Foreign Corrupt Practices Act Investigation

As previously disclosed, in June 2008 we received a letter from the Securities and Exchange Commission informing us that it was conducting an informal investigation regarding potential violations of the Foreign Corrupt Practices Act in the sale of medical devices in a number of foreign countries by companies in the medical device industry. We have been advised by the Commission's Division of Enforcement, that this investigation has been completed as to us and that the Division of Enforcement does not intend to recommend any enforcement action by the Commission against us.
