On June 17, 2009, the stockholders of DealerTrack Holdings, Inc. (the Company) approved a one-time stock option exchange program (the Option Exchange) pursuant to which employees of the Company (excluding executives and directors) who hold certain options to purchase shares of the Company s common stock (such options, eligible options) will be given the opportunity to exchange such eligible options for a lesser number of stock options with an exercise price equal to the closing price of our common stock on the date the new options are granted.

The attached written communication (the Presentation) was disseminated by the Company on June 22, 2009 in connection with the proposed Option Exchange.

Note: The attached Presentation does not constitute an offer to holders of eligible options to exchange such options. The option exchange program described in this email has not yet commenced. If the exchange is implemented, we will provide option holders who are eligible to participate in the exchange program with written materials explaining the precise terms and timing of the exchange program at the time the exchange program begins. Persons who are eligible to participate in the exchange program should read these written materials carefully when they become available because they will contain important information about the program. At the time the exchange program begins we will also file these written materials as part of a tender offer statement with the Securities and Exchange Commission. Our stockholders and option holders will be able to obtain these written materials and other documents we file with the Securities and Exchange Commission free of charge at www.sec.gov. Persons eligible to participate in the exchange will also be able to obtain a written copy of the tender offer documents free of charge, when they become available, by contacting DealerTrack Investor Relations, at DealerTrack Holdings, Inc., 1111 Marcus Ave., Suite M04, Lake Success, NY 11042.
