Item 1.01. Entry into a Material Definitive Agreement

On September 1, 2009, Flow International Corporation (*Company*) issued a press release, attached hereto as Exhibit 99.1, announcing that on August 28, 2009 it entered into a First Amendment (the *Amendment*) to the Second Amended and Restated Credit Agreement by and among the Company, Bank of America, N.A., as Agent, Lender, L/C Issuer and Swing Line Lender, U.S. Bank National Association, as a Lender, and Wells Fargo Bank N.A., as a Lender (the *Credit Facility* and, as amended by the Amendment, the *Amended Credit Facility*).

The Amendment made changes to the applicable rates charged to the Company, which are dependent on the Company's consolidated leverage ratio. The Amendment also provides for changes and other adjustments to the definitions of consolidated adjusted EBITDA, and consolidated fixed charge coverage ratio. The Amendment eliminated the requirement of the Company to maintain a minimum consolidated adjusted EBITDA for the trailing four quarters of \$8 million. Under the revised covenants in the Amended Credit Facility, the Company must maintain the following financial ratios:

	Maximum Consolidated Leverage Ratio (i)	Minimum Fixed Charge Coverage Ratio (ii)
Fiscal Year 2010		
First Quarter	3.25x	2.0x
Second Quarter	3.35x	1.2x
Third Quarter	3.50x	1.2x
Fourth Quarter	3.35x	1.2x
Fiscal Year 2011		
First Quarter	2.75x	2.0x
Thereafter	2.50x	2.0x

(i) Defined as the ratio of consolidated indebtedness, excluding the promissory notes to be issued to OMAX, to consolidated adjusted EBITDA for the most recent four fiscal quarters.

(ii) Defined as the ratio of consolidated adjusted EBITDA, less income taxes and maintenance capital

expenditures,
during the most
recent four
quarters to the
sum of interest
charges during
the most recent
four quarters
and scheduled
debt repayments
in the next four
quarters.

The revised covenants also require the Company to meet a liquidity test such that its consolidated indebtedness shall not exceed the total of 65% of the book value of the Company's accounts receivable and 40% of the book value of the Company's inventory.

The amended definitions and financial covenant provisions set forth in the Amendment and summarized above (other than those applicable for the first quarter of fiscal year 2010, which are unconditionally effective) are conditioned upon the Company raising \$10 million or more of new capital through one or more sales of the Company's common or preferred stock or any rights in or to the Company's common or preferred stock on or prior to the last day of the Company's second fiscal quarter of fiscal year 2010. In the event that the sale of new capital is for equity other than common stock, then the Agent and Lenders of the Credit Facility must consent to the terms of such offering.

A copy of the Amendment is attached as Exhibit 10.1 to this Current Report on Form 8-K and the summary contained herein is qualified in its entirety to the text of the Amendment itself.

Item 7.01. Regulation FD

On September 1, 2009, the Company issued a press release, attached hereto as Exhibit 99.1, announcing the entry into the Amendment, and the Company issued a press release, attached hereto as Exhibit 99.2, announcing its intent to conduct an offering of common stock.

Item 9.01. Financial Statements and Exhibits.
