INTRODUCTORY STATEMENT

This Amendment No. 1 to Schedule TO amends and supplements the Tender Offer Statement on Schedule TO filed by Sorrento Networks Corporation with the Securities and Exchange Commission on April 3, 2002 (the "Schedule TO") relating to our offer to our employees and to employees of our subsidiaries to exchange outstanding options to purchase our common stock, par value \$0.30 per share, having an exercise price greater than or equal to \$7.50 per share for FIBR options and all outstanding options of our subsidiary, Sorrento Networks Inc. ("SNI"), granted under the Sorrento Networks Corporation 1988 Stock Option Plan (the "1988 Plan"), the Amended and Restated 1997 Incentive and Non-Qualified Stock Option Plan (the "1997 Plan"), the Sorrento Networks Corporation 2000 Stock Incentive Plan (the "2000 Plan"), the Sorrento Networks Inc. 2000 Stock Option/Stock Issuance Plan (the "SNI Plan") (collectively with the 1988 Plan, 1997 Plan and the 2000 Plan, the "Plans") for new nonqualified stock options with a new exercise price (the "New Options").

Employees who were granted stock options on or after October 1, 2001, even if those options have an exercise price greater than \$7.49 per share for FIBR options or if those options are SNI options, may not participate in the New Grant Program. Current and former directors and executive officers (within the

Edgar Filing: SORRENTO NETWORKS CORP - Form SC TO-I/A

meaning of Rule 16a-1(f) promulgated under the Securities Exchange Act of 1934, as amended) and key management as well as independent contractors, advisory board members and other non-employees of ours or of our subsidiaries are not eligible to participate in the New Grant Program.

"Non-plan" option grants, previously included in this offer to exchange options, are now excluded from this offer. Accordingly, we are extending the offer to exchange outstanding stock options under the Plans. This offer will now remain open until 5:00 p.m. Pacific Time on May 17, 2002.

We are changing the fax number to which elections to exchange grants of stock options should be delivered. The new number is (858) 450-4947. If you have already submitted your Letter of Transmittal (Election to Participate), you do not need to do anything further.

ITEM 1. SUMMARY TERM SHEET

The reference to the inclusion of certain "non-plan" options in this Offer to Exchange, contained in the Summary Term Sheet under the introduction and under section 2 ("What securities are we offering to exchange?") is hereby deleted and the following information is hereby substituted in its stead:

"Non-plan" options are excluded from this offer to exchange stock options.

The information contained in the Summary Term Sheet under the introduction and under sections 3 ("Why is Sorrento Networks corporation implementing the New Grant Program?"), 13 ("What will happen if I do not turn in my form by the deadline?"), and 30 ("What will be the share amount of the new options?") is hereby supplemented by the inclusion of the following

information after each reference therein to the conversion ratio of 1 FIBR share for every 3.9 SNI shares:

Upon conversion of SNI option grants into FIBR option grants, the exercise price of the converted FIBR option grant is equal to the exercise price of the SNI option grant multiplied by 3.9. For example, an employee who tenders an option to purchase 3.9 shares of SNI stock at an exercise price of \$5.45 per share will receive an option to purchase 1 share of FIBR stock with an exercise price of \$21.25.

The information contained in the Summary Term Sheet under section 13 ("What will happen if I do not turn in my form by the deadline?") is hereby supplemented by the inclusion of the following information before the last sentence:

Supplemental option grants equal to 10% of the equivalent number of FIBR options that are made to employees who elect not to participate in this offer to exchange will vest at the rate of 25% every three months for one year in total.

The information contained in the Summary Term Sheet under the following sections:

section 4 ("What do I need to do to participate in the New Grant Program?");
section 11 ("If I decide to participate in the New Grant Program, what will happen to my current options?");
section 12 ("What is the deadline to participate in the New Grant Program, and how do I participate?");

is hereby amended to change the date on which this Offer to Exchange expires to 5:00 p.m. Pacific Time on May 17, 2002 and also to change the fax number to which Letters of Transmittal (Election to Participate) should be sent. Edgar Filing: SORRENTO NETWORKS CORP - Form SC TO-I/A

and the following information is hereby substituted in its stead:

"Non-plan" options are excluded from this offer to exchange stock options.

The Summary Term Sheet and Section 3 are hereby supplemented by the inclusion of the following information:

Supplemental option grants equal to 10% of the equivalent number of FIBR options that are made to employees who elect not to participate in this offer to exchange will vest at the rate of 25% every three months for one year in total.

The information contained in the Summary Term Sheet, and in Sections 1 ("Number of Options; Expiration Date"), 3 ("Procedures for Electing to Participate in the New Grant Program"), 5 ("Acceptance of Options for Exchange and Issuance of New Options"), and 8 ("Source and Amount of Consideration; Terms of New Options") is hereby supplemented by the inclusion of the following information after each reference therein to the conversion ratio of 1 FIBR share for every 3.9 SNI shares:

Upon conversion of SNI option grants into FIBR option grants, the exercise price of the converted FIBR option grant is equal to the exercise price of the SNI option grant multiplied by 3.9. For example, an employee who tenders an option to purchase 3.9 shares of SNI stock at an exercise price of \$5.45 per share will receive an option to purchase 1 share of FIBR stock with an exercise price of \$21.25.

The information contained in the Summary Term Sheet, and in Sections 3 ("Procedures for Electing to Participate in the New Grant Program") is hereby amended to change the fax number to which Letters of Transmittal (Election to Participate) should be sent. The new fax number is (858) 450-4947. If you have already submitted your Letter of Transmittal (Election to

5

The information set forth in the Offer to Exchange under Section 16 (Additional Information) is hereby amended to add the following sentence at the end of the second paragraph:

In addition, you should review any amendments to our Schedule TO and the Offer to Exchange that was filed with the SEC, including, among other things, the information contained in Amendment No. 1 to the Schedule TO, and delivered to you as an Amendment to the Offer to Exchange.

ITEM 6. PURPOSES OF THE TRANSACTION AND PLANS OR PROPOSALS

The information set forth in the Offer to Exchange under Section 2 (Purpose of the New Grant Program) is hereby amended to read as follows:

We issued the options outstanding under the Plans to provide our employees an opportunity to acquire or increase their ownership stake in Sorrento Networks Corporation, creating a stronger incentive to expend maximum

Edgar Filing: SORRENTO NETWORKS CORP - Form SC TO-I/A

effort for our growth and success and encouraging our employees to continue their employment with us.

Many of these options, whether or not they are currently exercisable, have exercise prices that are significantly higher than the current market price of our common stock. We are implementing the New Grant Program to provide our employees with the opportunity to own options that over time may have a greater potential to increase in value, which we hope will create better performance incentives for employees and will maximize the value of our common stock for our current stockholders.

Because of the number of options currently outstanding, a grant of additional options to all Sorrento Networks Corporation employees holding out-of-the-money options could be significantly dilutive to our current and future stockholders and could potentially have a negative impact on our outstanding shares and earnings per share.

CONSIDERING THE RISKS ASSOCIATED WITH THE VOLATILE AND UNPREDICTABLE NATURE OF THE STOCK MARKET, THE TECHNOLOGY SECTOR AND OUR INDUSTRY IN PARTICULAR, THERE IS NO GUARANTEE THAT THE CLOSING MARKET PRICE OF OUR COMMON STOCK ON THE REPLACEMENT GRANT DATE (AND THEREFORE THE EXERCISE PRICE OF ANY NEW OPTION) WILL BE LESS THAN OR EQUAL TO THE EXERCISE PRICE OF YOUR EXISTING OPTION, OR THAT YOUR NEW OPTION WILL INCREASE IN VALUE.

We are continuing our negotiations with the holders of SNI's Series A Convertible

6

Preferred Stock but have not reached an agreement with them. On an "as converted" basis, the shares of Series A Convertible Preferred Stock represent approximately 14% of the outstanding shares of SNI. The terms of a settlement with the holders of such shares of Preferred Stock may include a requirement that we issue a significant and material quantity of our equity securities or securities that are convertible into our common stock.

Subject to the foregoing, and except as otherwise disclosed in this Offer to Exchange, we currently have no plans or proposals that relate to or would result in:

- o an extraordinary transaction, such as a merger, reorganization or liquidation, involving us or any of our subsidiaries that is material to us (however, we expect to consider such matters from time to time);
- o any purchase, sale or transfer of a material amount of our assets or the assets of any of our subsidiaries;
- o any material change in our present dividend rate or policy, or our indebtedness or capitalization;
- o any other material change in our corporate structure or business;
- o our common stock not being authorized for quotation in an automated quotation system operated by a national securities association;
- o our common stock becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act;
- o the suspension of our obligation to file reports under Section

Edgar Filing: SORRENTO NETWORKS CORP - Form SC TO-I/A

- 15(d) of the Securities Exchange Act;
- o the acquisition by any person of any of our securities or the disposition of any of our securities (other than as a result of the exercise of stock options issued under the Plans or purchases made under our employee stock purchase plan) in an amount that is material to us; or
- o any changes in our certificate of incorporation, bylaws of other governing instruments or any actions that could impede the acquisition of control of us.

Neither we nor our Board of Directors makes any recommendation as to whether you should elect to participate in the New Grant Program, nor have we authorized any person to make any such recommendation. We urge you to evaluate carefully all of the information in this Offer to Exchange and to consult your own investment and tax advisors. You must make your own decision whether to elect to participate in the New Grant Program.
