Item 1.01. Entry into a Material Definitive Agreement.

(a) Stock Purchase Agreement with Supplemental Manufacturing & Ingredients, LLC

On November 6, 2009, HealthSport, Inc., a Delaware corporation (**we**, **us**, **our** or the **Company**), entered into a stock purchase agreement (the **Stock Purchase Agreement**) with Supplemental Manufacturing & Ingredients, LLC, an Arizona limited liability company (**SMI**) pursuant to which we agreed to issue 66,666,667 shares (the **Shares**) of our common stock in exchange for cash and a promissory note representing an aggregate value of \$10,000,000 (the **SMI Financing**).

At the time of closing of the transactions contemplated by the Stock Purchase Agreement (the **Closing**) and in accordance with the terms of the Stock Purchase Agreement, SMI will pay to the Company \$2,000,000 and will issue a promissory note (the **Promissory Note**) to the Company in the amount of \$8,000,000. The promissory Note will be payable in five installments as follows:

\$500,000 on or before November 15, 2009;

\$400,000 on or before December 31, 2009;

\$1,650,000 on or before February 28, 2010;

\$2,500,000 on or before April 30, 2010; and

\$2,950,000 on or before June 30, 2010.

The Promissory Note will mature on June 30, 2010 and will accrue interest at the rate of 4% per annum. We will issue and deliver 13,333,333 shares of our common stock to SMI at the time of closing. We will issue certificates for the remaining 53,333,334 shares of our common stock in the name of SMI; however, the 53,333,334 shares will be held by a third party escrow agent pursuant to an escrow agreement and a pledge agreement (the **Pledge Agreement**). The 53,333,334 shares will be delivered to SMI as SMI makes the scheduled installment payments pursuant to the Promissory Note.

In addition to the issuance of the Shares, the Stock Purchase Agreement provides for the issuance of additional shares of common stock in the following circumstances:

1. *Exercise or Conversion of Outstanding Convertible Securities.* If at any time after the Closing, but prior to June 30, 2011, the Shares (plus any other shares of common stock issued to SMI pursuant to the following paragraph) equal less than 55% of the Deemed Outstanding (as defined below), then, provided that all amounts then currently due under the Promissory Note have been paid in full and the Promissory Note is not otherwise in default, the Company is required to issue to SMI, without additional consideration, such number of additional shares of common stock such that the Shares together with the shares issued pursuant to this paragraph and the following paragraph (collectively, the **Supplemental Shares**) shall equal 55% of the Deemed Outstanding. For purposes of this paragraph, the **Deemed Outstanding** as of any particular date shall mean the shares of the Company's common stock then issued and outstanding, excluding all shares of common stock issued after the Closing other than (a) the Supplemental Shares and (b) issuances of common stock resulting from the exercise or conversion of options, warrants or other derivative securities (whether debt or equity) that were either (x) outstanding as of the Closing or (y) reserved for issuance, as of the Closing, under any stock option plan, restricted stock plan, or other stock plan.

2. *Undisclosed Liabilities.* In the event the Company has failed to disclose certain liabilities (which undisclosed liabilities must exceed \$100,000 individually and \$300,000 in the aggregate) in connection with the SMI Financing, the Company shall be required to issue to SMI, without additional consideration, such number of Supplemental Shares as is equal to 55% of the total amount of those undisclosed liabilities. For purposes of this paragraph, certain pending lawsuits against the Company are deemed to be undisclosed and the fees, costs and other amounts paid by the Company as a result of such lawsuits shall require the issuance of additional shares hereunder provided the dollar thresholds referenced above have been met.

3. *Other Dilutive Issuances.* If on June 30, 2010, the Shares plus any Supplemental Shares equal less than 55% of the Company's common stock issued and outstanding as of June 30, 2010, then, provided the Promissory Note has been paid in full, SMI shall have the right and option to purchase such number of additional shares of common stock (the **Option Shares**) such that the Shares together with all Supplemental Shares and the Option Shares shall equal 55% of the Company's common stock issued and outstanding as of June 30, 2010. The purchase price for the Option Shares shall be \$.15 per share (as adjusted for stock splits, stock dividends and recapitalizations). The right to purchase Option Shares hereunder shall expire on August 31, 2010.

The Stock Purchase Agreement also contains certain covenants with respect to the board of directors and executive management of the Company which are summarized in Item 5.01 and 5.02 below and incorporated herein by reference.

The Stock Purchase Agreement contains representations and warranties of the Company and SMI relating to, among other things, (a) proper corporate organization, (b) due authorization of the SMI Financing, (c) valid issuance of the Shares, (d) accuracy of the Company's SEC filings, (e) the capital structure of the Company, (f) SMI's accredited investor status, (g) SMI's opportunity to conduct its own investigation of the Company, and (h) restrictions on transfer of the Shares.

We anticipate that the Closing will occur within approximately 15 to 20 days from the date of the Stock Purchase Agreement. However, there are certain conditions to the closing of the transactions contemplated by the SMI Financing, including: (a) the Company shall have issued an information statement on Schedule 14f-1 to its registered stockholders and that a minimum of ten days shall have passed from the date of such mailing, (b) the accuracy of representations and warranties, (c) the performance of all obligations and covenants, (d) the absence of any threatened legal proceeding against the Company or SMI challenging the SMI Financing and (e) the delivery of the Shares, Promissory Note, Pledge Agreement and such other documents as the parties may reasonably require. No assurances can be given that these conditions will be met or that the SMI Financing transaction will close.

The Stock Purchase Agreement, and the SMI Financing, may be terminated: (a) by mutual consent, (b) by either party if the Closing does not occur by November 30, 2009, or (c) upon a breach of a representation or warranty by the other party which is not cured within ten days after written notice is provided.

The foregoing description of the terms of the Stock Purchase Agreement, Promissory Note and Pledge Agreement are qualified in their entirety by reference to the provisions of such agreements, which are included as Exhibit 10.1, Exhibit 4.1 and Exhibit 10.2 to this Form 8-K and incorporated by reference.

We issued a press release on November 10, 2009 announcing the SMI Financing. A copy of that press release is attached as an exhibit to this report.

(b) Separation Agreements and Employment Agreements

The information contained in Item 5.02 is incorporated by reference herein.

Item 3.02 Unregistered Sales of Equity Securities.

The information provided in response to Item 1.01(a) of this report is incorporated by reference into this Item 3.02. In connection with the SMI Financing, we will issue the Shares to SMI. The Shares are intended to be issued in a private placement under Section 4(2) of the Securities Act and/or Rule 506 of Regulation D under the Securities Act. SMI meets the accredited investor definition of Rule 501 of the Securities Act. The offering was not conducted in connection with a public offering, and no public solicitation or advertisement was made or relied upon by the investor in connection with the offering.

The information provided in response to Item 5.02 of this report regarding the issuance of the common stock to M.E. Hank Durschlag, Jeffrey Wattenberg, Daniel Kelly, Anthony Seaber, Matthew Burns, Robert Davidson and Thomas Beckett is incorporated by reference into this Item 3.02. The common stock that will be issued to Messrs. Durschlag, Wattenberg, Kelly, Seaber, Burns, Davidson and Beckett is intended to be issued in a private placement under Section 4(2) of the Securities Act and/or Rule 506 of Regulation D under the Securities Act. The offering was not conducted in connection with a public offering, and no public solicitation or advertisement was made or relied upon by the investor in connection with the offering.

Item 5.01 Changes in Control of Registrant.

The information provided in response to Item 1.01(a) and Item 5.02(a) of this report is incorporated by reference into this Item 5.01.

The sale of the Shares to SMI represents a transfer of a majority of the outstanding common stock and voting control of the Company. SMI secured the funds to purchase the Shares, and consequently control of the Company, from a combination of working capital and investment capital.

The Pledge Agreement permits our board of directors to vote the pledged shares while such shares are being held in escrow pursuant to the Pledge Agreement. The proxy granted by SMI under the Pledge Agreement shall be irrevocable and continue with respect to any shares so long as they remain subject to the Pledge Agreement. SMI will therefore own a majority of our common stock and will appoint a majority of our board of directors.

In connection with the Stock Purchase Agreement, each of the four board designees, as a condition to their appointment, will place into escrow pursuant to the Stock Pledge Agreement and the Escrow Agreement a written resignation which shall become effective, at the Company's election, upon the occurrence of an Event of Default under the Promissory Note or the Stock Pledge Agreement.

In addition, the Stock Purchase Agreement provides that for so long as any amounts remain outstanding under the Promissory Note, the Company shall obtain the approval of not less than five directors of a seven member board of directors (or not less than one plus the number of directors appointed by the Investor if a different size board) prior to taking certain corporate actions, including: (a) changing the Company's principal line of business; (b) any liquidation, dissolution or winding-up of the Company; (c) any amendment or restatement to the Company's articles of incorporation or bylaws; (d) increasing or decreasing the number of board members; (e) significant acquisitions, dispositions, licenses or transfers of assets outside the ordinary course of business; (f) issuing capital stock, except for shares issuable in accordance with the terms of outstanding employee benefit plans or warrants, options or other derivative securities; (g) declaring dividends or redeeming, purchasing or otherwise effecting any recapitalization or restructuring of outstanding shares of capital stock; (h) incurring significant indebtedness; (i) effecting any change in control transaction; (j) modifying any executive employment agreements; (k) amending any existing agreement between the Company and SMI; or (l) any amendment modification or waiver of the use of proceeds from the sale of the Shares from the agreed upon use of proceeds set forth in the Stock Purchase Agreement.
