Company; the recommended individual meets the criteria set forth above, the shareholder nomination provides at a minimum comprehensive written information relating to the recommended individual's business experience and background, including but not limited to, his or her complete name, age, address, principal occupation, directorships, positions and offices held, name and principal business of any corporation or other organization in which such positions were held; affiliation with the Company; family relationships with any director, executive officer or other nominee, and any arrangements or understandings between him or her and any other person pursuant to which he or she was recommended as a nominee for director; additional written information regarding any legal proceedings in the preceding five years in which the recommended individual was involved as required in Regulation S-K, Item 401(f); and a written consent executed by the recommended individual stating that he or she desires to be considered as a nominee and, if elected, that he or she will serve as a director. All shareholder nominations to be considered by the Committee must be received by the Secretary of the Company between 90 and 120 days prior to the first anniversary of the mailing date of the prior year's proxy statement for the Company's annual meeting of shareholders. In the event that no annual meeting was held in the previous year or the date of the annual meeting of shareholders is moved by more than 30 days from the anniversary date of the preceding annual meeting, then notice must be given not later than the close of business on the 10th day following the date on which public announcement of the date of such annual meeting is first made by the Company. In no event shall the adjournment of an annual meeting commence a new time period for the giving of shareholders' notice as described above.

The Committee will consider the director candidates derived from the foregoing process and make its recommendations to the full Board of Directors for approval.

[Back to Contents](#)**Communicating with Directors**

Shareholders who wish to communicate with the Board of Directors, the non-management directors or an individual director may do so by sending a letter to the Secretary of the Company at 2801 Hunting Park Avenue, Philadelphia, Pennsylvania 19129. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Shareholder-Board Communication." The Secretary has been authorized to screen commercial solicitations and materials which pose security risks, are unrelated to the business or governance of the Company, or are otherwise inappropriate. All such letters must identify the author as a shareholder and clearly state whether the intended recipients are all or individual members of the Board. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

PENSION PLAN

The following table shows the approximate annual retirement benefits which will be payable under the Company's Pension Plan ("DB Plan") for an employee retiring in 2005 at the normal retirement age of 65 for the specified years of service and levels of average remuneration. On December 10, 2004, the Company amended its DB Plan to freeze benefit accruals effective March 26, 2005. Participants will be credited for service after March 26, 2005, solely for vesting purposes pursuant to the terms of the DB Plan. Each vested participant will receive their total pension benefit accrued through March 26, 2005, upon retirement from the Company in accordance with the terms of the DB Plan. Annual amounts which were contributed to the DB Plan by the Company during the year are computed on an aggregate actuarial basis and are not individually allocated. While the remuneration covered by the DB Plan included salaries and bonuses paid to plan participants as reflected in the Summary Compensation Table for payments through March 26, 2005 (see pp. 12-13), the covered remuneration is subject to the maximum compensation limit permitted by the Internal Revenue Code of 1986, as amended (the "Code"), which was \$205,000 in the last full plan year of 2004. Benefits under the DB Plan are calculated as a percentage of the average of the 60 highest consecutive calendar months of compensation paid by the Company during the last 120 calendar months of employment, which percentage depends on the employee's total number of years of service. Benefits under the DB Plan are coordinated with Social Security and are presently restricted under federal tax law to a maximum of \$175,000 per year. Messrs. Pizzi, Marberger, Melchiorre and Rahey and Ms. Bayles have approximately 2 $\frac{1}{4}$, 2, 2, 1 and 1 $\frac{1}{2}$ years of credited service under the DB Plan, respectively, but they have not earned further years of credited service for their service with the Company after March 26, 2005, except for vesting purposes.

The Company merged the Tasty Baking Oxford, Inc. 401(k) Savings Plan (“Oxford Plan”) into the

[Back to Contents](#)

Tasty Baking Company 401(k) Thrift Plan (the "Thrift Plan") and renamed the Thrift Plan the "Tasty Baking Company 401(k) and Company Funded Retirement Plan" ("Retirement Plan"), effective March 26, 2005. All assets of the Oxford Plan were transferred immediately after the effective date of the merger to the Retirement Plan which is administered by the Vanguard Group. In the Retirement Plan, all participants will receive a Company matching contribution in cash equal to 50% of the first 4% of eligible plan compensation contributed to the Retirement Plan. In the Retirement Plan, the waiting period for participation has been eliminated. Participants may self-direct the investment of their accounts under the Retirement Plan in a broad array of investment choices, including new target retirement date investment options.

In addition, effective March 27, 2005, the Company adopted a new feature within the Retirement Plan which is a defined contribution benefit that is intended to replace the benefits provided in the Company's DB Plan. For this new benefit, the Company will make weekly retirement contributions for all eligible employees. These contributions are based on employees' point values which are the sum of age and years of service as of January 1 each year. All employees will receive contributions that range from 2% to 5% of eligible compensation relative to their point totals. Employees of the Company on March 27, 2005, who have 20 years of service or 10 years of service and 60 points on March 27, 2005, receive additional weekly "grandfathered" contributions of between 1.5% and 3.5% of eligible plan compensation. The "grandfathered" contribution amount will remain constant until retirement or separation of service. These "grandfathered" contributions are being made to compensate older employees for the shorter earnings period that their accounts will have to appreciate in value.

Until March 27, 2005, the Thrift Plan permitted participants to make contributions to the Plan on a pre-tax salary reduction basis in accordance with the provision of Section 401(k) of the Internal Revenue Code. After six months of employment, the company matched 100% of participants' contributions up to a specified limit. The Thrift Plan was administered under a Section 401(k) prototype plan sponsored by Mellon HR & IS Solutions. Under the Thrift Plan, the Company's contributions were invested in Tasty Baking Company common stock, and participants were able to choose from a selection of guaranteed and mutual fund options offered by Dreyfus for investment of their contributions. The Company also maintained the Oxford Plan for the employees who work for its Oxford subsidiary. The Oxford Plan was also administered by Mellon HR & IS Solutions and was similar to the Thrift Plan except that the Company matching contributions were contributed in cash.

The retirement benefits which the Company is obligated to pay to Mr. Pizzi are defined in his Employment Agreement and a separate Supplemental Executive Retirement Plan ("SERP") Agreement dated as of October 7, 2002. On August 19, 2004, the Board of Directors amended and restated the SERP Agreement with Mr. Pizzi to convert his benefits from a defined benefit to a defined contribution benefit to be consistent with the Company's cessation of accrual of benefits for all participants under the Company's DB Plan effective as of March 26, 2005. Prior to this amendment, the SERP Agreement provided a minimum retirement benefit of \$157,000 annually at the normal retirement age of 62, subject to adjustment for salary increases and early retirement. Under Mr. Pizzi's amended and restated SERP Agreement, he is entitled to amounts accumulated in an unfunded notional account established by the Company on his behalf. Effective as of September 30, 2004, the Company credited an initial amount equal to \$172,500 to such account. Thereafter, the Company credits a contribution to such account at the end of each month of an amount equal to 39% of the base salary and bonus paid to Mr. Pizzi in such month. Interest is credited to the account on a monthly basis equal to the product of (i) one twelfth of the interest crediting rate for the calendar year and (ii) the account balance at the beginning of the month. The interest crediting rate for the calendar year is the Moody's Aa rate for corporate bonds as of the last business day preceding the beginning of the calendar year. In fiscal 2004 and 2005, the Company credited \$42,902 and \$192,897 of contributions and \$2,820 and \$17,206 of interest, respectively, to the accounts. Mr. Pizzi is immediately and fully vested in all amounts credited to such account on his behalf, unless he is terminated by the Company for gross or willful misconduct or in the event of his death while unmarried.

Mr. Pizzi will be entitled to the payment of benefits from the SERP account on the first day of the month immediately following death, permanent disability or retirement on or after age 57. Payment of benefits is deferred until age 57 if Mr. Pizzi terminates employment before age 57 (for reasons other than disability or permanent disability). Benefits will be paid to Mr. Pizzi in a lump sum equal to the account balance as of the end of the month preceding payment to him. In the event of a change of control, Mr. Pizzi is guaranteed three additional annual contribution credits; provided, however, that this guarantee is reduced for each year after a change in control that he remains employed and receives such credits. In no event is the guarantee of the additional contribution credits

applicable for any years after the calendar year in which he attains age 62. Amounts deferred under the SERP for Mr. Pizzi after December 31, 2004, will be subject to the distribution restrictions of Section 409A of the Code.

Employment, Change of Control and Termination Arrangements for Executives

Mr. Pizzi. On August 14, 2002, the Company and Mr. Pizzi entered into an Employment Agreement (the "Agreement") under the terms of which Mr. Pizzi was hired to serve as Chief Executive Officer and President for a period of two years commencing October 7, 2002. The Agreement was subsequently amended on January 19, 2004 with regard to the change of control benefits provided thereunder, and on August 19, 2004, to extend the initial term by an additional year. His Agreement will be automatically renewed for additional one year periods if not terminated by either Mr. Pizzi or the Company on at least 90 days notice prior to the end of the then current term. Pursuant to the Agreement, Mr. Pizzi receives a base salary of not less than \$400,000 per year, is entitled to participate in the Annual Incentive Program ("AIP") providing cash bonuses to executive officers, and received 4,000 shares of Common Stock which became fully vested upon commencement of his employment and options to purchase 25,000 shares of Common Stock in accordance with the provisions of the Company's Long Term Incentive Plans. The Company also pays the premiums on a term life insurance policy for the benefit of Mr. Pizzi's heirs. The amount of the life insurance coverage was originally \$1,000,000 and was increased to \$2,000,000 as a result of the August 19, 2004 amendment. Other perquisites and benefits are provided to Mr. Pizzi commensurate with his position as President and Chief Executive Officer.

Subject to the requirements of Section 409A of the Code, in the event that Mr. Pizzi's employment is terminated under any of the circumstances described below, he will be entitled to receive certain continuing compensation benefits from the Company: (i) termination by the Company without cause, (ii) if the Company elects not to renew Mr. Pizzi's Agreement, (iii) if Mr. Pizzi terminates employment for "good reason," (iv) if Mr. Pizzi terminates employment after a change of control, or (v) if the Company terminates Mr. Pizzi's employment (other than for cause) within 18 months after a change of control. The compensation benefits which Mr. Pizzi will be entitled to receive (other than in connection with a change of control) include: (a) two times his annual base salary payable over 24 months, (b) a cash bonus, payable each year during the two years following termination, equal to one-half of his average historical annual cash bonus multiplied by the percentage derived by dividing the aggregate bonuses awarded to all senior executives in each of such two years by the average annual cash bonuses received by such senior executives in the prior five fiscal years, and (c) acceleration of the vesting of all outstanding stock options. The compensation benefits which Mr. Pizzi will be entitled to receive as a result of termination of his employment in connection with a change of control include: (a) three times his annual base salary payable over 36 months, (b) a cash bonus, payable each year during the three years following termination, equal to his average historical annual cash bonus multiplied by the percentage derived by dividing the aggregate bonuses awarded to all senior executives in each of such three years by the average annual cash bonuses received by such senior executives in the prior five fiscal years, (c) medical and life insurance benefits for a period of 36 months after termination, subject to satisfying the insurability criteria of the applicable plan, and (d) acceleration of the vesting of all outstanding stock options, subject to any applicable shareholder approval requirement. Mr. Pizzi will be entitled to receive these benefits without any obligation to mitigate damages by seeking other employment; however, payment of such benefits is conditioned upon Mr. Pizzi's signing a general release in favor of the Company.

Subject to the requirements of Section 409A of the Code, Mr. Pizzi will have the right to receive these benefits in the event of a change of control of the Company if he elects to leave the employment of the Company during the period beginning six months after the change of control and ending 18 months after the change of control or if the Company elects to terminate his employment (other than for cause) at any time within 18 months after the change of control. The Company is then obligated to make a gross up payment to Mr. Pizzi in the event that the payments to him upon a change of control constitute "parachute payments" within the meaning of Section 280G of the Code, which are subject to the excise tax imposed by Section 4999 of the Code; provided that the Company shall not be obligated to make the gross up payment unless the after-tax value of the payment to Mr. Pizzi is at least \$25,000. In no event shall the aggregate amount of the compensation benefits payable to Mr. Pizzi and all other senior executives of the Company as a result of a change of control exceed three percent (3%) of the total transaction value for such change of control. In the event the aggregate amount of compensation benefits payable on a change of control would exceed such limit, the amount of benefits payable to each of Mr. Pizzi and the other senior executives will be proportionally reduced.

[Back to Contents](#)

For purposes of the Agreement, "good reason" means (i) any material change in the authority, duties and responsibilities of Mr. Pizzi which is inconsistent with those of President and Chief Executive Officer of the Company, (ii) relocation of his principal place of employment to a place (other than the Company's Oxford facility) outside of a radius of 30 miles from the Company's Hunting Park Avenue facility, (iii) the Company's continued failure to perform its duties under the Agreement after applicable notice and cure periods have expired, (iv) a material reduction in the indemnification provided by the Company which is not applicable to all directors and officers, or (v) Mr. Pizzi ceasing to be a member of the Board of Directors, other than as a result of his resignation, death, disability or termination by the Company with cause. Alternatives (iv) and (v) were added by the August 19, 2004 amendment to Mr. Pizzi's Employment Agreement.

Messrs. Marberger and Melchiorre. The Company entered into change of control agreements with Messrs. Marberger and Melchiorre on January 19, 2004. Pursuant to these agreements, in the event that the executive's employment is terminated (i) by the Company (other than for cause) within one year following a change of control, (ii) by the executive for "good reason" within one year following a change of control, or (iii) by the executive at his election at the end of the 13th month following a change of control, the executive will be entitled to receive certain continuing compensation benefits from the Company. For purposes of these agreements, "good reason" means any material change in the authority, duties and responsibilities of the executive so as to be inconsistent with his background, training and experience, or the Company's continued failure to perform its duties under the agreement in any material respect, which failure has not been cured within 20 days after written notice has been given by the executive to the Company.

The compensation benefits which the executive will be entitled to receive as a result of a termination of employment in connection with a change of control as provided under the agreements include: (i) two times his annual base salary payable over 24 months, (ii) a cash bonus, payable each year during the two years following termination, equal to his average historical annual cash bonus multiplied by the percentage derived by dividing the aggregate bonuses awarded to all senior executives in each of such two years by the average annual cash bonuses received by such senior executives in the prior five fiscal years, (iii) medical and life insurance benefits for a period of 24 months after termination, subject to satisfying the insurability criteria of the applicable plan, and (iv) acceleration of the vesting of all outstanding stock options, subject to any applicable shareholder approval requirement. The executives will be entitled to receive these benefits without any obligation to mitigate damages by seeking other employment. Payment of the benefits is subject to the requirements of Section 409A of the Code and is conditioned upon the executive's signing a general release in favor of the Company.

The aggregate amount of the benefits payable to any executive under the agreements is subject to certain limitations. The Company will not be obligated to make payments to any executive to the extent that the aggregate amount of benefits payable to that executive upon a change of control exceed the "parachute payment" limitations under Section 280G of the Code. In addition, in no event shall the aggregate amount of the compensation benefits payable to Mr. Pizzi and all other senior executives of the Company as a result of a change of control exceed three percent (3%) of the total transaction value for such change of control. In the event the aggregate amount of compensation benefits payable on a change of control would exceed such limit, the amount of benefits payable to each of Mr. Pizzi and the other senior executives will be proportionally reduced.

The agreements remain in effect until the executive's death, disability, normal or early retirement, termination for cause, or voluntary termination of employment other than in connection with a change in control. The agreements expressly provide that they do not constitute contracts for future employment and that the executive's employment shall continue to be at-will, as defined by applicable law.

REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Compensation Policies Applicable To Executive Officers

The purpose of the Company's executive compensation program is to attract, retain and motivate qualified executives to manage the business of the Company so as to maximize profits and shareholder value. Total executive compensation is made up principally of the executive's annual base salary, a cash bonus which may be awarded under the Company's Annual Incentive Program ("AIP"), awards of stock or stock options under the Company's

[Back to Contents](#)

1997 Long Term Incentive Plan, and awards of stock options, stock appreciation rights, stock or performance shares under the 2003 Long Term Incentive Plan. The Committee reviews the Company's compensation strategy annually, including the allocation of pay between fixed compensation elements and incentive compensation and the design of incentive compensation programs. The Company's Compensation Committee (the "Committee") annually reviews and approves executive compensation, including changes in base salary, cash bonuses and awards of long term incentives pursuant to the plans described above, which compensation is subject to ratification by the Board.

Consistent with this purpose, it is the policy of the Committee, in approving the total annual compensation of executive officers of the Company, to consider the overall performance of the Company, the performance of the functional area of the Company (e.g. sales, manufacturing) for which the executive has responsibility, and the individual contribution and performance of the executive. The overall performance of the Company and the performance of the functional area for which the executive has responsibility are significant factors in determining total compensation although they are not necessarily determinative. The Company's total compensation program focuses on the Company's Strategic Transformation Plan, specific corporate performance measures and corporate goals which are expected to result in long-term growth and shareholder value. The corporate performance measures which the Committee may consider include net sales and earnings growth, as compared with prior years, with the Annual Operating Plan, and with the Company's competitors.

The Committee does not rely on a fixed formula or specific numerical criteria in determining an executive's total compensation. It considers both corporate and personal performance criteria, competitive compensation levels for similar-size companies, the economic environment as well as the recommendation of management and an independent executive compensation consultant. The Committee exercises business judgment based on all of these criteria and the purposes of the executive compensation program.

In order to achieve a cash bonus award for fiscal 2005 under the AIP, the Committee set performance criteria including an earnings per share range in addition to other considerations such as Company and individual performance in executing the Strategic Transformation Plan. Each participant in the AIP was assigned a target award expressed as a percent of the participant's base salary. The potential payout ranged from 0% to 250% of the target award. After evaluating the Company's actual earnings per share results of \$0.23 in fiscal 2005, as well as other factors including progress in implementing the Strategic Transformation Plan, the Committee approved cash bonuses to the participants in the AIP.

Compensation of the Chief Executive Officer

Mr. Pizzi has served as the Company's President and Chief Executive Officer since October 7, 2002 and has been charged with the development and execution of the Company's Strategic Transformation Plan. The Committee reviews Mr. Pizzi's total compensation, including annual base salary, cash bonuses and incentive compensation, based upon his performance in achieving certain objectives, including earnings per share and progress on the Strategic Transformation Plan and an evaluation of compensation for chief executive officers of similar-sized companies. Mr. Pizzi also has an Employment Agreement with the Company which provides certain perquisites to Mr. Pizzi commensurate with his position as President and Chief Executive Officer such as a \$2 million life insurance policy, membership in two business or country clubs, the use of an automobile and participation in a supplemental retirement plan.

The Committee approved an increase in Mr. Pizzi's annual base salary from \$420,000 to \$440,000, effective August 20, 2004. This was Mr. Pizzi's first increase in annual base salary since he became President and Chief Executive Officer on October 7, 2002. On October 29, 2004, the Committee awarded Mr. Pizzi 30,000 shares of restricted Common Stock under the 2003 Long Term Incentive Plan in recognition of his energy and efforts in achieving certain objectives under the Company's Strategic Transformation Plan and addressing various business problems facing the Company. Upon consultation with an independent executive compensation consultant who analyzed salaries for chief executive officers of similar-sized companies and a review of Mr. Pizzi's performance in achieving progress on the Strategic Transformation Plan, the Committee determined that Mr. Pizzi's base salary for 2005 should be increased to \$453,232 effective March 20, 2005. On February 28, 2006, upon consultation with an independent executive compensation consultant who analyzed salaries for chief executive officers of similar-sized companies and a review of Mr. Pizzi's performance in achieving certain objectives, including earnings per share and progress on the Strategic Transformation Plan, the Committee determined that Mr. Pizzi's base salary for 2006

[Back to Contents](#)

should be increased to \$469,000, effective April 1, 2006. After evaluating the Company's actual performance in fiscal 2005 including its earnings per share of \$0.23 and Mr. Pizzi's leadership in driving progress on the Strategic Transformation Plan, Mr. Pizzi was awarded a cash bonus of \$128,776 for fiscal year 2005 under the Company's AIP. Mr. Pizzi was also awarded 40,000 shares of restricted Common Stock under the 2003 Long Term Incentive Plan. The restricted stock award was awarded effective March 1, 2006 ("Grant Date"). The restricted stock will become fully vested (i.e. not subject to forfeiture) upon the fifth anniversary of the Grant Date if Mr. Pizzi remains in the continuous employment of the Company through the fifth anniversary, subject to earlier vesting upon Mr. Pizzi's retirement or death.

The Committee's recommendations as to Mr. Pizzi's compensation were made to the independent directors of the Board and, after due consideration, were ratified as presented.

**APPROVAL OF THE TASTY BAKING COMPANY
2006 LONG TERM INCENTIVE PLAN □ PROPOSAL NO. 2**

In order to enable the Company to continue to make equity compensation grants to provide incentives to motivate, attract and retain key employees and directors, the Board of Directors recommends that the Tasty Baking Company 2006 Long Term Incentive Plan (the "2006 LTIP") be approved by shareholders. The Tasty Baking Company 1997 Long Term Incentive Plan (the "1997 LTIP") was approved by shareholders at the 1997 Annual Meeting. In addition, the Tasty Baking Company 2003 Long Term Incentive Plan (the "2003 LTIP") was approved by shareholders at the 2003 Annual Meeting. As of March 13, 2006, approximately 46,300 shares remain available for grant under the 1997 and 2003 LTIPs. Given the limited number of shares remaining available for future grants, the Company believes shareholder approval of the 2006 LTIP is necessary to enable it to provide additional equity compensation grants to motivate, attract and retain key employees and directors over the next several years.

On March 24, 2006, the Board of Directors adopted, subject to shareholder approval, the 2006 LTIP. The full text of the 2006 LTIP is attached to this Proxy Statement as Appendix A and the following summary is qualified in its entirety by reference to Appendix A. The 2006 LTIP authorizes the Compensation Committee to grant equity-based and other performance-based awards to employees of the Company and members of the Board of Directors. The purpose of the 2006 LTIP is to promote the success and enhance the value of the Company by linking the personal interests of participants to those of Company shareholders and by providing such individuals with an incentive for outstanding performance in order to generate superior returns to shareholders. The 2006 LTIP is designed to give the Compensation Committee flexibility in structuring awards that will achieve these objectives. Due to the nature of the 2006 LTIP, the benefits to be received by or allocated to the named executive officers or to the directors, either individually or as a group, cannot be determined.

The following is a summary of the key provisions of the 2006 LTIP.

1. Number of Shares. The aggregate number of shares reserved and available for grant under the 2006 LTIP is 350,000 shares of Common Stock, adjusted for any stock dividend, stock split or other subdivision or combination of the Common Stock.

2. Administration. The 2006 LTIP will be administered by the Compensation Committee of the Board (the "Committee"). The members of the Committee must be comprised of directors who satisfy the requirements of "non-employee directors" within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934 and the requirements of "outside directors" within the meaning of the regulations under Section 162(m) of the Internal Revenue Code of 1986, as amended. At present the Committee consists of Judith M. von Seldeneck, Ronald J. Kozich, James E. Ksansnak and James E. Nevels.

3. Eligibility. The 2006 LTIP is structured as a broad-based incentive compensation program. Accordingly, all members of the Board, all approximately 1,000 employees of the Company, and consultants or advisors providing services to the Company are eligible to become participants in the 2006 LTIP, as determined by the Committee from time to time. It is possible that one or more officers of the Company may receive awards under the 2006 LTIP which in the aggregate exceed one percent (1%) of the Company's issued and outstanding Common Stock.

4. Term of 2006 LTIP. If approved by the shareholders, the 2006 LTIP will become effective as of March 24, 2006, and will terminate on March 24, 2016. The Board reserves the right to terminate the 2006 LTIP prior to such date without prejudice to the holders of any awards then outstanding.

5. 2006 LTIP Awards. The 2006 LTIP authorizes the Committee to grant a variety of incentive awards to participants, as described below. Each award shall be evidenced by a written award agreement, which shall specify the terms and conditions of the award, as determined by the Committee in its discretion, subject to the limitations set forth in the 2006 LTIP.

a. Stock Options. The Committee may award options to purchase a specified number of shares of Common Stock. Under the 2006 LTIP the exercise price of an option must be no less than the fair market value of the underlying shares on the date the option is awarded. The maximum number of shares of Common Stock with respect to which stock options and stock appreciation rights (as described below) may be granted to any single participant during any one fiscal year of the Company is 100,000. Tax-qualified incentive stock options ("ISOs") may be awarded to participants who are employees of the Company. Non-qualified stock options ("NQOs") may be awarded to employees and other participants, including members of the Board. On March 31, 2006, the last trade price of the Common Stock on the NASDAQ National Market was \$8.00 per share.

b. Stock Appreciation Rights. A stock appreciation right ("SAR") gives the participant the right to receive, at the time it is exercised by the participant, the excess (if any) of the fair market value of a specified number of shares of Common Stock at the time of exercise over the fair market value of the shares at the time of the award. Upon exercise, the appreciation in the value of the shares will be paid to the participant in cash, in the form of shares of Common Stock, or a combination thereof.

[Back to Contents](#)

c. Stock Awards. The Committee may award shares of Common Stock to a participant at no cost to the participant. The award may take the form of an immediate transfer of shares which are subject to forfeiture if conditions specified by the Committee are not met (“Restricted Stock”). Alternatively, the award may take the form of an immediate transfer of shares which are not subject to a risk of forfeiture or a deferred transfer of shares if and when the conditions specified by the Committee are met (“Unrestricted Stock”). The criteria for avoiding forfeiture of Restricted Stock, or receiving a deferred transfer of Unrestricted Stock, may be the completion of a period of continuous employment or Board service with the Company, or satisfaction of specified performance goals, or a combination thereof.

d. Performance Shares. The Committee may grant an award that will entitle the holder to receive a specified number of shares of Common Stock, or cash in lieu of shares, or a combination thereof, if certain performance goals or market conditions are met (“Performance Shares”). These goals may include, for example, the price of the Common Stock as reported on the NASDAQ National Market reaching one or more targeted levels, or the Company’s earnings on a per-share basis reaching one or more targeted levels.

The Committee may allow participants who become entitled to receive cash or unrestricted shares of Common Stock pursuant to awards under the 2006 LTIP to elect to defer receipt of the cash or shares, as the case may be, until a later date. In addition, the Committee may implement a deferred compensation program for members of the Board of Directors, whereby they can elect to receive a deferred award of shares of Common Stock in lieu of current cash compensation.

6. Interpretation. The Committee has the power to set, alter or change the rules, guidelines and regulations for the administration of the 2006 LTIP, and to interpret the 2006 LTIP and any and all guidelines, rules and regulations so adopted. The determinations by the Committee will be conclusive and binding on all 2006 LTIP participants and their beneficiaries.

7. Amendments. The Board may, from time to time, in its discretion, amend or supplement any provision of the 2006 LTIP, in whole or in part; provided however, no amendment shall be made to modify the requirements for eligibility for participation or to increase the number of shares of Common Stock with respect to which awards may be granted under the 2006 LTIP unless approved by the shareholders of the Company, and no amendment shall adversely affect the rights of participants under the 2006 LTIP with respect to outstanding awards.

8. Anti-Dilution. The number of shares with respect to which awards may be granted under the 2006 LTIP, the number of shares of Common Stock subject to any outstanding award, and the nature of the securities which may be issued under the 2006 LTIP, in each case shall be adjusted as a result of stock splits, stock dividends, or other subdivisions or combinations of the Common Stock, or reorganizations, mergers, consolidations, dividends or reclassifications affecting the Company.

9. Change of Control. In the event of a change of control of the Company (as defined in the 2006 LTIP), the Committee, in its discretion, may accelerate the vesting of all or less than all outstanding awards, and, in certain cases, pay the participant for the award.

10. Repricing Prohibited. Neither the Committee nor the Board of Directors may take any action without prior approval of the shareholders to reprice outstanding awards.

Federal Tax Consequences of 2006 LTIP

The following is a summary of the principal federal tax consequences of the 2006 LTIP under the Internal Revenue Code of 1986, as amended (“Code”), based on laws and regulations in effect on the date of this proxy statement, which laws and regulations are subject to change, and does not purport to be a complete description of the federal tax aspects of the 2006 LTIP.

A participant does not realize taxable income upon the award of a stock option. If the option qualifies as an ISO, the participant does not realize taxable income upon exercise of the option (except for purposes of the alternative minimum tax). The maximum exercise price of shares of Common Stock subject to ISOs granted to any participant that can become first exercisable in any calendar year is \$100,000. Provided the participant holds the

[Back to Contents](#)

Common Stock for at least one year and until the end of the two-year period from the date the option was awarded, the gain or loss upon the sale of the Common Stock will be treated as capital gain or loss. If the participant sells the stock before satisfying both of these holding period requirements, this is known as a "disqualifying disposition." In the event of a disqualifying disposition, the lesser of (1) the excess of the fair market value of the Common Stock at the time of exercise over the exercise price, or (2) the excess (if any) of the fair market value of the Common Stock at the time of sale over the exercise price will be taxable to the participant as ordinary income. The Company will not be entitled to any tax deduction in connection with an ISO, except that the Company will be entitled to a deduction equal to the amount that is taxable to the participant as ordinary income as a result of a disqualifying disposition.

If a stock option is an NQO, the participant will realize ordinary compensation income at the time of exercise equal to the excess of the fair market value of the Common Stock at the time of exercise over the exercise price, and the Company will be entitled to a tax deduction for the same amount.

A participant does not realize taxable income upon the award of a SAR. The participant will realize ordinary compensation income at the time of exercise equal to the excess of the fair market value of the underlying Common Stock at the time of exercise over the fair market value of the Common Stock at the time of the award, and the Company will be entitled to a tax deduction for the same amount.

In general, a participant does not realize taxable income upon the award of Restricted Stock; the value of the Restricted Stock will be taxable to the participant as ordinary compensation income if and when the forfeiture restrictions lapse. However, a participant may make an election under Section 83(b) of the Code ("83(b) Election") to be taxed on the value of the Restricted Stock at the time of the award. If a participant makes an 83(b) Election, he or she will not be taxed on the Restricted Stock if and when the forfeiture restrictions lapse. A participant would make an 83(b) Election by filing a written statement with the IRS no later than 30 days after the date of the award of the Restricted Stock. A copy of that statement also must be given to the Company, and another copy must be attached to the participant's income tax return for the year of the award.

A participant will realize ordinary compensation income upon the receipt of Unrestricted Stock equal to the value of the Unrestricted Stock at that time.

The American Jobs Creation Act of 2004 added Section 409A to the Code, generally effective January 1, 2005. Section 409A covers most programs that defer the receipt of compensation to a succeeding year. It provides strict rules for elections to defer (if any) and for timing of payouts. There are significant penalties placed on the individual employee for failure to comply with Section 409A. However, it does not impact the Company's ability to deduct deferred compensation.

Section 409A does not apply to ISO, non-qualified stock options (that are not discounted) and Restricted and Unrestricted Stock (provided there is no deferral of income beyond the vesting date). Section 409A also does not cover SARs if the exercise price is never less than the fair market value of the underlying stock on the date of grant, and no features defer the recognition of income beyond the exercise date.

Shareholders will be asked to ratify the selection by the Audit Committee of PricewaterhouseCoopers LLP as independent registered public accounting firm for the fiscal year ending December 30, 2006. Accordingly, any shareholder who wishes to have a nomination or other business considered by shareholders at the 2007 Annual Meeting must deliver written notice to the Secretary (containing the information required by the By-Laws) no earlier than the close of business on January 11, 2007 and no later than the close of business on February 10, 2007. The above summary sets forth the procedures by which proposals may be properly brought before and voted upon at the Company's Annual Meeting. All shareholder proposals and notices should be directed to the Secretary of the Company at 2801 Hunting Park Avenue, Philadelphia, Pennsylvania 19129.

SHAREHOLDERS SHARING THE SAME ADDRESS

Pursuant to written requests that the Company has received from certain shareholders sharing the same address, the Company is sending only one copy of its annual report and proxy statement to these shareholders. APPENDIX A

TASTY BAKING COMPANY 2006 LONG TERM INCENTIVE PLAN

ARTICLE 1 PURPOSE

1.1 **GENERAL.** The purpose of the Tasty Baking Company 2006 Long Term Incentive Plan (the “Plan”) is to promote the success and enhance the value of Tasty Baking Company (the “Company”) by linking the personal interests of the members of the Board and its employees, officers and executives to those of Company shareholders and by providing such individuals with an incentive for outstanding performance in order to generate superior returns to shareholders of the Company. The Plan is further intended to provide flexibility to the Company in its ability to motivate, attract, and retain the services of members of the Board, employees, officers, and executives of, and consultants and advisors to, the Company upon whose judgment, interest, and special effort the successful conduct of the Company’s operation is largely dependent. For purposes of this Plan, “Company” shall be deemed to include subsidiaries of Tasty Baking Company, unless the context requires otherwise.

ARTICLE 2 EFFECTIVE DATE AND TERM

2.1 **EFFECTIVE DATE.** The Plan is effective as of the date the Plan is approved by the Board (the “Effective Date”). Within 12 months of the Effective Date, the Plan must be approved by the Company’s shareholders. Any awards granted under the Plan prior to shareholder approval are effective when made (unless the Committee specifies otherwise at the time of grant), but no Award may be exercised or settled and no restrictions relating to any Award may lapse before the Plan is approved by the shareholders as provided above. If the shareholders fail to approve the Plan, any Award previously made shall be automatically canceled without any further act.

2.2 **TERM.** Unless sooner terminated by the Board, the Plan shall terminate on the tenth (10th) anniversary of the Effective Date, and no Awards may be granted under the Plan thereafter. The termination of the Plan shall not affect any Award that is outstanding on the termination date, without the consent of the Participant.

ARTICLE 3 DEFINITIONS AND CONSTRUCTION

3.1 **DEFINITIONS.** When a word or phrase appears in this Plan with the initial letter capitalized, and the word or phrase does not commence a sentence, the word or phrase shall generally be given the meaning ascribed to it in this Section or in Sections 1.1 or 2.1 unless a clearly different meaning is required by the context. The Committee shall, within the time prescribed by Section 162(m) of the Code, define in an objective fashion the manner of calculating the Performance Criteria it selects to use for such Performance Period for such Participant.

(s) “Performance Goals” means, for a Performance Period, the goals established in writing by the Committee for the Performance Period based upon the Performance Criteria. Depending on the Performance Criteria used to establish such Performance Goals, the Performance Goals may be expressed in terms of overall Company performance or the performance of a division, business unit, or an individual. The Committee, in its discretion, may, within the time prescribed by Section 162(m) of the Code, adjust or modify the calculation of Performance Goals for such Performance Period in order to prevent the dilution or enlargement of the rights of Participants (i) in the event of, or in anticipation of, any unusual or extraordinary corporate item, transaction, event, or development, or (ii) in recognition of, or in anticipation of, any other unusual or nonrecurring events affecting the Company, or the financial statements of the Company, or in response to, or in anticipation of, changes in applicable laws, regulations, accounting principles, or business conditions.

5.1 **NUMBER OF SHARES.** Subject to adjustment provided in Section 13.1, the aggregate number of shares of Stock reserved and available for grant under the Plan shall be 350,000.

5.2 **LAPSED AWARDS.** To the extent that an Award terminates, is cancelled, expires, lapses or is forfeited for any reason, including, but not limited to, the failure to achieve any Performance Goals, any shares of Stock subject to the Award will again be available for the grant of an Award under the Plan.

5.3 **STOCK DISTRIBUTED.** Any Stock distributed pursuant to an Award may consist, in whole or in part, of authorized and unissued Stock, treasury Stock or Stock purchased on the open market.

5.4 **LIMITATION ON NUMBER OF SHARES SUBJECT TO AWARDS.** Notwithstanding any provision in the Plan to the contrary, and subject to the adjustment in Section 13.1, the maximum number of shares of Stock with respect to Options and Stock Appreciation Rights that may be granted to any one Participant during the Company's fiscal year shall be one hundred thousand (100,000).

ARTICLE 6 ELIGIBILITY AND PARTICIPATION

6.1 **ELIGIBILITY.** Persons eligible to participate in this Plan include all members of the Board, employees, officers, and executives of, and consultants and advisors to, the Company, as determined by the Committee.

6.2 **ACTUAL PARTICIPATION.** Subject to the provisions of the Plan, the Committee may, from time to time, select from among all eligible individuals, those to whom Awards shall be granted and shall determine the nature and amount of each Award. No individual shall have any right to be granted an Award under this Plan.

ARTICLE 7 STOCK OPTIONS

7.1 **GENERAL.** The Committee is authorized to grant Options to Participants on the following terms and conditions:

(a) **EXERCISE PRICE.** The exercise price per share of Stock under an Option shall be determined by the Committee and set forth in the Award Agreement. In no event, however, shall the exercise price for any Option be less than the Fair Market Value as of the date of grant.

(b) **TIME AND CONDITIONS OF EXERCISE.** The Committee shall determine the time or times at which an Option may be exercised in whole or in part. The Committee shall also determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised. Unless otherwise provided in an Award Agreement, an Option will lapse immediately if a Participant's employment or services are terminated for Cause.

(c) **PAYMENT.** The Committee shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation, cash, shares of Stock (through actual tender or by attestation), or other property (including broker-assisted "cashless exercise" arrangements), and the methods by which shares of Stock shall be delivered or deemed to be delivered to Participants.

(d) **EVIDENCE OF GRANT.** All Options shall be evidenced by an Award Agreement. The Award Agreement shall include such additional provisions as may be specified by the Committee.

[Back to Contents](#)

7.2 **INCENTIVE STOCK OPTIONS.** Incentive Stock Options shall be granted only to employees and the terms of any Incentive Stock Options granted under the Plan must comply with the following additional rules:

(a) **EXERCISE PRICE.** The exercise price per share of Stock shall be set by the Committee, provided that the exercise price for any Incentive Stock Option may not be less than the Fair Market Value as of the date of the grant.

(b) **EXERCISE.** In no event, may any Incentive Stock Option be exercisable for more than ten years from the date of its grant.

(c) **LAPSE OF OPTION.** An Incentive Stock Option shall lapse under the following circumstances.

(i) The Incentive Stock Option shall lapse ten years from the date it is granted, unless an earlier time is set in the Award Agreement.

(ii) The Incentive Stock Option shall lapse upon termination of employment for Cause or for any other reason, other than the Participant's death or Disability, unless otherwise provided in the Award Agreement.

(iii) If the Participant terminates employment on account of Disability or death before the Option lapses pursuant to paragraph (1) or (2) above, the Incentive Stock Option shall lapse, unless it was previously exercised, on the earlier of (i) the date on which the Option would have lapsed had the Participant not become Disabled or lived and had his employment status (i.e., whether the Participant was employed by the Company on the date of his Disability or death or had previously terminated employment) remained unchanged; or (ii) 12 months after the date of the Participant's termination of employment on account of Disability or death.

(d) **INDIVIDUAL DOLLAR LIMITATION.** The aggregate Fair Market Value (determined as of the time an Award is made) of all shares of Stock with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000.00 or such other limitation as imposed by Section 422(d) of the Code, or any successor provision. To the extent that Incentive Stock Options are first exercisable by a Participant in excess of such limitation, the excess shall be considered Non-Qualified Stock Options.

(e) **TEN PERCENT OWNERS.** An Incentive Stock Option shall be granted to any individual who, at the date of grant, owns stock possessing more than ten percent of the total combined voting power of all classes of Stock of the Company only if such Option is granted at a price that is not less than 110% of Fair Market Value on the date of grant and the Option is exercisable for no more than five years from the date of grant.

(f) **RIGHT TO EXERCISE.** During a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant.

ARTICLE 8 STOCK APPRECIATION RIGHTS

8.1 **GRANT OF SARs.** The Committee is authorized to grant SARs to Participants on the following terms and conditions:

(a) **RIGHT TO PAYMENT.** Upon the exercise of a Stock Appreciation Right, the Participant to whom it is granted has the right to receive the excess, if any, of:

(i) The Fair Market Value of a share of Stock on the date of exercise; over

(ii) The grant price of the Stock Appreciation Right as determined by the Committee, which shall not be less than the Fair Market Value of a share of Stock on the date of grant in the case of any SAR related to any Incentive Stock Option.

(b) **OTHER TERMS.** All such Awards shall be evidenced by an Award Agreement. The terms, methods of exercise, methods of settlement, form of consideration payable in settlement, and any other terms and conditions of any Stock Appreciation Right shall be determined by the Committee at the time of the grant of the

[Back to Contents](#)

Award and shall be reflected in the Award Agreement. In no event shall the Committee grant a SAR that has a grant price which is less than the Fair Market Value of a share of Stock on the date of grant unless the SAR satisfies the requirements of Section 409A of the Code and the regulations and other guidance issued thereunder by the Secretary of Treasury.

ARTICLE 9 PERFORMANCE SHARES

9.1 **GRANT OF PERFORMANCE SHARES.** The Committee is authorized to grant Performance Shares to Participants on such terms and conditions as may be selected by the Committee. The Committee shall have the complete discretion to determine the number of Performance Shares granted to each Participant. All such Awards shall be evidenced by an Award Agreement.

9.2 **RIGHT TO PAYMENT.** A grant of Performance Shares gives the Participant rights, valued as determined by the Committee, and payable to, or exercisable by, the Participant to whom the Performance Shares are granted, in whole or in part, as the Committee shall establish at grant or thereafter. Subject to the terms of the Plan, the Committee shall set performance goals and other terms or conditions to payment of the Performance Shares in its discretion which, depending on the extent to which they are met, will determine the number and value of Performance Shares that will be paid to the Participant.

9.3 **OTHER TERMS.** Performance Shares may be payable in cash, Stock, or other property, and have such other terms and conditions as determined by the Committee and reflected in the Award Agreement.

ARTICLE 10 STOCK AWARDS

10.1 **GRANT OF STOCK.** The Committee is authorized to grant Unrestricted Stock Awards and Restricted Stock Awards to Participants in such amounts and subject to such terms and conditions as determined by the Committee. All such Awards shall be evidenced by an Award Agreement.

10.2 **ISSUANCE AND RESTRICTIONS.** An Unrestricted Stock Award may provide for a transfer of shares of Stock to a Participant at the time the Award is granted, or it may provide for a deferred transfer of shares of Stock subject to conditions prescribed by the Committee; provided, however, any deferred transfer of shares of Stock shall satisfy the requirements of Section 409A of the Code and the regulations and other guidance issued by the Secretary of the Treasury thereunder. Restricted Stock Awards shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote the Stock subject thereto or the right to receive dividends on the Stock). These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, or otherwise, as the Committee determines at the time of the grant of the Award or thereafter.

10.3 **FORFEITURE.** Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of employment during the applicable restriction period, Stock subject to a Restricted Stock Award that is at that time subject to restrictions shall be forfeited, provided, however, that the Committee may provide in any Restricted Stock Award that restrictions or forfeiture conditions relating to the Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part restrictions or forfeiture conditions relating to the Stock.

10.4 **CERTIFICATES FOR RESTRICTED STOCK.** Restricted Stock Awards granted under the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing shares of Stock subject to Restricted Stock Awards are registered in the name of the Participant, certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such shares, and the Company may, at its discretion, retain physical possession of the certificate until such time as all applicable restrictions lapse.

ARTICLE 11

PERFORMANCE-BASED AWARDS

11.1 **PURPOSE.** The purpose of this Article 11 is to provide the Committee the ability to qualify the Performance Share Awards under Article 9 and the Stock Awards under Article 10 as “performance-based compensation” under Section 162(m) of the Code. If the Committee, in its discretion, decides to grant a Performance-Based Award to a Covered Employee, the provisions of this Article 11 shall control over any contrary provision contained in Articles 9 or 10.

11.2 **APPLICABILITY.** This Article 11 shall apply only to those Covered Employees selected by the Committee to receive Performance-Based Awards. The Committee may, in its discretion, grant Stock Awards or Performance Share Awards to Covered Employees that do not satisfy the requirements of this Article 11. The designation of a Covered Employee as a Participant for a Performance Period shall not in any manner entitle the Participant to receive an Award for the period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant shall not require designation of any other Covered Employees as a Participant in such period or in any other period.

11.3 **DISCRETION OF COMMITTEE WITH RESPECT TO PERFORMANCE AWARDS.** With regard to a particular Performance Period, the Committee shall have full discretion to select the length of such Performance Period, the type of Performance-Based Awards to be issued, the kind and/or level of the Performance Goal, and whether the Performance Goal is to apply to the Company or any division or business unit thereof.

11.4 **PAYMENT OF PERFORMANCE AWARDS.** Unless otherwise provided in the relevant Award Agreement, a Participant must be employed by the Company on the last day of the Performance Period to be eligible for a Performance Award for such Performance Period. Furthermore, a Participant shall be eligible to receive payment under a Performance-Based Award for a Performance Period only if the Performance Goals for such period are achieved. In determining the actual size of an individual Performance-Based Award, the Committee may reduce or eliminate the amount of the Performance-Based Award earned for the Performance Period, if in its sole and absolute discretion, such reduction or elimination is appropriate.

11.5 **SHAREHOLDER APPROVAL.** The Board shall disclose to the shareholders of the Company the material terms of any Performance Based Award, and shall seek approval of the shareholders of the Performance Based Award before any cash or Stock is paid or transferred to a Participant, or before any restrictions with respect to same lapse, pursuant to such Award. The Committee shall certify that the Performance Goals with respect to any Performance Based Award have been achieved before any cash or Stock is paid or transferred to a Participant, or before any restrictions with respect to same lapse. Such disclosure, approval and certification shall be effected in accordance with the requirements of Section 162(m)(4)(C) of the Code.

ARTICLE 12

PROVISIONS APPLICABLE TO AWARDS

12.1 **STAND-ALONE AND TANDEM AWARDS.** Awards granted under the Plan may, in the discretion of the Committee, be granted either alone, in addition to, or in tandem with, any other Award granted under the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

12.2 **EXCHANGE PROVISIONS.** Subject to the prohibitions set forth in Article 12.10 concerning the repricing of an Award, the Committee may at any time offer to exchange or buy out any previously granted Award for a payment in cash, Stock, or another Award, based on the terms and conditions the Committee determines and communicates to the Participant at the time the offer is made.

12.3 **TERM OF AWARD.** The term of each Award shall be for the period as determined by the Committee, provided that in no event shall the term of any Incentive Stock Option or a Stock Appreciation Right granted in tandem with the Incentive Stock Option exceed a period of ten years from the date of its grant.

[Back to Contents](#)

12.4 **FORM OF PAYMENT FOR AWARDS.** Subject to the terms of the Plan and any applicable law or Award, payments or transfers to be made by the Company on the grant or exercise of an Award may be made in such forms as the Committee determines at or after the time of grant, including without limitation, cash, promissory note, Stock, other Awards, or other property, or any combination, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case determined in accordance with rules adopted by, and at the discretion of, the Committee. Any payment on a deferred basis shall be made in accordance with the requirements of Section 409A of the Code and the regulations and other guidance issued by the Secretary of Treasury thereunder.

12.5 **LIMITS ON TRANSFER.** No right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company. No Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution, except that the Committee, in its discretion, may permit a Participant to make a gratuitous transfer of an Award that is not an Incentive Stock Option to his or her spouse, lineal descendants, lineal ascendants, or a duly established trust for the benefit of one or more of these individuals.

12.6 **BENEFICIARIES.** Notwithstanding Section 12.5, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award applicable to the Participant, except to the extent the Plan and Award otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto under the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

12.7 **STOCK CERTIFICATES.** Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Awards, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed or traded. All Stock certificates delivered under the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with Federal, state, or foreign jurisdiction, securities or other laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Board may require that a Participant make such reasonable covenants, agreements, and representations as the Board, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements.

12.8 **ACCELERATION UPON A CHANGE OF CONTROL.** If a Change of Control occurs, or in anticipation thereof, the Board, in its discretion, may cause any or all outstanding Options, Stock Appreciation Rights and other Awards to become fully exercisable and all restrictions on outstanding Awards to lapse. To the extent that such action causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(d), the excess Options shall be deemed to be Non-Qualified Stock Options. Upon, or in anticipation of, a Change in Control, the Board may cause every Award outstanding hereunder to terminate at a specific time in the future and shall give each Participant the right to exercise Awards during a period of time as the Board, in its sole and absolute discretion, shall determine.

12.9 **DEFERRAL ELECTIONS.** The Committee, in its discretion, may permit a Participant to elect to defer his or her receipt of the payment of cash or the delivery of shares of Stock that would otherwise be due to such Participant pursuant to an Award and may permit a Participant who is a member of the Board to elect to receive a deferred Unrestricted Stock Award in lieu of current cash compensation for his or her services as a director. If any such election is permitted, the Committee shall establish rules and procedures for such deferrals, including (i) crediting of reasonable interest on deferred amounts which will be settled in cash, (ii) crediting of deferred amounts which will be settled by the transfer of shares of Stock in units representing an equivalent number of shares plus

[Back to Contents](#)

shares resulting from the deemed reinvestment of dividends paid on such shares in additional shares, and (iii) the timing of distributions of deferred amounts. Any deferral election that is made pursuant to this Section shall be subject to the following rules:

(a) DISTRIBUTIONS. Notwithstanding anything in the Plan to the contrary, amounts deferred under the Plan may not be distributed earlier than □

(i) the Participant's separation from service, as determined under regulations or other guidance issued by the Secretary of Treasury under Section 409A of the Code (except as provided in Section 12.9(b) of the Plan);

(ii) the date of the Participant's Disability;

(iii) the Participant's death,

(iv) a specified time (or pursuant to a fixed schedule) specified under the Plan at the date of the Participant's deferral of such compensation,

(v) to the extent provided under regulations or other guidance issued by the Secretary of Treasury under Section 409A of the Code, a change in ownership or effective control of the Company, or in the ownership of a substantial portion of the assets of the Company; or

(vi) the occurrence of an unforeseeable emergency.

(b) SPECIAL DISTRIBUTION RULES.

(i) Specified Employees. For purposes of Section 12.9, in the case of any specified employee, a distribution on account of separation from service may not be made before the date which is six months after the date of the Participant's separation from service (or, if earlier the date of death of the Participant). For purposes of the preceding sentence, a "specified employee" is a key employee (as defined in Section 416(i) of the Code without regard to paragraph (5) thereof) of a corporation any stock in which is publicly traded on an established securities market or otherwise.

(ii) Unforeseeable Emergency. For purposes, of Section 12.9, the term "unforeseeable emergency" shall mean a severe financial hardship to the Participant resulting from an illness or accident of the Participant, the Participant's spouse, or a dependent (as defined in Section 152(a) of the Code) of the Participant, loss of the Participant's property due to casualty, or similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the Participant. A distribution may only be made in the case of an unforeseeable emergency if, as determined under regulations or other guidance issued by the Secretary of Treasury under Section 409A of the Code, the amounts distributed with respect to an emergency do not exceed the amounts necessary to satisfy such emergency plus amounts necessary to pay taxes reasonably anticipated as a result of the distribution, after taking into account the extent to which such hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the Participant's assets (to the extent the liquidation of such assets would not itself cause severe financial hardship).

(c) ACCELERATION OF BENEFITS. Notwithstanding anything in the Plan to the contrary, in no event shall an acceleration of the time or schedule of any payment of benefits to the Participant be made under this Section 12.9, except as provided in regulations or other guidance issued by the Secretary of Treasury under Section 409A of the Code.

(d) ELECTIONS.

(i) Initial Deferral Elections.

(A) In General. Compensation for services performed during a taxable year may be deferred at the Participant's election only if the election to defer such compensation is made not later than the close of the preceding taxable year or at such other time as provided in regulations prescribed by the Secretary of Treasury.

(B) First Year of Eligibility. In the case of the first year in which a Participant becomes eligible to participate in the Plan, such deferral election may be made with
A-10

respect to services to be performed subsequent to the election within 30 days after the date the Participant becomes eligible to participate in the Plan.

(C) Performance-Based Compensation. In the case of any performance-based compensation based on services performed over a period of at least 12 months, any such deferral election may be made not later than six months before the end of the service period.

(ii) Changes in Time and Form of Distribution. In no event may a Participant make a subsequent election to delay a payment or a change in the form of payment of benefits under the Plan unless -

(A) any such subsequent election does not take effect until at least 12 months after the date in which the election is made;

(B) in the case of a subsequent election related to a payment that is not made because of disability, death or the occurrence of an unforeseeable emergency, the first payment with respect to which such election is made shall be deferred for a period of not less than five years from the date such payment would have otherwise been made; and

(C) any subsequent election related to a payment to be made at a specified time (or pursuant to a fixed schedule) may not be made less than 12 months prior to the date of the first scheduled payment under such election.

12.10 **REPRICING PROHIBITED.** Notwithstanding anything in this Plan to the contrary, except as provided in the anti-dilution adjustment provisions of Article 13, neither the Committee nor the Board shall, without the prior approval of the Company's shareholders, cause the cancellation, substitution or amendment of an Award that would have the effect of reducing the exercise price for the shares of Stock underlying such Award, or otherwise approve any modification to such Award that would be treated as a "repricing" under the then applicable rules, regulations or listing requirements adopted by NASDAQ (or any national securities exchange or stock market on which the Stock is then listed).

ARTICLE 13 CHANGES IN CAPITAL STRUCTURE

13.1 GENERAL.

(a) **SHARES AVAILABLE FOR GRANT.** In the event of any change in the number of shares of Stock outstanding by reason of any stock dividend or split, recapitalization, merger, consolidation, combination or exchange of shares or similar corporate change, the maximum aggregate number of shares of Stock with respect to which the Committee may grant Awards shall be appropriately adjusted by the Committee. In the event of any change in the number of shares of Stock outstanding by reason of any other event or transaction, the Committee may, but need not, make such adjustments in the number and class of shares of Stock with respect to which Awards may be granted as the Committee may deem appropriate.

(b) **OUTSTANDING AWARDS □ INCREASE OR DECREASE IN ISSUED SHARES WITHOUT CONSIDERATION.** Subject to any required action by the shareholders of the Company, in the event of any increase or decrease in the number of issued shares of Stock resulting from a subdivision or consolidation of shares of Stock or the payment of a stock dividend (but only on the shares of Stock), or any other increase or decrease in the number of such shares effected without receipt or payment of consideration by the Company, the Committee shall proportionally adjust the number of shares of Stock subject to each outstanding Award and the exercise price per share of Stock of each such Award.

(c) **OUTSTANDING AWARDS □ CERTAIN MERGERS.** Subject to any required action by the shareholders of the Company, in the event that the Company shall be the surviving corporation in any merger or consolidation (except a merger or consolidation as a result of which the holders of shares of Stock receive securities of another corporation), each Award outstanding on the date of such merger or consolidation shall pertain to and apply to the securities which a holder of the number of shares of Stock subject to such Award would have received in such merger or consolidation.

[Back to Contents](#)

(d) **OUTSTANDING AWARDS □ CERTAIN OTHER TRANSACTIONS.** In the event of (i) a dissolution or liquidation of the Company, (ii) a sale of all or substantially all of the Company's assets, (iii) a merger or consolidation involving the Company in which the Company is not the surviving corporation or (iv) a merger or consolidation involving the Company in which the Company is the surviving corporation but the holders of shares of Stock receive securities of another corporation and/or other property, including cash, the Committee shall, in its absolute discretion, have the power to:

(1) cancel, effective immediately prior to the occurrence of such event, each Award outstanding immediately prior to such event (whether or not then exercisable), and, in full consideration of such cancellation, pay to the Participant to whom such Award was granted an amount in cash, for each share of Stock subject to such Award, respectively, equal to the excess of (A) the value, as determined by the Committee in its absolute discretion, of the property (including cash) received by the holder of a share of Stock as a result of such event over (B) the exercise price of such Award; or

(2) provide for the exchange of each Award outstanding immediately prior to such event (whether or not then exercisable) for an option, a stock appreciation right, restricted stock award, performance share award or performance-based award with respect to, as appropriate, some or all of the property for which such Award is exchanged and, incident thereto, make an equitable adjustment as determined by the Committee in its absolute discretion in the exercise price or value of the option, stock appreciation right, restricted stock award, performance share award or performance-based award or the number of shares or amount of property subject to the option, stock appreciation right, restricted stock award, performance share award or performance-based award or, if appropriate, provide for a cash payment to the Participant to whom such Award was granted in partial consideration for the exchange of the Award, or any combination thereof.

(e) **OUTSTANDING AWARDS □ OTHER CHANGES.** In the event of any other change in the capitalization of the Company or corporate change other than those specifically referred to in Article 13, the Committee may, in its absolute discretion, make such adjustments in the number and class of shares subject to Awards outstanding on the date on which such change occurs and in the per share exercise price of each Award as the Committee may consider appropriate to prevent dilution or enlargement of rights.

(f) **NO OTHER RIGHTS.** Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Stock subject to an Award or the exercise price of any Award.

ARTICLE 14 AMENDMENT, MODIFICATION, AND TERMINATION

14.1 **AMENDMENT, MODIFICATION, AND TERMINATION.** At any time and from time to time, the Board may terminate, amend or modify the Plan; provided, however, that no amendment shall be made to modify the requirements for eligibility for participation in the Plan, to increase the number of shares which may be subject to Awards under the Plan, or to continue the Plan beyond the time set forth in Section 2.2, without the approval of the Company's shareholders; and further provided that no other amendment shall be made without shareholder approval to the extent necessary or desirable to comply with any applicable law, regulations or stock exchange rule.

14.2 **AWARDS PREVIOUSLY GRANTED.** Except as otherwise provided in the Plan, including without limitation, the provisions of Article 13, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Participant.

[Back to Contents](#)

ARTICLE 15
GENERAL PROVISIONS

15.1 **NO RIGHTS TO AWARDS.** No Participant, employee, or other person shall have any claim to be granted any Award under the Plan, and neither the Company nor the Committee is obligated to treat Participants, employees, and other persons uniformly.

15.2 **NO STOCKHOLDERS RIGHTS.** No Award gives the Participant any of the rights of a stockholder of the Company unless and until shares of Stock are in fact issued to such person in connection with such Award.

15.3 **WITHHOLDING.** The Company shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event arising as a result of this Plan. A Participant may elect to have the Company withhold from those shares of Stock that would otherwise be received upon the exercise of any Option, a number of shares having a Fair Market Value equal to the minimum statutory amount necessary to satisfy the Company's applicable federal, state, local and foreign income and employment tax withholding obligations.

15.4 **NO RIGHT TO EMPLOYMENT OR SERVICES.** Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company to terminate any Participant's employment or services at any time, nor confer upon any Participant any right to continue in the employ of the Company.

15.5 **INDEMNIFICATION.** To the extent allowable under applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act under the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her provided he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

15.6 **FRACTIONAL SHARES.** No fractional shares of stock shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down as appropriate.

15.7 **GOVERNMENT AND OTHER REGULATIONS.** The obligation of the Company to make payment of awards in Stock or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by government agencies as may be required. The Company shall be under no obligation to register under the Securities Act of 1933, as amended, any of the shares of Stock paid under the Plan. If the shares paid under the Plan may in certain circumstances be exempt from registration under the Securities Act of 1933, as amended, the Company may restrict the transfer of such shares in such manner as it deems advisable to ensure the availability of any such exemption.

15.8 **GOVERNING LAW.** The Plan and the terms of all Awards shall be construed in accordance with and governed by the laws of the Commonwealth of Pennsylvania.
